TMHA MESSAGE

Submitted by Ben Cortez, TMHA President

Greetings; John Houle asked that if residents are having problems with leaking faucets please contact him or get a plumber to fix these leaks. If this problem goes unchecked it could mean a rent increase for all of us. There was a problem with a home owned by a northerner that had a pipe break and went unnoticed by neighbors. Let's do our part in keeping the cost down.

In November we will be posting the names of the people seeking a position on the TMHA board of directors in the three (3) clubhouses. The only requirement is that you are a resident homeowner in Teakwood Village. We have three (3) positions on the westside and one (1) on the Eastside that need to be filled. You will have until the December informational Meeting to submit your name. After that, nominations will be closed. Please submit your Bio to John Collins, the Nominating Committee Chairman, at 253 Half Moon or call 727-584-2819.

I have gotten a few calls about the pools closing at dusk. Florida law states that if a pool does not have a lifeguard the pool must be closed at dusk to prevent drownings. Please do not argue with the person assigned to close the pools, they are doing their job.

The board has been working on the bylaws changes. They will be presented at the December Information Meeting for you to accept or reject; we are hopeful that they will be accepted.

FROM THE MAIN OFFICE

Submitted by Lori Figler

We are heading into the holiday season, and I have a couple of topics for November. First, we have a request from the mail carriers. They have to put the mail in your box. Please, please, please do not go up to the mail carrier and ask for your mail.

He has a job to do and we need to let him do it. No going up to the mail carrier and asking for/demanding your mail he MUST put it in your box.

Second, is a topic none of us want to talk about again, the lawns. I know, I know, we've discussed lawns, bushes, flower beds, weeds and trees before, but we are having a bit of trouble with overgrowth. Ok, understatement, a lot of trouble. If you are going to be away from Teakwood for any length of time, you need to hire someone to take care of your weeding and trimming. This is not part of what Teakwood takes care of, but it is part of the Rules and Regulations (see section H: Mobile Home Lots for reference). Since we are talking about things to take care of, make sure to keep the outside of your home clean and mold and mildew free. Now I know many of you have not been to Teakwood in quite a long while and that's precisely what this is about. Have someone take care of trimming the bushes and weeding when you are unable to do it/be in Teakwood. Thank you.

We start November with All Saint's Day/Dia de los Muertos on the 1st and end November with Nat'l Personal Space Day on the 30th celebrating Thanksgiving Day on the 25th. Just a reminder Teakwood staff have off the 25th and 26th to celebrate Thanksgiving and the office will be closed.

Next Board Meeting November 4th

PRESIDENT'S MESSAGE

Submitted by Judy Glenn

Greetings and happy November everyone. Lots of exciting events are coming up in the next couple of months. The election for the Social Club Executive Board will be at the December monthly business meeting. Even if you do not come for coffee please come for the voting. All seven positions must be filled. Our nominating committee will be announcing the names of the candidates at the November meeting directly after Koffee Klatch on November 9th. We hope to see some of our newer residents putting their names up for consideration. I'm pleased to announce that Wally Ray, Ben Cortez and other residents will be hosting a music venue at the Aloha Hall on the 1st Monday of each month. "Music With Friends" starts November 1st.

A delicious Thanksgiving dinner is planned with Ed & Donna Hatch hosting and their son from Bam Bam cooking. This is just in time for our northern friends to join us for a Thanksgiving celebration.

All information for social events will be announced, and tickets sold, at Tuesday coffee (another great reason to attend). I hope to see you there. Until next time my friends, count your blessings and give thanks.

for services rendered

- Directors (3): perform duties as assigned by President

Per the Social Club by-laws, a nominating committee has been selected. If you would like to run for one of the open positions, please contact anyone of these people to submit your name:

Larry Kanan (Chairperson) – 727-584-7223

Donna Voigt – 727-586-4173

Joyce Parker – 727-584-8848

On October 12, 2021,

The Nominating Committee was announced

On November 9, 2021, at the regular business meeting, after coffee, the Nominating Committee shall present the candidates for Social Club Officers. At that time only, additional nominations will be permitted from the floor.

