Ambulance Fund, Evelyn Hale, Coach 1364 403-6434

Continue to pay your Ambulance fund membership during the pandemic.

Jim Hale's email justmejim42@outlook.com

The Ambulance Fund is open to all residents for \$2.50 per person per year. Payment qualifies members for 1 emergency transport per person per year. The fund pays the balance of the bill, up to \$75, after Medicare and insurance. Membership period is stated on your card. There are no grace days.

NOTES FROM THE BAY RANCH OFFICE

BE SAFE! Break ins and theft have been occurring in the park recently. Keep your stuff put away, your doors locked, and don't answer your door to strangers. Report any suspicious activity the the police and to management.

TO REDUCE SPEEDING through the park, the back gate will be closed 24/7. If you need an opener, contact Carol in the office.

THE PINELLAS COUNTY Humane Society is investigating numerous cat poisonings in our park. Poisoning any animal is a federal felony punishable by up to 1 year in jail. It is also inhumane and causes the animal to suffer. Don't do it.

All garbage must be put in the bins behind the clubhouse. Do not put it on the ground. The garbage trucks empty the bins on Monday, Wednesday and Friday, but there are no set times.

THE POOL: No floats are allowed in the pool. Noodles are allowed.

If you use an umbrella, fold it up when you leave the pool. Do not use when it is windy.

PROTECT YOUR BELONGINGS. Residents have reported stolen landscape decorations, tricycles, etc. Lock up tempting items or install a motion detector light to deter thieving thugs. Also, consider reporting late night walkers.

...continued on page 6

COMPLAINTS AGAINST YOUR NEIGHBOR MUST BE IN WRITING AND SIGNED. Give the written complaint to the office or drop it in the mail slot in the office door. Verbal and unsigned complaints cannot be addressed.

MANAGEMENT WILL ALSO ADDRESS COMPLAINTS ONLY IN WRITING.

Rules: The Park has rules that everyone received and reviewed when they bought or rented their coach. They are also printed annually in the Directory (September issue of Bay Ranch Review). **Please read and follow them.** Failure to follow rules is grounds for eviction, and management has shown that it is willing to evict.

Rules commonly broken:

1. Parking on grass or sidewalk, overnight on street, and/or every day.
2. Parking overnight at the Clubhouse without Office authorization.
3. Failing to register at the office all persons living with you.
4. Piling garbage in front of garbage bins. When you throw garbage, throw it to the back so when you open the door, it doesn't fall out and there is space.
5. Failure to maintain, paint and/or clean mobile home, trim, awnings, planter and driveway.

Sewage **remains an intractable problem.** Drains continue to back up because grease, vinyl/rubber gloves, paper towels and other inappropriate items are flushed. **Bay Ranch will not pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.**

Eds. Note: It is inappropriate to flush anything other than toilet paper, and doing so causes costly sewer clogs. If the park pays, we all will ultimately, through rent increases.

Also, those so-called flushable personal cleansing cloths are really **NOT FLUSHABLE.** They do not disintegrate in the sewer system, and they **WILL** clog the sewer someplace in the system. Lots of people like to use these cloths in the bathroom, but **PLEASE** do not put them in the toilet. Limit what goes into the toilet to toilet paper. Eds. Note: My housemates and I had to hire a plumber when our own drain system clogged due to dishwasher detergent that was not well dissolved. We had virtual rocks of detergent blocking the drain. Our solution (after paying the plumber): liquid detergent.

Those metal electric service boxes behind each mobile home belong to Duke Energy. **Please do not service or pay to service them yourself.**

Call Duke Energy or Carol Alvey (see her cell phone number at the front of the Review) if your electric needs service. Why? Well, in a couple of instances, residents have submitted bills for about \$4,500 for service. If the repair is the park's

responsibility, we have an electrician who will do the work for \$1,500. It just makes economic sense.

From the box to the mobile home is the resident's responsibility. Please make your own arrangements with an electrician if that area needs repair. The office can tell you if the repair is your responsibility.

**SEE SOMETHING
SAY SOMETHING
DO SOMETHING**

Homeless people are moving into the park. In one instance, an empty coach was left unlocked and homeless people had moved in. In several instances, people have been sleeping in the driveways/patios of empty homes. And others have been sleeping on the shuffleboard courts, sometimes using cushions

from outside the clubhouse for mattresses.

Please watch out for your neighbor and neighborhood. If you see someone entering a home you know to be empty, or someone sitting or sleeping in that home's driveway/patio, or any other inappropriate behavior of this type, please call the Largo police. It is ok in this case to use 911 because you don't know what the danger is.

Cars left parked on the street after midnight **will be towed**. This is expensive and inconvenient. This is another opportunity to be a good neighbor: by reminding someone whose car is in the street after 10 pm. \

Cars parked on the street during the day should be staggered so emergency vehicles can pass by. Do not park on the grass or sidewalk.

