## FROM THE BOARD

By April Loomis, Vice President

In our governing documents, there is a policy for the list of documents to be held in each resident's file. It includes copies of your membership certificate, emergency contacts, driver license or photo ID, and the title to your home. When a new resident moves in, this information is placed in the file and the former resident's information is kept in another section, for 7 years then it is destroyed.

Why am I mentioning all this? Because, unfortunately, this process has not always been kept up to date leaving us with a serious problem. Here is an example. An elderly person dies and their coach is old. There is no copy of their title or current contract information in their file. The case must go to our lawyer and Clearwater pays lawyer fees. The coach sits empty and deteriorating while one or two years go by.

The title is a formal document that serves as evidence of ownership. In real estate, a title search is the process of examining public records to determine and confirm ownership and make sure there are no liens.

So, my point is this. In the best interest of our park and your heirs, make sure there is a copy of your title and all the information I have listed. You can add a name to your title to further ensure the security of your home. You can be assured, that all information is kept confidential. If you have any questions concerning this, please call the office and set up an appointment.

In any case, please make sure you have updated your recent information so that your file is up to date and current.

Have a wonderful Columbus Day and a scary fun Halloween!

## MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCA

**W**elcome Back – Several of our snowbirds have begun returning to their winter homes in Clearwater Cascade. It has been so nice to welcome them back after 17 months!

Mailboxes – Parking at the laundry facilities is for residents doing their laundry or picking up their mail. ***These spaces are not to be used for overflow parking.***

Spectrum Contract – The bulk cable and internet services will begin November 1st. Many residents are looking forward to this added service; most will save a considerable amount of money.

Stormwater Charges – The City of Pinellas Park notified residents by letter there will be a new charge to cover stormwater runoff. This was previously billed to Clearwater Cascade each month on the utility bill. From what I have been told, even the park will be billed according to the number of impermeable surfaces (buildings, pools, pool decks, sidewalks, parking space

and streets). This is new and confusing; hopefully, it will become clearer soon.

Bocci Court – The Bocci Courts new benches were due to be delivered in September. These will be a nice, easy to maintain and an asset for the bocci players to enjoy.

Library Doors – Work began on replacing the library doors in early September. The two doors are being replaced with one larger and taller door.

Water Outages – I want to give you a couple of tips for when the park is required to shut down the water for a portion or the entire park. When the water is turned back on, turn on an outdoor spigot or the cold water in your bathtub (not shower) and let the water run until it is clear. Then, turn on your other faucets for a minute or two. Do NOT turn on your hot water until you water is clear. If you do, sediment can enter your hot water heater which will cause your hot water to look brown or cloudy and it will remain that way until you have used all the hot water in your hot water heater.

Returning to the Park – Please turn on an outdoor spigot and let the water run until it is clear. We have had a couple of issues with the main water line this summer and we don't want you to bring in any sediment into your home's water source.

Update Information – Please let the office know what physical address you want your Annual and Budget Meeting notices sent to by email at [infoCWC@clearwatercascade.com](mailto:infoCWC@clearwatercascade.com)

That is all I have for this month, take care, and stay safe.

## FROM THE EDITOR

*By Donna Collins*

**H**i everyone. As I sit here looking out at a beautiful British Columbia mountain vista, I think of how lucky we are to be able to enjoy this scenery. It has been an unbelievable year of natural disasters, sickness, rules and restrictions. Being able to go places and see people has certainly been worth getting vaccinations and wearing masks. Putting on a mask has just become a normal way of life when you get out of the car and go anywhere. What a small price to pay for having the freedom to move around and enjoy this wonderful world.

Stay safe and well, everyone

# MEET YOUR NEIGHBOR

By Maddy Haber

## Meet Your Neighbor – Jeff (George) Smith

Jeff moved in our park November 2020. He calls home Lot #94 on Clairborne Ave. A very special lady shares his space. Her name is Cuddles, and is a very sweet Shih Tzu.

Jeff grew up in upper state New York, and moved to Florida in 1958, where he worked for the St. Petersburg Times and then retired from GTE Printing. As a member of the Army Reserves, Jeff was called to duty in 1968, where he served one year in Vietnam. (Thank you for your service.)

Jeff has two sons, Michael and Patrick, and one daughter, Kelly; all who reside in Florida. He has six grandchildren and two great grandchildren, with another one on the way.

Once retired, Jeff and his wife traveled up the East coast in their 5th wheel. He has always been a big fan of both the Rays and the Bucs, and even had season tickets at the football stadium. Golfing and biking were things he enjoyed for years.

When asked what he liked about living at Clearwater Cascade, he said the people are nice and it's quiet. Jeff is looking forward to possibly joining in on a few of the activities offered. When you see Jeff and Cuddles, say Hi!

**H**appy October everyone! At the time I write this, we have been very fortunate in that no major storms have come our way this season. Because I will be absent from the park for a couple of weeks when you receive this newsletter, the weeds will have “gone wild” while I am gone. Please consider pulling a couple for me while I’m gone - that would be so nice! Thank you in advance for helping to keep up beautiful!

## DID YOU KNOW?

From Wikipedia, the free encyclopedia

### Trick-or-treating

**T**rick-or-treating is a traditional Halloween custom for children and adults in some countries. In the evening before All Saints' Day (1 November), children in costumes travel from house to house, asking for treats with the phrase "Trick or treat". The "treat" is usually some form of candy, although in some cultures money is given instead. The "trick" refers to a threat, usually idle, to perform mischief on the homeowner(s) or their property if no treat is given. Trick-or-treating usually occurs on the evening of October 31. Some homeowners signal that they are willing to hand out treats by putting up Halloween decorations outside their doors; others simply leave treats available on their porches for the children to take freely. Houses may also leave their porch light on as a universal indicator that they have candy.

In Scotland and other parts of Britain and Ireland, the tradition of going house to house collecting food at Halloween goes back at least as far as the 16th century, as does the tradition of people wearing costumes at Halloween. There are many accounts from 19th-century Scotland and Ireland of people going house to house in costume at Halloween, reciting verses in exchange for food, and sometimes warning of misfortune if they were not welcomed.<sup>[1]</sup> In North America, trick-or-treating has been a Halloween tradition since the 1920s. The earliest known occurrence there of the Scottish Halloween custom of "guising" – children going from house to house for food or money while disguised in costume<sup>[2]</sup> – is from 1911, when children were recorded as having done this in Ontario, Canada.<sup>[3]</sup> While going house to house in costume has long been popular among the Scots and Irish, it is only in the 2000s that saying "Trick or treat" has become common in Scotland and Ireland.<sup>[4]</sup> Prior to this, children in Ireland would commonly say "Help the Halloween Party" at the doors of homeowners.<sup>[4]</sup> The activity is prevalent in the United States, Canada, the United Kingdom, the Republic of Ireland, Australia, Puerto Rico, and northwestern and central Mexico. In the last, this practice is called *calaverita* (Spanish diminutive for *calavera*, "skull" in English), and instead of "Trick or treat", the children ask, "*¿Me da mi calaverita?*" ("Can you give me my little skull?"), where a *calaverita* is a small skull made of sugar or chocolate.
