Jokes

A man tell his friend, "I went to my doctor to see if he could help me give up smoking."

"What did he say?"

"He suggested that every time I felt like a smoke I should reach for a bar of chocolate."

"Did that do any good?"

"No, I can't get the chocolate to light."

..... Fresh out of high school, I found a job cleaning the elegant home of an older couple. Among other duties, I had to dust their many imported carvings and petrified collectibles, as well as pick up after their pets.

One day, I was astonished to find two ivory fossils lying on the floor beside the bookcase. I quickly picked them up, and put them back on the shelf. The next week, the same thing happened.

That afternoon, my employer came into the parlor, her faithful dog behind her. Looking around, she eyed the bookcase. "Nya," she asked the dog, "how in the world do you keep getting your bones up there?"

Why was the cookie so unhappy.
Because his mother was a wafer so long.

Why did the waiter fall over?
He was tipped.

Why did the ocean refuse her boyfriend's marriage proposal?
She didn't want to be tide down. (Cynthia MacGregor)

Define "Pharmacist": A helper on the farm.

Use "Lettuce" in a sentence: This New Year's eve LETTUCE celebrate together.

Are you sure you have the right Medicare Plan?

Cesar Chacon, Agency Owner
and Licensed Agent

Open enrollment starts October 15 and ends December 7. You have limited time to review your current plan to make sure it's right for you.

There are 3 important things for you to know...

1. Are you currently paying too much for your prescriptions?
2. Are you able to see the doctors that YOU want to see?
3. Can you reduce your out-of-pocket expenses?

As a local independent insurance agency owner and licensed agent, my team conducts extensive research, takes the time to understand your unique situation, and helps you select the best plan from multiple carriers.

Many of our clients get more comprehensive coverage while saving money.

Contact us to receive a personalized review. In only a few minutes you'll learn if there's a better plan available.

"Cesar and his team ask questions and line you up with the right program." -Elaine, Sarasota

"He is the real deal; he saved my friend Lea \$500 a month." -Margie, Sarasota

"Cesar told me that my plan is good for me, no reason to change." -Diane, Bradenton

Making sure you have the right Medicare Solution is not our job... it's our mission.

Book Title: "Why I Was Sent To Prison" by Robin Banks

The blind man picked up a hammer and saw!

If you drop a piano down a mine shaft, you'll get A flat minor.

Whether it's a pancake or a baseball team, the secret is to start with

I heard that by law you have to turn on your headlights when it's raining in Sweden.
How the heck am I supposed to know when it's raining in Sweden?

If you cry when you cut an onion, here's a tip:
Don't get emotionally attached.

95% of people are completely STUPID!
Luckily, I'm in the other 10%.

My body is in a disgusting, embarrassing, totally repulsive state right now.
New Jersey, I'm in New Jersey.

What do you call a person who is happy on Mondays?
Unemployed.

It's a 5 minute walk from my house to the pub and a 30 minute walk from the pub to my house.

The difference is staggering

Note from Activity Director. Hide and Seek

Tim Sheimo

I'd like to introduce y'all to LolA, the hulu girl. She's a 4" figurine I'll be hiding around the park. If you find her, take a picture with her and return her to my house at lot 149. The winner earns 20\$. To be eligible to enter this event, it'll cost you 5\$. Entry fees for the week can be paid to me or Aimee. Once we have enough contestants, I'll hide Lola! All proceeds go towards the monthly BBQ. I need at least 5 contestants to initiate this event. This can be a weekly thing. Winners picture will be posted, along with the amount of extra money being used for the pool party.

Again this event will start when we have enough contestants. If you want to play, drop off 5\$. We live in lot 149.

Save a life. Starting with yours.

Get vaccinated and stay safe.

