LAKE HIGHLANDER GOLF LEAGUE

by Joan Bernier

It's that time again!! Hopefully the snowbirds will be flying back to join us this year. Our league officially starts on Friday, November 5, at Countryway Golf Course, tee time to be determined. Dues are still only \$20.00 for the year. All ages, gender, pros, amateurs and wannabes are welcome. The sign up sheet will be in the clubhouse or you can call me with any questions

A few of us ladies have continued to play through most of the summer, hoping that with the extra play time our scores would improve. But, alas, that did not happen. I think the heat got to us!! If you want to join us on Fridays before the League officially starts, just give me a call. We tee off at 7:45 am, home by 11 am!!

Walking Good

A wise old man celebrating his 100th birthday, got a visit from a local television reporter at the nursing home to interview him. “Are you able to get out and walk much?” the reporter asked. “Well, I certainly walk better today than I could a hundred years ago.”

Adult Truths

I think part of a best friend's job should be to immediately clear your computer history if you die.

1. Nothing sucks more than that moment during an argument when you realize you're wrong.
2. I totally take back all those times I didn't want to nap when I was younger.
3. There is great need for a sarcasm font.
4. How the hell are you supposed to fold a fitted sheet?
5. Was learning cursive really necessary?
6. Map Quest really needs to start their directions on #5. I'm pretty sure I know how to get out of my neighborhood.
7. Obituaries would be a lot more interesting if they told you how the person died.
8. I can't remember the last time I wasn't at least kind of tired.
9. Bad decisions make good stories.
10. You never know when it will strike, but there comes a moment at work when you know that you just aren't going to do anything productive for the rest of the day.
11. Can we all just agree to ignore whatever comes after Blue Ray? I don't want to have to restart my collection...again.
12. I'm always slightly terrified when I exit out of Word and it asks me if I want to save any changes to my ten-page technical report that I swear I did not make any changes to.
13. I keep some people's phone numbers in my phone just so I know not to answer when they call.
14. I think the freezer deserves a light as well.
15. I disagree with Kay Jewelers. I would bet on any Friday or Saturday night more kisses begin with Miller Lite than with Kay.
16. I wish Google Maps had an "avoid ghetto" routing option.
17. I have a hard time deciphering the fine line between boredom and hunger.
18. How many times is it appropriate to say "What?" before you just nod and smile because you still didn't hear or understand a word they said?
19. I love the sense of camaraderie when an entire line of cars team up to prevent a jerk from cutting in at the front.

Wisdom from Seniors

- The best way to forget all your troubles is to wear tight shoes.
- The nice part about living in a small town is that when you don't know what you're doing, someone else does.
- The older you get, the tougher it is to lose weight because by then your body and your fat are really good friends.
- I read this article that said the typical symptoms of stress are: eating too much, impulse buying, and driving too fast. Are they kidding? That is my idea of a perfect day!
- I know what Victoria's Secret is. The secret is that nobody older than 30 can fit into their stuff!

How to Get the Police to Your House

An elderly man from Georgia was going up to bed, when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window. He opened the back door to turn off the light, but saw that there were people in the shed stealing things.

He phoned the police, who asked, "Is someone in your house?" He said, "No, but some people are breaking into my garden shed and stealing from me."

Then the police dispatcher said, "All patrols are busy. You should lock your doors and an officer will be along when one is available." The old guy said, "Okay." He hung up the phone and counted to 30.

Then he phoned the police again. "Hello, I just called you a few seconds ago because there were people stealing things from my shed. Well, you don't have to worry about them now because I just shot them," and he hung up.

Within five minutes, six police cars, a SWAT team, a helicopter, two fire trucks, a paramedic, and an ambulance showed up at the residence, and caught the burglars red-handed.

One of the policeman said to the old guy, "I though you said that you'd shot them!"

The wise old man said, "I thought you said there was nobody available!"

Live Life Backwards

I want to live my next life backwards:

You start out dead and get that out of the way.

Then you wake up in an old age home feeling better every day.

Then you get kicked out for being too healthy.

Enjoy your retirement and collect your pension.

Then when you start work, you get a gold watch on your first day.

You work 40 years until you're too young to work.

You get ready for High School: drink alcohol, party, and you're generally promiscuous.

Then you go to primary school, you become a kid, you play, and you have no responsibilities.

Then you become a baby, and then...

You spend your last 9 months floating peacefully in luxury, in spa-like conditions – central heating, room service on tap, and then...you finish off as an orgasm.

Listen to Your Doctor

Morris, an 83-year-old man, went to the doctor to get a physical. A few days later the doctor saw Morris walking down the street with a gorgeous young woman on his arm. A couple of days later the doctor spoke to Morris and said, "You're really doing great, aren't you?" Morris replied, "Just doing what you said, Doc. Get a hot mamma and be cheerful." The doctor said, "I didn't say that. I said you've got a heart murmur. Be careful."