On December 14, 2021, at the regular business meeting, after coffee, the election of officers will be held by ballot or by absentee ballot. Absentee ballots will be sent to requesting members during the month of November and are to be mailed and received back by the Secretary the Monday before the election (December 13th).

The newly elected officers shall take their positions as of January 1, 2022. It doesn't matter if you have lived here for years or are new to the park. This is a great opportunity to get involved and maybe bring some new ideas to the club. The variety of Social Club functions is one of the reasons that Teakwood Village East is such a desirable place to live.

VOLUNTEERS NEEDED!!

Submitted by Dianna Martin

Sharon Sklar has gotten a couple more volunteers but not nearly enough to take us through the year and in to 2022. Tuesday morning coffee is still in danger of being cancelled unless Teakwood East residents sign up to help out. The main need are people who will sign up as Host. Sharon has a list of people who are willing to help out with serving donuts, selling tickets and serving coffee. All the Host needs to do is to open with the pledge of allegiance, lead the prayer or find someone to do that, call numbered tables to go up to get their donuts, announce birthdays & anniversaries, acknowledge guests. All of the information on B-Days, anniversaries & guests is given to you. You do not need to be a homeowner!!! If you rent for the season and would like to take an active part in our community please get in touch with Sharon Sklar. Sharon has an on-going list for helpers to: pass out the coffee carafes to the tables (3-5), collect money (1), hand out placemats & napkins (1), put donuts on trays and serve (3-5). It takes very little time and effort but makes a big impact.

In addition to individual volunteers, I would like to encourage residents who get together for a

regular weekly/monthly activity such as pool, poker, canasta, cribbage, bocce etc. to volunteer as a group to take one or two weeks each year.

Some of our snowbirds will be returning to Teakwood in October, November & December. If you know you will be here on one or more of the dates listed above, please get in touch with Sharon Sklar now to sign up. Sharon’s number is 727-667-9412 or if you are already here there is a sign-up sheet on the bulletin board at Aloha Tiki. If you wait too long it may be too late. We must all pitch in if we want this activity to continue.

A volunteer is needed to lock-up the Tiki Clubhouse in the evenings. If you can help out, please contact Judy Glenn. A stipend of \$50 goes with this position as it is a 7 day per week job. Many thanks to Janie Bridges who has done this in the past and will continue to lock-up the Aloha Clubhouse in the evenings.

MEMBERSHIP FOR 2022

submitted by Victoria Rios, Vice President

Social Club memberships for 2022 are now on sale now at Tuesday Koffee Klatch. The \$2 membership fee is good from January 1 – December 31, 2022. By becoming a member, you will save much more than \$2 when you buy tickets for dances, dinners and other events as non-members pay a higher rate. Don’t wait! Get your membership cards now and save for the upcoming events in 2022.

NOVEMBER IS FOR THANKS

I want to say THANKS to everyone who was so loyal, friendly, kind, gracious, helpful, and generous with their time and ideas. Every person I met in my 16 years in Teakwood Village East affected my life. Some with their wit & wisdom, some with their kindness & sympathy, some with their creativity & knowledge, some with their humor & general wackiness! (My kind of people!)

I just want my Teakwood friends to know I am so grateful and appreciative. A personal THANKS to you, Dianna, for taking on the newsletter/monthly media. You're doing a wonderful job. *Kathi Hawkins former Teakwood resident*

Someone asked me what I like about Teakwood. I can honestly say it is the people. I've never in my life had so many caring friends around when I needed them. I hope and pray if someone asks you about Teakwood you can say the same thing. To all my friends, I want to thank you for being there when I needed you. You'll never know what that meant to us. Thank you Teakwood *Les and Karla*

Loretta and I want to thank all who sent cards, texts, and phone calls for the condolences we received from our friends in Teakwood for the passing of Loretta's Sister Pam. Thoughts & prayers were very much appreciated. *Loretta & Terry Tillman*

PANCAKE BREAKFAST

An old favorite activity is back! Saturday November 1st Roland Lausier and his crew will host the first Pancake Breakfast of the 2021/22 season. If you have never attended before you are in for a treat. This on-going event will be held the first Saturday of each month from 7:30 – 9:00 A.M. at the Aloha Hall.

