## **MESSAGE FROM THE OFFICE**

*DeeVon Schisler, LCAM, Office phone 727 584-1413, email: secretary.fourseasonsestates@gmail.com*

---

**W**ho can tell me where exactly the Summer went? There have not been too many things going on over the Summer. The new doors were installed on the front of the Clubhouse, the pool had an acid wash, the outside restrooms received a much needed facelift, two of the shuffleboard courts have been re-leveled and we have been able to get back to a little closer to our normal lives. Now, all we need are our snowbirds!

I finally got to take some much needed vacation as well, for the first time in almost four years! All those days have just been building up, waiting!! Tracey has settled back into her Admin position in the office and Jim keeps on doing his thing! The park looks great and the mowers are doing a fantastic job at keeping our grounds neat and tidy! Has anyone else noticed they are doing the job better, in half the time and with half of the staff?? And, they actually come back if they get rained out to do their job!

Some of this sounds like a broken record, I know, yet we still have people who are not following our rules. I have had some who ask, “why do you tell us the rules”? The answer is, some can’t follow them and try to push back. These rules are not mine. I do not make them, I am however, tasked to enforce them by direction of the Directors. I do not have cars towed. We have had a contract with a tow company for well over ten (10) years who randomly patrols the park. If they see a car on the streets after hours, they will tow. If they see a vehicle in the parking lot with no visible parking pass, they will tow, at the owner's expense. That is their job. It has also been brought to the attention of the office that “I” evict people from the park. To be clear, the Board of Directors make the decision as to whether eviction action is to be initiated, not the management company or the office. I will also add that there have been no evictions in the almost four years that I have been the Association Manager. While the speeding has slowed down, we still have speeding and violation letters continue to go out about that. We still have unit owners moving people without going through our application process. Just do the right thing, please. We always find out and then you are upset with the office because you have violated the rules.

The same goes for animals. We have an application packet for them too. Our attorney

drafted it and they make all of the final decisions for admittance or denial, not the office. We always find out, eventually, that you have smuggled an animal in, so again, just do the right thing.

Please stop going to Eddie's home after hours for park related business. We have also had a few go to Jim's house as well. If you have an emergency, call the after-hours line. If not, please come to the office during business hours.

If you have filled out a request to plant things outside of your planter box, **you** must call 811 for locator services. They will collect information from you, including your address, email address and phone number. As each utility clears their own service, they will notify you of such. Then, you will need to provide that information to the office before we can approve your request. This is not the responsibility of the office. It is also not necessary to be rude to the office Admin in regards to this process. Please refrain from such, she is there to help you.

If you are up at the pool, please enjoy it! Also, please watch your language. We have senior adults and young children visiting, who don't care to hear foul language. There is to be no smoking in the pool and no drinking in the pool, alcohol or not. Please pay attention to the posted pool rules and please do not get in the pool fully clothed.

We are still having issues in the office with people not checking in and out as they come and go from the park. This is important for multiple reasons. One is, we are in hurricane season. Should we have a storm and are impacted with damage, we need to account for you! We would have no idea if you were hurt or missing if you are not checking in and out. The second is for park mailings. These are mailings that we must certify via the post office. If we do not have your current address, you will not receive whatever we are mailing. We are required to mail to the "address of record". So, if you want to make sure you are getting your mailings, please make sure you are following our check in and check out procedures.

If you have a complaint, please remember that there are complaint forms available at the office. We must have things documented, so we will need the required form filled out and signed.

If you want to rent your unit out, please let me know that you are interested in renting your unit. I take several calls each week from people wanting to rent. I will then put you together with the potential renter and you can then work out your terms with them. I, nor does the Association charge a fee for this. It's just something that I am happy to do for you. Our rules do not allow your unit to be rented/listed on VRBO or any other such site. All renters have to go through our application process. We recently had a VRBO rental who "just showed up". These sites do not do any checks on the people trying to rent. We want to know who is coming into our community for safety reasons. We also want our owners, whether they are HOA or ROC, to be protected as well.

