To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

BREAKING NEWS!! Because our community Covid cases have decreased, we are ready to begin Chit Chat Hour again! Area 4 will host Chit Chat Hour on Wednesday, Oct. 13th and 27th. Masks will be required and please feel free to bring your own coffee and participate and chat with us. We encourage you to also bring new residents or neighbors to meet everyone.

We are hosting Flu shots given by Walgreens at the CH on Saturday, October 16th. As always, these shots are extremely important to our community and will not interfere with the Booster Vaccine if you choose to participate. PLEASE CALL JANICE EVELY, 727-251-9096 TO MAKE AN APPOINTMENT! Leave a message if necessary and she will return your call. We can also arrange pick up service if needed! Appointments are absolutely necessary to help with social distancing and keep safe procedures. Please bring your ID and Insurance card with you.

Hopefully we can begin some extra activities in the next few weeks! Area 5 will be hosting Thanksgiving in November, so please stay tuned for more details. We also hope to get back to our regular Coffee Hour soon as things improve in our community! As always, watch Channel 801 and notices in the CH and Information Boards for activities! PLEASE STAY TUNED FOR A POSSIBLE OCTOBER FUN EVENT!

Welcome back northern friends and we hope to see many more soon!

Bazaar Donations

If you have bazaar donations, we are ready for pickups or drop offs. We currently do not have many volunteers with trucks or lifting strength to help, but we will definitely make arrangements to store your donations in our shed. Thank you for always supporting our Social Club with your treasures so we can re-sale them to help support our activities! Donations or questions: (931) 607-1493

AREA 4 WELCOMES YOU TO THE OCTOBER EVENTS

Karen Burch #132 727-249-4769

We welcome you back to Chit Chat Hour Wednesday October 13th and 27th at 8am on the Cottage Back Porch. Now that our community cases of Covid have decreased, we feel safe trying this get together again! **EVERYONE IS REQUIRED TO WEAR A MASK!** Even though we are outside, and most have been vaccinated, we still need to continue safe practices.

We have enjoyed this new way of getting together, sharing new facts about our lives and have experienced many laughs each meeting. Please bring your own coffee or drink and we would love for you to bring a new resident or neighbor that has not attended!

We are working on a safe activity for October so please stay posted to 801 and our CH board and Information Boards for details!

Our entire golf season and schedule is listed with this article and we hope this helps with all the dates and formats. Please note our new start time!! We hope to have an exciting season beginning Friday, October 8th until the end with our Naples Trip in June! Please feel free to contact Bill or me anytime about questions! See you Oct. 8th!

RED HATS OPEN ENROLLMENT for woman who want to join.

The Beach Babes of Doral.

Ladies come join in the fun, with Red Hat sisters. We are a global society of woman, that supports and encourages woman in their pursuit of fun friendship freedom and fulfillment and fitness. The Red Hat society is a rewarding vehicle for reconnecting old friends and making new ones and rediscovering the joy of getting together with other woman for the express purpose of having fun, because we have the power of fun to do so. We do many different events, like monthly birthday lunches at a country club, or your favorite restaurant or take a ride on a boat up the river to see all the beautiful homes, or to see Christmas lights. We go to many different places like going to see a play or do shopping in Tarpon springs or John's Pass or a girl's night out in one of our sister's homes having a fun night telling jokes having a glass of wine with snacks, or going to holiday parties, we go to 3-day conventions. stay in a hotel and have loads of fun dancing dining playing games, do a dress costume, we also do Red Hat cruises. You pick your events you want to go to; you don't have to go to everything. The cost to join is \$30.00 a year paid to the Red Hat Society. My name is **Sandy Layne lot #488 my phone is 732 241 0743**. I am the Queen Mother for the Beach Babes of Doral call me if you are interested in joining our fun group. Jackie O'Dell 727-452- 2739 Carol Enns 727- 210-3298

I know in Doral we are close socially be it on our street or at the other end of the park on our golf cart we stop to talk. The loss of any Doral neighbor is always sad, but with great sadness and a heavy heart this month we said goodbye to Marylou Raeff #232 and Dan Scala # 246. They lived across the street from each other. Prayers please for Ray Raeff and Nina Scala. Cards are welcome.

Stay safe and if you have not gotten you covid 19 shot please do. Thank you
Peace Jackie O. and Carol too

Joke of the Month

A very cranky old man was arrested for shoplifting at a grocery store. He gave everyone a hard time from the store manager to the security guard to the arresting officer who took him away complaining and criticizing throughout the process.

When he appeared before the judge, the judge asked what he had stolen from the store.

The man defiantly replied, "Just a stupid can of peaches."

The judge then asked why he had done it.

He replied, "I was hungry and forgot to bring any cash to the store."

The judge asked how many peaches were in the can. He replied, "Nine, but what do you care about that?"

The judge patiently said, "Well, sir, because I'm going to give you nine days in jail – one day for each peach."

As the judge was about to drop his gavel, the man's long-suffering wife raised her hand and asked if she might speak.

The judge said, "Yes, what do you have to add?"

The wife said, "Your Honor, he also stole a can of peas."

Manager's Report

Jeremy Londergan

MANAGER

Hello Doral Village!

Summer is officially over. I'm looking forward to lower humidity, and some cool breezes. We should start seeing our snowbirds dropping in, for the season. I'm optimistic that we will get these virus numbers under control. It's still a day-by-day week by week type of situation.

