ON THE COVER:

Our management team of Leon and Laura have just retired. We wish them well in their new retirement home in Frostproof Florida. Time to break in a new team.

FROM THE EDITOR

By: Donna Wurtz

(lot 938.....509-1182.....momshse@aol.com)

Once again, I want to thank all who contribute articles for publication. Please keep them coming. We are getting some good ideas and good stories lately. Why not make yours one of them?

From the Editor

September is of course the month that signifies the beginning of autumn. As the leaves begin to fall – oh wait – that’s up north. Yes we hope that as the leaves begin to fall for our residents who are still in their summer vacation homes up north, they will be packing to return to Lincolnshire (and get here before that white stuff gets started) for a fun filled season here in our community. It’s a new beginning, let’s make it a great season. We will weather this last upsurge in covid cases and pull through to a new year where we can all get together again. The pool party held by management was well attended, but still not what we are used to in the clubhouse. It was great to see so many smiling faces. Coffee hour will be starting back up & hopefully will not need to be postponed again in the future. Hope to see you all at future activities

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394.....haroldwur@aol.com)

Autumn is just around the corner, and that means we will soon see more of our northern friends back here in Lincolnshire. Activities will be starting up again. Thanks to Lulu and Teri for getting line dance classes going again. We did get 2 of our residents to volunteer to have a Labor Day Cookout – but as you may notice it’s not on the calendar. Unfortunately, with the latest upsurge in Covid cases in our area, the volunteers decided it was not a good idea to do that yet. So, stay tuned for information about the dances that will soon begin. I tell my family and friends that my way of looking at things is like driving a car.

continued on page 6

The windshield is much larger than the rearview mirror. It's OK to look back now & then but keep looking ahead for that is the direction you are heading now. I spent a lot of time this past week looking at the photos on our Facebook page from past events. It goes back quite a few years and spans many kinds of events. Dances, dinners, parties of all kinds, travel club trips, golf cart parades, and holiday parties. What fun to look at those old photos. Many went back as far as 2014. One thing I noticed is everyone was always smiling and laughing. Next, I'll need to visit all the old videos. You can do that too – just open the Facebook page and click on the photo or videos. Many of the faces in the photos are no longer with us, and some of the events are not going to be revisited in the future. It's a new time for the residents' club, and we need new events. I look forward to many more smiling faces to post with lots of new events. So, get your ideas and recipes together and get it going again. We need your ideas and your help.

Stay safe and stay healthy

ENTERTAINMENT COMMITTEE

By: Linda Casey.....(#1211.....581-5257.....lcasey9@tampabay.rr.com)

Just to get you ready for our first dance. Halloween is just around the corner. I hope you all have been working on your costumes. I am hoping some of our snowbirds will be back so we can have a good time. We all know that our good friend Sally has left us and as a memory of her I will make sure at the beginning each dance we will start with Mustang Sally. Tickets will go on sales second week of October. Price for now will still be \$7. If you have friends up north and they will be back, please check with them if they need tickets. Hope you had a nice summer. Times will be better.

THOUGHT FOR THE DAY

"**R**ewrite it on your heart that everyday is the best day in the year. He is rich that owns the day, and no one owns the day who allows it to be invaded with fret and anxiety. Finish every day and be done with it. You have done what you could. Some blunders and absurdities, no doubt crept in. Forget them as soon as you can, tomorrow is a new day; begin it well and serenely, with too high a spirit to be cumbered with your old nonsense. This new day is too dear, with it's hopes and invitations, to waste a moment on yesterdays."

~~ Ralph Waldo Emerson

MANAGERS RETIRE:

We all get to do it sometime. Leon and Laura Stevers have been our managers here in Lincolnshire for a number of years and have decided it is time to retire. They will be moving to a new home in Frost Proof Florida. During their years here at Lincolnshire they have improved the overall park appearance and cleanliness. They helped a number of residents in dealing with personal situations and helped us get through the worst of the pandemic. They have always been helpful to the residents' club, even volunteering to help cook for some of our events. Having been here in Lincolnshire for as long as we have, and seeing 5 sets of managers come and go, I will say that Leon & Laura have been the best in a long line of managers. We will miss them, and we wish them the best of luck in their future retirement life.