You must register at the office if you have something parked in the field north of the clubhouse, or see Brent (maintenance).

* Please, put ALL garbage in the dumpsters, even big and heavy items like furniture.

* **DO NOT** dump behind, beside or anywhere near the trash bins. Put the garbage in the bins.

* Put household trash in the smaller trash bins.

* Do not bring garbage to the bins on Monday morning. By that time, the bins are overflowing. Wait until Monday afternoon or later, when the bins are empty.

* Pick up for furniture, tree brush/limbs and other debris will be on Monday, Wednesday, and Friday only. Put out trash after 5:00 p.m, the day before.

***DO NOT DISPOSE OF TVS OR ELECTRONICS IN THE PARK. DO NOT PUT THEM IN OR BESIDE THE DUMPSTER.** We get fined. Call pinellascounty.org/recycle to dispose of them.

*If you need help disposing of something, someone in the park may help you for a fee

Larger families and visitors: Reminder: that rent is based on one or two per household.

continued on page 10

Each person above the two must pay an additional \$30 a month, including visitors who stay over 30 days. Please be proactive about this and pay the money without first being reminded.

The following information remains in force:

Fires: Test your smoke detectors to make sure they work. Recommended action: purchase a fire extinguisher if you don't have one and know how to work it. If a fire starts, spray it with the fire extinguisher immediately and **GET OUT OF THE HOUSE**. Fire destroys mobile homes very quickly..

Management requests that you turn off your water heater when the water is off, to prevent the element from burning out. Eds. Note: According to diy.stackexchange.com/questions/3766, this needs to be done because the element will burn out if the water heater becomes empty. Tankless heaters don't need this.

Other announcements:

The stoves in the kitchen both work.

The purified water dispenser at the clubhouse operates on its own schedule. After someone has filled containers, it may take the dispenser some time to regenerate enough water for more containers. There is a light on the dispenser that tells whether it is ready.

Some have questioned why the application fee is "so high." One reason is to help cover garbage fees, since new owners usually throw away most of the furniture and electronics.

Mr. Larson (the owner) calls the lawn service for lawn care on an as-needed basis. The park pays for lawn mowing, etc., once a month but the need sometimes goes unnoticed. If you notice the lawn needs trimming, please let the office know so they can call Mr. Larson.

Sometimes an automobile will leak oil onto our new, nice looking pavement, creating an eyesore. If you notice a leak by your house, call the office to have it cleaned up. Let's keep these streets looking nice!

Lost and Found Dog/Cat: If you have found a dog or cat, you can post on a site called pawboost.com or call Animal Service on Walsingham. If you call, Animal Services will come out, free of charge, to pick up an animal.

White After Labor Day?

By Carol Raabe (And the lovely women who responded to the question on Neighbors. They are names below.)

Growing up on the prairie meant that some of the “rules” of polite society made no sense. One of those was the “don’t wear white after Labor Day” rule. The rule seemed so crazy. What was so different after Labor Day?

If you grew up in the Northeast, though, you know what was so different about Labor Day, at least in the olden days. Gin Lupton informs us that “Not wearing white is from the Victorian age when the wealthy came back from their summer residence. I think we are safely away from that age. We live where we have year round summer,” and Marian Amin Upton thinks, “the rules are a little outdated.”

It turns out that wearing white only when they were at their summer residences helped people keep their white clean. Even now, I worry when I wear white pants. Barbara Farner Lehman says, “I hardly ever wear white as I’m a dirt magnet, LOL” and Dee Murphy concurs. Apparently that was the problem in the old days: the air was so full of smoke, ashes, coal dust and the like, it was impossible to stay clean in the city. Labor Day comes into it because that was the official end of summer vacation.

Now that we live in Florida, it’s always summer, so why not wear white, at least here? Linda MacNeill and Carol Olson agree: when in Florida, wear white. But most of us take it farther than that. Sharon Van Horn and Nancy Peterson wear white all year. Marian Amin Upton, Carla Moore, Kathy Tromboni, (and, I suspect most of us), wear what we want.

NUMBERS IN THE NEWS

Fewer of us rely on cable for content these days

Americans are cutting the cord more than ever, according to the Pew Research Center. The share of Americans who watch television via cable or satellite has dropped from 76% in 2015 to 56% in 2021. About 71% say it's because they can get the programs and content they want online, and 69% say the cost of cable and satellite services is too high; 45% just don't watch TV often.

Sixty-one percent of people without cable or satellite say they've had it in the past, while 39% have never been subscribers. Only 34% of Americans 18–29 currently get content on TV through cable or satellite, down 31% from 2015. Just 46% of people 30–49 watch TV that way, down 2%.

The decline is less pronounced among older Americans. People 50–64 had a 14 point drop from 2015, and those 65 and older saw only a five-point decline.

We are mere operatives, empirics, and egotists, until we learn to think in letters instead of figures.
