- *All pets are required to have an annual rabies vaccine.*

Postdated Checks

In the past Golden Gate has accepted postdated checks for payment of monthly maintenances fees. This creates a bookkeeping challenge keeping track of all these checks. It is also questionable as it is illegal in most states. Occasionally checks are deposited out of order, usually causing returned checks and resulting in bank charges because most banks will not honor these checks.

The Board of directors has decided to honor all existing postdated checks through December 31, 2021. Any checks we currently have in the office dated after December 31, 2021 will not be deposited and will be returned to the resident.

Effective immediately, we will no longer accept postdated checks. However, if you continue writing monthly checks or use money orders, please note your checks are due on the first of each month. Payment is late after the 5th. We are no longer sending out late notices. Late charges start on the 6th and can accumulate up to \$25 per month. We encourage residents to use **Bill Pay** through their banks to ensure payments are received by the first of each month.

Grass Cutting

The mowers are going to be in our community on Thursday afternoons and Fridays and will follow the winter schedule, cut every other week.

How to pay your monthly maintenance fees

Golden Gate residents use many different methods to pay their monthly maintenance fees

1. Write a monthly check INCLUDING LOT#, place in the mail, or deliver to the office before the 1st of each month to avoid late charges.
2. Write one check to cover two, three, six or twelve months – mail or deliver to the office.
3. Pay in cash– Highly discouraged or money orders.

We will no longer take postdated checks.

Cash payments are discouraged as the homeowners’ association incurs a bank charge. The bank charges approximately \$10 for large cash deposits. Seems outrageous but they must call for a pickup to deposit extra cash in the federal reserve bank and remove it from their premises.

BEST OPTION TO PAY YOUR MONTHLY MAINTENANCE FEE IS BILL PAY!

Use Bill Pay at your bank (most banks offer this service at no charge and saves postage) If you have a computer, you can do it yourself or go to your bank, they will assist you.

- Sign on to your account
- Go to Bill pay
- Set up recurring payments
- Put in Golden Gate Residents
- Address 8201 40th St No, Pinellas Park, FL 33781
- Account No. – Your address/lot number
- Date to mail on the 25th to 28th of the month to ensure payment received by GG by the 1st of the month to avoid late charges. Checks are never deposited by GG before the 5th of the month.
- Recurring 12 payments

Remember to change amount annually if necessary, according to approved budget.

If you need help, your bank will help you or one of the directors will guide through the process

Articles for the Newsletter

Did you ever want to be a journalist? Now is your chance. Looking for writers for interesting articles about our community. They can be human interest or about events happening in the community, it's up to you.

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, *by the Monday before the third Tuesday of the month.* If you don't have a computer you may continue to deliver a double-spaced paper copy, again, by the Monday before the third Tuesday of the month.

Parking Request

Whenver you, your guests, or contractors need to park out on the street, please follow Community Rules! *NO PARKING ON SIDEWALKS.* Your maintenance fees pay for all repairs. Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to "zig-zag" to get by. This causes obstructions and creates a dangerous situation for pedestrian, cars, golf carts and bicycles.

FROM THE LIBRARY

YOUR LIBRARY STAFF
The Golden Gate Library is sponsored and maintained by gracious volunteers from the Golden Gate Women's Club. The library consists of a variety of books, puzzles, and magazines for the enjoyment of all Golden Gate residents.

A certain selection of books and magazines are extremely popular. Check outs and returns are based on an honor system. Some extremely popular magazines are taken as soon as they arrive in the racks, but they sadly are not returned for other residents to enjoy. Please take only what you can enjoy in a reasonable amount of time and return as soon as possible for others to enjoy.

News flash

We finally have approval to start the family bathroom, October 4, 2021. This will create some temporary inconvenience. During the time of construction there will be **NO** access to the clubhouse from the back patio. The main entrance will be open, as well as, the door by the laundry. **Please stay out of the construction area** and don't interfere with the workers by asking questions. If you have questions come to the office, send an E-mail or drop a note in the box. Remember the old saying if you help, the cost will double.

