From the Editor:

Cheers to everyone who is making it through this hot, awful summer! If it wasn't for the rains, I would have collapsed weeks ago and never gotten up!!! And have no doubt—Murphy's Law does exist! During the hottest part of the summer, when the temperature was in the 90's and humidity out the window, on a FRIDAY night, my AC decided to go out. The suffering I endured is too traumatic (for me) to even talk about right now. I now have two window units to get me by till a new air conditioner can be bought. I have the maintenance guys, Matt and Jerry, to thank for this. And, of course, Debbie. My bedroom and office are cool now and those are the two places I am in the most and it feels good not living in fear that my original unit will go out again after a temporary fix. It is totally and irretrievably KAPUT. I look forward to getting one of the new ones that are supposed to blow really cold. Hopefully it will also help with my exorbitant electric bill. Laura Cholewa always stresses the importance of people helping others and she is so right. Matt and Jerry always go above and beyond for me and I am forever in their debt. KUDOS, guys!!! I would also like to thank Laura's son, Michael. I can always knock on their door—day or night--and ask for a favor (help with groceries, putting my new license plate on, etc...) and he responds with alacrity. Kudos (again) to Laura and Michael!

Speaking of those two, looks like they are going to host the Labor Day picnic for us on September 6th. Tickets can be bought at Lot 188 from Tammy and Rick Heffron. Looks like Tammy is going to do the cooking even though she won't be attending, so this ought to be pretty good! So go get \$7 in cash and get your ticket ASAP so they know how many will be attending. Hopefully the weather will break (I LOVE fall and winter here) and we can enjoy some good grub with our fellow neighbors in a much cooler environment (hey, one can always hope!). Also, please take the time to read the article about Mrs. Patty Gregg who is featured in my Who's Who column. Learn a little more about the park matriarch! Happy reading, and again, any rants, raves or submissions can be emailed to me at ichwillmetal999@gmail.com!

PS—I have not received one single submission for a book/movie review or a poem you'd like to share (preferably written by you), but do not fret, dear reader! I am an avid writer and movie watcher and will continue including my own material until I get something from someone else. I have a plethora of poems to share and films to rave about! Any piece received by YOU will have priority and be in the next issue of the media. Remember, submissions can be anonymous! I have not had time to include a book review yet, but I am hoping to next issue. Until then, GUTE LESEN!!!

FROM THE MANAGER:

We have contacted Haz-To-Go for another event. Due to COVID we did not get one last year. They told me recently they are starting up again in the spring of 2022.

I have requested time in March, and you will be notified as to the exact date.

So, prepare your electronics, dried paint, tires and all the stuff you are not allowed to put into the dumpster.

Parking at the Clubhouse is only permitted for guests and events. Not your permanent parking spot unless a short term time permit was issued by the office. All other vehicles can and may be towed at your expense.

Over the last couple weeks, we have seen lots of items left in the laundry building. This must stop! If you do not want it, trash it, or take it to Goodwill. No more thrift items on the tables in the Clubhouse or laundry, PLEASE!

Also, be sure you are not putting out your trash days before the scheduled day. If you are going out of town, maybe have someone take it to the road for you. Breakdown your boxes. Our maintenance staff no longer picks up trash. So you may want to call them during the week for access to the compound. (727) 638-4844. Thank you to those who abide by this rule.

On a final note: Most of you are all aware that I will be retiring this year. Effective September 29th, I will be leaving. We have not always seen eye to eye but that is part of life. It has been a real adventure over the past six years. Good times and bad times. I will always think of you folks down the road. I hope you will greet your new manager with kindness and patience and work together to resolve unresolved issues. It is not an easy job some days and takes time away from our other duties with all the changes that can happen in a split second. Stop by the office and say goodbye if you wish.

Thank you all for your understanding and cooperation during this time. Please stay safe and well!

