## FROM THE BOARD

By April Loomis, Vice President

---

**S**ummer is coming to an end and Fall will be here all too soon. However, in Florida, one season seems to run into another.

Hopefully the US border will be open soon and our Canadian residents will have the option to return this fall. In Florida COVID restrictions are being enforced once again. Masks are back as well as social distancing to some degree is practiced. Life goes on. Some call it the “new normal” while others refuse to submit.

Election of board members and officers, renovation of existing buildings, infrastructure updates, management issues, preparation of the 2022 budget, review of the reserve study, helping aging residents, settling neighborhood disputes, rule enforcement and considering vendor contracts are some of the issues that need to be addressed. Sounds overwhelming, when actually, it is the usual business of a corporation.

Our real estate committee have advertised our park as “Paradise “. What does that mean to you as a resident? To me, it means an idyllic place to live. That is our goal; to make Clearwater Cascade an idyllic place to live.

There will always be bumps in the road and I don’t mean speed bumps on our roads! Let’s all work together to make this park “paradise so that we continue to grow.

We look forward to being able to see everyone soon and we will survive whatever comes our way.

# MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

**O**ffice Closure – The business office will be closed Monday, September 6th for the Labor Day Holiday. Should you encounter an emergency, please call the after-hours number in the directory.

**Mailboxes** – As of this date (8/4/21) the mailboxes have not arrived; however, we expect them to arrive in late August. Once they are here, the maintenance team will need to install them in the laundry facilities. **The correct mailbox location is lots 1 – 232 will be placed at the North Laundry and lots 233 – 470 will be located at the South Laundry.** The current mailboxes will remain in use until installation is complete.

**Spectrum Contract** – The contract has been signed. All residents will receive a letter from Spectrum soon. Please be careful, it may look like junk mail but contains important information. Those of you that are not in Florida, at this time, you will need to notify Spectrum when you return so they can send your equipment. You may want to notify them a week or so prior to your return to the park.

**Want to Sell Your Home? CAUTION** – Some residents that have been receiving phone calls and letters inquiring if they are interested in selling their home. If you remember, last year the board of directors proposed an amendment that would limit the number of homes any one owner could purchase. We did not get enough affirmative votes for the amendment to pass; currently there is no limit on the number of homes any individual or corporation can own if they meet the requirements.

**Additional Parking** – If you plan or need to park in another resident's driveway, please remember to have them contact the office by phone or email to authorize you to park in their driveway. Do not park in another resident's driveway without their permission; this is a violation.

Insurance – As you may know, a provision of the governing documents is for all homeowners to maintain insurance on their home. If you have had problems obtaining insurance on your home, American Traditions is one company that does insure older homes.

Home Maintenance – Another requirement of the governing documents is for owners to maintain their home according to the community's standards. This includes washing and/or painting it when needed, weeding the flower beds, keeping carports free of clutter. When residents are not residing in the park, they should have someone take care of these things. Just because you are residing elsewhere, does not excuse you from the requirement. It costs money for the park to generate letters, postage, and track if work has or has not been done. Help keep administrative costs down by eliminating the need for letters.

Vacant Homesites – When I started working for Clearwater Cascade, we had over 30 vacant homesites; now we are down to seven. Membership Certificate price increased to \$45,000 earlier this year but that does not appear to have slowed down sales. This is such a lovely community; it is easy to see why so many people want to live here!

Back to School – This is the time of year when we need to keep an eye out for school buses and children walking to school. Driving in the early morning or afternoon may take a little longer. I spoke to the principal of Cross Bayou Elementary about parents blocking our north entrance while waiting to pick up their children; she will ensure our north entrance is not blocked.

That is all I have for this month, take care.

## FROM THE EDITOR

By Donna Collins

**F**irst, I want to thank Eagle Eye Doreen Fournier for not only doing the State/Province activity in the July Chronicle but for bringing to my attention the two errors. Charleston is the state capital of West Virginia #48 and Pierre is the state capital of South Dakota #41.

**Second**, I am putting out a **challenge** starting when you get this Chronicle and ending on September 15. The next time you are out for a walk or bicycle ride around the Park, take your phone or camera. Take a picture of the different flowers that you see and send them to me at collinsdonna12@gmail.com. If you can tell me their names, wonderful, otherwise I will put me plant identification app to work. I will put them together in a collage and either email them to someone who can print them in color to post on the community bulletin boards or I will bring them down when we come the end of October, **WE HOPE**.

Have a great month!

Stay safe.

## Why a Maintenance Schedule is Important

By: Jane Jarlenski, CMCA, AMS, PCAM

**F**rom time to time, residents submit an Action Request Form for maintenance and become frustrated when something isn't attended to immediately. Part of the reason for the delay is that the association develops and follows an annual maintenance schedule, and the manager knows that next month's routine maintenance will take care of the issue. We also use the schedule to address small unseen problems before they become noticeable.

The association schedules routine maintenance for a number of reasons.

- It eliminates unexpected replacements and breakdowns.
- It keeps costs down because repairs are not made on an emergency basis.
- It extends the lives of expensive common elements and reduces reserved funds
- It stops problems before they occur

The association works with a qualified engineer and other experts to develop the maintenance schedule sometimes referred to as the Reserve Study. The schedule specifies when common elements will be routinely inspected, adjusted and repaired. Regularly monitoring the property eliminates surprises. We're often able to catch minor problems and correct them before an expensive repair is needed. This, of course, helps control costs by extending the life of the common elements, which in turn reduces the money that must be reserved for an eventual replacement.

The maintenance schedule is a useful tool that keeps costs down and property function

and appearance up. Bear with us; eventually everything will get done in the most efficient, economical way. I will do my best to follow up and let you know when your issue will be resolved.

### BEAUTIFICATION

By Donna Miller

Happy September everyone! Here, at the park, we've had lots of wonderful rain this month again. However, this means that the weeds are returning even faster than the grass is greening! We continue to try to keep up with the dying plants and weeds, but it's extremely hard. Once again, I ask all of you - if you see a weed, pull it for me! If everyone would pull just one weed per day, my "Job" would be made much easier!

On another note, I would like to add some new plants (or trees) along Orleans Way. If anyone has a good suggestion of what you would like to see there, please let me know.

Have a beautiful rest of your Summer!

Donna Miller

Beautification Chair

# LIBRARY & BOOK TALK

By Ann Vetter

I hope all of you are finding some great books to read over the summer. We will be resuming Book Talk on Saturday, November 20 at 11:00. From that point on Book Talk will always meet on the third Saturday of the month at that same time. We will all to be able to mark our Calendars in advance by knowing exactly which Saturday we are meeting each month. We will meet in the library.

We will be having a book sale during the Craft Fair on November 13 with all the proceeds going to the library. This is possible because of all the generous donations we have received over the past year. We are selling books that are either duplicates or are just a bit older than we like to keep. The books will be offered at bargain prices, so look for our table just outside the south library door.

Happy Reading!

I know that there are probably birthdays and maybe anniversaries in September, but unless I am notified by email or in writing I don't know who or when these events are. The sign-up sheet that used to be in the Clubhouse is now on the table in the Library. You can also email them to me at [norocking@yahoo.com](mailto:norocking@yahoo.com).