Tickets are \$3 per person and what a deal...pancakes, sausage and juice! Please purchase in advance so Roland & his staff have enough food supplies on hand to accommodate everyone. Tickets are available at Tuesday morning coffee or call Roland at 727-729-2609. If you would like to volunteer to help, please talk to Roland.

MUSIC WITH FRIENDS

Some of our musical friends from Teakwood East & West invite you to join them the first Monday of each month for an evening of music. There will be a mix of music genres. VETERANS DAY REMEMBRANCE

Co-chairs Cheryl Tracy and Ben Cortez

The 11th hour of the 11th day of the 11th month we celebrate Veteran's Day all across this great nation, and we here at Teakwood Village will be honoring our Veterans.

Thursday, November 11, at 11 am we will be having a day of remembrance to honor all Veterans. We have a WWII veteran that we will be giving a certificate of appreciation to from the Teakwood community for his part in the defense of our great nation. We would like to see the Aloha Clubhouse filled to capacity for this event.

We will have some music and a couple of songs. If you have pictures of yourself or a loved one who served that you would like to display, please bring it to the clubhouse. We will have a table set up for this. There will be light refreshments at the end and time to reminisce or have your picture taken with a WWII veteran.

All branches of the service will be honored

Doors open at 10am and the program promptly at 11am.

I SCREAM.....YOU SCREAM!

Submitted by Ann Cortez

On September 22, 2021 about 40 people gathered in the Aloha Clubhouse to celebrate the "End of Summer" with an Ice Cream Social. That day may have been the first day of Fall, but we sure didn't feel any chill in the air. We gathered to enjoy the wonderful taste of vanilla ice cream with a variety of toppings including chocolate, caramel, fresh strawberries and pineapple. Of course, you can't have a sundae without topping it off with whipped topping, nuts and a cherry on top. For entertainment each table worked together to solve a 10 question Ice Cream game. We all had fun and learned a few fun facts about ice cream.

POW/MIA REMEMBRANCE DAY

Teakwood residents paid their respects and remembrance to those who served their country in past wars and are listed as POWs or are MIA with the Missing Man Table. The ceremony was very moving and it gave people time to reflect on those brave men and women who made the ultimate sacrifice for their country.

“...we are called to use our gifts to serve others...”

**CHERYL TRACY

LENNY CARON**

We are so grateful for the volunteers who share their time, talent and treasure with Young at Heart. If you have a maintenance need, a small plumbing or electrical job, or gardening or clean-up work that needs attention, call Harold Voigt (586-4173) for information. All monies generated from their service goes directly to Young at Heart.

School is back in session, with no changes from last year. School staff and children are still struggling. Thank you, Young at Heart donors for the 200 school water bottles....(royal blue with yellow lids and the school emblem printed on the front). So helpful, as the drinking fountains are still closed).

Because there are no field trips or other activities planned, it seems the only way we can offer the children a bit of an escape is through books. I've been shopping on-line at Thriftbooks. This website offers like-new books at a fraction of the cost of new, so I feel good about buying twice as many!! I can search on grade level, condition, topic, and language. The books are shipped directly to High Point Elementary School. So far, they will be receiving more than 60 books for grades K, 1st & 2nd. The books are all Halloween, Thanksgiving and Christmas themes. Some are bi-lingual. Some are educational, but most are just fun!! (I'm sorry that none are religious.) Look for Santa's Toy Box in the Aloha Hall beginning on December 1. Young at Heart will again be gathering toys for the kids at High Point Elementary School. Any toy for any age would be great!! (Educational toys are the best!) Even baby toys for younger siblings are fine!!

If you don't shop but would like to donate for Christmas, our personal shopper is available to help you! Contact Barb Wautlet, 496 Red Wing Circle for information. The toys will be delivered to school on December 8th. This gives the staff a little time to sort and organize. Thank you so much for supporting “our kids”!