Residents' club meeting

The next official meeting will not be until November per our bilaws. No business will be conducted during the summer, and due to lack of attendance coffee hour will also be on hold until October when we plan to begin building back to a more normal calendar of events. Other events during the summer months will be at the discretion of the committees in charge of those events. Meanwhile stay safe and continue to follow CDC guidelines. As much as we don't like it, it is still the best way to get back to normal.

RESIDENT STORIES:

Good News from Marlene Del Mastro from lot #1049. Marlene’s son Randy has 4 boys who he has watched play hockey in school through the years. Ethan, the youngest at age 18, played for the Mississauga Steel Heads and competed in that hockey league last year in the World hockey tournament, and the team placed first and earned the world cup (a junior equivalent to Lord Stanley’s cup) BUT THAT’S NOT ALL: scouts from the NHL were watching – AND – Ethan was chosen by the Chicago Black Hawks in the 4th round of the 2021 NHL draft and is now going to be a professional hockey player. Congrats to Ethan, Randy, and of course proud Grandma Marlene.

COOKING IN LINCOLNSHIRE

By: donna Wurtz (#938.....509-1182.....momshse@aol.com)

NEW TO LINCOLNSHIRE? We have a tradition of finding the best cooks in town. We have published 3 cookbooks over the years featuring recipes from our expert cooks with various backgrounds. Foods from all nations, and cuisines. The latest cookbook is still available for sale. Don't miss out. Give me a call & we will reserve you one. Meantime, enjoy some samples of the recipes that you can get in the book. We will publish a new one each month. And don't be afraid to share one of your own favorites for the next issue, just send it to me & we will get it published here next month. This month's recipe follows:

BOURBON FRIED SHRIMP

THANKS TO: Gary Kottman

1-2 pounds jumbo shrimp butterflied
1 stick butter
½ - ¾ white onion - chopped
2-3 cloves garlic
1-2 T parsley flakes
3 tomatoes – diced

1 – 1 ½ tsp salt
2tsp course black pepper
¼ cup white wine
¼ cup bourbon
¼ - ½ C sour cream

Butterfly & devein shrimp. Sauté onion, garlic, pepper & salt in butter until onion turns clear. Add shrimp and ½ of the wine. Sauté 8-10 minutes until shrimp turns red. Turn heat to warm, add sour cream, and remaining wine. When sour cream becomes creamy, add tomatoes and ½ of the bourbon. Cover pan for 2-3 minutes until tomatoes are hot. Remove lid, add parsley. Add remaining bourbon and flame. Serve over rice.

“WELCOME TO LINCOLNSHIRE”

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Seminars for new residents will be postponed until November. In the meantime, any news regarding the committee will be posted in the laundry room by Donna. In the meantime, if you have any questions, please contact Donna.

Even with the vaccine, it is a good idea to remain cautious. Wear a mask and social distance when necessary. Stay safe.

DEVELOPER'S OPEN HOUSE

INFORMATION PASSED ON BY NEARBY NEIGHBORHOOD

We know that many Lincolnshire residents are concerned regarding the possible development of property across the street from the community bounded by Donegan Rd. and 8th Ave SE. (currently ranch property) The following is a summary of the first meeting regarding the possible development and its possible effect on nearby communities including Lincolnshire.

“Good Morning All,

There was a good showing of neighbors for the developer's Open House last night. I estimate about 75 people went through. Although city staff was present to answer questions, most of the interest was in seeing the proposed site plan and talking to the developer's traffic engineer about their "traffic study".