Our yearly round of electric pedestal replacements is scheduled. Those of you on the list will be notified in advance of the times and dates of the replacement.

Our office is open. Please knock on the door, and you will be greeted. Concern/request forms are out front. If you have any questions or need assistance. Please call or stop by. Leslie and I are happy to help.

Hope everyone stays well, and I'll see you around the village.

Thank you.

Make it a great day!

Jeremy

From your Doral Village Board

KNOWING YOUR NEIGHBORS

from Julia Green #564

SPRING HAS ARRIVED

At last spring has arrived. It arrived a little earlier than the calendar says it should but who cares? We started getting some warm days mid-August. Chilly at night but temperatures in the low 20c in the day

Our seasons change on the first of the month (1st September is Spring), unlike the northern hemisphere which changes on the solstice. Why? Not sure.

Where we are we have lots of eucalyptus trees which as you may know are evergreen, so we are not treated to fall colors and spring growth as much. They do however, flower, some nondescript, others with white flowers, even others with yellow, red or orange. To the back of our property is a green belt of trees, these burnt in the bushfires of 2019/2020, but now are green and lush again. We are all praying that there will be no fires this coming summer. We look at the fires in the Northern hemisphere and our heart goes out to those affected. Bottle brush, is an Australian native (we see them in Doral Village) are beginning to flower, as are grevillias. The beautiful yellow wattle trees flowered at the end of July and through August. I have sweet peas, poppies, daffodils, bluebells, and jonquils all in flower, plus lots of others.

Ray and I have virtually stayed put, mostly due to the continued lockdowns in Sydney and the state borders being closed. Then the virus started to spread to regional centers, so they got locked down as well. This extended to all our state NSW. Sydney lockdown has been extended until at least October, still people ignore the rules and keep spreading the virus. Hopefully by the time you read this we will all be “free”.

We live close to the main interstate highway, there’s hardly any traffic on it during lockdown. Can you imagine US19 with barely any traffic?

A story that will probably shock a lot of people is that in Melbourne in mid-August a family ignored the “no more than 5 people in your home rule”. They held an engagement party and had 69 guests, no masks. Someone took a video and send to authorities. Result EVERY person was fined \$A5,500. Total \$A350,000.

I am so sick of Covid and hearing about it in the media daily. Probably everyone the world over feels the same. The other knock-on effect is that there are very few flights to go anywhere. We can do some road trips which, now the weather is warmer and lockdown over, we will. As I said previously one of the things Ray particularly misses the Florida bars. Our bars are totally different. The legal drinking age here is 18. Bars...we call them pubs are almost like little casinos. In cities they are generally relatively big places, people usually sit at tables, not around the bar. Every pub has poker (slot machines), these days in a separate area as you can’t smoke indoors.

continued on page 38

They don't have the charm of UK pubs or the unique character of Florida bars. We do have lots of clubs, not as in a book club but again like casinos. These can be a lawn bowling club (a very popular activity here), a football club, golf club, RSL (returned services club). These clubs can be enormous, always with bars, restaurants, auditoriums, and poker machines. The machines are not the only form of gambling allowed in clubs ...there's keno, online betting on sports events as well. However, you can't play blackjack, poker etc., that's reserved for the few casinos we have. The poker machines, as with everywhere, the payouts are far less than the money put in. The clubs usually use this money to fund local charities and events. The pubs? Well, I guess goes into the licensees' pockets.

Another unique thing is the meat raffles. Most pubs and clubs have raffles, usually for a tray of meat, but sometimes seafood or fruit and vegetables. At Christmas it's legs of hams. In the late afternoon tickets go on sale, cheap. Then around 6 pm they draw the raffle, usually about 20 prizes.

To go to a club, you need to be a member (about \$5-10) a year or live over 5 km away. Such an odd law. These clubs, before and after covid we hope, also have live shows, often overseas artists. Most of these artists are a little past their glory days but we still enjoy seeing them. The clubs support local charities, have lots of children's activities during the holidays and host weekly events such as bingo, bowls etc. During lockdown all pubs and clubs have been closed. On the same theme one thing that we notice in Florida is there is no RBT (random breath testing). Some of you will find the below a little "infringing on our civil liberties", but we are in the majority, happy if it stops us or our loved ones being injured or killed by a drunk driver.

In NSW our drink driving limit is .05. It was introduced in the 1980s. The police set up a type of roadblock anytime of the day or night, anywhere and pull over drivers. Not everyone gets pulled over, it's pretty random. You are then tested via a blow device. If over, fined, sometimes taken back to the police station for a blood test. The fines are heavy and can be jail but it has certainly curbed the drunk drivers on the road. They have also now introduced a drug test via the same method.

If you are interested the below is the web site.

<https://roadsafety.transport.nsw.gov.au/stayingsafe/alcoholdrugs/drinkdriving/rbt/index.html>

As an aside, I guess you all know that we can't return to Florida for some time, so we would both like to publicly thank those who are keeping us informed about our house. Especially to those who "check it out" regularly and email us when there's an issue.

A special thank you to our phantom repair person, particularly whoever fixed the fallen bricks at the front of the house.

Also, if you find these blogs interesting and would like to know something about Australia, ask Bev to contact me.

Julie and Ray.