I've been watching the balance in the Young at Heart bank account go up and up and up over the summer. So many volunteers continuing to offer their time, talent and treasure for the benefit of the kids. We continue to be good stewards of your money and will keep you informed on all the wonderful things your donations provide. 'Cause, you know, it's all about the kids!

DINING OUT

Hungry Crab open Sun-Thurs 10 am – 10 pm; Fri-Sat 10 am – 11 pm
Largo Mall; hungrycrablargo.kwickmenu.com

Have you tried the Hungry Crab at the Largo Mall? It is in the former Sweet Tomatoes building but looks absolutely nothing like it did. Several folks have tried it and the consensus is, “What a good mess.”

It is not easy to find restaurants where they do seafood boils. Nauti Nancy's used to be the only one around. Now, we have the Hungry Crab and it features several boils. Each has a red skinned potato and corn on the cob along with various choices of scallops, yum, crayfish, yum, and shrimp, mussels, snow crab legs, yum. You can have ½ or whole pound of seafood, some offerings have two choices. Get the picture?

The guys will want a full pound which also has an extra potato and maybe the gals the ½. I had the latter of scallops and there were maybe ten which did not look like many but were filling. You can choose a boil to share, too. You just need to decide what your tummy feels like eating. By all means be certain to choose their house seasoning of Old Bay, garlic, and lemon pepper. Oh, so tasty. The boils are served in a steamable plastic bag and set upon a silver tray. The cute paper covering the tables has red crabs which makes it festive. Tableware includes a cracker and a “digger” (although I am sure it isn't called that.) There are crabs on the paper plates, too. (Next time I will share a bigger boil if we can agree on our seafood.)

So, you dig in. You get your fingers all messy, and enjoy. Don't forget the good flavors in the bottom of the bag. Forget the wet nap as you really will need to go wash your hands, maybe up to your elbows.

Our wait staff thought it funny when we decided to have soup after the boils. Forget the pie, bring soup. Marty loves gumbo and couldn't leave without trying it, so, I decided to try the chowder. The bowls were overflowing. His gumbo was chock full of all the components in a good gumbo. He rated it one of the best he has ever had. He has had quite a few in his lifetime. I only had the chowder because it was New England style, however, it was too milky and not filled with much else. I added salt and pepper, but it did not help.

I also did not care for my Hungry Hurricane. It was bland and rather watery tasting. There is a bar to the right of the dining area. There is not a long list of cocktails, they range in price from \$6-8. You can buy a draft for \$2.75.

There is very little option for fish but hey, the place is the Hungry Crab. The boils range in price from around \$10.99-\$29.99 for a sharable with two pricier options for huge appetites or sharing. When I want another boil, I'll be back.

If you are looking for a restaurant for the holidays you should try Lucky Dill for Thanksgiving. We were there in 2020 and started with Grandma's Relish Tray which we could not finish. Our dinners came piled high with delicious moist white and dark meat turkey along with mashed potatoes – my favorite, green beans, pearl onions, sweet potatoes, and delicious bread assortment. Then yummy desserts. We had several meals of left-overs for just under \$70.

PRESIDENT'S MESSAGE

Now that summer has ended, we look forward to the coming of the fall and winter seasons. Before the pandemic, around this time, the park started to come to life. We are hopeful that our Northerner friends will be back to get the fun started. Shuffleboard, headed by John Watson is scheduled 4 times a week (schedule on the calendar) and Game of Nickels on Sundays. Bar Poker at the clubhouse has been canceled due to low attendance. There has been some private parties, in the summer, organized by Bernie and Ruby. The weather here has been wonderful, beaches have been opened. We are sad to hear the news that two of our Teakwood friends have passed away, Fred Alpaugh and Kathy Arsenault. They will be missed, please keep them in your thoughts and prayers. Decoration for tables for Halloween have been done and they look nice, thanks to Julie Smiedendorf for guiding us. Hopefully by next month we will be celebrating the news that you all are on your way here.

