He is survived by his mother, Jean; 2 daughters and their mother, Michelle McGiffen, Jennifer McGiffen, Natalie Ramos and spouse, Steven; 2 granddaughters, Chloe and Grace Ramos; and 3 brothers Carl Benson, Chris McGiffen and spouse, Lyn, William "Bill" McGiffen and spouse, Penny; as well as uncles, aunts, cousins, nieces, nephews, and friends and family. Patrick enjoyed spending his time outdoors fishing on the river and working on his land. He recently began mentoring young truck drivers to further their success in the profession. He

was everyone's friend and liked to laugh and tell jokes. There is no greater love than the love Pat had for his daughters and granddaughters.

We will be holding a celebration of life at a later date. If you'd like to place a donation in his honor, please make a donation to Wounded Warrior Project, [woundedwarriorproject.org](http://woundedwarriorproject.org).

### **REQUEST FOR HELP**

**W**estwind (including WW1 and WW 2), has a very small group of ladies that will call you every morning just to say hello and make sure you are alright. This service has been going on for years and I am sure many of you never knew this. It is very reassuring to some of our seniors who live alone to know that someone will check on them each morning. There have been times when that phone call resulted in getting help to someone who had fallen during the night or had some other issue that they needed help to resolve. Well, the volunteer caller list has dwindled over the years and is in need of an extra couple of people who could take the call book for a little while. The ladies pass the book around so that no one has the call responsibility for a long period of time. Currently, there are about six or eight people that request a call each day so it is not a lengthy call, unless you choose it to be. There are about five people who make the calls but some of them are snowbirds and some of them can't do it due to their own health issues so **I am asking that anyone who would like to volunteer 5 - 10 minutes or so each morning to make a few well-check calls...please contact Sylvia Harris in Lot #183.** The more call volunteers we have, the fewer days each person has the book. Also this helps when one of the volunteers is away or is ill and can't make the calls. We have volunteers from both WW1 and WW2 and also the calls are made to anyone in either WW1 or WW2 who requests the service. Please give this some thought.

Thank you,  
Elaine Blank

## **TOYS FOR TOTS**

*THANKS TO PAT SNYDER FOR THE FOLLOWING:*

---

**T**he Toys for Tots website is open and I have submitted our request to collect toys again this year. Hopefully, the warehouse will find a home soon. As of today when I checked the website, they are still searching for donated space.

This is the latest they have ever been without warehouse space. Once they have a warehouse, they will contact me about our request to become a toy drop site. My plan is to pick up boxes for WW I and WW II. The boxes should be in the clubhouses on Saturday, November 13th and will be in place until Sunday, December 12th. Once again there will be train cutouts for you to sign your name and hang up when you donate a toy.

Recipient ages are birth to 12. The website indicated that there is always an additional need for toys for ages up to 1 year and for boys and girls ages 10-12. *FYI—All toys must be new and NOT in wrapping paper.* **TOYS FOR TOTS WILL NOT DISTRIBUTE TOYS WITH REALISTIC LOOKING WEAPONS OR GIFTS WITH FOOD.**

Beat the Christmas rush.....get your toys early!!!!!!! (according to the news, there may be a toy shortage this year) Also, keep your fingers crossed that they find a warehouse soon!!!

Thanks,  
Pat Snyder

after graduating from Berea College of Nursing. While both working in internships, they met in Cincinnati, Ohio and married on April 14, 1956. Today they have three sons: Dan (and wife Michel), a retired horticulture teacher, Bill, a veterinarian, and Mathew (and wife Lynn), an engineer for Boeing Aircraft. Living in Dublin, Ohio, Bill and Barbara reside on what used to be a farm as the city continues to be built all around them. They still have fruit and nut trees that they harvest in the fall.

Richard (Bud) had served in the U.S. Army during the Korean Conflict, including 3 months of combat duty. Returning home, he attended some college and started working for NCR Corporation, helping to develop carbonless paper. After eighteen years, NCR closed their facilities in Dayton, after which time Bud worked for Delco Products Division of General Motors Corporation, building prototypes of new shock absorbers. JoAnn, his wife, was an accountant for Delco Products Division of General Motors. In addition to accounting, she also worked on special budget typing for the comptroller and supervised the mail room and supplies for the entire office building.

Bud and JoAnn first met at church youth group, thirteen years prior to getting married on December 13, 1969. Bud could no longer date JoAnn's girlfriends! They have one daughter, LeeAnn (and husband Todd), who works as a Nurse/Manager for Fidelity Health Care, a division of Miami Valley Hospital, and one granddaughter, Shelby. Shelby, age 20, is a sweet sailor girl currently serving on the H.S. Truman Aircraft carrier as a Certified Nuclear Power Engineer.

Twenty-one years ago, Bud and JoAnn moved to Washington Township, Ohio --at the time full of open fields and farmland - in pursuit of living out in the country. As with Dublin though, the city (Centerville) continues to be built around them and is quickly taking over!

