Cesar Chacon, Agency Owner
and Licensed Agent

Open enrollment starts October 15 and ends December 7. You have limited time to review your current plan to make sure it's right for you.

There are 3 important things for you to know...

1. Are you currently paying too much for your prescriptions?
2. Are you able to see the doctors that YOU want to see?
3. Can you reduce your out-of-pocket expenses?

As a local independent insurance agency owner and licensed agent, my team conducts extensive research, takes the time to understand your unique situation, and helps you select the best plan from multiple carriers.

Many of our clients get more comprehensive coverage while saving money.

Contact us to receive a personalized review. In only a few minutes you'll learn if there's a better plan available.

"Cesar and his team ask questions and line you up with the right program." -Elaine, Sarasota

"He is the real deal; he saved my friend Lea \$500 a month." -Margie, Sarasota

"Cesar told me that my plan is good for me, no reason to change." -Diane, Bradenton

From the Editor:

From the Editor

Well, folks, fall is here! The first day of Autumn is technically September 22nd, but as soon as the 1st rolls around, I change my tablecloth and shower curtain to a theme more in keeping with the season. Lots of orange and pumpkins! Speaking of pumpkins, if you are interested, please sign up for Oktoberfest by sending me an email and letting me know what dish you would like to bring. We will also be having a pumpkin carving contest for a prize that I will bestow.

I finally got my AC fixed and it works like a dream! It is nice actually being COLD. I would like to say thank you to Linda Stayer and Dorisanne Gibson for caring about the media enough to go over much needed corrections with me to make it a more updated and better mag. I also want to say another HAPPY BIRTHDAY to Michael Cholewa. He had a September birthday and is now 23. Laura threw a great party for him and had some awesome chocolate cupcakes for all of us to enjoy. Hopefully the weather will start getting cooler and the holidays will be here soon! Nothing like a nice, cool Thanksgiving and Christmas! I don't have children, but I absolutely LOVE the holidays and even put a sock up for my cats before Christmas.

So, this month I did a book review instead of a poem, but don't worry, I still have plenty more poems to share—ha ha! And MAYBE I will get one from one of YOU. My Who's Who article this month is about our head maintenance guy, Matt Courchesne. Please read the article if you want to know a little more about one of the people who takes good care of our park. I don't have too much to blab about now so will leave you in what I hope are peace and serenity.

PS—Kristen Pruettt is our new manager now and I hope to feature her in my next Who's Who so we can give her a proper welcome and learn more about her. Until next month, have a wonderful October and don't be shy about sending me poems or book/movie reviews. Thank you for reading and enjoy!

FROM THE MANAGER:

We have contacted Haz-To-Go for another event. Due to COVID we did not get one last year. They told me recently they are starting up again in the spring of 2022. **MANAGER**

I have requested time in March, and you will be notified as to the exact date. So, prepare your electronics, dried paint, tires and all the stuff you are not allowed to put into the dumpster.

Parking at the Clubhouse is only permitted for guests and events. Not your permanent parking space unless a short time permit was issued by the office. All other vehicles can and may be towed at your expense.

Over the last couple weeks, we have seen lots of items left in the laundry building.

This must stop! If you do not want it, trash it, or take to goodwill. No more thrift items on the tables in the Clubhouse or laundry!

Please be sure you are not putting out your trash days before the scheduled day. If you are going out of town maybe have someone take it to the road for you. Breakdown your boxes. Our maintenance staff no longer picks up trash. You may want to call them during the week for access to the compound. (727) 638-4844.

Have a great fall and be safe!

Kristen Pruett, Manager

HOA DUES:

Linda Stayer/Dorisanne Gibson

Homeowners Association Dues are \$10 per household each year. Starting in October 2021, we will be collecting dues for the year 2022. You can pay your dues at any social club meeting—or to Dorisanne Gibson at lot 187 or to Sharon Laney at lot 47. A membership card will be issued to you. Dues paying members are the only ones entitled to vote at HOA meetings.

HOA MEETINGS:

A Homeowner’s Association General Membership meeting will be held on Thursday, November 18th, 2021. The meeting to take nominations from the floor for the position of Director will be held on Thursday, January 20th, 2022. This is the only time that nominations from the floor are taken. The Annual Meeting with Elections will be February 17th, 2022. You must have your dues paid to be eligible to be nominated or vote.