More than a year into the pandemic, the science is clear: Getting a COVID-19 vaccine gives you the best chance of avoiding serious complications and hospitalization from the coronavirus. The new Delta variant is 50 percent more contagious and it's spreading rapidly through our communities, filling our hospitals with sicker, younger patients. Continue to mask up and practice social distancing, but give yourself the best chance to stay well by getting the safe and effective COVID-19 vaccine. Protect yourself and protect your family. Get vaccinated. Learn more: [BayCare.org/GetVaccinated](https://www.baycare.org/GetVaccinated)

OCTOBER CALENDAR

Adopt a Dog Month. Since 1981, American Humane has celebrated “Adopt a Dog Month” each October in an effort to help the estimated 3-4 million animals waiting in shelters every year get the loving, forever homes they deserve. Be a hero this month and adopt a dog from your local shelter or rescue group.

Corn Month. Corn started as a small, semi-tropical grass, but cultivation by humans for more than 9,000 years has transformed it into one of the most prevalent grain crops in the world. Today corn provides about 21% of human nutrition across the globe.

LGBT History Month. LGBT History Month celebrates the achievements of 31 lesbian, gay, bisexual, or transgender Icons. Each day in October, a new LGBT Icon is featured on the LGBT History Month website with a video, bio, bibliography, downloadable images, and other resources.

National Ergonomics Month. National Ergonomics Month is an opportunity for ergonomists, human factors and user experience professionals to promote science, practice, and value to corporate executives, students, and the general public by providing information and services to their communities.

WEEKLY

Fire Prevention Week, Oct. 3–9. This year’s campaign, “Learn the Sounds of Fire Safety!” works to educate everyone about the different sounds smoke and carbon monoxide alarms make. Knowing what to do when an alarm sounds will keep you and your family safe.

World Space Week, Oct. 4–10. World Space Week is a celebration of space held annually. It is the largest space event on Earth, with more than 8,000 events held in 96 countries, organized by thousands of organizations, including space agencies, aerospace companies, astronomy clubs, and museums.

National Business Women’s Week, Oct. 17–23. Since its creation in 1928, the NBWW has been sponsored by business and professional women to recognize and honor the achievements of working women throughout history.

National Massage Therapy Awareness Week, Oct. 24–30. A week for members of the American Massage Therapy Association to promote the health benefits of massage therapy.

NUMBERS IN THE NEWS

Fewer of us rely on cable for content these days

Americans are cutting the cord more than ever, according to the Pew Research Center. The share of Americans who watch television via cable or satellite has dropped from 76% in 2015 to 56% in 2021. About 71% say it's because they can get the programs and content they want online, and 69% say the cost of cable and satellite services is too high; 45% just don't watch TV often.

Sixty-one percent of people without cable or satellite say they've had it in the past, while 39% have never been subscribers. Only 34% of Americans 18–29 currently get content on TV through cable or satellite, down 31% from 2015. Just 46% of people 30–49 watch TV that way, down 2%.

The decline is less pronounced among older Americans. People 50–64 had a 14 point drop from 2015, and those 65 and older saw only a five-point decline.

We are mere operatives, empirics, and egotists, until we learn to think in letters instead of figures.

Strength on the inside

A father took his son into a toy shop. Inside the boy found a figure of a man made of balloons. The boy looked at it for a minute, and then drew back his fist and hit the balloon man just as hard as he could. The man fell over, and then popped right up.

The confused boy backed off, looked up, and then hit the figure again as hard as he could. Again the balloon figure fell over, and again he popped right back up.

The boy's father walked around the corner and saw his son hit the balloon man. He asked his son, "Why do you think he comes back up when you hit him and knock him down?"

The boy thought for a moment. "I don't know. I guess it's because he's standing up on the inside."

The beauty within

Once upon a time in a desert was a rose who was very proud of her beautiful petals. Her only complaint was that she grew next to an ugly cactus.

Every day, the beautiful rose would insult and mock the cactus on his looks. All the while the cactus remained quiet. All the other plants nearby tried to make the rose be kind, but she was too intoxicated by her own looks to listen.

One scorching summer no rain fell for the plants, and the desert dried up. The rose quickly began to wilt. Her beautiful petals shrank, losing their lush color.

Looking around, she saw a sparrow dip his beak into the cactus to drink some water. Though suddenly ashamed of herself, the rose asked the cactus if she could have some water. The kind cactus readily agreed.

They both lived through the hot summer as friends.

Moral: Don't judge anyone by the way they look.