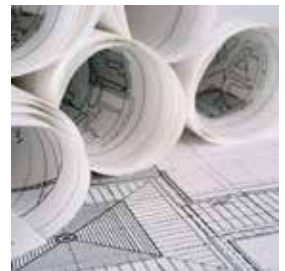

The biggest takeaway from this meeting was that the developer is desperate to SELL his plan, at any cost. He claims he owns the property, which is debatable. When pressed for answers about more than one entrance/exit, he said they would plan on having exit only access on the Donegan side of the property, which the city planner if it when asked, said that was the first she'd heard of it. The Traffic Engineer had a sorry looking bar graph of what COULD be if the existing zoning was left in place, compared to what it could be with their proposed zoning. There was nothing in reality provided! I would like to see the actual study that was done and who conducted it.

Bottom line is this is not a good fit for this area, and we need to keep expressing our concerns and backing it up with factual information. There was some helpful info from city staff and the fact sheets they provided. Let's use that information to keep this from moving forward.

I am attaching photos of the site plan, building and property renderings, the graph of the "traffic study", affordable housing fact sheet, and most importantly, dates for public hearings. It will be crucial that we have large neighborhood attendance and input at these meetings. Please mark the dates that you will be able to attend.”

LINCOLNSHIRE LIBRARY

BY: Cynthia Varga..... (lot163.....584-6402)

I know someone means well by shelving the books they are returning to the library.

Please just leave them in the book return cabinet.

I have a system whereby I monitor the incoming and outgoing books.

When they are put back without my seeing them, it makes extra work for me.

Also, they are not being replaced in alphabetical order which I adhere to.

If you are cleaning out your shelves and have a lot of books, please bring them to my coach so I can sort them.

Many are duplicates and have to be removed.

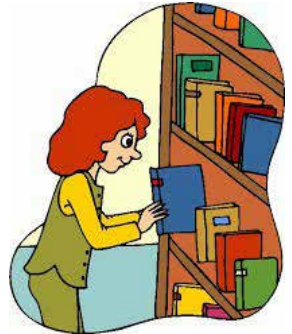

If you would like to help with the library, I can meet with you and show you what I do so it will be consistent.

Or if you have a better way, you can teach me!

Thanks for your cooperation.

Cynthia

Lot #163

Editors note: if you are new to Lincolnshire, you might not know that we also have a LARGE library of DVDs in the clubhouse for your use. They are in the drawers in the cabinets along the front wall of the clubhouse. We also just learned that an additional 1500 or so DVD have just been donated. We could use a volunteer to help organize the DVDs for easier browsing. Call Harold if you can help.

September already!! School is back in session. As of the writing of this article, lots of changes for our area with construction on 8th Avenue and the detour. Hopefully that project will be completed soon. Traffic delays in the morning/mid-afternoon Monday thru Friday due to the partial closure of 8th Avenue and school back in session. Avoid 8th Avenue and the detour if you can between the hours of 8:30AM and 9:15AM and dismissal time between 3:30PM and 4:30PM. Traffic is backed up on Donegan Rd., 8th Avenue detour and Central Park Dr.

Many of our Lincolnshire residents attended the open house on August 4th sponsored by the City of Largo. Information shared regarding the new apartment complex planned for building on

...continued on page 20

8th Avenue & Donegan Rd. We were able to see the plans for the community with the developer as well as City Traffic Engineers and City Planners. No discussion just presentation of materials. There are 5 meetings scheduled from September 2021 thru December 2021. We will post the times and dates for anyone from the community that might be interested in attending. Check the bulletin board in the Mail Room for the upcoming schedule of meetings.

Friday 8/13 was Lincolnshire management sponsored Pool Party. Good to see many of our neighbors in attendance. Laura & Leon announced that week of 8/16 will be there last week as our managers. They are retiring with move to Frostproof FL.

Thanks to several of our Lincolnshire neighbors that have donated birthday/get well & sympathy cards to our committee. They are greatly appreciated.