The new unit coming in on lot 454 will be arriving as soon as the ground dries out I am told. Then, the unit for 459 will follow in September. Lot 104 will then follow. The new unit at lot

## MESSAGE TO OUR FOUR SEASONS COMMUNITY FROM SAC

Lynn Ruhl, Chair of Information, Lot #482, sacinfochair21@gmail.com

**H**ow great it has been to return to clubhouse activities and events! We are currently looking forward to our Labor Day picnic on September 6th at 2:00 PM. Mary Wuest has the tickets, so get them from her at lot #353 or flag her down on her golf cart 😊 The price is \$5.00 / person for a terrific meal and lots of FUN! Don't forget to decorate your golf cart for the parade that leaves the clubhouse at 5:30 PM.

Koffee Klatch is going strong on Wednesday mornings beginning at 8:00 AM. Bring your favorite beverage container and enjoy visiting with park friends. A short announcement time takes place at 9:00. Sign yourself up with the kitchen helpers if you are willing to help out 😊

We continue to look for ideas or suggestions for our next group memorial gift set to take place later this year. We would also like your assistance in bringing back our Welcome Committee. We hope to develop a comprehensive history of Four Seasons Estates in the near future. Residents who have lived here for several years will form our core advisors for this project. Feel free to share your intent to help or your input concerning this endeavor with any SAC board member.

We continue to look forward to the return of Monday afternoon Bingo on October 4. Take time now to note our annual Halloween Dance on October 30. Boomer Band will be providing the music! Costumes are recommended but not required. Tickets are priced at \$10.00 / person. Place those dates on your calendar so they are not forgotten.

The good times continue to roll! Before we know it, November will be upon us. Happy trails to you until we meet again!!!

Pat McDonnell #508 and Joanne Halle #434

**Y**es! We are still here. All are welcome Monday through Saturday at 9AM and Tuesday and Thursday nights at 6pm. No better place to be than the 4 Seasons pool!

## IT'S THAT TIME OF YEAR AGAIN!

**T**he hurricane season is from June 1-November 30. **Be prepared:**

- Listen for weather updates - radio (WEOC AM940) and TV.
- Build your survival kit.
- Get cash and fuel your car.
- Protect the windows and secure your awnings and outdoor objects.
- Purchase bottled water, freeze containers of water, have coolers handy.
- Refill prescriptions.
- Make an itemized list of personal property and take photos.

**Hurricane Warning** means that a hurricane is expected within 24 hours. If there is a **MANDATORY EVACUATION**, **all** residents must leave when notified. Announcements will be made over the radio and TV. Decide in advance where you would go (to a friend, relative, or hotel). Leave early. If you need assistance in evacuation, you should register in advance with the Largo Fire Department (form is available at the FSE office).

If you must evacuate:

- Take your survival kit, important papers including identification with local address, jewelry and any other items of value.
- Let friends or relatives know where you will be going.
- Turn off electricity, gas and water.
- Check your neighbors and make sure they have a ride.
- Lock all windows and doors when leaving.
- Drive carefully to nearest assigned shelter or local hotel or friend/relative.

Once evacuation is lifted and you can return home, beware of fallen branches, flooding and hanging electrical wires. Before entering your home:

- Check for damage from the outside.
- Turn water, gas and electricity back on.
- If area has been without power for an extended period, the perishables in your refrigerator may have to be discarded.

Always important to have an evacuation plan and be prepared. Hopefully we won't have to use it. And for our new residents - please don't PANIC! We are living in a wonderful place – we just need to be vigilant and prepared. Neighbors help neighbors – so ask for help if you have any questions.

**IF YOU NEED HELP IN THE EVENT OF A MANDATORY EVACUATION**, there is a special form to fill out and submit to Pinellas County Emergency Services. You can pick up a copy of this form from the Office or call Marilyn Franz at #411 or Creta Batchelder at #446.

## BET YOU DIDN'T KNOW!

*Mandi Harman-Ashley*

**D**id you know the saying "God willing and the Creek don't rise" was in reference to the Creek Indians and not a body of water? It was written by Benjamin Hawkins in the late 18th century. He was a politician and Indian diplomat. While in the south, Hawkins was requested by the President of the U.S. to return to Washington. In his response, he was said to write, "God willing and the Creek don't rise." Because he capitalized the word "Creek" it is deduced that he was referring to the Creek Indian tribe and not a body of water.

