Manager's Corner

Submitted by Cary O'Connor, CMCA, AMS

MANAGER

Greetings from the Office...

I say this every year, but I can't believe how fast summer is flying by! Ron and Brad have been working in very hot and humid temperatures beautifying the property. This summer the main focus has been repairing and replacing water risers, along with maintenance on the entire property. The Park looks great, thank you to our hard-working staff! We are looking forward to all of you meeting Allison Kellogg who is our new Administrative Assistant in the office. Please stop by and say hello.

Friendly Reminders:

Renting? PLEASE READ important mandatory requirements by the Pinellas County Tax Collector:

Park policy on **SUBLETTING UNITS:**

1. **TOURIST DEVELOPMENT TAX:** If you rent your mobile for a period of six (6) months or less (minimum 3 months), you are required to register with the Pinellas County Tax Collector to collect and remit a 6% Tourist Development Tax, and 7% Florida Sales Tax. **VERY IMPORTANT: This 13% tax is a mandatory requirement for EVERY rental.** If the rental is not reported to the Pinellas County Tax Collector there will be a fine issued to the owner renting the mobile. For questions call Pinellas County Tax Collector's office at 727-464-5007 or go to their website: www.taxcollect.com
2. Subletting is allowed on a seasonal basis only, for a maximum of six (6) consecutive months in any twelve (12) month year period. The terms of this lease will be for a minimum period of three (3) months and a maximum period of six (6) months.
3. It is the responsibility of the Unit Owners to notify Sunset Palms Office of their intent to lease their Unit and to provide information on the Subtenant. The Subtenant must sign in at the Office upon arrival and sign out at the time of expiration of the lease and departure from the park. Subtenants will be subjected to a background check at the expense of the Unit Owner. All Subtenants must receive Management approval prior to occupancy. Subtenants are bound by the same rules and regulations as the Unit Owner and Unit Owner is responsible for the actions of the Subtenant.

Park policy on **GUESTS:**

The Rules and Regulations guest policy states that; A guest is allowed to stay thirty (30) consecutive days. A guest is any person staying more than two (2) nights. ALL guests must be registered at the Park Office. A guest is a person whose stay does not exceed thirty (30) total days in any twelve

...continued on page 6

(12) month period. No pets may be brought in with Guests. **Guests can't stay at a home if the resident is not there during the entire visit. Please do not put your guests in the position of being asked to leave due to violation of this rule.**

Park policy on **EXTERIOR HOME CHANGES:** Before any work commences, all exterior changes to your home must be approved by the Manager and /or Board. This also includes planting of any kind, painting home/trim/carport, etc. Exterior Alteration forms are available at the Office. Many projects need a building permit, and applications can't be finalized until the permit is obtained. Check with the City of Pinellas Park Building Development for projects requiring a permit. Address: 6051 78th Ave N, P.P. 33781, Phone: 369-5647. Website: <http://www.pinellas-park.com>

Park policy on **WEEDS:** The recent heavy rains, and humid weather are perfect ingredients for the weeds to grow, and the mold to form on the mobile homes. Hopefully you have made arrangements to have someone look after your home and to trim the bushes, and weed your planters, gravel/stones, and flowerbeds. If you have received a call or a letter, and the yard work is still not done Management reserves the right to have work done and charge the resident a service fee of \$25.00 per hour with a one (1) hour minimum for each time work is done.

Community Rules; **No parking on the sidewalks.** Please do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to "zig-zag" to get by, or be completely obstructed. Parking on the lawn is not permitted, at any time, for any reason.

SERIOUSLY SLOW DOWN! & STOP AT ALL STOP SIGNS! The speed limit in Sunset Palms is ten (10) M.P.H. for all vehicles. Please also remember for Bicycles, and Golf Carts to turn your lights on early morning and evenings.

WATER/SEWER/TRASH BILLING:

Please remember:

1. To sign in/out with the office.
2. The City of Pinellas Park invoices for the previous month's water/ sewer/trash usage. The date on the invoice is the day the invoice was generated.
3. It is up to the resident to contact the City of Pinellas Park water department to notify them of an alternate mailing address.
4. **Water Dept. Contact Information:** Phone: (727) 369-0690, Email: UtilityBilling@pinellas-park.com
5. Pay your utility bill online. Go to the Pay Utility Bill link on the City of Pinellas Park website at: www.Pinellas-Park.com

President's Corner

Submitted by Bob Lohrman

Hello from the Board of Directors,

We are working on the 2022 Budget and are very pleased at how strong our financials are. Two shares have been purchased this year, and two more shares are pending adding money to our Operating Savings. We are waiting on a new Reserve Study this will help determine the timeline for future park projects including the roadways.

We are going to be replacing the washing machines and the large commercial washers and dryers in the laundry.

The agenda items for the August Board of Directors meeting were to: Ratify Pool Hours to approve new pool hours 8:00 a.m. to 11:00 p.m. (Old hours were 7:00 a.m. to 11:00 p.m.), & vote on resolution to allow electronic Voting, more information to follow in the next newsletter.

To our northern friends stay safe and we look forward to seeing you soon.