Good News – please let us know of any of your upcoming plans for a getaway this summer or fall. We would love to include them in our newsletter articles.

Would love to include news about your families...please let us know of any special events, awards etc. that we can include in our monthly newsletter article.

Since our last newsletter we have contacted via cards /calls the following residents who have been hospitalized or home recovering from an illness. Please keep them in your thoughts & prayers

No resident hospitalizations or residents home recovering to report this month.

Since our last newsletter sadly reporting the loss to our Lincolnshire neighbors.

Sally Schneider #1116 passed away on 7/26 while visiting family in Ohio.

If you wish to send cards to her son they can be addressed to: Greg Kerr; 7842 Causeway Blvd. N. ; St. Petersburg FL 33707.

Peggy Kaszian #674 recently lost her daughter Samantha unexpectedly at the of age 51.

Please give Mary Jo or Marge a call with any news regarding our Lincolnshire neighbors. It is always nice to know that others are thinking of you when you are experiencing a difficult time in your life.

*******Editor's note:** Just as this edition is about to go to print, we learned of the passing of Ken deka, formerly of lot #1016. Ken was always active in helping the residents' club celebrate Veteran's Day and Memorial Day with the beautiful sounds of his bugle, and played taps in tribute to our MIA and all veterans at the beach every night. See his video on Lincolnshire facebook page.*****

Allyn Webert, Secretary

**DID YOU
KNOW**

D ID YOU KNOW? *Rental parks without an active HOA, especially incorporated as LHOA, and a member of the FMO (Federation of Manufactured Home Owners of Florida) our lobbyist in Tallahassee, never see this sort of information. LHOA is voluntary, does not own, manage, make the rules and membership is not included when you buy your home or in our rent! Join. 2022 Membership drive starts on October 1st.*

All homeowners should have received the 90 day notice from the park owner concerning rent increase, compactor fee and the property tax pass-on charge due on November 1st 2021. The property tax pass-on is allowed by Florida statutes for rental mobile home parks like Lincolnshire. This has been in existence for several years. Each homeowner is responsible for 1/464th of the total difference in the property tax paid from the basis year of 2006 to 2020. Our park owner makes the charge to each homeowner once a year along with the rental increases. Talk to your park manager for more information. Other park owners may blend it into the rental increase or have 12 month installments. Property taxes are based on the value of the property (including the land) owned and is assessed by local or municipal governments plus any applicable real estate taxes. Resident owned parks also see increases and those charges are incorporated in increased monthly maintenance fees. The Board is consistently surprised by the number of new homeowners who have no knowledge of this pass-on tax until they receive the notice. Unlike when we purchased a home with the land all the taxes, fees etc. are disclosed at the "closing." Your Board of Directors ensures that this pass-on is calculated correctly each year by obtaining the tax record from Pinellas County of what amount was assessed and the tax paid.

Certainly disconcerting to a new owner finding out they are paying a pass-on tax from the previous year. The seller should make the new owner aware of this tax plus give the new owner the "Prospectus" which is the contract disclosing the responsibilities of both the park owner and homeowner. Don't have this or never received? Ask the previous coach owner or you can get one for the Florida Department of Professional Regulation in Tallahassee.

The Board will exercise the right by Florida statute to schedule a meeting with the park owner or his representative concerning the rental increase notice and other issues deemed important to affected Member homeowners. Non- members have no vote or voice. This meeting must occur before the rental increase takes effect.