Coincidentally, three of the four Ruegers graduated from the oldest surviving high school in Dayton, Ohio (Stivers High School). Bill graduated in 1945, Bud in 1950, and JoAnn in 1954. The school is still going strong today!

The story of how the Ruegers came to end up in Westwind II is an interesting one! In 1975, JoAnn's parents (Shelby and Ada Wilcox) started coming to Florida for the winters. Not long after, a friend from Dayton (Gladys Dixon) also bought a place on Third Street. Gladys convinced them to come to Westwind II for the winter of 1981. LeeAnn was in first grade at the time, and Bud and JoAnn took her out of school for one week to stay in #174, a beautifully decorated coach. Unfortunately, that was the only year that JoAnn's parents stayed there as her mother became ill, was not able to return and ultimately passed in the spring of 1984.

Shelby still wanted to have a place in Florida, so in the summer of 1984, Bud and JoAnn came down to help find a place for him. He didn't want a big place like Westwind II, so they bought a one bedroom in Grand Bay just across Alt 19. After Shelby passed in 1988, Bud and JoAnn kept the place, as they were now at an age to enjoy it themselves! Bill and Barbara suggested also buying into it and, as Bud and JoAnn were still working and could coordinate vacation time, the agreement was made.

## **BOOK CLUB**

SENT BY ELAINE BLANK

---

**O**ur book choice for November is *Vanishing Half* by Brit Bennett.

The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect?

This book should lead to an interesting discussion at our November Book Club meeting on **Tuesday, November 30th at Noon in the Westwind II library.**

Hope to see you there.  
Elaine

## WINDFALL SALE

THANKS TO PAT SNYDER FOR THE FOLLOWING:

---

The exact status of the Windfall Sale is up in the air at this time. I will be back in Florida the first week in November and will be meeting with the Social Committee to discuss our options. Jill and I are not comfortable holding the public sale. All of us in the park are more vulnerable and we will not know the status of outsiders attending the sale. In addition, we feel it would depend on whether there will be large gatherings in the clubhouse. There is the possibility of doing a park only ongoing sale. If that comes about, we will be asking for volunteers to take a turn maintaining the tables, restocking and pricing as necessary. We will keep you posted as decisions are made.

We are still collecting items at this time. *Karen Hanafin* is still monitoring the collections. You may call **Karen at 603-490-3384** if you need assistance. The office has keys to both sheds and you are welcome to put your items in the shed. You may also leave them outside under cover where they will be protected. If anyone would like to give Karen a hand, I am sure she would be happy to hear from you. *Thanks to Chuck for giving Karen a hand!*

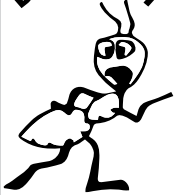

**DO NOT LEAVE ANY ITEMS IN THE CLUBHOUSE. Remember, we do not accept TVs of any kind, sleeper sofas or plate glass mirrors.** Jill and I return in November and will resume storing and sorting at that time. We appreciate all that **Karen** is doing in our absence!!!!!!

Thanks again for participating in the sale and helping to support the WWII Social Club.  
Jill Desranleau and Pat Snyder- Chairpersons

## Let's talk about weeds.

THANKS TO JACQUELYN FLOOD FOR THE FOLLOWING:

Let's talk about weeds. They are getting out of control and I'm having to send letters almost every day. Some of them are 2nd letters and I do not want to send them at all. However, I'm getting lists daily of lots who need to take care of this. I also get complaint forms dropped off, calls, emails and walk-ins of neighbors who are living next door or across the street from these lots. Plus, I see them while inspecting the community. If you read the Occupancy Agreement you will notice that it states the Board of Directors can hire someone to maintain lots and charge the homeowner if it's not taken care of and that seems even worse than a letter. So, instead of simply sending letters, (which I still have to do), or taking a chance on letting anyone get charged, I've decided to give a couple suggestions too. I've been adding the contact info of a neighbor in Westwind I who came down to tell me he is looking for new clients to pull/spray weeds..PLEASE CONTACT ME AND I WILL BE HAPPY TO GIVE YOU CONTACT INFORMATION."

I really appreciate everyone for taking some time to get the weed issue in Westwind II under control. I understand that not everyone lives here full time and others just can't do the weeds themselves.

Also, an important reminder that if you've not gotten your updated insurance info to me, please do so ASAP. Keep in mind that it's the Declarations page that's required and not the invoice. The Declarations page will say that's what it is right at the top. If you aren't sure which page to send, just let me know and I can show you. If you need to make a copy to give the office, there is a copy machine in the library and, if necessary, I'm more than happy to make a copy for you. I can't stress how important it is to keep your insurance updated and to make sure the office has a copy.

We need to do this with any ESA's in the park as well so, if it's time to obtain updated vaccination records, make that veterinarian appointment and get that updated and dropped off at the office too.

