A Message from our Community Manager

A few things to remember when setting out your household trash and yard waste. All household trash and yard waste must be out for pick-up no later than 8:00 a.m. on Monday and Thursday regardless to where you live in the community as the pick-up rout is subject to change.

Household trash needs to be in plastic trash bags 15 to 30 gallons in size, and the bag must be closed. Yard waste needs bundled and tied tightly together no longer than 4' feet in length, or in heavy duty plastic trash bags no larger than 30 gallons in size. All bags must be closed and not left open. If it is left open it will not be picked up.

Any cardboard boxes must be broken down, and if you have more than one piece of cardboard you must tie the cardboard pieces together. If the cardboard is not tied together, it will not be picked-up.

Please remember to recycle all that you can, every little bit helps in the cost of removal, and the environment!

News from HOA

By Rose Petito, President

Welcome to all our northern friends that have joined us in Paradise. Many things have happened since

our last article in October. Bingo is now open to the public and mask are no longer mandated but recommended. We started a Facebook page: Paradise Island Largo Bingo, the go to place for your Bingo information. We had our first General Members meeting in person and on Zoom. The meeting was well attended and there were great discussions. Our next meeting will be November 3rd at 7pm. Who knows we may even have coffee and donuts available prior to the meeting. Please mark your calendars for November 10th, Paradise Island will be hosting a town hall meeting. This is open to ALL residents. There will be members from the Coop and HOA board present as well as the current manager, Chamma. More information can be found on the Paradise Island Largo Facebook page.

Co-Op Update

By Paul Snellenberger

Infrasturcture Project Updates – by Roz LaRocco, Co-Op Vice-President and Paul Snellenberger, President

Clubhouse Air Conditioning – 8 new Air Conditioners have recently been installed. One unit was completely dead and the other 7 were proactively replaced because they were close to the end of their predicted service life expectancy. Upgrading the aged units to a higher Seer will reduce electrical expenses as they are more energy efficient. Projected energy savings for all 8 units over 15 years is \$33,471. Replacing all 8 at once offered discounts.

Street Lighting - Soon you will see the Duke Energy crews converting the fixtures in all 116 streetlights and replacing the bulbs from 100W to 50W LED with a savings of approximately \$50 a month. The LED lighting gives a wider and brighter area of lighting. The conversion will not incur any cost to Paradise Island.

Non-Potable Water System - As soon as the parts arrive, our irrigation / non-potable pumping system will be installed. We will be eliminating the 35+ year old 2000-gallon tank that has been rewelded many times and is at the end of its useful life. As we are all aware, the entire system is in desperate need of replacement. The old system will be replaced with new variable frequency drive controllers and equipment, all pumps and motors that were repaired earlier this year will be reused.

Pavilion Patio Repair - The deteriorating wood support poles and cracked concrete slab on the west side of the Pavilion where the BBQ grills are located has been replaced with a new foundation and concrete wall. There will be new landscaping added behind the grills to finish off the area.

Entrance To Pool Area - The concrete under the south pool gate was deteriorating presented a trip hazard. To provide a gentle slope the triangular concrete area was replaced.

Pool Maintenance - We have contracted with a professional pool company to treat and maintain our pool and spa. They will be on site 3 times a week (Mon, Wed, Fri). to maintain all chemical feeders, test water, skim and vacuum pool and spa, brush walls and floors and make sure all equipment is working properly. Our maintenance team will continue to test and record twice daily the PH and Chlorine levels.

Wooden Fence - The wooden fence around the perimeter of our property is deteriorating and will be replaced with a vinyl fence. The Largo City ordinance requires that all wooden fences must be replaced by vinyl fences. We are in the process of finalizing the project details. The perimeter adjacent to the mechanical shops and apartments will be the first phase of installing 8ft fencing. This should help make the community more secure.

Social Committee Update

By Marcia White

We are happy to announce the entire Social Comm. is now open and in full swing. Masks are being recommended but they are no longer required to attend any activity. We will still practice Pinellas County guidelines and during a sponsored event you will find sanitizing stations throughout the hall for your personal use. This also is not required but for the safety of our residents we will continue to provide these stations as a precaution.

October hosted our flea market and a big thank you to all for your support and for all your help in making it a great day. As always Ken and Mary Anne did a fantastic job and they deserve a huge thank you for all that they do to support this community. The flea market produces almost half of our SC budget yearly and this allows us to give back to the community each year. This year we are donating \$1500 to the cost of the new pool tables and if all goes well we might be able to fit in a few more requests as well.

What a super Halloween Parade we had this year. Thank you Walt for being such a great organizer, and Thanks to all of you who participated. Everyone had a great time and those of us who were the onlookers had a super time as well.

We wish to thank Betty Ray for her services to the Social Committee and we are sorry to see her go, but we wish her and Aaron Congratulations on your new home and we will miss you. Please Welcome Nadine Peters to the SC board as Betty's replacement.

We are currently selling tickets to the Men's Club presentation on Nov. 20 with Bill Castner as the entertainer. Tickets to all events are always on Monday Night at the clubhouse from 6-7 pm. Happy hour is 5-6pm, meal served at 6 pm. We hope to see you there.