H.O.A. NEWS

Homeowners Association (HOA) action request for new residents:

Florida Statute 723 requires that the HOA keep an account for **every resident in the park.** This is Florida Law and, Eldorado Village Management Office gives us your name, once a year, as they are required to do.

However, when you move in you are given a FORM to either give consent or not to having your information included in the Eldorado Village Directory, Monthly Media and/or Facebook page.

The ACTION requested: **New** residents are NOT completing the FORM and returning it to the HOA or Eldorado office. If you still have that FORM among your papers, please complete, even if you do not give your consent to anything and return it to Dorisanne Gibson, HOA president, at Lot 187.

Thank you for your cooperation.

NEW Rules and Regulations:

Subject #5—SALE AND/OR REMOVAL OF HOME

Rule # 5.2 States that before a new owner for your home is approved for residency, management will inspect the home to be sure it complies with all rules and regulations and meet local code requirements. Assurances must be given that the required repairs/upgrades will be done or proof of completed repairs.

Rule # 5.4 Further states that failure to maintain the home according to established standards shall be a violation of these Rules and Regulations.

Management has indicated that going forward this rule will be enforced.

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations:

6. SETUP: NEW or RESALES

6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

(03.13.21 LES)

EXTERIOR MODIFICATIONS: *****

If you plan to make any exterior modifications to your home, you must get a modification form from management and have your project approved. This applies only to new modifications that will likely also require a permit from Largo. If you are changing/repairing current standing structure, no form is required.

Neighborhood Watch Information

On Monday, July 12, 2021, the Neighborhood Watch Team met with **Officer Vu Tran** from the Largo Police Department, our partner with the Neighborhood Watch Team.

Hurricane suggestions: In light of the recent hurricane warning, Officer Tran had some hurricane crime prevention tips for us that we may not have thought of and wanted to pass them along to us.

1. Put your awnings down if possible, but if you do not put them down or do not have any, or have side windows where there are no awnings, you might get window locks or stops

to prevent the windows from being opened.

2. Deadbolt locks should go into the door frame 1”, but the screws that hold the plate on the frame need to be 3” and most of them are not. The longer screws could be bought at the same time you purchase the deadbolt lock. (This would make it much harder for anyone to “punch” your deadbolt equipment to break the door open.)
3. Consider purchasing solar lights for use when the electricity is off INSIDE your home and on your porch or carport. Hopefully, this would discourage vagrancy when the power out and you may not be home.
4. Having cash on hand, especially during hurricane season, is always suggested. Small bills are best but, separate the cash. Don’t keep it all in the same pocket, purse, and wallet, put it in several places.

Fraud: Additionally, Officer Tran spoke about the tremendous increase in fraud, especially using Facebook. He had many good tips for Facebook users including keeping your settings on private rather than public and considering NOT using your real name.

Don’t forget, if you see something suspicious you can directly call the Largo police at their **non-emergency number 727-587-6730** and report it to your Watch Team leader. Absolutely call if you see a crime being committed. The Neighborhood Watch team members are listed in the front of the Media.

WHO IS MATT COURCHESNE?

Maintenance staff can sometimes be called the “invisible people” because we hardly ever see them. We see the garbage has been newly changed, the leaks have stopped leaking and everything seems to be running smoothly—but why??? It is because when you have a good maintenance staff, these things get done without anyone really noticing. Well, in case you have not seen him, our maintenance head honcho is Matt Courchesne. He has been here for a few years and really knows his stuff. He is originally from Manchester, New Hampshire and came to Florida to be closer to his parents and to “get out of the snow.” Lucky for us!

Matt found out about the job here from a friend who worked at Holiday Ranch where his parents used to live. He started construction in his early 20’s and learned from watching the “old timers” how to fix things and put them together. He met his wife at a bonfire party and now has four children with her. He even bought a new home last year not only big enough for his family but for his parents as well! He loves to go trout fishing but really has not had much of a chance to fish at all since he has been in Florida, but that can always change. We all know that fishing down here is epic which Matt will soon learn on his next vacation.