Debra Puckett, the Manager

From the Editor:

So folks, after the 29th, we will no longer be burning Debra Puckett in effigy! A new one will replace her—HA HA HA! Only joking! Debbie and Sharon have rocked it these past few years and they will be missed. They always responded to our issues and worked out the best resolution for all parties. Debbie definitely saved me with the AC, and when I got out of the hospital, Sharon came by to help me make my bed. She also fed my cats while I was away. I will always remember these kindnesses and think fondly of those two. May the road ahead be an easier and happier place for everyone. Godspeed, Debbie and Sharon!

HOA DUES FOR 2021 H.O.A. NEWS

Homeowners Association (HOA) action request for new residents:

Florida Statute 723 requires that the HOA keep an account for **every resident in the park**. This is Florida Law and, Eldorado Village Management Office gives us your name, once a year, as they are required to do.

However, when you move in you are given a FORM to either give consent or not to having your information included in the Eldorado Village Directory, Monthly Media and/or Facebook page.

The ACTION requested: **New** residents are NOT completing the FORM and returning it to the HOA or Eldorado office. If you still have that FORM among your papers, please complete, even if you do not give your consent to anything and return it to Dorisanne Gibson, HOA president, at Lot 187.

Thank you for your cooperation.

NEW Rules and Regulations (Village Rules - Effective 12.01.2020)

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

SUBJECT: #5 – SALE AND/OR REMOVAL OF HOME (exerts from complete document)

Rule # 5.2 States that before a new owner for your home is approved for residency, management will inspect the home to be sure it complies with all rules and regulations and meet local code requirements. Assurances must be given that the required repairs/upgrades will be done or proof of completed repairs.

Rule # 5.4 Further states that failure to maintain the home according to established standards shall be a violation of these Rules and Regulations.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations:

6. SETUP: NEW or REALES

6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.

THEY CARE ABOUT US.....FMO!!! Let's support them!

(From the FMO website)

The Federation of Manufactured Home Owners of Florida, Inc., (FMO) is a statewide, consumer advocacy association dedicated to protecting the rights and interests and enriching the lifestyles of manufactured home owners. (www.fmo.org)

Formed in 1962, the FMO has a current membership of approximately 15,000 manufactured home owners. FMO operates with more than 1,000 volunteer officers from around the state who serve members by answering questions, assisting with problems, organizing district meetings and workshops, and linking them to the Board of Directors and the administrative staff at the Largo business office.

In 1962, the St. Petersburg City Council planned to enact an ordinance mandating that mobile home owners install tie-downs, a very expensive proposition then. Peggy Johnstone, upset by the impending mandate, contacted fellow mobile home owners and, on March 26th, 77 communities came together to defeat the ordinance. The FMO was founded that day with a clear vision in place:

Protect the interests of manufactured/mobile home owners in Florida.

1700 communities to choose from. A common lament we hear at resident meetings is "I wish I knew that before I made my decision to buy!" The relationship between owner and resident in these parks is unique. There is an entire chapter of Florida law devoted to this relationship and your rights. In the New Home Buyers section we offer some advice and the opportunity to download the complete New Buyers Guide. This is applicable to both the buyers of new and previously owned homes in these communities.

If you have already purchased a manufactured home in Florida you're ready to apply for membership. The application and a list of benefits are in the menu for this section. If you have an interest in manufactured housing but are not an owner of a manufactured home in Florida you can still join as an associate member - give the office a call!

Florida Resident Owned Communities, Inc. (FLAROC) was organized to support and assist resident owned manufactured home communities throughout Florida. Thousands of people choose the lifestyle and amenities afforded by these communities.

The Florida Manufactured Housing Association, Inc. (FMHA) is an organization dedicated to the promotion of the best-built home in America... modern, precision-built manufactured housing. They represent manufacturers, park owners, and associated industries.

Our Lobbyist, Nancy Black Stewart, monitors and reports on the issues presented in Tallahassee. She also meets regularly with Legislators and staff to promote FMO's viewpoints and member's interests. We monitor national legislation through our partners – Primarily, Prosperity Now's I'm Home Network and the National Manufactured Home Owners Association (NMHOA)

Neighborhood Watch Information

On Monday, July 12, 2021, the Neighborhood Watch Team met with **Officer Vu Tran** from the Largo Police Department, our partner with the Neighborhood Watch Team.