In George Washington's days, there were no cameras. One's image was either sculpted or painted. Some paintings of George Washington showed him standing behind a desk with one arm behind his back while others showed both legs and both arms. Prices charged by painters were not based on how many people were to be painted, but by how many limbs were to be painted. Arms and legs are 'limbs,' therefore painting them would cost the buyer more. Hence the expression, 'Okay, but it'll cost you an arm and a leg.' (Artists know hands and arms are more difficult to paint.)

# FOUR SEASONS FACEBOOK PAGES

Mandi Harman-Ashley

If you are a Facebook Fan, make sure you “like” the 4 Seasons Social Activities Club page (this is the official page for FSE SAC). There are also two other pages managed by other individuals – Four Seasons of Friends and Working with 4 Seasons Social Activities. Be sure to check them so you don’t miss out on important park information.

## THE PUZZLE PEOPLE ARE BACK

Now that the clubhouse is open again, the puzzle people are back! If you need to get out of the heat during the day or in the evening, come on down and start a puzzle or work on one that is in progress. A great way to relax during these dog days of summer.

## OUR POOL RULES!

Not mentioned here, but one of the important things to remember is to be sure to close the umbrellas around the pool. If you open it – you close it! During this time of year, the wind and rain blows up very quickly – we’ve already lost one umbrella – it went flying over the fence. Could have been disastrous if anyone was in its way. Thanks for being a good neighbor!

## BOUTIQUE & SHED UPDATE

*Ann Crowley, #375 and Judy Ingram, #243*

**N**ow that Koffee Klatch is back on the calendar, the Boutique and the Shed will be open from 8AM – 9:30AM on Wednesday mornings. Come by and see the treasures!

Please remember, Park residents, don't leave anything outside of the shed or Boutique. Do not leave anything at Lot 243 in the car port unless you call Judy first. We are not accepting any donations that are dirty, broken, or torn. Please do not leave any plastic bags at Lot 243 or at the shed. This is the rainy season, and anything left outside gets ruined and just has to be tossed in the trash.

**DO NOT JUST DROP ITEMS OFF IN FRONT OF THE SHEDS!** We very much appreciate your cooperation during the summer months. Call Ann or Judy if you have any questions.

# BOOK OF THE MONTH CLUB

Lorraine Mann, #119

The name of the book I recently read is *The Guernsey Literary and Potato Peel Pie Society* by Mary Ann Shaffer. It is set on Guernsey Island off the coast of Normandy in 1946 and is considered historical fiction. It tells the story of the island's residents and how they outwitted the Germans who had invaded their island homes.

It might be difficult to get past the first pages because it is written in the form of letters, but as the story progresses you'll get hooked! My sister first told me about this book. After I read it I recommended it to someone else in the park who especially enjoyed the story because he had been to Guernsey. My daughter recently texted me that she is now hooked also.

This book is a favorite selection of many book clubs. It was made into a movie in 2018. It is a remarkable story of the resilience of people in German occupied countries during World War II.

## Who knew 🧑🏻 The Benefits Of Peroxide

My friend who is married to a doctor was over recently for coffee and smelled the bleach, I was using to clean my toilet and counter tops. This is what she told me.

I would like to tell you of the benefits of that plain little ole bottle of 3% peroxide you can get for under \$1.00 at any drugstore. What does bleach cost?

My husband has been in the medical field for over 36 years, and most doctors don't tell you. Have you ever smelled bleach in a doctor's office? NO!!! Why? Because it smells, and it is not healthy!

Ask the nurses who work in the doctor's offices, and ask them if they use bleach at home. They are wiser and know better! Did you also know bleach was invented in the late '40s? It's chlorine, folks! Peroxide was invented during WWI. It was used to save and help cleanse the needs of our troops and hospitals.

Please think about this:

1. Take one capful of hydrogen peroxide (the little white cap that comes with the bottle) and hold in your mouth for 10 minutes daily, then spit it out. (I do it when I bathe.) No more canker sores, and your teeth will be whiter without expensive pastes. Use it instead of mouthwash.
2. Let your toothbrushes soak in a cup of peroxide to keep them free of germs.
3. Clean your counters and table tops with peroxide to kill germs and leave a fresh smell. Simply put a little on your dishrag when you wipe, or spray it on the counters.
4. After rinsing off your wooden cutting board, pour peroxide on it to kill salmonella and

other bacteria.

