Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. Social Committee Tidbits

Mary Gilmore

As I write in September for the October newsletter, I don't want to forget to wish our Canadian neighbors a Happy Thanksgiving with their family and friends. Hopefully, we can all gather together again as we use to do before the pandemic.

Boca Ciega has dodged the bullet more than once this hurricane season. Elsa and Fred steered further out in the Gulf of Mexico than what was predicted and left the west coast of Florida unharmed. Grace wreaked havoc in the Caribbean. Henri seemed to strengthen in the Atlantic Ocean near Bermuda and then slowly made its way to Connecticut and Rhode Island. Inland seemed to get more wind and rain than the shoreline. Ida was long lasting. It too moved west into the Gulf of Mexico away from the west coast of Florida making its terrible presence known in New Orleans, LA. Somehow afterwards, it slams New York and New Jersey with heavy rain and wind being responsible for many deaths. As I said, we at Boca Ciega are thankful that our community was not impacted by any of these storms, but we feel for and say prayers for those regions that were effected.

Virginia gave me information and took pictures at the Labor Day get together at Roosterfish Grill. The folks who attended were Betty and Rich Cerny, Norine Enot, Bob Robortella, David Grubbs, Kathleen Kohler, Pat Belbin, Jon Bender, Marlene and Ervin Winczewski, Shirley Mann, Terry Maegdlin and Virginia Fuchtman. This was a return visit for the all year rounders since they had gone to the grill and enjoyed the atmosphere and their choices of dinners at the Memorial Day get together this season. I have a feeling that Jon was glad that he got home from California just in time to be able to go to this event.

Why is our northern border with Canada still closed to our Canadian neighbors? They can fly to the states, but they still are not allowed to drive to the states. Americans were allowed, however, to drive to Canada this summer. It doesn't make sense to me. Our next season at Boca Ciega could be impacted again. Already, friends have told me that they have no idea when they will be able to come down. We all will have to wait and see what happens next.

Stay well everyone and hopefully we will see each other soon.

Adopt the pace of nature: her secret is patience.

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Our Camp in Maine

Mary Gilmore

After visiting with my family in Connecticut for awhile, I drove one more day to get up to our camp in Maine. A camp is a small cottage in the woods of Maine. Jim bought the land in the early 1950's for \$100 an acre. There was a barn in Farmington that was coming down and anyone that wanted lumber or beams could do the work and take some. This is the material that Jim and some buddies of his from Long Island used to build the camp. The first part that was built was an 18' by 18' structure. It was a hunting camp. In years, an addition was made to the camp that was also 18' by 18' and that was the kitchen and some more sleeping space. Later still, a bathroom, workshop, small garage and a front screened porch was added. Then, in the early 1970's, Jim brought me to camp. I loved camp and that's why I continue to make the drive up from Florida.

Since I had not been up to camp in two years, I expected that there would be things to take care of. The camp itself was fine. I had to do a lot of weeding to see my gardens again. I also had to take care of some trees that needed some trimming. The evergreen by Jim's flag pole got so big that it was taller than the flag pole and you couldn't see much of the front yard from the porch. I showed my nephew, Jack, a picture and he suggested trimming the evergreen 7' up from the bottom. I used one of Jim's hand saws, got myself into the tree and started going clockwise around the trunk. First cut was the hardest and then I got the hang of it. I can now sit on the porch and see the yard. Turkeys have come into the yard. One time a group of 12 and another time a group of more than 29. Haven't seen any deer yet.

Been visiting with my friends and playing cards in the evening. Went to a supper last Saturday at the Embden Community Center. I go to our New Vineyard library often. I just got introduced to a Canadian author, Louise Penny, who writes a series of mysteries with Chief Inspector Gamache that I got hooked on. The area has changed a bit over the years. Taylor Hill Road is still a dirt road. There is a farm further up that now sells eggs and vegetables. I

PRAYER FOR THE PROTECTION FROM HURRICANES

God our Father, Creator and Lord of the Universe, you have set the Earth on its foundation and all the elements of nature obey your command. We humbly ask you to keep us safe from all dangers and calm the storms that threaten us. May we be secure in your loving protection and serve you always with grateful hearts. We ask this through our Lord, Jesus Christ, Your Son, who lives and reigns with you and the Holy Spirit, one God forever and ever. Amen.

3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?