Hurricane suggestions: In light of the recent hurricane warning, Officer Tran had some hurricane crime prevention tips for us that we may not have thought of and wanted to pass them along to us.

1. Put your awnings down if possible, but if you do not put them down or do not have any, or have side windows where there are no awnings, you might get window locks or stops to prevent the windows from being opened.
2. Deadbolt locks should go into the door frame 1”, but the screws that hold the plate on the frame need to be 3” and most of them are not. The longer screws could be bought at the same time you purchase the deadbolt lock. (This would make it much harder for anyone to “punch” your deadbolt equipment to break the door open.)
3. Consider purchasing solar lights for use when the electricity is off **INSIDE** your home and on your porch or carport. Hopefully, this would discourage vagrancy when the power out and you may not be home.
4. Having cash on hand, especially during hurricane season, is always suggested. Small bills are best but, separate the cash. Don’t keep it all in the same pocket, purse, and wallet, put it in several places.

Fraud: Additionally, Officer Tran spoke about the tremendous increase in fraud, especially using Facebook. He had many good tips for Facebook users including keeping your settings on private rather than public and considering **NOT** using your real name.

Don’t forget, if you see something suspicious you can directly call the Largo police at their **non-emergency number 727-587-6730** and report it to your Watch Team leader. Absolutely call if you see a crime being committed. The Neighborhood Watch team members are listed in the front of the Media.

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are **NEW** darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

Thank
You

RCS programs and services include:

RCS Food Bank served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

WHO IS MRS. PATTY GREGG?

We've all seen her — the cute, wee little woman with the curly hair presiding over meetings, potlucks and dinners. Or taking an afternoon stroll around the park with her husband greeting those out walking, bicycling or working on their yards — but who is she??? She is Mrs. Patty Gregg and she originally hails from Glasgow, Scotland. Even though she has not lived in that verdant, bonnie land, with its beautiful gloaming and home of the infamous Nessie —Scotland's "water horse" that still lurks in that frigid deep today — in 56 years, one can still hear the burr of her native country when she speaks.

Miss Patty first moved to Ontario, Canada when she left Scotland. There she resided for 20 years and still misses the job she had there (for all 20 years!) and the many good friends she made. She then moved to Buffalo, New York, where she met her husband, Vince. They have been together for over 30 years and just recently had an anniversary. They both moved down here to Eldorado in 1985 and things were quite different then. Only two streets were allowed to have dogs and there was not a collaboration with the Largo police for a neighborhood watch program—which Miss Patty really enjoys (as should we all).

Though Miss Patty is not happy with the current legislative climate of the world and the politicians in charge, she still finds comfort in the little things — taking walks in the warm, summer air, drinking tea on her patio, and spending time with other residents over coffee and donuts. She is currently the Vice President of the Social Club and Secretary of the Homeowner's Group and has held these positions for quite some time. If you are new here, and have never met her, please introduce yourself at our next function and bide a wee to get to know this braw, energetic woman who makes the park a better place for all of us to live. Hail to Miss Patty!!!

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts. Shout out to PAM!!!

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

PHONE DIRECTORY

Randell Burton

Please write to me any corrections or additions to the Eldorado Village Phone Directory. Submit to ichwillmetal999@gmail.com. Also, please contact me if you need a 2021 directory — I have more than you can shake a stick at!

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00 (GO, TAMMY!). Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers, have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

READ A BOOK TO START THE NEW YEAR!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for playing cards.
5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established.

Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy! And if you really get a kick out of something you’ve read, write a review and we will put it in the next media! Just email it to ichwillmetal999@gmail.com.

Thank you!

Linda Stayer

Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events.” Hopefully, you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!
There is nothing they can do to help you.