5. I had fungus on my feet for years until I sprayed a 50/50 mixture of peroxide and water on them (especially the toes) every night and let dry.
6. Soak any infections or cuts in 3% peroxide for five to 10 minutes several times a day. My husband has seen gangrene that would not heal with any medicine but was healed by soaking in peroxide.
7. Fill a spray bottle with a 50/50 mixture of peroxide and water and keep it in every bathroom to disinfect without harming your septic system like bleach or most other disinfectants will.
8. Tilt your head back and spray into nostrils with your 50/50 mixture whenever you have a cold or plugged sinus. It will bubble and help to kill the bacteria. Hold for a few minutes, and then blow your nose into a tissue.
9. If you have a terrible toothache and cannot get to a dentist right away, put a capful of 3% peroxide into your mouth and hold it for 10 minutes several times a day. The pain will lessen greatly.
10. And of course, if you like a natural look to your hair, spray the 50/50 solution on your wet hair after a shower and comb it through. You will not have the peroxide-burnt blonde hair like the hair dye packages but more natural highlights if your hair is a light brown, reddish, or dirty blonde. It also lightens gradually, so it's not a drastic change.
11. Put half a bottle of peroxide in your bath to help get rid of boils, fungus, or other skin infections. is no smearing, which is why I love it so much for this.
12. You can also add a cup of peroxide instead of bleach to a load of whites in your laundry to whiten them. If there is blood on clothing, pour it directly on the soiled spot. Let it sit for a minute, then rub it and rinse with cold water. Repeat if necessary.
13. I use peroxide to clean my mirrors. There is no smearing, which is why I love it so much for this.
14. Another place it's great is in the bathroom, if someone has been careless, has peed on the floor around the toilet, and it's begun to smell of urine. Just put some peroxide in a spray bottle spray. In the blink of an eye all the smell will be gone and the bacteria eliminated!

I could go on and on. It is a little brown bottle no home should be without! With prices of most necessities rising, I'm glad there's a way to save tons of money in such a simple, healthy manner! This information really woke me up. I hope you gain something from it, too.

## TRAVEL AND ENTERTAINMENT

Sandy Hansen, #452, [hansens167@gmail.com](mailto:hansens167@gmail.com)

**T**RAVEL AND ENTERTAINMENT: This issue finds us getting close to return time for our friends from outside of Florida. We need to keep our fingers crossed that the medical situation maintains a level that permits that to happen.

I have talked to the Early Bird Dinner Theater (@ 49th and Ulmerton ) about the upcoming season. I have reserved three dates for the coming season, Dec. 12th, 2021; Jan. 30th, 2022; Mar. 13th, 2022. I will discuss the December show in more detail in the next issue. For more info, here is the website---[earlybirddinnertheater.com](http://earlybirddinnertheater.com).

The covid situation is still too uncertain for me to investigate cruises. If I do not feel safe in cruising, then I cannot in good faith promote trips.

For the trips listed below: contact Travel Is Fun Tours---727-347-9698 or WWW.TIFTOURS.COM. Bus pick up info will be given when you call the agency for reservations or information.

SUNDAY, SEPT. 12: WAT TAMPA BUDDIST TEMPLE & FOOD MARKET. This Sunday Market has been available for 30 years. Dozens of vendors sell all kinds of products and food. Services are held in the temple for those who wish to attend (English language guide available). \$34.00 pp.

FRIDAY, SEPT 17: MYSTERY TOUR—A local with family friendly evening of entertainment and dinner. \$99. 00 pp.

SATURDAY, SEPT 25; FISHERMAN’S VILLAGE KEY LIME FESTIVAL: Enjoy live music in all three sections of the Village, specialty vendors and Key Lime delights available for purchase. \$39.00 pp.

THURSDAY. OCT. 7 “FULL MONTY” at the SUNCOAST BROADWAY DINNER THEATER in Hudson. Matinee show with buffet: They may not be pretty, nor very good, but for one night only, with nothing to lose, they’ll lose it all!! Provides rousing music and howling laughter, that stops short of offending!

SATURDAY, OCTOBER 23: UPPER TAMPA BAY OCTOBERFEST: Featuring everything German: food, drink, dancing, vendors, midway and Arts & Crafts. Event held at Oldsmar---\$43.00 pp. includes admission and bus.

Contact the agency for multi day trips and information.
