Are you sure you have the right Medicare Plan?

Open enrollment starts October 15 and ends December 7. You have limited time to review your current plan to make sure it's right for you.

There are 3 important things for you to know...

1. Are you currently paying too much for your prescriptions?
2. Are you able to see the doctors that YOU want to see?
3. Can you reduce your out-of-pocket expenses?

As a local independent insurance agency owner and licensed agent, my team conducts extensive research, takes the time to understand your unique situation, and helps you select the best plan from multiple carriers.

Many of our clients get more comprehensive coverage while saving money.

Contact us to receive a personalized review. In only a few minutes you'll learn if there's a better plan available.

"Cesar and his team ask questions and line you up with the right program." -Elaine, Sarasota

"He is the real deal; he saved my friend Lea \$500 a month." -Margie, Sarasota

"Cesar told me that my plan is good for me, no reason to change." -Diane, Bradenton

Making sure you have the right Medicare Solution is not our job... it's our mission.

HURRICANE SEASON TIPS AND HELP

WEEDS

Due to the excessive amounts of rain that we have received, weeds all over the park are growing rapidly. We are noticing many, many homes where the planters, rock beds, and pavers have large amounts of weeds growing in them and have sent numerous letters. Please take a little bit of time to weed your areas or contact your caretaker to check and make sure that they are under control to avoid receiving one of these letters.

Thank you,
Megan DiBello
Assistant Community Manager, CMCA

DRIVER COURTESY REMINDERS

WHOAA, NELLIE! **Speed Limit is 15 miles per hour.** Watch speed around corners, especially as you get close to the Park's exits/entrances. Like a horse that breaks into a run when he sees the barn up ahead, sometimes our cars speed up when nearing the Park exit roads. Hold on to those reins! And take care when passing areas of heavy traffic: the pools, the golf course, the clubhouses, the post boxes.

PLEASE TAKE CARE WHEN DRIVING AROUND PALM HILL
Neighbors chatting, pets on a stroll with their humans, people walking or bicycling, golf carts or cars parked in the street, and delivery vehicles are all on our sidewalks and streets. As the weather warms, more people will be bicycling, walking/running for exercise and just meandering around Palm Hill. Please also take care on corners and intersections and please stop at stop signs.

PLEASE AVOID THE STREET GRATES that cover the sewer lines, if possible. Avoidance will decrease sudden rattling noise for the neighboring residents and preserve the gates.

COMMUNICATIONS AT PALM HILL

SAVING WATER USAGE IN PALM HILL

Charles Silcox, Planning Committee, chassilcox@gmail.com

The Planning committee is kicking off the water saving program with a distribution of dye tablets attached with the August Link.

With the water and sewer bills cost \$12 per every 1000 gals of water. It is an excellent place to reduce out expenses where we can. Any place we can conserve water we can reduce our expenses. When a toilet or faucet etc. is changed, there are options where some devices use less water, please choose wisely.

The description of how to use the dye tablets are attached to the bag.

Palm Hill BOD has agreed to pay for a plumber to repair the toilets that are wasting water. The cost to repair one toilet is about \$150 and in 4 months we will save \$150 in water and sewer expenses for the one toilet. Since that toilet should not leak for the next 5 years, we will save an additional \$150 every 4 months for 5 years for a total of \$2100.

If your toilet shows to be leaking water, go by the office and fill out a consent form with your contact info so a plumber can be scheduled to make the repair.

When we get 10 or more toilets that are leaking, we will schedule the plumber for a day to make the repairs. The office will call the residents to confirm that they will be available on the day the plumber is scheduled to make the repairs.

When the plumber comes to make the repair, he will retest the toilet and if it needs repair, he will repair it. He is instructed not to spend time and money repairing toilets that are not leaking.

If for some reason you cannot test your toilet, we have some volunteers that can come by and perform the test for you. Just call the office and ask to put your name on the list to test your toilet.

ONLINE VOTING UPDATE

Charles Silcox, Communications Committee, chassilcox@gmail.com

The HOAst Online software has rolled out and we have done the first practice vote to let everyone experience what a board election looks like. If you had looked at it there was a PDF file that included the resumes of the past presidents.

The results of the election were:

1st place was Abe Lincoln with 142

2nd place was George Washington with 67

3rd place was Thomas Jefferson with 34

There were 248 total ballots cast to include 5 blank ballots

...continued on page 14

There now is an active survey going to help rate what our Palm Hill needs are pertaining to Health.