The Spirit of Thanksgiving

“Give thanks to the God of heaven. His love endures forever.” Psalms 136:26

November is a time of giving thanks, and in the spirit of the Thanksgiving season, we want to reflect on the gratitude we can express towards those involved in our lives. Being thankful shows that we appreciate all the blessings we receive great and small, thankfulness brings us together and shows that we appreciate one another. We have to be grateful for every small things we have, because some people aren't as fortunate as us.

Fall is my favorite season. There are so many things to be thankful for during the season. Tree leaves turning into golden yellow or rich reddish-brown, when the wind blows, these beautiful leaves fall and twirl around till they touch the ground. Crisp air, sweaters and boots, smell of pumpkin pie in the oven, the smell of autumn, driving down the country road with friends or family enjoying the fall foliage. The autumn air smells like caramel and burned sugar. These are some of the things I am thankful for and miss so much now that I live in Florida full time.

Before retirement, whenever I was able to find the time, I went to the park and walked around to enjoy the majestic beauty. It took my breath away looking at the beautiful colors, just like works of art. It was a beauty to behold. Especially when there was a slight breeze and the leaves fell all around me. The soft crunch as I walked along the trail or sidewalk made for a relaxing background noise. It was very colorful seeing all of the leaves spread all across the ground. And when I breathed the air and really felt it entering my lungs, it made me feel good, refreshed and thankful to be alive. The air tasted like honey when I took the time to appreciate it. It made me realize that taking things for granted is not the way I should live my life so I constantly remind myself about how good life is.

Fall Harvest is celebrated during this season. Apple🍏picking became an escape for me from the noise of a bustling city, working gruelling hours to meet deadlines. Going to the farm, I always looked forward to buy a gallon of apple cider and a box of apple doughnuts. There were times, I couldn't resist and I began biting into the apples as soon as I picked them. Apple picking presented a way to leave behind the stress from my job for a day and be completely stress free.

Our country celebrates Thanksgiving the 4th Thursday of November. We unite with family and friends and break bread together. We share delicious Thanksgiving meals, share stories and watch some football. The beauty of Thanksgiving is you give, you share, you eat and drink, you laugh and cry and you thank loved ones.

Thanksgiving is also the time to reflect on all the blessings from God Almighty. Each morning I wake up is a blessing knowing that God is not through with me yet and just to know that God still has a plan for me. When I wake up and open my eyes and able to see the surroundings, able to hear the birds chirping outside, I remind myself not to forget that these are blessings from God that no money can buy.

♪♪“When I’m Worried and I Can’t Sleep, I Count My Blessings Instead of Sheep, And I Fall Asleep Counting My Blessings” ♪♪

So, what does Thanksgiving mean to you and what are you thankful for?

Safety Tips for Fire Prevention-

Recognized each October, **National Fire Prevention Week** serves to educate the public on the importance of fire safety and prevention.

Fire Prevention:

- Never leave a hot stove unattended and always keep a fire extinguisher in the kitchen.
- Be sure to have a smoke alarm inside bedrooms and outside of each room of your home, and test them frequently.
- Check your outlets and extension cords to make sure they are not overloaded.
- Do not smoke inside your home. Or better yet, quit smoking altogether.
- Keep flammable items in open areas and away from heat sources.

The theme of this year's Fire Prevention Week is "Not Every Hero Wears a Cape. Plan and

...continued on page 42

Practice Your Escape”. Consider the following escape planning tips:

- Create a home fire escape plan.
- Each member of the family should know two ways out of every room.
- Don’t forget to designate an outside meeting place.
- Practice a home fire drill with your family at least two times a year.

