## Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. Get vaccinated. Learn more: [BayCare.org/GetVaccinated](https://BayCare.org/GetVaccinated)

## Strength on the inside

---

A father took his son into a toy shop. Inside the boy found a figure of a man made of balloons. The boy looked at it for a minute, and then drew back his fist and hit the balloon man just as hard as he could. The man fell over, and then popped right up.

The confused boy backed off, looked up, and then hit the figure again as hard as he could. Again the balloon figure fell over, and again he popped right back up.

The boy's father walked around the corner and saw his son hit the balloon man. He asked his son, "Why do you think he comes back up when you hit him and knock him down?"

The boy thought for a moment. "I don't know. I guess it's because he's standing up on the inside."

## The beauty within

---

Once upon a time in a desert was a rose who was very proud of her beautiful petals. Her only complaint was that she grew next to an ugly cactus.

Every day, the beautiful rose would insult and mock the cactus on his looks. All the while the cactus remained quiet. All the other plants nearby tried to make the rose be kind, but she was too intoxicated by her own looks to listen.

One scorching summer no rain fell for the plants, and the desert dried up. The rose quickly began to wilt. Her beautiful petals shrank, losing their lush color.

Looking around, she saw a sparrow dip his beak into the cactus to drink some water. Though suddenly ashamed of herself, the rose asked the cactus if she could have some water. The kind cactus readily agreed.

They both lived through the hot summer as friends.

Moral: Don't judge anyone by the way they look.

## Hitchcock on the elevator

---

A story is told about the famous director Alfred Hitchcock. He and a friend were on an elevator engaging in some idle chitchat. The lift stopped and a man and woman got on.

“So,” Hitchcock said, as though he had been in the middle of a story, “I leaned over to see if he was dead, and pulled the knife out of him. I wiped it on my trousers and placed it back in the kitchen drawer. I walked out the back door, caught a bus on the corner, and heard no more about it.”

The elevator stopped and everyone got off. As Hitchcock walked away, he told his friend, “They will talk about that for the rest of their lives.”

## Confidence

---

In 1941, baseball great Ted Williams came into the last day of the season with 179 hits in 448 official at-bats. His manager suggested that Williams sit out the doubleheader scheduled for the last day of the season to make sure his average stayed at .400.

But Williams said, “If I’m going to be the batting champion, I’m going to win it like a champion.” He played both games of the doubleheader and got six hits in eight times at bat, lifting his average six points on the last day of the season to .406. That took the courage of confidence.

## Snuggle up to a fragrant fire

---

Fall is the perfect time to fire up the fireplace with a cozy blaze. If you want to add a little fragrance to your hearth, try these types of wood to sweeten your fire:

- **Apple.** It not only sweetens the smell, it produces colorful flames.
- **Cherry.** Although not as sweet as apple wood, cherry wood still adds a little sugar in the mix.
- **Hickory.** Known to many great barbecue grill-meisters, hickory brings in a nice nutty aroma and is a great heat producer.
- **Black birch.** Don’t like your fires so sweet? Black birch adds just enough spice with its cinnamon scent.

## Good news?

---

A man had just finished eye surgery, and his surgeon led him into his office to discuss the operation.

“So, would you like the good news or the bad news first?” the surgeon said.

The man excitedly replied, “I’ll take the good news first.”

The surgeon said, “Well, you’re about to get a new dog.”

## Cat heaven

---

A cat died and went to heaven. St. Peter met her at the gates and said, “You have been a good cat all these years. Anything you want is yours for the asking.”

The cat thought for a minute and then said, “All my life I lived on a farm and slept on hard wooden floors. I would like a real fluffy pillow to sleep on.”

St. Peter said, “Say no more,” and instantly the cat had a huge fluffy pillow.

A few days later, six mice came to heaven together. St. Peter met the mice at the gates with the same offer he’d made to the cat.

One of the mice said, “Well, we’ve been running all our lives from cats, dogs, and even people with brooms. If we could just have some little roller skates, we would not have to run again.”

St. Peter answered, “It is done,” and all the mice had beautiful little roller skates.

A week later, St. Peter went to check on the cat. He found her sound asleep on her fluffy pillow. He gently awakened the cat and asked, “Is everything okay? How have you been doing? Are you happy?”

The cat replied, “Oh, it is wonderful. I have never been so happy in my life. The pillow is so fluffy, and those little meals on wheels rolling around? They’re delicious!”

## One-two punch

---

**Y**ou don't need a parachute to go skydiving. You only need a parachute to go skydiving twice.

Parallel lines have so much in common. It's a shame they never meet.

Someone stole my mood ring. I don't know how I feel about that.

You're not completely useless. You can always serve as a bad example.

I broke my finger last week. On the other hand, I'm OK.

I came up with a new word yesterday: Plagiarism.

Why should you never date a tennis player? Because love means nothing to them.

A physicist sees a man about to jump off a bridge. He yells, "Don't do it! You have so much potential!"

I, for one, like Roman numerals.

You know what they say about cliffhangers . . .

## Old west justice

---

**A** man in the Old West was being tried for stealing a horse. It so happened that the man whose horse had been stolen was a mean fellow who didn't have a single friend in the entire town. The case was tried and presented to the jury.

After about thirty minutes, the jury returned to the court chambers. The judge asked, "Gentlemen of the jury, have you reached a verdict?"

The chairman of the jury stood up. "We find the defendant not guilty if he will return the horse."

The judge admonished the jury. "I cannot accept that verdict. You will have to retire until you reach another verdict."

The jury went back to deliberate some more. About an hour passed before they re-entered the courtroom.

"Gentlemen of the jury," said the judge again, "have you reached a verdict?"

The chairman of the jury stood up. "Yes, your honor. We find the defendant not guilty, and he can keep the horse!"