CLUBHOUSE CAMARADERIE

Editor's Note:

TLet us not forget the Labor Day picnic! Get your tickets soon at chez Tammy and Rick's! Please also let me know if anyone is interested in hosting that international potluck I mentioned last month. That would be AWESOME!!!

Weekly:

1. Tuesday night is BINGO! Come on out and enjoy an evening with your friends and neighbors!
2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse. Don't forget the popcorn, candy and soda! And write a review for the media about the film!

POETRY CORNER

Just to let you know, I wrote a book back in 2013 called Merlin's Nap. It is a story about a piece of fluffy fur that comes off of a Persian cat during a grooming and floats away. It describes the path "the nap" travels and ends up. It is very cute, if I may say so myself, and can be purchased at Amazon. No, no! Not trying to sell it—just giving out pertinent information and some background for this month's poem! It is featured at the very end of my book and is, of course, written by me. Enjoy!

The Flight of the Nap

Where, fuzzy nap, dost thou travel?
Have thee mysteries thou wilt unravel?
The world is thine oyster when the wind is strong
Ride the current and become part of its song
See new places and many great things
As long as the wind will still give thee wings.
If at long last thou ceases to fly,
Find a furry place and lay down with a sigh.

SEE YA AT THE DRIVE-IN!!!

OK, folks, I am going to write about another movie I saw that had a HUGE impact on me as a child and even now as an adult (or a semi-adult—ha ha!). The movie I want to write about this issue is JAWS. JAWS came out when I was only eight years old and my mother refused to let me see it till I was 13. I read the book, though, and really enjoyed it. I was reading books like *The Exorcist* and *The Shining* when I was VERY young. I started reading for pleasure when I was 6. Well, my older sister got to see JAWS and I remember that while we were all swimming in Lake Erie, my sister was sitting on the cliff watching us. Since she was as much an avid swimmer as I was, I asked my father why she was not swimming and his reply was, “She just saw JAWS.” True story!!! I finally got to see the movie when I was 12 or 13, and I LOVED it. I still flinch when that head pops out of the boat! And I NEVER swim in the ocean—never! Up to just a little above the knees only! But, unlike my sister, I had no qualms about swimming in a pond or lake — sharks only live in oceans and seas and those are the ones I am wary of. I still see the movie every few years and it just gets even better. I read JAWS 2, and it was one of the most entertaining books I had ever read! I could not wait to go on break at work to read it!!! But if you like to go to the beach here in Clearwater, watch out! I took a Dolphin Watch boat cruise a few years ago, and the captain of the boat said that they see sharks every day and they swim right up near the beach—just a few feet from water-gamboling humans! Jaws is a must-see for EVERYONE and there are books about its creation that are really good, too. Steven Spielberg was a very young director then and had to make some critical choices. All actors back then still had thorough confidence in him because of the way he carried himself and made decisions. The fake shark’s name was Bruce and turned out to be a real pain in the tush. I just recently read a magazine totally dedicated to JAWS and interviews with the actors. Believe it or not, Roy Scheider (who played Sheriff Brody) totally ad-libbed one of the most famous lines in cinema! When he is putting chum in the water and no one (not even the people in the movie theater) has seen the shark yet and then, all of a sudden, its head pops out right next to Brody’s hand and everyone screams! A dazed Brody then walks up to Quint, the captain of the vessel they’re on, and says, “You’re gonna need a bigger boat.” OMG, TRUE ART!!!

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident’s birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through it periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

September Birthdays (Bon Anniversaire!):

- 2nd Laura Hibner
- 6th Kellie Hall
- 7th Karen Morphis
- 10th Pam Lankster
- 11th Sherry Carnation
- 16th Pat Purdue
- 21st Bob Chanin
- 22nd Steve Mahon

September Anniversaries (Joyeux Anniversaire de Mariage!):

- 24th Cindy and Bill Winczner
- 30th Dick and Donna Panowicz

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. T h e

Reduce Reuse Recycle

new recycle plan in Largo is great in that we do not have

to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

Thank you for your cooperation

Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules – they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! Plastic ones are fine and you can get a good one at Walmart or Amazon.
