From The President

Tom Vanzant

It seems, whenever a property is placed for sale it is sold almost immediately, with few exceptions. It is clearly evident that this is a very desirable place in which to live, as shoppers and buyers continue to confirm that we live in one of the nicest, if not the nicest parks in Pinellas County.

We can applaud our Board of Directors for having the foresight in the formation of our Standards Committee. Through diligent oversight, the committee helps to keep HSP esthetically pleasing by ensuring that everyone follows the standards set forth in our Rules and Regulations. In the absence of having a Director of Standards, I have temporarily taken on this extremely important job.

As many of you know, I like to deal with people in a sensitive an effective way, always with respect. However, on occasion, I can be blunt. This may be one of those occasions.

The vast majority, and I estimate that there are over 500 of us, abide by the Rules. There is a very, very small percentage that occasionally, follow the rules that were set forth when they became part of the community.

Those of you who walk the park on a regular basis know what I am about to say. Those of you who don't only need to take one trip around on foot, bicycle, or golf cart to see identify those who fail to pull their weeds, clean mildew off their home, clean out there gutters, etc. These violators are both seasonal and annual shareholders.

Any violator of the Park's Rules and Regulations, who fails to respond to the Holiday Shores Park "Friendly Reminder" in the time allocated (and you know who you are), must bear in mind that the Park has the authority and will hire someone to immediately rectify the violation and bill you accordingly.

On a more caring matter, I had the privilege of meeting one of our oldest shareholder's, who is in their late '90s, on a Park violation matter. The result of the meeting was, with the help of others, we were able to address the issue while maintaining the warm and friendly smile on the shareholder's face. I am not certain, but if we identify others in our Park needing help from time to time, we must do the right thing and help where and whenever possible.

Monty Slaybaugh, long time shareholder has agreed to help form a committee, or small group, to explore the needs of our elders and see how we may be of some help. If you are interested in working with Monty on this committee, please contact him directly, for more information. His number is in the HSP phone book.

Alright, I'm off my soapbox. I care deeply about our Park and my door is always open if I can be of assistance.

REMINDER: If you are interested in running for the board, please obtain a **Notice of Intent to Run as a Candidate Form** from the office, or you can print one off of the HSP website. These completed forms must be in the office (or office mailbox) **before 9:00 a.m.** on the morning of November 1, 2021.

The Annual Membership Meeting and Election are held on the second Saturday of December. This year it will be on December 11, 2021 at 10 a.m. During that meeting you will be voting for board members and other association issues.

I would like to give a warm welcome to our newest Newsletter Delivery Volunteers, John and Belinda Bellamy. Volunteers are the lifeblood of our Park and any Community Association, for that matter. The Newsletters are only free to the Park, under the condition that they must be hand delivered by the Park residents. We are always looking for volunteers in this area. If you can't commit to monthly delivery, you can be an alternate – or one who covers on the occasion that the regular volunteer is unable to make the deliveries. Thanks to those of you already on the committee for being so reliable in getting the newsletters out to everyone in a timely manner.

Please **DO NOT** put suntan oil yourself directly before you enter the pool. The Rules require everyone to shower before they enter the pool. This is in order to wash off any perspiration, suntan oil, etc. before going in to swim. You would be surprised at how much oil ends up in the pool filters, each time Triangle Pools comes out to clean them.

Holiday Shores Activities Association

Bernadette Drouin

Well autumn is officially here! Our activities commence the start of opening season with our luncheon up on October 14th. A sign-up sheet will be posted on our bulletin board and an A-frame set up with further details.

Our Halloween party will be on October 31st, 6 PM to 10 PM, \$10 per person. With JZ entertainment. He is a DJ and singer. I have a song request sheet posted on the activities board. Please start writing in your request now. Tickets will be sold ahead of time on Tuesdays and Thursdays from 11 AM until 12 PM as usual. The A-frame will be set up. Don't forget your costumes!

Our first official social and activities meeting for all will be on November 6. And, if all goes as planned it will be in a Fall cleaned clubhouse. We will have plenty to discuss. Starting with plans for veterans. We will be writing cards to our veterans at the meeting and collecting gifts for them on Veterans Day for military matters. A list of items needed will be posted on the bulletin board.

I hope you have all had a wonderful summer.

Sharing and Caring

Nita Anderson

Hello friends and neighbors of Holiday Shores Park.

It greatly saddens me to inform you that Mark Stevens (10186 North Lake, #47) passed away on September 4, 2021. Mark had been a resident of HSP since 2008. He was head of "Chippers", the golf league here at HSP. A special thank you goes out to Andrea Stearns who was very kind to keep us all informed of Mark's health status.

Also, our friend and neighbor, Dee Firkins (10282 Broadview, #62) recently passed away. Dee had been a resident of HSP since 2001. Dee was very active in Tuesday night Euchre card games.

Also, previous resident, Ken Trotter passed away recently from pneumonia.

Please keep these friends and our neighbors (and their families) in your prayers. Thank you.

Please call me (440-724-1488) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments.

Save a life. Starting with yours.

Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. Mark your calendars now for Saturday, November 13, 2021, brush up on the Charleston and head to the best “Gin Joint” in town, knock 3 times and tell ‘em Joe sent ya. The Way-off Broadway Theater Group will be celebrating the “Roaring 1920’s” with gangsters, flappers and coppers plus a spaghetti and meatball dinner including all the trimmings. It's Big Louie's Birthday Party, but you can be pretty sure someone's not going to make it out alive.

However, before the festivities can begin, everything needs to be organized and planned. Come join us for our first meeting of the season on Tuesday, October 12th at 2:00pm in the Clubhouse. We not only will be discussing and planning for the Murder Mystery Dinner, but for all of our activities to come. Theatre Group Officers David Middleton, President; Linda Dunn, Vice-President; Judy Garneau, Secretary; and David Helms, Treasurer, want you to come and play with us; we’re always looking for new talent on stage and off! Any help and suggestions will be welcome. Come join us.

NUMBERS IN THE NEWS

Fewer of us rely on cable for content these days

Americans are cutting the cord more than ever, according to the Pew Research Center. The share of Americans who watch television via cable or satellite has dropped from 76% in 2015 to 56% in 2021. About 71% say it's because they can get the programs and content they want online, and 69% say the cost of cable and satellite services is too high; 45% just don't watch TV often.

Sixty-one percent of people without cable or satellite say they've had it in the past, while 39% have never been subscribers. Only 34% of Americans 18–29 currently get content on TV through cable or satellite, down 31% from 2015. Just 46% of people 30–49 watch TV that way, down 2%.

The decline is less pronounced among older Americans. People 50–64 had a 14 point drop from 2015, and those 65 and older saw only a five-point decline.

We are mere operatives, empirics, and egotists, until we learn to think in letters instead of figures.