PLEASE LOG BACK IN AND EXPRESS YOUR HEALTH CARE NEEDS.

Everyone should have gotten an invitation with log in credentials. If you have not, the office might not have your proper email address. The best way to update your login info is call the office or email Megan palmhill@tampabay.rr.com

Once you have logged in, (<https://palmhill-cc.myhoast.com>) it is good to bookmark the site, since you cannot search for the site. We have also added it to the Palm Hill website for your convenience.

Why are we doing online voting?

It saves Palm Hill money, every time we must do a mass mailing, we must buy paper, print, fold, stuff in stamped envelopes all the paper notices. With the ability to vote electronically we also can go paperless for the notices.

It also saves time. The post office is getting less reliable in a timely manner. When a mailing goes out, it would take a week or more to receive it. Electronically would be received the same day. This last year we were forced to use overnight express, and we delayed the voters meeting to try to collect as many paper ballots as we could.

With online voting you could cast your vote before the ballot gets to the post office to be mailed out.

More info pertaining to online voting.

Some do not want to vote online; they would rather cast a paper ballot. This is fine but to get timely notices, sign in and opt into online voting and paperless communication. When it comes time for a Board election, the office can issue you a paper ballot. When the voting is closed the HOast software can print a list of all the addresses that has cast an electronic vote. The committee counting the ballots will compare the unopened envelopes that has the address on them, to the HOast address list. If the address has not voted electronically the paper ballot is allowed to be counted manually.

If you are a snowbird, it is necessary to advise the office of your coming and going, that is if you want mail delivered to where you are residing. If you opt in for online voting, it also lets you opt into email communication, then all you must do is make sure your email address is up to date to get your correspondence.

This software is new to all of us, and we are learning all the ins and outs of it. Bear with us and we get the bugs out of it. Most of the problems is getting the office database info up to date so all can get logged in. We started at a good time of the year to give us time to make it work before we have an election.

Thanks also to all the positive and the negative feedback, the negative is valuable as to what problems exist and what we can do to make it work.

Paul Myles, palmhill.webmaster@gmail.com

Email Hackers

Over the past few weeks, many Palm Hill residents have had their email address books hacked. It is difficult to believe that this is a coincidence.

They all follow the same script. The email starts off with a "how are you" and moves on to "Could you do me a favor". **DO NOT OPEN IT.** Delete it right away. If you do open it, it may ask you to purchase a gift card. If you get that far, you may be doomed. Don't get curious about the favor. Even if you think it is legitimate, just delete it.

Our website email list, available for email blasts of information of interest, numbers close to 1,200 now. We have been in touch with our vendor and have been assured that (1) there has not been a recent breach, and (2) we are well protected. So, rest assured that the hackers have not gained access to our website file.

Be aware. Be cautious. And if in doubt, hit DELETE.

GENERATIONS LIST

Carolyn Story: 727-585-1579

Palm Hill continues to attract generation after generation of residents. Check out the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 68 people currently on the list, including seven families of the Third Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically, and it would be good to have you included.

CLUBHOUSES/ ACTIVITIES/EVENTS/AMENITIES

Resumption of activities and listings of events as they occur will be reported in the LINK, via Webmaster email blasts and on Channel 732. Please stay alert to announcements and check with the listed organizers before assuming the “usual” events or activities are being rescheduled. The calendar and approved event/activity announcements are also on the Palm Hill website: palmhillcountryclub.net.

Please note: Event/activity leaders or organizers whose names are listed with a particular activity: please contact the LINK (linkforpalmhill@gmail.com) when changes are necessary in the information: changes in the name of the listed organizers, changes in times or dates, offerings, etc. Otherwise, the listing from the prior month’s LINK will be carried over to the next month.

GARDEN CLUB

Shaun and Ellen Lovejoy, elovejoy1@aol.com or call 727-408-5718

Although it is very possible to successfully garden all year long in Central Florida, the most popular gardening season in Palm Hill gets into full swing in October.

The Palm Hill Garden Club has plots available for a nominal fee of \$5.00 per year. Anyone interested can contact Shaun and Ellen Lovejoy at elovejoy1@aol.com or call 727-408-5718.

The Garden Club is especially interested in gardeners who will maintain their garden all year long by either continuously gardening or utilizing ground cover to suppress weeds when the gardens are inactive. Growing organically is very possible and especially welcomed. No prior gardening experience is necessary, especially as seasoned gardeners up North must learn all new strategies to successfully garden in this hot and sandy climate.

