Save a life. Starting with yours.

Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. Get vaccinated. Learn more: [BayCare.org/GetVaccinated](https://www.baycare.org/GetVaccinated)

Good news?

A man had just finished eye surgery, and his surgeon led him into his office to discuss the operation.

“So, would you like the good news or the bad news first?” the surgeon said.

The man excitedly replied, “I’ll take the good news first.”

The surgeon said, “Well, you’re about to get a new dog.”

Cat heaven

A cat died and went to heaven. St. Peter met her at the gates and said, “You have been a good cat all these years. Anything you want is yours for the asking.”

The cat thought for a minute and then said, “All my life I lived on a farm and slept on hard wooden floors. I would like a real fluffy pillow to sleep on.”

St. Peter said, “Say no more,” and instantly the cat had a huge fluffy pillow.

A few days later, six mice came to heaven together. St. Peter met the mice at the gates with the same offer he’d made to the cat.

One of the mice said, “Well, we’ve been running all our lives from cats, dogs, and even people with brooms. If we could just have some little roller skates, we would not have to run again.”

St. Peter answered, “It is done,” and all the mice had beautiful little roller skates.

A week later, St. Peter went to check on the cat. He found her sound asleep on her fluffy pillow. He gently awakened the cat and asked, “Is everything okay? How have you been doing? Are you happy?”

The cat replied, “Oh, it is wonderful. I have never been so happy in my life. The pillow is so fluffy, and those little meals on wheels rolling around? They’re delicious!”

Laughter is a sunbeam of the soul.

Old west justice

A man in the Old West was being tried for stealing a horse. It so happened that the man whose horse had been stolen was a mean fellow who didn't have a single friend in the entire town. The case was tried and presented to the jury.

After about thirty minutes, the jury returned to the court chambers. The judge asked, "Gentlemen of the jury, have you reached a verdict?"

The chairman of the jury stood up. "We find the defendant not guilty if he will return the horse."

The judge admonished the jury. "I cannot accept that verdict. You will have to retire until you reach another verdict."

The jury went back to deliberate some more. About an hour passed before they re-entered the courtroom.

"Gentlemen of the jury," said the judge again, "have you reached a verdict?"

The chairman of the jury stood up. "Yes, your honor. We find the defendant not guilty, and he can keep the horse!"

NUMBERS IN THE NEWS

Fewer of us rely on cable for content these days

Americans are cutting the cord more than ever, according to the Pew Research Center. The share of Americans who watch television via cable or satellite has dropped from 76% in 2015 to 56% in 2021. About 71% say it’s because they can get the programs and content they want online, and 69% say the cost of cable and satellite services is too high; 45% just don’t watch TV often.

Sixty-one percent of people without cable or satellite say they’ve had it in the past, while 39% have never been subscribers. Only 34% of Americans 18–29 currently get content on TV through cable or satellite, down 31% from 2015. Just 46% of people 30–49 watch TV that way, down 2%.

The decline is less pronounced among older Americans. People 50–64 had a 14 point drop from 2015, and those 65 and older saw only a five-point decline.

We are mere operatives, empirics, and egotists, until we learn to think in letters instead of figures.

OCTOBER CALENDAR

Adopt a Dog Month. Since 1981, American Humane has celebrated “Adopt a Dog Month” each October in an effort to help the estimated 3-4 million animals waiting in shelters every year get the loving, forever homes they deserve. Be a hero this month and adopt a dog from your local shelter or rescue group.

Corn Month. Corn started as a small, semi-tropical grass, but cultivation by humans for more than 9,000 years has transformed it into one of the most prevalent grain crops in the world. Today corn provides about 21% of human nutrition across the globe.

LGBT History Month. LGBT History Month celebrates the achievements of 31 lesbian, gay, bisexual, or transgender Icons. Each day in October, a new LGBT Icon is featured on the LGBT History Month website with a video, bio, bibliography, downloadable images, and other resources.

National Ergonomics Month. National Ergonomics Month is an opportunity for ergonomists, human factors and user experience professionals to promote science, practice, and value to corporate executives, students, and the general public by providing information and services to their communities.
