## FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

## WHAT'S NEW AT SOUTHERNAIRE

### WELCOME

**W**elcome to our new neighbor Jay in 351!  
Fall is a wonderful time to enjoy nature.

Bundle up and breathe the fresh air, admire the beautiful colors on display, and hear the crunch of fallen leaves as you walk.

Open a window to smell the fresh air and take in the scenery  
Relax in the backyard or on the porch  
Walk to the mailbox and back  
Stroll a block or two in the neighborhood  
Walk through a local park

### STRAY CATS

If you have a cat in the park, they need to be kept inside as per the park rules.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. ## OCTOBER CALENDAR

---

**Adopt a Dog Month.** Since 1981, American Humane has celebrated “Adopt a Dog Month” each October in an effort to help the estimated 3-4 million animals waiting in shelters every year get the loving, forever homes they deserve. Be a hero this month and adopt a dog from your local shelter or rescue group.

**Corn Month.** Corn started as a small, semi-tropical grass, but cultivation by humans for more than 9,000 years has transformed it into one of the most prevalent grain crops in the world. Today corn provides about 21% of human nutrition across the globe.

**LGBT History Month.** LGBT History Month celebrates the achievements of 31 lesbian, gay, bisexual, or transgender Icons. Each day in October, a new LGBT Icon is featured on the LGBT History Month website with a video, bio, bibliography, downloadable images, and other resources.

**National Ergonomics Month.** National Ergonomics Month is an opportunity for ergonomists, human factors and user experience professionals to promote science, practice, and value to corporate executives, students, and the general public by providing information and services to their communities.

## WEEKLY

## NUMBERS IN THE NEWS

---

### Fewer of us rely on cable for content these days

**A**mericans are cutting the cord more than ever, according to the Pew Research Center. The share of Americans who watch television via cable or satellite has dropped from 76% in 2015 to 56% in 2021. About 71% say it's because they can get the programs and content they want online, and 69% say the cost of cable and satellite services is too high; 45% just don't watch TV often.

Sixty-one percent of people without cable or satellite say they've had it in the past, while 39% have never been subscribers. Only 34% of Americans 18–29 currently get content on TV through cable or satellite, down 31% from 2015. Just 46% of people 30–49 watch TV that way, down 2%.

The decline is less pronounced among older Americans. People 50–64 had a 14 point drop from 2015, and those 65 and older saw only a five-point decline.