So next time you are walking through the park and see a few people repairing something or cleaning something up, it is probably Matt and his co-workers Craig and Jerry. Matt was gone for a time being beckoned by other horizons and his absence was sorely noted. It was with much relief that I found out he has returned and his help since then has been invaluable. He has caulked my kitchen, replaced fallen knobs for the cupboards, fixed my sprinklers, put together my new kitty tree, and got me window units for AC while I was waiting for a new one to be installed. These are just a FEW of the things he has done for me and I know he does things for other members of the park, too. He, Jerry and Craig make a great team and keep our park looking good thus giving us pride and joy in our community. KUDOS, guys!!!

CALLING ALL SHUFFLERS!

2021-2022 Shuffle Season

Attention Eldorado Shufflers:

As of today, we have NOT heard if The Friendly League will be going ahead this season or not. All current team members and/or anyone interested in joining the team, please contact Kim Spinner @ 518-651-6926 or Steve Ennis @ 518-859-6635 to give/update your information so they can keep you apprised of the situation. Thank you!

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

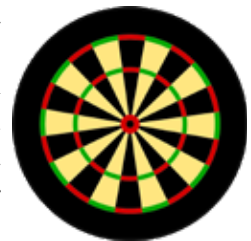

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

PHONE DIRECTORY

Randell Burton

Please write to me any corrections or additions to the Eldorado Village Phone Directory. Submit to ichwillmetal999@gmail.com. Also, please contact me if you need a 2021 directory—I have more than you can shake a stick at!

READ A BOOK TO START THE NEW YEAR!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly **USED!**

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

There is a Welcome sign on the library bulletin board along with instructional information on library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for

continued on page 22

playing cards.

- 5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy! And if you really get a kick out of something you’ve read, write a review and we will put it in the next media! Just email it to ichwillmetal999@gmail.com.

Thank you!

Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events.” Hopefully, you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 8:00am. Evenings and weekends (including holidays), Laura Cholewa and her son Michael have been closing up the clubhouse and the pool. Before this, Tammy and Rick Heffron did the locking up. We should be grateful to all of them for VOLUNTEERING to do this chore thus giving us more access to these amenities. If you need the clubhouse or the pool hours extended for any reason, please confer with the park manager to get permission to have this done. Kudos to Laura, Michael, Tammy and Rick for being a great part of our community and making life a little easier for all of us.

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet’s poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!

There is nothing they can do to help you.

CLUBHOUSE CAMARADERIE:

Don't forget to sign up for our Oktoberfest potluck! If we get enough people, I can try to reserve the clubhouse for October 30th. Email me or sign up on Facebook! Let your neighbors know and spread the word—thank you!!! Email me at ichwillmetal999@gmail.com

From the Social Club Co-Social Director:

So here we are...still trying to make choices for our community that are fun, and where most will feel confident that attending will allow a great social time together without anyone getting sick. Having said that, the social club will be foregoing a sit down Thanksgiving dinner but will offer an evening of pie and coffee for those who find themselves in need of holiday companionship (the ability to sit further away from one another and/or choosing the outdoor setting will be extremely helpful.) The Honda motorcycle Christmas parade is still on and scheduled for December 3rd, approximately 8 PM. The New Year's Eve dance is still on! Details will be in next month's media. Valentine's Day dance, with Soul Fish as our entertainment, is scheduled for February 12th. St. Patrick's Day dance is also scheduled with

BOOK REVIEW:

As promised, I did not include a poem this month but a book review instead! Gute Lesen!!!

Book of the month: Fried Green Tomatoes at the Whistle Stop Café

By: Fannie Flagg

Though this book came out in 1987, it was way ahead of its time. It touches upon almost everything—racism, murder, spousal abuse, lesbianism, euthanasia, loss of a limb and even cannibalism—yes, cannibalism! If that does not entice you to read it, nothing else will! The book takes place in a small town of Alabama and bounces back and forth between the present and the past—all the way back to the 1920s and up. It centers around a woman who meets an older lady in a rest home and the stories this woman tells about her hometown as the two grow inexorably closer. Through these stories, the younger woman, Evelyn Couch, finds her own salvation in weight loss and self-esteem.