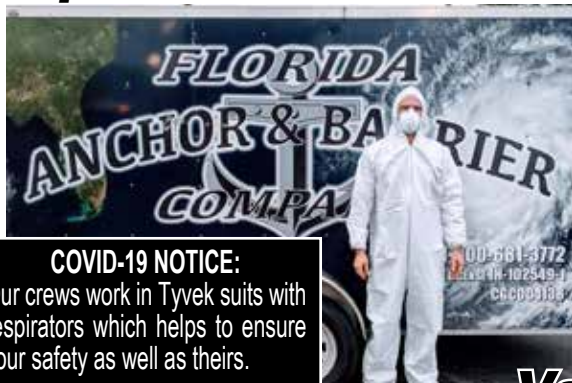

If you are reading this and are not a Member please take the opportunity to join. Ensure your voice can be heard and also have a vote. The 2022 membership drive starts October 1st and ends on December 31st. The Association's strength is in its membership and let's maintain that.

LINCOLNSHIRE KENNEL KLUB

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

Another new neighbor – meet Chuck! “I moved into lot # 920 just down the street, and I’m Mark and Linda Benson’s new boy. They drove all the way to Ft. Worth, Tx. And picked me up while visiting their daughter Michelle and her husband Mike. I love Florida and am adapting quickly. Lincolnshire – here I come.” Chuck weighed in at 3 pounds when he arrived here. He is a toy Australian shepherd and was nine weeks old when he arrived in Lincolnshire. He will probably be about 12 lbs. when he is fully grown. He loves his walks, so you may see him out on 9th St from time to time. Stop by and tell him hello.

This morning when walking, my owner saw one of our neighbors talking to her cat while she walked him in his stroller. It was obvious that she thought her cat understood every word she said. When he got back to my house, my owner told me the whole story. We laughed a lot. Of course, I’m special. I understand everything people say. After all – I write this article - - right? - - right? Hey – you didn’t think my owner is smart enough to know all these things about us pets, did you?

See you on my walks.

VETERAN'S CORNER

By Robert Behm, LTC retired Army (Lot 775.....401-207=9317)

The Defense Department on Wednesday resumed requiring all people – including those who have been fully vaccinated against COVID-19 – to wear masks indoors at military facilities in places where the disease is spreading quickly. Deputy Defense Secretary Kathleen Hicks said in a memo that, effective immediately, all service members, federal employees, on-site contractors and visitors must wear masks when indoors in areas of “substantial or high community transmission” of COVID-19, as defined by the Centers for Disease Control and Prevention. This applies to everybody, regardless of vaccination status, Hicks said. Those who are not fully vaccinated must keep physically distancing themselves from others, she said. According to CDC guidelines, areas with substantial transmission levels are where there have been 50 to 99.99 new cases per 100,000 persons in the last seven days, and high transmission levels are where there are 100 new cases per 100,000 or more in the previous week. The Defense Department in May began allowing fully vaccinated people to no longer wear masks, whether

indoors or outdoors. But the military's move today to tighten mask rules comes as concerns are growing about plateauing vaccination rates and the spread of a highly contagious Delta variant of COVID-19. On Tuesday, the CDC recommended even fully vaccinated people wear masks in public indoor settings in areas of substantial or high transmission. So, if you go to MacDill, you better bring your mask.

The Department of Veterans Affairs on Monday ordered the majority of its health-care workers to get vaccinated or risk losing their jobs. And the Washington Post and CNN reported that President Joe Biden is preparing to announce Thursday a requirement for all federal employees and contractors to get vaccinated or have to be tested regularly. Veterans Affairs officials urging all veterans and family members to get vaccinated against coronavirus as cases begin to surge again across the country. “[There is] a growing crisis with the increase in hospitalizations from COVID-19, specifically from the Delta variant. More than 97 percent of hospitalized patients with COVID are not vaccinated,” Assistant Under Secretary for Health Carolyn Clancy warned lawmakers during a House Veterans’ Affairs Committee on Wednesday. Mask will also once again be required in all indoor buildings.

Veterans Affairs Secretary Denis McDonough said that staff are seeing a surge of cases among patients and staff across the department, and the reluctance of some staff to get vaccinated is potentially jeopardizing the health of visitors and other employees.