CHRISTMAS CAROLERS !!

Christmas is coming quickly, and we are planning to have an acappella Christmas Carol Group to sing around the Nativity in front of the Club House in December. No date has been selected as yet, still in the planning stages.

Would like to have the **1st practice** on the patio at the Club House at 2:00pm on Tuesday, November 2nd. Anyone interested in singing, please contact Don Kuzmickas at 727-579-9089.

Thank you,

New Activity

Chair Beach Ball Volley Ball

We are starting this new activity for everyone in the Community. At the time of this printing the scheduled date and time is being selected. This game is playable by everyone as you do not leave your chair and use your arms only and we use a beach ball. I have seen it played at Mainland and it is a lot of fun.

Hope to see you there!

HOW TO KEEP YOUR HOME PEST FREE

- Most pests come in from the outside. Make sure your home is well sealed.
- Keep plants of the building as they provide pest “highways” into your home.”
- Reduce food, water, and clutter that attract pests inside.
- When leaving for extended periods of time, have someone run water in the drains weekly to prevent pests coming up from the sewers.

Top Tips to Protect Your Bike...

1. Get a decent lock

Bike thieves need to operate quickly to reduce the chance of being caught, so a decent bike lock is literally worth its weight in gold.

A heavy-duty bike lock can make a thief's job more difficult, with the result that they abandon attempts to steal your bike or move onto a bike with a less secure lock.

- Buy a decent lock - preferably two

2. Make your mark

Marking your bike with a unique code ensures that Police will be able to trace your bike back to you if it is stolen and recovered.

3. Insure it

A bike can cost as much as an item of jewelry, an antique or a painting so make sure you are well covered by insurance in case of theft.

4. Out and about

Bike thefts can occur at any time - day or night. A growing trend is that thieves are stealing certain makes and models to order.

- Park your bike in a well-lit area, where it can be easily seen by passers-by.
- Lock both wheels and the frame of your bike to a cycle stand or other immovable object. Use designated parking areas where possible.
- Make sure the locks go through the bike frame as well as both wheels and the post you are securing it to.

5. At home

More than half of bikes are stolen from home. Reduce the chances of this happening by:

- storing your bike in a locked shed or garage
- keeping it out of view
- securing it to an immovable object.

6. Follow the Three R's:

Record-

Keep a record of the frame number, make and any other marks that can identify your bike if it is stolen. Take a photo of the bike and write a description of it, so you can describe it accurately if it does get stolen.

Register-

Register your bike details onto BikeRegister.com. By marking and registering your bike you stand a chance that the police will be able to return it to you if it is stolen and recovered.

Report-

More and more marked bikes are being recovered and returned to their rightful owners, so if your bike is stolen you should definitely report it to the police.

PLEASE NOTE

There is no doubt that COVID-19 has affected us all in one way or the other. The fact that many of our snowbird residents have not been able to come to our park for almost 2 years shows in the condition of many homes in our park. With the hope that our snowbirds (US & Canadians) will be returning this coming fall, I would like to suggest that you might want to consider scheduling some maintenance to be done on your home prior to your arrival. The Board has been very aware and understanding of the effect of COVID-19 on our residents and the difficulty with not being able to hire contractors to come to our homes. Pressure Washing and overgrown weeds are the number one issues right now. Weeds and/or dirt and Mildew on some of homes need immediate attention. It may be more difficult to get someone to hire for these issues when you come down, as many others not only in our park, but also every other park in our surrounding area will be trying to hire them also. You may not be able to get anyone to come to your home for months or longer. Please consider scheduling this work as soon as possible. Many of our residents use the same contractors year after year and have their names and numbers. If there is anything the Board can help you with on this issue, please don't hesitate to contact the office. Looking forward to seeing you all back in our community this fall.

Golden Gate Board of Directors

HEALTH NOTE

Please, Please, Please, If you are feeling ill in any way do not come to the clubhouse or attend any type of events. Stay home, wear a mask and if you need to, go for treatment and generally do the right thing. If in doubt, get tested, better to be safe than sorry.
