Just a few giggles

Now that I've lived through a plague, I understand why Renaissance paintings are of chubby women laying around without a bra.

I just ordered a life alert necklace so if I get a life I'll be notified immediately.

I don't know how to use TikTok but I can write in cursive, do long division, and tell time on a clock with hands. So there's that.

Brain cells, hair cells and skin cells all die constantly, but fat cells seem to have eternal life.

We haven't "panic cleaned" for visitors in a while, and it shows.

People that ask me what I'm doing probably assume that I know what day it is.

I made a huge to-do list for today, I just can't figure out who is going to do it.

If you think you are smarter than the previous generation, 50 years ago the owner's manual of a car showed you how to adjust the valves. Today it warns you not to drink the contents of the battery.

Lying about my age is easier not that I can't remember what it is.

The fact that there is a highway to hell and only a stairway to Heaven says a lot about anticipated traffic numbers.

A few more chuckles.....

Jim received a note under the door and was intrigued, especially since it's the closet door.

I waved at a man because I thought he waved at me. Apparently he waved at another woman. So to get out of the awkward situation I kept my hand up and a taxi pulled over and drove me to the airport. I am now in Poland starting a new life.

I was lonely until I glued a coffee cup on the top of my car. Now everyone waves at me!

Amal and Juan are identical twins. Their mom only carries one photo because if you've seen Juan you've seen Amal.

Dusted once. It came back. I'm not falling for that again.

100 years ago everyone owned a horse and only the rich had cars.
Today, everyone has a car and only the rich have horses. Oh how the stables have turned!

Wife crashed the car again today. She told the police the man she collided with was on his mobile phone and drinking a can of beer. Police said he can do what he likes in his own living room.

Woohoo!! Exciting times ahead! Fun things are happening again at Honeymoon! The US border will be open soon, so we can welcome back our Canadian neighbors and Snowbirds are heading south!

On the calendar for November Fred will be doing hot dogs, there will be a Thanksgiving Buffet at the clubhouse, bingo is starting and hopefully Koffee Klatch will be back. Christmas parade and house decorating contest, a cruise and a couple dances are all coming up.

Life is Good!!

VETERANS DAY
 By Cheryl Dyeon

On Veterans Day we honor all,
 Who answered to a service call.
 Soldiers young, and soldiers old,
 Fought for freedom, brave and bold.
 Some have lived, while others died,
 And all of them deserve our pride.
 We're proud of all the soldiers who,
 Kept thinking of red, white and blue.
 They fought for us and all our rights,
 They fought through many days and nights.
 And though we may not know each name,
 We thank **ALL** veterans just the same.

Don't waste your time

A donkey and a tiger got into a foolish argument: "The grass is blue," the donkey insisted, while the tiger said, "No, the grass is green."

The discussion became heated, so the two decided to ask their king, the lion, for his judgment. As they approached the lion, the donkey shouted, "Your Highness, isn't it true that the grass is blue?"

The lion replied, "If you believe it is true, the grass is blue."

Then the donkey said, "This tiger disagrees with me. Please punish him."

The lion declared, "Very well. The tiger will be punished with three days of silence."

The donkey jumped with joy and went on his way, chanting, "The grass is blue, the grass is blue!"

The tiger asked the lion, "Your Majesty, why have you punished me? After all, the grass is green."

The lion replied, "The punishment is because it is degrading for a brave, intelligent creature like you to waste time arguing with a donkey, then coming to bother me to validate something you already knew was true."

The moral: Never waste time on arguments that make no sense.

A steady flight

An Airbus 380 was on its way across the Atlantic. It was flying at 30,000 feet, when suddenly a fighter jet appeared.

The pilot of the fighter jet slowed down, flew alongside the Airbus, and greeted the pilot of the passenger plane by radio: "Hello, Airbus! Boring flight, isn't it? Have a look here!"

He rolled his jet on its back, accelerated, broke through the sound barrier, rose rapidly to a dizzying height, then swooped down almost to sea level in a breathtaking dive. He looped back next to the Airbus and asked, "Well, what do you think of that?"

The Airbus pilot answered, "Very impressive! Now you look!"

The jet pilot watched the Airbus, but nothing happened. It continued to fly in a stubbornly straight line at the same speed.

After 15 minutes, the Airbus pilot radioed, "Well, how was that?"

Confused, the fighter pilot asked, "What did you do?"

The Airbus pilot laughed and said, "I got up, stretched my legs, walked to the back of the aircraft to use the washroom, then got a cup of coffee and a chocolate fudge pastry."

The moral of the story: Speed and adrenaline may seem to be great, but sometimes stability and peace are more important.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
