MANAGER

### HOME MAINTENANCE

In the month of September, we will be focusing on weeding and planters. Please make sure your flowerbeds and weeding around your home in complete. Letters will be sent to those who need to work on this aspect of their home. Thank you to those of you who already have beautiful flower beds. We really appreciate all that you do to keep Sugar Creek looking good.

### GOLF CARTS

While driving around the park on your golf carts, you MUST obey the STOP signs and drive on the correct side of the road and not on the sidewalks to avoid speed bumps. Do not let small children drive the golf carts, they are too young to know the roads and signs. This is a danger to your grandchildren, children and residents. Many times, residents had to stop their vehicle due to someone speeding around the corner on a golf cart.

### POND

The beautification of the pond will start mid to late September. There will be equipment, trucks and workers around the pond area. If you live on the pond, you may see the workers behind your home. Don't be alarmed. Feel free to call the office if you have concerns.

### POOL

We will be working on replacing the pool tiles soon. This may already be completed by the time you receive this September issue. We will be closing the pool while this is being completed.

### HOME SALES

Thinking of selling your home? Contact Daniel or Vicki to walk you through the process or answer any questions you have. We are here to help: 727-586-2002.

# SUGAR CREEK HOA:

---

## H.O.A.

**M**y apologies to everyone on the date of the next HOA meeting. I put in the wrong date, it should have said “Monday November 15th” instead of the 8th. I am sorry for the confusion. There will also be a notice on the bulletin board in the clubhouse with the correct date.

For the combining of the HOA and the Community Club, if passed, there will be only one organization handling all social and business activities. A new committee would be formed to coordinate all social functions (dances, dinners, parties, etc.).

As far as dues are concerned, there will be one dues for the HOA. This would be split and deposited in two bank accounts (legal fund and social fund). I envision this to be less per household than the combination of the two present dues.

The meetings would be held under the same format that both organizations currently use, i.e. call to order, reading of minutes, treasurer's report, old business, new business, adjournment. There will not be “Community Club business” and “HOA business”, just “new” and “old” business. The length of the meetings should be approximately the same length as they presently are for the Community Club meetings with the exception of the November meeting when rent increases are discussed. Voting would change slightly in that there would be one vote per household versus one vote per individual. A couple in the same home would cast one vote as would a single person in a home would cast one vote.

Some benefits to the merger would be in regards to the annual filing fee of incorporation with the state, paying for a single insurance policy instead of two, confusion for new residents as to which organization to go to with questions or complaints.

I am sure that I have not covered everything here, but these items are probably the most important. If you see me around the park, feel free to stop me and ask any questions.

Robert Cicci, President HOA

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

**Ask yourself:**

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

[www.Dedicated.care](http://www.Dedicated.care)

**If you answered no to four or more of these questions,
