**P**alm Hill is known for friendly neighbors who smile and wave at each other.

But this house on the Palm Hill house Golf Course must have harbored a good joke or just had its funny bone tickled the day Peggy Novara spotted the giant smile and could not resist taking a photo.

## DRIVER COURTESY REMINDERS

---

**W**HOAA, NELLIE! **Speed Limit is 15 miles per hour.** Watch speed around corners, especially as you get close to the Park's exits/entrances. Like a horse that breaks into a run when he sees the barn up ahead, sometimes our cars speed up when nearing the Park exit roads. Hold on to those reins! And take care when passing areas of heavy traffic: the pools, the golf course,

the clubhouses, the post boxes.

### **P**LEASE TAKE CARE WHEN DRIVING AROUND PALM HILL

Neighbors chatting, pets on a stroll with their humans, people walking or bicycling, golf carts or cars parked in the street, and delivery vehicles are all on our sidewalks and streets. As the weather warms, more people will be bicycling, walking/running for exercise and just meandering around Palm Hill. Please also take care on corners and intersections

and please stop at stop signs.

**P**LEASE AVOID THE STREET GRATES that cover the sewer lines, if possible. Avoidance will decrease sudden rattling noise for the neighboring residents and preserve the gates.

## GENERATIONS LIST

*Carolyn Story: 727-585-1579*

---

**P**alm Hill continues to attract generation after generation of residents. Check out the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 68 people currently on the list, including seven families of the Third Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically, and it would be good to have you included.

## **SUNSHINE**

*Lynn Burns, 612-321-6223 or [montana657@yahoo.com](mailto:montana657@yahoo.com)*

Much to our sadness, we have lost three friends and neighbors of Palm Hill Country Club. We are reaching across from the US to Canada in prayer and condolences for two of them, to their families as well as the friends left behind. Cards will be sent to the families along with a \$50.00 donation to the charity of choice of the family. Please pray for Doug Ruttan (and his widow, Sharon Ruttan) and John Ford (and his widow, Lorna). Here in the US at Palm Hill, we have lost Beverly Bruce as well. A \$50.00 donation will be made in Beverly's name as well. May they feel the warmth of our hugs that may give them comfort and strength during this time. God Speed.

"Praying for you in your loss, there will be things that trigger tears and things that bring laughter, things that you never expected but they will gently remind you of all the wonderful details that made life with your loved one such a precious gift. May God, hold you close to His heart where He can feel your deepest loss and fill you with His deepest love. The God of love and peace will be with you." Corinthians 13:11 NIV.

Prayer and cards were also sent to our friends and neighbors that are recovering from surgeries and illnesses. Our prayer from the coffee meeting last week was as follows for Pat Hostnick, Joyce Mattdox, Anita Mattingly, and continued prayer goes to our friend, Hope Barina.

"Heavenly Father, drive away all forms of sickness and disease. Restore strength to their bodies and joy to their spirits so that in their renewed health they may return to us blessed and we will all serve you now and forever. Amen."

If you would like to notify Sunshine of an illness, injury, or death, please contact me via email or phone or through the coffee meeting on Wednesday morning in the South Clubhouse. Lynn Burns 612-321-6223 or [montana657@yahoo.com](mailto:montana657@yahoo.com)

# COMMUNICATIONS AT PALM HILL

## SAVING WATER USAGE IN PALM HILL

*Charles Silcox, Planning Committee, chassilcox@gmail.com*

The Planning committee is kicking off the water saving program with a distribution of dye tablets attached with the August Link.

With the water and sewer bills cost \$12 per every 1000 gals of water. It is an excellent place to reduce out expenses where we can. Any place we can conserve water we can reduce our expenses. When a toilet or faucet etc. is changed, there are options where some devices use less water, please choose wisely.

The description of how to use the dye tablets are attached to the bag.

Palm Hill BOD has agreed to pay for a plumber to repair the toilets that are wasting water. The cost to repair one toilet is about \$150 and in 4 months we will save \$150 in water and sewer expenses for the one toilet. Since that toilet should not leak for the next 5 years, we will save an additional \$150 every 4 months for 5 years for a total of \$2100.

If your toilet shows to be leaking water, go by the office and fill out a consent form with your contact info so a plumber can be scheduled to make the repair.

When we get 10 or more toilets that are leaking, we will schedule the plumber for a day to make the repairs. The office will call the residents to confirm that they will be available on the day the plumber is scheduled to make the repairs.

When the plumber comes to make the repair, he will retest the toilet and if it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you can't test your toilet, we have some volunteers that can come by and perform the test for you. Just call the office and ask to put your name on the list to test your toilet.

## ONLINE VOTING UPDATE

*Charles Silcox, Communications Committee, chassilcox@gmail.com*

The HOast Online software has rolled out and we have done the first practice vote to let everyone experience what a board election looks like. If you had looked at it there was a PDF file that included the resumes of the past presidents.

The results of the election were:

1st place was Abe Lincoln with 142

2nd place was George Washington with 67

3rd place was Thomas Jefferson with 34

There were 248 total ballots cast to include 5 blank ballots

There now is an active survey going to help rate what our Palm Hill needs are pertaining to Health.

**PLEASE LOG BACK IN AND EXPRESS YOUR HEALTH CARE NEEDS.**

*...continued on page 14*

Everyone should have gotten an invitation with log in credentials.

If you have not, the office might not have your proper email address.