Nancy and Steve Sullivan are hosting a dance on Saturday Nov. 13, 7-10 pm and tickets are \$8 per person. All tickets are sold at the door only. Entertainment is by Spencer Road. Come out and have a fun evening!!!

On Nov. 25th at 4:00 PM at the clubhouse Thanksgiving dinner will be hosted for all residents at no charge. If you have family visiting and wish to join us, a nominal fee of \$5 per person will be charged for your guests. Everyone in attendance must have a ticket. Tickets are available every Monday from 6-7 pm. Shut In's only, may order for delivery. If you want a dinner but are unable to join us you may order a meal in advance for pick up. Call Marcia White at 727-953-3616. You will choose your table when you pick up your tickets and each table is responsible for covering and decorating your table. You will also decide what you want for dessert and provide it for your table only. We will provide Turkey, dressing, mashed potato and vegetable, rolls, butter, coffee and water. You may set your tables after 11 am.

The Ladies Christmas Luncheon will held on Dec. 4th and tickets will go on sale Monday Nov. 1st.

Continue to stay safe but also try coming out and joining us for an activity or two. It's time to start bringing back our normal season of fun and laughter.

Next meeting for SC is Nov. 9th at 10:00 am in the clubhouse. Open to all residents.

Warm Regards, Marcia White

Motorcycle Parade

By Harold Noeller

On December 3rd Clearwater Chapter M of the Gold Wing Road Riders Association will be back at Paradise Island with their lighted motorcycle ride. The lighted motorcycles have been greeted with cheers and lots of folks waiting to see them in front of their homes in past years. The group is made up of two wheelers, trikes and even bikes with sidecars. During the month of December they ride almost every evening at a different venue to help bring some Christmas cheer. Along with the mobile home parks they also participate in the Christmas parade in Pinellas Park.

After a ride throughout the community, they will be making their way to the clubhouse where you will have the opportunity to see their bikes up close and meet and chat with the members. You will also be able to make any donation you are comfortable making to help support the charities mentioned below. The riders enjoy presenting their decorated motorcycles with the charities listed below in mind so whatever you can do to help is appreciated! The social committee will be organizing coffee and cookies for the riders and residents again and we thank them for their support in helping to promote the ride.

Chapter M's fundraising efforts over past Christmas seasons have helped to raise several thousand dollars towards their charitable efforts. Thank you to all those who have donated and will donate! Last Christmas the Chapter donated to Johns Hopkins All Children's Hospital and to Clothes to Kids. All Children's Hospital provides expert pediatric care in more than 50 specialties for infants, children and teens who face some of the most challenging medical problems in our community and around the world.

Clothes to Kids provides appropriate school clothing for children that would otherwise go to school and stand out as being under privileged. So once again a sincere thank you to all those who helped the cause.

We look forward to seeing all your smiling faces once again and hope you all enjoy the wonderful show.

Dart League

By Anne Elkins

The new season started on Monday, October 11, 2021 at 6:30 pm, and we play until April. We always need substitutes so if you are interested just show up on Monday night. It's a lot of fun mixed in with playful competition. No experience necessary, darts is an easy game to pick up. If you have questions, call Anne Elkins at 210-7364.

Men's Club

By Art Yeo

Things are beginning to return to pre-pandemic times. Bingo is up and running and the Flea Market has taken place.

The Men's Club has its first show on Saturday, Nov. 20th with Bill Castner entertaining us with his musical stylings. Tickets are on sale and can be purchased from Bob Pultorak (Coach) at the clubhouse on Monday evenings from 6:00-7:00 pm. Masks are recommended for this even but not required.

Men's Club meetings will begin again in November. Stay tuned for date and time. If you have any concerns contact Bob Pultorak (Coach), Ken Jonas or Dave DeYong for their assistance.

Now that the US/Canada land border is opening in early November the snowbirds are anxiously looking forward to returning to Paradise Island.

Until then, stay safe and stay healthy.

PI CARING HEARTS

By Denise Donohue, Rose Petito, Jane Reitz

PI Caring Hearts has been busy in Paradise helping our neighbors. Please do not hesitate to call us if you or someone you know needs assistance.

The bookmobile visits us every other Thursday in November. This month the dates are November 4th and November 18th. Any library books can be returned to the bookmobile-even the ones you get at the main library. We can deliver books if you order them. They have free programs that include free music, movies, eBooks and audiobooks. Let us know if we can help you choose a program that's right for you.

Bonnie Melke has graciously volunteered to manage the food bank in Paradise. PI Caring Hearts is working in conjunction with her to help deliver or communicate needs. Please let us know if you need food assistance or if you know a neighbor that has needs.

PI Caring hearts will now be managing wheelchair and walker needs in the community. We have a few that can be borrowed if needed. Please let us know if you need one.

On behalf of the PI Caring Hearts Team-We wish all of you a Happy Thanksgiving with many blessings for the coming months. picaringhearts@gmail.com, Denise Donohue (817) 793-4077, Jane Reitz (727)278-7405

Need a ride?

By Patrick Rosenheim

Need a ride?
I've lived here in the park now for several years, and it's been paradise!