Idgie (Imogene) Threadgoode is the main character from the past who becomes a recluse after the death of a beloved brother. Her friend, Ruth, has married a man who beats her frequently. The story relates how Ruth is finally freed from her husband and starts to work at the Whistle Stop Café with Idgie. Homeless people know they can always come to this place for a meal, and when the whites won't let black people come in and eat, the girls serve them from the back and cut down the prices. Ruth's estranged husband comes looking for her and

continued on page 32

mysteriously disappears, and love blossoms between Idgie and Ruth. If you saw the movie, they took this element out which is a travesty because it was one of the strongest themes of the book. See the movie FIRST if you are going to read the book! That way you won't be overly disappointed!

The story also describes the lives of others and what fates have befallen each. These are cooks at the café and the various children who are born to the primaries in the story. It has funny moments as well as sad, and at the end are delicious recipes straight from the Whistle Stop Café! One of the best being fried green tomatoes, of course! The closing of the railroad yard takes the café and the town off the map and the fate of Idgie is finally revealed at the end of the book. Evelyn Couch is selling Mary Kay and has a new lease on life and fried green tomatoes are still a strong staple in the southern diet. This novel has been taught in schools and was on the New York Times Best Seller List for 36 months. If you have an open mind and want to learn more about times in the south back before and during the Great Depression, then this book is definitely for you.

SEE YA AT THE DRIVE-IN!!!

Well, folks, I did not get a submission written by a resident but I did get a suggestion of a movie to watch and did so. That movie is called Ten Little Indians and it is based on the Agatha Christie novel from 1939. It takes place in a house on a remote mountaintop surrounded by steep cliffs and lots of snow. Eight people are given an invitation to the home and then there are two married domestics. Upon the wall in each room is a rhyme about ten little Indians and what happens to each. On a plate, there are ten Indians in various poses and as each guest is found dead, one strangely disappears.

As you can well imagine, one by one they go but the ones left never stop trying to solve the mystery. Is it one of them or an intruder in the house? Each seems to die according to what happens to each Indian in the poem and the plate with the Indians on it is showing less and less of these figures as time goes by. I don't want to give anything away, but I would definitely recommend this film to a mystery buff. The film has been done quite a few times, but the version I saw and was recommended to me was the one from 1965. I enjoyed it thoroughly as well as the many actors who were in it. It is what you call a good popcorn movie, and until we start having weekly films here again, it is a good one to watch on your own or with family. Agatha Christie has made some of the best mysteries in the world and any film based on her work is sure to be a doozy! So, until next month, see ya at the drive-in!!!

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through it periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

October Birthdays (Bon Anniversaire!):

- 3rd—Don Luginbuhl
- 4th—Larry Lankster and Karen Callahan
- 9th—Richard Tracey
- 11th—Kevin Short
- 12th—Bill Gibson, Dan Leverette and Kathryn Kraus
- 23rd—Donna Harley
- 24th—Bob Stojanovic
- 26th—Dave Carnation

October Anniversaries (Joyeux Anniversaire de Mariage!):

RECYCLE

RECYCLE

RECYCLE

Reduce Reuse Recycle

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

Thank you for your cooperation
Management and Staff

People are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules--they are for everyone. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is ONLY for tight lidded garbage cans!!! Plastic ones are fine and you can get a good one at Walmart or Amazon.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on through. Keep this in mind when driving through the park, you could be the guilty one. Please think of your neighbors before someone gets hurt.

SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has been brought to our attention that if you have someone soliciting at your door, and the office has not approved him or her, and you call the office to bring it to their attention, the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

JOKE OF THE MONTH:

One day, the Lone Ranger and Tonto are riding in the desert. They get off their mounts to make camp and relieve themselves when, all of a sudden, the Lone Ranger cries out. He had been bitten on the butt by a rattlesnake! Knowing there was not much time, he tells Tonto to ride to the nearest town and find the remedy. Tonto takes off at a lightening pace and soon comes to a small village. He finds the local doctor and asks him how to treat a rattlesnake bite. The doctor says, "Use a cauterized blade and cut the wound, then suck out the blood with your mouth and spit it out." Armed with this information, Tonto swiftly rides back to the Lone Ranger. "Well?" the Lone Ranger said. Tonto's reply, "You're gonna die."

HA HA HA!!! Get it??? That is a good one! If you have some good ones, please email them to ichwillmetal999@gmail.com. They have to be funny!