Lastly, if anyone has any questions or concerns, please don't hesitate to let me know. The Complaint/Suggestion forms and the ARC Request forms are in the plastic bins right outside the office door and there is a mail slot right on the door you can drop the completed forms in. I also want to thank all of the residents who have offered to help as it's a generous offer and very much appreciated. Thank you.

## ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

---

If you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a “bed tax” on rental income. The tax is identified as “Tourist Development Tax”. It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

R.O.C. BOARD

## REMINDER TO ALL RESIDENTS:

---

Please Come Into The Westwind Ii Office #181 And Make Sure Your Northern Addresses Are Up-To-Date.

Also, Please Let Me Know When You Are Checking-In For The Season And Checking-Out.

This Is Very Important For Mail Outs, Emergencies, Etc.

Thank You,

Jacquelyn Flood,

Property Manager

## REMINDER: HOMEOWNER'S INSURANCE

---

When you renew your homeowner’s insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## “WILL WORK FOR BEER”

Someone in WW II asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay

anything - even a free beer. This service will be provided to W W II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

**Wisconsin** found us at **Renee/Max** 's stunning summer home! They treated us to a lovely walk along Dave's waterfalls, a spectacular dinner and many discussions and laughs! What a fantastic time we had parked overnight surrounded by their many flowers, lots of birdsong and swaying pine trees!

If that wasn't enough, they had a spot all ready for our camper with electrics and water! We learned that the county roads are named by letters, logging is happening everywhere and Wisconsin is reminiscent of upstate NY. Renee & Max were hostess' with the Mostist! We all sang, "Happy Trails" as we drove away!

Blessed to have such friends!!

**Max** and I loved our visit with **Annette and Mike** and enjoyed our hike to Dave's Falls! We wish them happy trails as they continue west on their travel adventures! Until we meet again...

**Renee Herrmann**

A steady wind blew us across **Wisconsin** to **N Dakota** and **Roosevelt NP!** Our #2 visit here and historic **Medora** in the Badlands. This well kept secret is so unique as the entire town resembles and reenacts the 1800's when Teddy came to heal from the loss of his mother& wife... steak fondue dinner and musical to top it all off! Bison, wild horses and prairie dogs dot the landscape and the **Little Missouri** surrounds the campground!

**S. Dakota** presented our 1st blip.... We arrived early at **WindCave NP** and not one tour was available... we toured the Visitor's Center then headed through the wide open plains to **Angustora Reservoir** where we experienced the first sign of smoke from the fires further West..100 degree days but a mammoth lake and 2% humidity! Explored **Hot Springs** and saw more wild turkeys than cooked at Thanksgiving!

When we think of "unmatchable," nothing is more spectacular than the **Tetons in Wyoming!** They fill a spiritual space within my soul...Majestic and powerful! We camped and we were so pleased to share an afternoon with **Sally and Joel Daniels** - all of us gasping at the beauty! A MUST for all!

Remember -

They are the reason  
that we are free.

## JUST FOR LAUGHS & GIGGLES!

### THANKS TO CARL STONE FOR THE FOLLOWING:

**Y**ou have to sing this great song  
Julie Andrews Turning 79 - this is hysterical!  
To commemorate her birthday , actress/vocalist, Julie Andrews, made a special appearance at Manhattan's Radio City Music Hall for the benefit of the AARP.

One of the musical numbers she performed was 'My Favorite Things' from the legendary movie 'Sound Of Music'. Here are the lyrics she used:

(Sing It!) - If you sing it, its especially hysterical!!!

Botox and nose drops and needles for knitting, Walkers and handrails and new dental fittings, Bundles of magazines tied up in string, These are a few of my favorite things.

Cadillacs and cataracts, hearing aids and glasses, Polident and Fixodent and false teeth in glasses, Pacemakers, golf carts and porches with swings, These are a few of my favorite things.

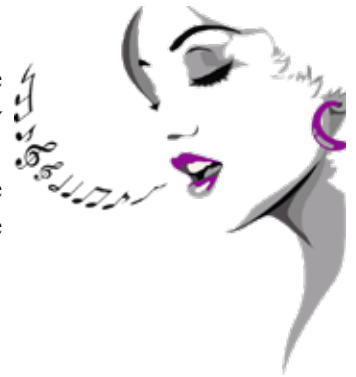

When the pipes leak, When the bones creak, When the knees go bad, I simply remember my favorite things, And then I don't feel so bad.

Hot tea and crumpets and corn pads for bunions, No spicy hot food or food cooked with onions, Bathrobes and heating pads and hot meals they bring, These are a few of my favorite things.

Back pain, confused brains and no need for sinnin', Thin bones and fractures and hair that is thinnin', And we won't mention our short shrunken frames,

When we remember our favorite things. When the joints ache, When the hips break, When the eyes grow dim, Then I remember the great life I've had, And then I don't feel so bad.

(Ms. Andrews received a standing ovation from the crowd that lasted over four minutes and repeated encores. Please share Ms. Andrews' clever wit and humor with others who would appreciate it.)
