## MESSAGE FROM EDITOR

I owe an apology to Management and Residents of Oak Crest-Acorn MHC. In the August Messenger there was a joke that was offensive to many people. This will not happen again. Again, my sincere apology.

### STOP SIGNS:

Please be reminded that “STOP” signs must be responded to by all vehicles to include cars, motorcycles, bicycles, scooters, golf carts and any other motorized vehicles.

### ENTRANCE GATES:

Management would like to remind residents of procedures for the automated entrance gates:

Please be sure your visitors are informed of the procedures for contacting you at the entrance gate key pad to gain access to the community. Visitors use the directory to locate your name, then enter the directory code to call you. After answering the phone, resident presses “9” on their phone to open gate.

Please DO NOT allow entrance to the community of persons not personally known to you. Visitors must use the key pad system for entrance.

The automatic gate system closes after each vehicle. Individual vehicles must come to a complete stop prior to the gate barrier arm opening. Please do not attempt to tailgate or follow other vehicles through the opening to avoid damaging the gate system.

**S**eptember is here. We made it through the summer. Hopefully many of our snow birds will soon start returning. The locking system for pool and clubhouse needed some additional setup and hopefully now is in operation. If you have not registered your card call the office and give them the number on front of card in bottom corner.

Bikes and golf carts need to slow down and stop for stop signs. We have a lot more golf carts now and there's been a couple of close calls. And the bikes need to follow the rules too. The gate off of 16th Ave. is a residence gate into Oak Crest. This is not a way for businesses to come in as there are no call buttons. Also some new chairs have been borrowed from the clubhouse and they have not been returned. Please if this is you return the chairs. And remember we are welcome to use tables and chairs after we signed them out. We cannot just go in there and take.

Elections for the HMO are going to be in January. If you are interested in joining the board as an officer or Director feel free to contact one of the board members and we will share with you our guidelines of what the job entails. This next year will be very important as negotiations will be starting in the early spring. If you have any experience in these areas definitely think about joining the board. Jill Chambers

**F**all is just around the corner. We are planning to have 2 donut and coffee get-togethers this month, on Saturday, September 11th and the 25th. The price is \$2.00 per person. The time is from 8:30 a.m. to 10:00 a.m. Come and join us. This is a good opportunity for new residents to come in and meet the activities committee and find out what we are all about. We sponsor all the activities and have many events throughout the winter. We are also open for suggestions. There is a calendar of events in the middle of this book. Please check it out.

If you are a new resident here in the park you can get on Facebook and request to join our web page. This is a closed group only for residents of our park. Get into Facebook and go to the top where the search bar is and type in Oak Crest/Acorn 2018-2019. You can then request membership. I will check to be sure you are a resident then accept you. Have patience because I have to check with the office if you are not in the directory to verify that you are a resident here. If you have any questions please feel to call me. My number is in the directory.

# SEPTEMBER COLUMN

REGGIE 'K'

**T**hought I'd present you with something different for this month.

## HARDSHIP

Part of the reality of life is hardship. This is not a negative statement. It is simply a statement of fact. Every day brings new challenges. Living with the expectation that life will be difficult makes hard times easier to deal with. When a family encounters hard times they will need to join and face the challenge as a team. They will need to be sensitive to the needs of individual family members each of whom will face unique difficulties. Life is not easy but having a support system makes life that much easier.

## AGING

Aging is a natural process of life. It begins the moment we are born. Strangely enough, most of us live under the illusion that we and our loved ones will never become old. When old age arrives, we are often unprepared. The natural order becomes reversed. The young help to care for the old. Those who need to be taking care of for the first time have a hard time accepting that they need help. This condition is a product of our culture that does everything it can to conceal the loss of youth. Confronting this reality is the beginning of a healthy relationship to life, aging and death.

## COURAGE

What is courage? What defines a courageous act? It is said that the brave and cowardly person are both fearful. However, it is the brave one who faces his fear and does what needs to be done. We will be faced with many things that scare us throughout our lives. How can we become the kind of people that face our fear and do it anyway? Human growth takes place when we take small steps. Each time we face our fears we become more of the courageous person that we would like to be.

## FRIENDSHIP

Being friends is about sharing our lives with others. There are some aspects of our lives that require that we spend a lot of time together or a lot of writing to help convey our feelings. Other times sharing only a few words are more than adequate. It is not always the long conversation that conveys the deepest feelings. Sometimes, longer modes of expression may seem redundant and lacking in profundity. Putting just the right combination of words on paper in a succinct style may just hit the spot.

It's only through mistakes we make, we learn where we went wrong, it's only when we're far

from home, we realize where we belong, it's only when we close our eyes, our dreams seem clear and bright, it's only in our darkest hours we truly see the light, it's only when we lose our way, we pray to the stars above, it's only through times of grief, we learn the true meaning of love, it's only when all hope seems lost, and our weary journey seems so far, when all the world's against you, we learn how strong we really are, all things are sent to try us, we must strive to give our best, I believe God is watching over us, and he guides us in our quest.

## IN THE NEWS

FROM REGIE 'K'

### Moving Company Scams.

Attorney General Ashley Moody is warning Floridians of an increase in moving scams as home sales skyrocket in Florida.

According to Florida Realtors, closed sales of single-family homes statewide in June totaled 34,165, up 23 percent from June 2020, resulting in a 14-year high in overall sales throughout the country. With an increase in home sales comes more demand for movers, and Moody is issuing a Consumer Alert to help consumers avoid moving-related scams. "Florida is red hot, our low taxes, growing economy, common-sense leadership and great weather has people from all over rushing to move here, couple all that with a booming real estate market and the potential for scams increases."

Moving companies refusing to provide a written estimate or requiring a large, upfront deposit or payment in cash are all red flags that the consumer should look for to help them identify a potential moving scam and avoid falling prey. Common moving scams involve movers packing up and transporting household goods and then refusing to release them until the consumer pays an additional high fee. Another scheme used by fraudsters is giving a low-ball offer to secure a moving job but then increasing the rate significantly upon arrival and threatening to avoid doing the job unless paid upfront.