In the past, we have had several residents make themselves available to help out other residents. I recently learned that the last person to do this had moved away, so I decided to step up and offer;

Rides to or from the airport (Tampa, Sarasota/Bradenton, Clearwater, St. Petersburg, etc. (your car or mine - a Toyota Prius)

Rides to or from the doctor, shopping, restaurant, hairdresser, etc.

Also, house checks, car checks (start and drive, or start and let run - your choice).

Please CALL my home @ 727-444-0005 and leave a message if I don't answer.

Please TEXT my cell @ 978-766-6763 with your airport arrival info (date, time, flight #, airline, airport).

Thank you!

Trust your hips and knees to the leader in joint replacements.

When you have your hip or knee replacement procedure at BayCare's Morton Plant Hospital, you're trusting a leader in Tampa Bay. No health system or hospital does more hip and knee replacements than BayCare. That level of experience means clinical excellence, which is why 98 percent of our hip and knee replacement patients are up and walking within 24 hours of surgery.

WINTER WATER AEROBICS

By Janice Buchko

The winter season began on November 1st with classes offered Monday through Friday beginning at 9 am and ending at 9:45 am.

When the air temperature drops below 60° class will be cancelled.

When the air temp is warmer than 60° but it's also windy and cloudy class will be cancelled. Last winter the heaters worked well with a consistent average temp of 84°.

We even saw steam on the water surface.....a first for us all! We have a text chain for "iffy" days and if you would like to be included, please text your name with a request to 703-229-7457.

NOTE: The pool opens to all residents at 10 am daily.

Paradise Island Church in the Park

By Serena Johnson

Prayer does not change God,
but it changes him who
prays. — Soren Kierkegaard

Have a November filled with blessings!
This is a busy month. First, we need to remember that Daylight Savings Time ends on the 7th. So do not forget to set your clocks back on Saturday night the 6th. Spring ahead..Fall back.

We celebrate Veteran's Day on the 11th. We are very thankful for all the veterans who served and gave their lives for our freedom, as well as those who are currently serving.

Then on the 25th, we celebrate Thanksgiving as we became united as the Pilgrims and Native Indians shared a meal together. God was very much a part of forming our beginnings as a nation. God has truly blessed us and we are very thankful for all He has given us to share.

For all those who celebrate Chanukah on the 29th, we wish you a Happy Chanukah! Be blessed!

We are happy to announce the Bible Study on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn, is going great. We are studying the book of Job. Always room for more,. All are welcome, come join us. We are now broadcasting the Bible Study on Spectrum channel 732 on Thursday mornings from 9:30 am to 10:30 am.

If you know of someone in the Paradise Island Park that needs prayer and could benefit from a prayer bear, please contact Pat Murphy by email: pamurphy51@gmail.com , with pertinent information.

BE AWARE WE CARE!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bill Ogburn (727) 474-2722 or Serena Johnson (727) 530-5905. If no answer please leave your name and number and we will get back to you ASAP. **WE ARE HERE FOR YOU!**

Tufted Titmice

By Pam Stover

Tufted Titmice look large among the small birds that come to feeders, an impression that comes from their large head and eye, thick neck, and full bodies. The pointed crest and stout bill help identify titmice even in silhouette. Color patterns are a soft silvery gray above and white below, with a rusty or peach-colored wash down the flanks. A black patch just above the bill makes the bird look snub-nosed. Tufted Titmice are acrobatic foragers, if a bit slower and more methodical than chickadees. They often flock with chickadees, nuthatches, and woodpeckers and are regular visitors to feeders, where they are assertive over smaller birds. Their flight tends to be fluttery but level rather than undulating.

The tufted titmouse gathers food from the ground and from tree branches. It eats berries, nuts, insects, small fruit, snails, and seeds. Caterpillars constitute a major part of its diet during the summer. Titmice will stash food for later use. The titmouse can demonstrate curiosity regarding humans, and sometimes will perch on a window ledge and seem to be peering into the house.

Feral Cat Control

By Janice Buchko

Feral cat “caretakers” should know the cats they feed and should report any breeding cats so they can be TNVR processed (trapped, neutered, vaccinated, and returned). A cat that has been processed will have their left ear tip snipped off. There are still a few breeding cats roaming around the community and we are asking that you do not leave food out randomly for cats as it impedes the trapping process.

Walkers and Wheelchairs Available for Residents

The Social Committee has Walkers and Wheelchairs available to help residents who need them TEMPORARILY. We need to get them back to be available for other residents.

To check one out, please contact Myron Zarlinski 533-8208, or Chuck Wellock 417-9538.

When no longer needed, PLEASE RETURN PROMPTLY to the clubhouse so that others can use them. We currently have a shortage of wheelchairs because they have not been returned.

Welcome to everyone, both new residents and all of our snow birds coming back for another season of fun! The number of new residents we have got to meet over this past year is amazing!

Now, as life continues to return to what all of us here in the park consider normal, we look forward to seeing many of you at the upcoming social events that are planned for this season! It is a great way to meet new friends and enjoy life as we know it in Paradise!

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. — Joel Osteen
