## FROM THE OFFICE

---

I would like to remind all residents that if you are experiencing a power or sewer problem, you need to contact Roy ***BEFORE*** calling someone else to come fix the problem. Roy has ways to figure out what is the Park's responsibility and what is the Resident's. If you do not follow this procedure, the plumbing or electrical bill is yours even if it would have been a park problem. We have our own Electrician and Plumbing companies to work on these items; they are licensed, insured, and most importantly, familiar with mobile homes! Under no circumstances should anyone make changes inside the main outside electrical box without Park awareness, as it belongs to the park.

Just a reminder, we have the **free food event** every-other Monday. Dates and times for November : Monday the 8th at 3 p.m. perishables; November 22nd 11 a.m. dry goods. FOR BOTH EVENTS, you must bring your own bag; they will last until the food is gone-first come, first served but no one will be allowed in before the scheduled times; 11 a.m. and 3 p.m. This is provided by Good Neighbors Inc., which is a non-profit organization that helps distribute the available food throughout Pinellas County. It is not income based; it is for everyone. I just ask that you do not take more than you need, or to stock up for someone who lives outside of the Park! (Perfectly okay to get some for a park resident who cannot get out on their own to pick it up).

POOL UPDATE: As I write this article, I have a tentative date to finish the deck. The gates are Pinellas County code, so quit complaining about them! I can't believe after FINALLY getting a new pool that people still have to find something to complain about! Think about this....Mr. Larson proposed a \$30 rent increase to me, but we agreed upon \$20.....for \$30 a month I could probably put a gold-plated gate in!

You should have received your rent increase letter by now; if not, stop in the office and pick one up (and verify that we have your correct address if you are a snowbird).

The next Manager's Meeting will be **Nov. 10th**, 9:00 A.M. for coffee; meeting at 9:30 a.m. Please note: If you plan to attend, practice social distancing that you are comfortable with. If everyone at the table is wearing a mask and you are not, please respect that and sit elsewhere.

## BOOK REPORT

---

The “First Rule” is a thief must forsake his mother, father, brothers, and sisters. He must not have a family-no wife, no children. We are his family! Frank Meyer and his family are executed in what looks like the seventh home invasion in the city. The first six invasions happened in homes that have a criminal connection. The police are thinking Frank was dirty also, but Joe Pike knows better. Joe used to employ him when they were mercenaries, but he was also a friend. Joe and his friends get to the bottom of this murder, but it will not be easy because there is a mob connection! And the police are being nothing but a hindrance! I couldn’t put this book down!

Robert Craigs writes detective fiction. He was born in Independence, Louisiana and was adopted and raised as an only child. In 1978 he moved to Hollywood and became a screen writer for shows such as Quincy, Cagney and Lacey, Miami Vice and L.A. Law to name a few. His series include Joe Pike and Elvis Cole. He also writes some stand-alone novels. Robert is published in over 62 countries.

There is a designated spot where all the books Embassy has from the featured Author will be on display.

Don’t forget the Library is open daily 10 – 6: Wi-Fi can be accessed from the screen room 24/7. Please use your Library.

The office also has for sale pool cover-ups, embassy mailboxes, and face masks that help support our Library.

Please remember to be safe and take precautions. Turn out the lights and please turn off the fans when you leave. Please take your garbage with you.

## “NATIONAL NIGHT OUT”

“National Night Out” is an event that partners the community and police department to foster a sense of “unity” between the two.

On October 6th, the Social Club, in conjunction with the neighborhood watch Sponsored a National Night Out at Embassy.

The evening started with a delicious Spaghetti dinner prepared by Ron Russell and Mike Matheny (with the help of Cathy Russell, Angela Robinson, and Sandy Nader). This was followed by a 50/50 raffle that OF COURSE was won by Ron!

Officer Tran, the liaison between the police department and Embassy, hosted the evening.

The displays that were set up on the park grounds outside the clubhouse included information about the “Marksman” program: a precision unit that can use sniper rifles/firearms that can hit a target at 1000 yard away.

Another point of interest was the “ROBOT” that is used for surveillance to enter places that are deemed too dangerous for an officer.

A vehicle that is used to roam the neighborhood for possible crime detection was also available for residents to view and discuss joining the volunteer organization.

The Largo Fire Department was represented by 4 firemen that explained the various tools used on a fire truck.

The Largo Library had an exhibit and a table of give-away items. The Library now has an innovative program that will deliver books directly to your door. If you would like further information concerning this new program, call 727-587-6715.

The “highlight” of the evening was the canine demonstration. These dogs are used to sniff explosives and drugs. Their duties include helping to detain criminals, suspects and guard/protect their partner. They go home with their trainer and are considered part of their family.

This “National Night Out” brought together the police, fire department and our community under positive circumstances.

Thank you to Ruth Cushman for this article, this is exactly what we need more of!

(look elsewhere in the issue for an article submitted by Officer Tran regarding this program).

## QUOTE: AS A MAN THINKETH

by James Allen

---

Mind is the Master power that molds and makes,  
And Man is Mind  
And evermore he takes the tool of thought  
And, shaping what he wills,  
Brings forth a thousand joys,  
A thousand ills:-  
He thinks in secret, and it comes to pass:  
Environment is but his looking glass

## NATIONAL NIGHT OUT

---

National Night Out promotes police-community partnerships in neighborhoods across the country. The event focuses on community and raising awareness through camaraderie. While not all events are so large, the important element of this event is community engagement and safety. This year 2021 the Largo Police Department had partnered with three communities to celebrate National Night Out.

- Embassy Mobile Home Park,
- Whispering Pines Community
- S. Palm Dr. S. W

These events were a huge success. Members of each community had the opportunity to meet and engage the Largo Police Officers along with our Largo Fire Rescue Department. In addition, members of the community were able to meet and greet their neighbors. These events foster and strengthen the critical partnerships among communities, neighbors and law enforcement. Among several activities, our famous MRAP vehicle and the K-9 demonstration were a huge hit. Thank You,