Our thoughts and prayers go out to our sick and shut-ins and those who have lost loved ones, Bob

Art Class

Submitted By Gail Peterson & Helen Sowards

Hello to all of our Artist Family,

Hope you and yours have stayed safe during these crazy times. The art class has not been the same without all of our painters here with us. Some of us have still been getting together on Wednesday and painting. If all goes well and all of us are here, we will have a Art show in March 2022. Hope all of you are back with us soon. Take care and be safe.

Travel Committee News

Submitted by Kim Paquette

Hello from your travel committee!

It feels like ages since we've communicated about upcoming excursions. Just to bring you up-to-date, in March 2020 the cruise for February 14, 2022 was established. Several residents signed up at the March 17 meeting however due to the time of pause and the urgency to return home, the committee opted not to promote. Both Danielle Rockett and I are currently travelling through Europe so we are able to report back our experiences with current restrictions from country to country (which vary considerably from USA). It appears travelling is welcomed back to those who have been double vaccinated. Mandatory masks may very well be part of our February cruise (daily changes) however it appears going outside is a different story. Vaccination confirmation is needed for much of the travels. We feel very comfortable and secure travelling at this time and have no hesitation about our ocean cruise February 14, 2022. Departing from Florida, (as of today) if you are not fully vaccinated you may be subject to restrictions onboard. In honesty, I do not recommend cruising without full vaccination as you may be very disappointed.

The 11 night cruise with Celebrity cruise lines is 100% refundable until final payment date of November 16, 2021. Our package is fairly exclusive with a great price. In the event price were to decrease, rest assured your committee will get the lower price. The cruise comes all inclusive of beverages both alcoholic and non, all specialty coffees or frozen drinks, all gratuities and wifi, plus on board spending money. We currently have 44 people signed up. Please reach out to me for further details or if you'd like to join the group. Friends and family are welcomed.

See you soon,

Lift Station Monthly Reminder – Important

Submitted from the Office

FLUSH ONLY: Body waste and toilet paper. **It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.**

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

Grant Clay announces retirement from auto business - Thursday, July 29, Lincoln(ME)/Katahdin Region News. By Chris DeBeck.

Grant Clay has retired after 51 years in the automotive industry, including the last 38 serving customers at Clay Lovett GMC, then Clay GMC and Clay GMC Chevrolet in Lincoln Center.

In his Mattanawcook Academy senior yearbook, Grant Clay noted that he wanted to become a General Motors Co. (GMC) owner.

The 1964 MA graduate was eventually able to realize that dream a few years later as part of a 51 year career in the automobile industry, capped by his retirement, which was announced in a letter provided to the Lincoln News on Monday.

The Clay GMC Chevrolet dealership in Lincoln Center has been purchased by the company. Clay notes that GM's future idea is to sell and service cars from Bangor and Presque Isle

Idea is to sell and service cars from Bangor and Presque Isle, which he described as a further slimming of the pie as the company looks to manufacture electric cars for the next generation.

While the dealership is no longer, the service department will continue to operate, headed by Randy Davis and Raymond Round, according to Clay. "You will still be dealing with the same people who have been servicing your vehicle for years", he wrote.

Clay's love of cars and trucks was sparked in 1958 when, at age 12, he was hired to pump gas at the Lincoln Center garage owned by Harry and Roland Whitney, located next door to his home.

Following graduation from MA, Clay majored in automotive technology at Southern Maine Vocational Instituted (now known as Southern Maine Community College). After serving in the

Maine Army National Guard, he worked as a mechanic at Katahdin Motors, Brehaut Auto Sales and McMullen and Lovett. He started Clay's Texaco in 1970 on West Broadway, then teamed up with Paul Lovett in 1983 to form Clay Lovett GMC, Clay explained. He later bought out Lovett in 1988 and formed Clay GMC. Clay GMC became Clay GMC Chevrolet in 2005, remaining open until just recently. According to the letter, Clay said he owed his success to his longtime employees, some of whom were with him for 40 years.

"Myself and my family thanks all who over the years have been good and have made memories and friends along the journey", he wrote. "I hope you all stay well and thank you for the memories".

LINCOLN — In his Mattanawook Academy senior yearbook, Grant Clay noted that he wanted to become a General Motors Co. (GMC) owner.

The 1964 MA graduate was eventually able to realize that dream a few years later as part of a 51 year career in the automobile industry, capped by his retirement, which was announced in a letter provided to the Lincoln News on Monday.

The Clay GMC Chevrolet dealership in Lincoln Center has been purchased by the company. Clay notes that GM's future idea is to sell and service cars from Bangor and Presque Isle, which he described as a further slimming of the pie as the company looks to manufacture electric cars for the next generation.

While the dealership is no longer, the service department will continue to operate, headed by Randy Davis and Raymond Round, according to Clay.

"You will still be dealing with the same people who have been servicing your vehicle for years," he wrote.

Clay's love of cars and trucks was first sparked in 1958 when, at age 12, he was hired to pump gas at the Lincoln Center garage owned by Harry and Roland Whitney, located next door to his home.

Following graduation from MA, Clay majored in automotive technology at Southern Maine Vocational Institute (now known as Southern Maine Community College). After serving in the Maine Army National Guard, he worked as a mechanic at Katahdin Motors, Brehaut Auto Sales and McMullen and Lovett.
