MANAGER'S CORNER

MANAGER

HOME MAINTENANCE

In the month of October we will be focusing on painting and roof cleaning. Please make sure your home and roofs are clean and looking great! Letters will be sent to those who need to work on this aspect of their home. We really appreciate all that you do to keep Sugar Creek looking good.

KITCHEN

There have been a few complaints about sugar ants in the kitchen. The pest control has been out to address this issue and will be checking on it periodically. What you can do to help: make sure all of the countertops and island are sprayed and cleaned after the function. When dumping coffee into the sink, it needs to be cleaned out so the coffee is not sitting in the sink. Also take out the trash to the dumpster area.

RETURNING HOME

Many of our residents will be returning this month so we would like to take the opportunity to say, "Welcome Back." Please don't forget to notify the office upon your return. We are looking forward to your arrival.

COVID IN FLORIDA

As we all are aware: Covid has made a comeback in Florida and other States. We do not want to see it make a comeback into Sugar Creek. We care about our residents and Families, if you are attending social gatherings, we strongly advise you to wear a mask and stay a safe distance from others.

OFFICE

If you would like to be a part of Sugar Creek Office information concerning any issues that arise in the park, please send us your e-mail and we will update you on the steps that are being taken to resolve these issues.

HOME SALES

Thinking of selling your home? Contact Daniel or Vicki to walk you through the process or answer any questions you have. We are here to help: 727-586-2002.

Save a life. Starting with yours.

Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family.