The best way to update your login info is call the office or email Megan [palmhill@tampabay.rr.com](mailto:palmhill@tampabay.rr.com)

Once you have logged in, ( <https://palmhill-cc.myhoast.com> ) it is good to bookmark the site, since you can't search for the site. We have also added it to the Palm Hill website for your convenience.

Why are we doing online voting?

It saves Palm Hill money, every time we must do a mass mailing, we must buy paper, print, fold, stuff in stamped envelopes all the paper notices. With the ability to vote electronically we also can go paperless for the notices.

It also saves time. The post office is getting less reliable in a timely manner. When a mailing goes out, it would take a week or more to receive it. Electronically would be received the same day. This last year we were forced to use overnight express, and we delayed the voters meeting to try to collect as many paper ballot as we could.

With online voting you could cast your vote before the ballot gets to the post office to be mailed out.

More info pertaining to online voting.

Some don't want to vote online; they would rather cast a paper ballot. This is fine but to get timely notices, sign in and opt into online voting and paperless communication. When it comes time for a Board election, the office can issue you a paper ballot. When the voting is closed the HOast software can print a list of all the addresses that has cast an electronic vote. The committee counting the ballots will compare the unopened envelopes that has the address on them, to the HOast address list. If the address has not voted electronically the paper ballot is allowed to be counted manually.

If you are a snowbird, it is necessary to advise the office of your coming and going, that is if you want mail delivered to where you are residing. If you opt in for online voting, it also lets you opt in to email communication, then all you must do is make sure your email address is up to date to get your correspondence.

This software is new to all of us, and we are learning all the ins and outs of it. Bear with us and we get the bugs out of it. Most of the problems is getting the office database info up to date so all can get logged in. We started at a good time of the year to give us time to make it work before we have an election.

Thanks also to all the positive and the negative feedback, the negative is valuable as to what problems exist and what we can do to make it work.

### Email Hackers

**O**ver the past few weeks, many Palm Hill residents have had their email address books hacked. It is difficult to believe that this is a coincidence.

They all follow the same script. The email starts off with a "how are you" and moves on to "Could you do me a favor". **DO NOT OPEN IT.** Delete it right away. If you do open it, it may ask you to purchase a gift card. If you get that far, you may be doomed. Don't get curious about the favor. Even if you think it is legitimate, just delete it.

Our website email list, available for email blasts of information of interest, numbers close to 1,200 now. We have been in touch with our vendor and have been assured that (1) there has not been a recent breach, and (2) we are well protected. So, rest assured that the hackers have not gained access to our website file.

Be aware. Be cautious. And if in doubt, hit DELETE.

**T**hank you for your cooperation with getting your payments in for activities you have signed up for. We still need a few checks, but I am sure this is just an oversight. Remember that payments are due at the time of making the reservation. No seats are guaranteed without payment. If this creates a problem for you, please talk to me about alternate payment arrangements. These conversations are confidential. We will make every effort to assure that you are able to participate in the activities of your choice.

To reduce email blasts going to those not interested in activities, we are asking you to supply us with your email address on the signup sheets for activities. This way, emails will only go out to those that are going to that specific activity and not the entire park. If you do not have an email address, your phone number will allow us to call you with updates and information on the activities.

Look for new activities on the club house bulletin boards soon. One of them will be a mystery trip that seems to be a favorite. Limited number of tickets are available for most activities so please check with Don or Carol if you are interested.

In addition to this weekly blast, information is always available on the Palm Hill webpage. To assess the web page:

Information is also available on TV Channel 732 and on the North and South clubhouse bulletin boards.

Please note that signup sheets in the clubhouses will be asking for your email addresses. Please print legibly.

## **FOOD DRIVE – Religious Community Services (RCS)**

*From Charlotte Ernest, 727-585-5845*

**C**lubhouses are open and the food barrels are there available to you. There are still many people in Pinellas County in need of help and we can be a part of providing food.

RCS will pick up the barrels the LAST THURSDAY of each month.

*(RCS is the Religious Community Services of Pinellas County, which helps feed the needy of the area.)*

## **GEORGEANNE’S HELPING HANDS**

*Ted Silva, 508-965-6072*

**F**or the immediate future we are only bringing residents to medical appointments with a priority at getting to Covid vaccine appointments.

But as more volunteers get vaccinated, we will slowly be increasing our ability to help you get where you need to go.

At this point, we are only using volunteers who have been vaccinated and waited the required time period. Face masks will still be required at all times by everyone during these transports regardless of vaccination status.

If you need transportation to a medical appointment or vaccine site, please call as soon as possible: Ted Silva, 508-965-6072.

We encourage residents to shop “on-line” with home delivery of food through the supermarkets that offer that service, such as Publix and Walmart. Some residents have been using “Care Ride” - 727-536-7453 or 727- 866-1193.

## **“PALM HILL CALLING”**

**T**he purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors and they routinely check on each other. The names of 40 people are on the list for a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether they are a shareholder or renter, full time or seasonal. To get on the call list call Ted Silva at 508-965-6072.

## **PRAYER TEAM**

**P**RAYER TEAM. The Prayer Team in Palm Hill is Claudia Hartz, Maureen Livers and Bonnie Swanson. Please call Claudia at 315-368-8166 if you have any questions. All social distancing guidelines will be followed.

NOTE: There is no charge for any services from the Helping Hands volunteers, and monetary tips are not accepted. “If we can help you, or you can help Helping Hands, please call me at 508-965-6072,” said Ted Silva.