“We’re seeing staffing requirements increase as it is,” McDonough told reporters during a press conference on Tuesday. “We’re going to continue to see pressure on the system. And that’s something that I can’t sit and wait to develop for our veterans, especially as we get into the fall with what we expect to be greater COVID infections.” Active cases of coronavirus across the VA health care system topped 3,300 on Thursday morning, their highest level since early May. That mark is up 121 percent in the last month alone. At least 12,650 VA patients and 145 employees have died from virus-related complications since March 2020. Nationwide, the virus is responsible for more than 607,000 deaths over that time frame.

A Nurse's Self Care Toolbox #39

Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

Last 2 months we took a look at the basics of skin cancer and treatment. This month, a quick look at the longer range issues that skin cancer can cause. Florida is a true Sunshine State.

Why be so concerned about skin cancer. Our skin is our most protective outer organ, yes it is an organ. The skin's responsibility is defensive and holds us together. Our outer skin cells fall off and the layers underneath move out. Happens 24/7/365 non-stop. Dust mites around our beds wouldn't exist without this. Sorry, it's true.

As we age and have exposure to nature's elements like the sun and other chemicals, some of our skin cells begin to get confused or out of control. Why we get more dry skin, skin tags and those ugly barnacles. When those cells begin to alter their structure and reproduce rapidly then cancer is a primary cause. These cancerous cells can also travel to other areas of our bodies both in the skin and internally. Our body is a vast network of turnpikes, freeways and back roads.

So, our primary doctor doesn't like what they see and send us to a dermatologist. They will decide if a biopsy is needed or topical medications are wanted too. There are creams that are also chemotherapeutics that can destroy the abnormal skin cells. Usually these can be done by us twice a day or once using a "blue light" to activate them. Our skin gets a bit irritated by these chemo creams so know it may itch etc. Creams are only used if the abnormal skin cells are on the surface. There are also creams that simply dry up the skin cells within a week.

When the Dermatologist recommends a biopsy of the area or definitely is concerned they will recommend a biopsy, either small or include an area well outside the lesion. If the biopsy finds cancerous cells the repeat surgery will be much wider attempting to remove all cancer cells. Often those cancer cells will migrate. Cancer cells don't ask permission to travel!

Simply be prepared to have a larger area removed then you can see!

Cancer cells can migrate and hitch a ride almost anywhere in the body. Chemotherapy and radiation may be required if there are multiple internal and external areas affected. "Staging" of the cancer is simply where it is and the effect on our body. Also determines treatment.

My simple message is this: exam your skin with help from a partner, spouse or friend. Examine front and back. A spot is irritating and not going away, see your primary physician. Don't have a primary physician, get one today. I did say "today." Most skin cancer or lesions if treated early don't diminish our lives.

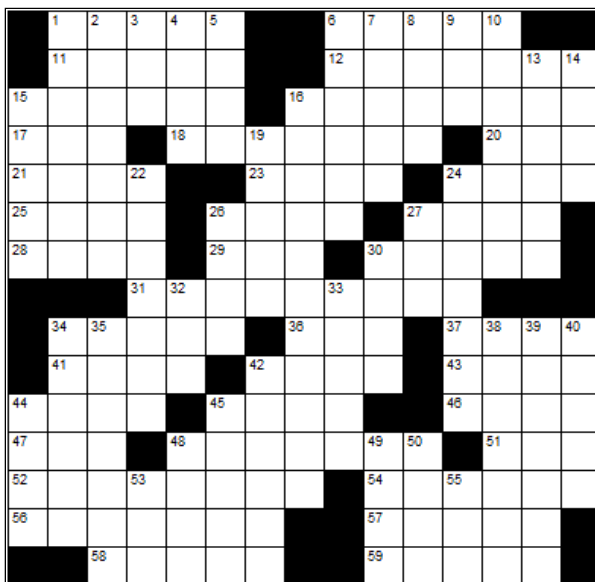

Tally Ho! Next month how "falls" are mostly preventable and can change our life. Stay tuned.