Gardening has many benefits and “offers fresh air, sunshine, exercise, enjoyment, mental therapy, and nutritious fresh vegetables” according to the UF Extension Florida Vegetable Gardening Guide. It is also a great opportunity to make new friends and share gardening tips and experiences.

The accompanying photos (on the cover) show my first organic summer garden which produced very nice eggplants, cherry tomatoes, rosemary, and lavender as well as plenty of zinnias. There are also sweet potatoes, okra and zucchini growing which will be harvested in the fall.

Consider these quotes about gardening:

Gardening simply does not allow one to be mentally old, because too many hopes and dreams are yet to be realized. – Allan Armitage

If you have never experienced the joy of accomplishing more than you can imagine, plant a garden. – Robert Brault

Limited tickets are still available for the following:

Christmas story 12-16-21 Noon

St. John's River Cruise 10-20-21

Ring of Fire 1-23-22 noon

Mystery Trip was put up on the clubhouse bulletin boards three weeks ago. Only six people have signed up. We believe that Covid and the concern about losing money for cancellations have had a negative impact on Travel. As a result, we have rescheduled it for January 2022. More information to follow. If you have paid for this activity, please contact me for the refund of your payment.

We are continuing to look at few things for December, but these will also be delayed unless things related to Covid improve and more people arrive back at Palm Hill. Meanwhile, I will be working with Linda Keehl to help create different activities until travel gets going again. Thank you, Linda.

You can always look on the Palm Hill webpage and Channel 732 on your TV for information related to travel.

When signing up for activities, please note that we are asking for your email address rather than your street address for communication purposes. If you do not have an email address, please provide your phone number.

Thank you for the cooperation.

From Charlotte Ernest, 727-585-5845

Clubhouses are open and the food barrels are there available to you. There are still many people in Pinellas County in need of help and we can be a part of providing food.

RCS will pick up the barrels the **LAST THURSDAY** of each month.

(RCS is the Religious Community Services of Pinellas County, which helps feed the needy of the area.)

GEORGEANNE'S HELPING HANDS

Ted Silva, 508-965-6072

For the immediate future we are only bringing residents to medical appointments with a priority at getting to Covid vaccine appointments.

But as more volunteers get vaccinated, we will slowly be increasing our ability to help you get where you need to go.

At this point, we are only using volunteers who have been vaccinated and waited the required time period. Face masks will still be required at all times by everyone during these

...continued on page 48

transports regardless of vaccination status.

If you need transportation to a medical appointment or vaccine site, please call as soon as possible: Ted Silva, 508-965-6072.

We encourage residents to shop “on-line” with home delivery of food through the supermarkets that offer that service, such as Publix and Walmart. Some residents have been using “Care Ride” - 727-536-7453 or 727- 866-1193.

“PALM HILL CALLING”

The purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors, and they routinely check on each other. The names of 40 people are on the list for a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether they are a shareholder or renter, full time or seasonal. To get on the call list call Ted Silva at 508-965-6072.

PRAYER TEAM

PRAYER TEAM. The Prayer Team in Palm Hill is Claudia Hartz, Maureen Livers and Bonnie Swanson. Please call Claudia at 315-368-8166 if you have any questions. All social distancing guidelines will be followed.

NOTE: There is no charge for any services from the Helping Hands volunteers, and monetary tips are not accepted. “If we can help you, or you can help Helping Hands, please call me at 508-965-6072,” said Ted Silva.

SUPPORT CARDS FROM PALM HILL - SUNSHINE

Lynn Burns at 612-321-6223 or LynDon2151@gmail.com

Please notify Lynn Burns of any hospitalizations, illnesses, or deaths of our Palm Hill residents.

Lynn is sending condolence and/or get-well cards to our friends and neighbors of Palm Hill and their families in times when they could really use a kind word. ‘ If I am not notified, they are not receiving the support that they deserve from us. Please remember to let me know. Your help is appreciated’.

MESCO – SERVICES CLOSED

From Linda Simon, former MESCO president, 727-559-0164, 73 Royal Palm

The MESCO organization is closed. Please, if you have a key, do NOT go into the building in any circumstances. If you have any equipment signed out, keep it at your home.

Due to changes in the law, liability problems and records that were not kept in the past, the present board of MESCO had no choice but to resign and close the services.