Be Fire-Safe in the Kitchen

1. Stay in the kitchen when frying food or cooking with oil or grease.

2. Never cook when you are tired.

3. To put out a pan fire, slide a lid over the pan. Turn off the stove and let the pan cool.

Be Fire-Safe in the Kitchen

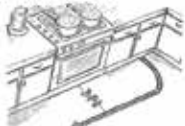

4. If you have a fire and it does not go out, get out of the home and call the fire department.

5. Keep things that can burn away from the stove.

6. Keep kids at least three feet from the stove.

Smoke Alarms at Home

SMOKE ALARMS ARE A KEY PART of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

SAFETY TIPS

- Install smoke alarms in every bedroom. They should also be outside each sleeping area and on every level of the home. Install alarms in the basement.
- Large homes may need extra smoke alarms.
- It is best to use interconnected smoke alarms. When one smoke alarm sounds, they all sound.
- Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working.
- Current alarms on the market employ different types of technology including multi-sensing, which could include smoke and carbon monoxide combined.
- Today's smoke alarms will be more technologically advanced to respond to a multitude of fire conditions, yet mitigate false alarms.
- A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove.
- People who are hard-of-hearing or deaf can use special alarms. These alarms have strobe lights and bed shakers.
- Replace all smoke alarms when they are 10 years old.

FACTS

- ① A closed door may slow the spread of smoke, heat, and fire.
- ① Smoke alarms should be installed inside every sleeping room, outside each separate sleeping area, and on every level. Smoke alarms should be connected so when one sounds, they all sound. Most homes do not have this level of protection.
- ① Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms or no working smoke alarms.

VINTAGE LIFE HACK FROM 100 YEARS AGO

- Ruby Torino

Removing Ink Stains

Office workers and school kids often find themselves in a difficult situation with ink stains, which can be challenging to remove. When a piece of cloth is stained, how can one remove the stain and maintain the fabric's quality? A simple beauty hack helps solve this particular problem. Take the piece of cloth, especially the affected area, and soak in a bowl of milk. After a while, the ink is removed completely. The milk also gives the fabric a pleasant smell after washing.

Veterans Day - November 11th

Veterans Day honors all members of the Armed Forces who served this country valiantly, and in a very big way. They served and fought to protect us, to keep our country safe, and to preserve our way of life. Veterans gave their time, and risked their lives for you and me. In some cases, they made the ultimate sacrifice.

Thanksgiving Day - 4th Thursday in November (USA) - 2nd Monday in October (CA)

Thanksgiving Day, annual national holiday in the United States and Canada celebrating the harvest and other blessings of the past year. Thanksgiving is a day family and friends have a traditional meal including turkey. Americans generally believe that their Thanksgiving is modeled on a 1621 harvest feast shared by the English colonists (Pilgrims) of Plymouth and the Wampanoag people.

The Ghost Car

A traveler was walking along the side of the road hitchhiking on a dark night, in the middle of a thunderstorm.

Time passed slowly and no cars went by. It was raining so hard he could barely see his hand in front of his face.

Suddenly he saw a car approaching, moving slowly and appearing ghost-like in the rain. It slowly and silently crept toward him and stopped.

Wanting a ride very badly, the guy jumped into the car and closed the door; only then did he realize that there was nobody behind the wheel, and no sound of the engine to be heard over the rain.

Again the car crept slowly forward and the guy was terrified, too scared to think of jumping out and running.

The guy saw that the car was approaching a sharp curve and, still too scared to jump out, he started to pray and beg for his life. He was certain the ghost car would go off the road and into the river, and he would surely drown!

But just before the curve, a shadowy figure appeared at the driver's window and a hand reached in and turned the steering wheel, guiding the car safely around the bend. Then, just as silently, the hand disappeared through the window and the hitchhiker was alone again.

Paralyzed with fear, the guy watched the hand reappear every time they reached a curve. Finally the guy, frightened nearly to death, had all he could take and jumped out of the car and ran through the storm to the nearby town.

...continued on page 54

Wet and in shock, he went into a lighted tavern and with voice quavering, ordered a drink, and then, shaken, he told everybody about his supernatural experience.

A silence came over those listening and everybody got goose bumps.

They realized the guy was sober and was telling the truth. And the sounds of the storm continued outside.

About a half hour later, two guys walked into the bar and one says to the other, 'Look Billy Bob, there's that idiot that rode in our car while we were pushing it in the rain.'
