Manager's Corner

Submitted by Cary O'Connor, CMCA, AMS

Greetings from the Office...

For those of you just returning, Welcome Back! Can't believe it is November already, and time to celebrate park activities and the approaching holidays. The weather is beautiful and gives everyone a chance to get a break from the air conditioning and get out of the house.

Thank you to Board of Director Don Barnes who is investigating security cameras. This will be a great asset to the park. The Shuffleboard courts will be newly painted, just in time for Shuffleboard season. There has been a lot of changes with people moving to the state of Florida full time. It is definitely a seller's market. Homes are in high demand.

From time to time the office receives requests to either trim, or remove trees from resident's personal properties. Trees **are not** park property. Palm trees are the only trees on residential lots that are taken care of by the park. All other trees are the responsibility of the homeowner.

Pictured above is a Mango Tree. The tree was planted too close to the water lines and over the years the roots caused the water lines to break underground. The water to the entire park was shut off for hours causing inconvenience to many residents. This is why we are so adamant about the installation of trees require approval from the Exterior Alteration Committee prior management &/ or Board approval before a tree is planted. Citrus trees attract fruit rats. Norfolk pines are popular to plant. In time the tree will grow as much as 40' ft. to 50' ft. high. Between the pollen and falling leaves, Oak trees are a nuisance in the winter.

The Association is providing notice that trees on individual properties are not part of the maintenance provided as part of the common property.

Important Reminders:

- Check in with us at the office when you return to the park.
- Also, please remember to clean up your lot(s) and planters. If your home needs to be pressure washed and/or painted, please address this matter shortly upon your return to the Park.
- Landscapers are on property biweekly, Wednesdays and Thursdays.
- SLOW DOWN: The speed limit in Sunset Palms is ten (10) M.P.H. for all vehicles.
- Do not block someone's driveway. Park on the same side of the street to avoid traffic having to "zig-zag" to get by.

President's Corner

Submitted by Bob Lohrman

Hello from the Board of Directors,

Thank you for the comments on last month's article about the twenty-year anniversary of our park. It was appreciated.

At the October Board of Directors meeting, we will be approving new washers for the laundry room, and thanks to Don Barnes we hopefully will have approved security cameras around the entire property.

We have been talking to roadway contractors and a consultant for the roadway project. The roadway committee will make a recommendation to hire the consultant and to oversee the work from start to finish. The roadwork is expected to be completed in 2022.

The landscapers will be on property every other week, Wednesdays and Thursdays.

We received a complaint from the DBPR - Department Business and Professional Regulation filed against the President and Cooperative. Alleged charges stemming from 2015 through 2021. After researching, consulting with the Association Attorney, and sending a response to the DBPR there was no action taken against the association and the case was closed. This results in legal fees.

Our thoughts and prayers go out to our sick and shut-ins and those who have lost loved ones. Hope we see everyone up north soon and that you all enjoy your Thanksgiving with family and friends.

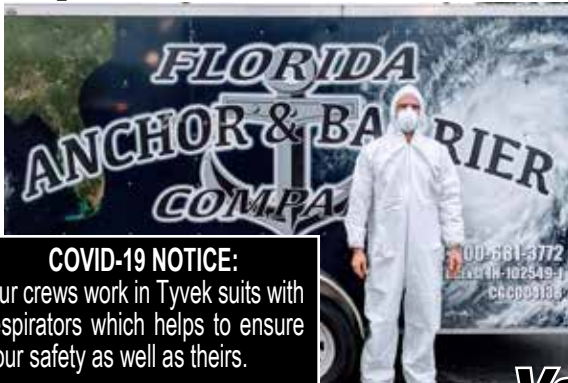

Bob

Art Class

Submitted By Gail Peterson & Helen Sowards

Hello to all of our Artist Family, Hope you and yours have stayed safe during these crazy times. The art class has not been the same without all of our painters here with us. Some of us have still been getting together on Wednesday and painting. If all goes well and all of us are here, we will have an Art show in March 2022. Hope all of you are back with us soon. Take care and be safe.

EVENTS CALENDAR and CLUBHOUSE RESERVATIONS

Submitted by Tina Boske

Everyone can now look at the website for a full overview of the Calendar. Many events have already been inserted for the upcoming season 2021/2022. Organizers are requested to check the Calendar and let me know if any changes need to be made e.g., to start/end dates or times of the events. Spaces are filling up fast so, if you are planning an event, contact me via the website using the Submit an Event button as soon as possible to avoid disappointment.

The website address is : <https://sunsetpalms.org/events>

PLEASE NOTE: Per December 1, 2021 clubhouse reservations and maintaining the Calendar will be carried out by Allison Kellogg (new admin. assistant). Again, reservation requests should be made by using the "Submit an Event" button on the website. If you need to make any changes, then please contact Allison.

Thank you
Tina

Lift Station Monthly Reminder – Important

Submitted from the Office

F *LUSH ONLY*: Body waste and toilet paper. **It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.**

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

Message from the Website Administrator

Submitted by Maggie Stokes

As the park fills back up again with our seasonal residents, I would like to review the changes that have been made in the website and email programs.

Website:

Residents only need to login into the system for two procedures.

1. Submit a request for an event at the clubhouse. Allison Kellogg, the new administrative assistant, will be booking all events starting December 1, 2021.
2. Assess the listing of Sunset Palms residents.

If you are having issues logging into the website, please email me at SunsetPalms3401@gmail.com and I will send a password reset to you. The passwords from the old system will not work on the new system.

Emails:

Emails from the park are sent out on an ad hoc basis. We are willing to let residents know via email of any and all events validated by the park. We need at least 48 hours' notice to schedule an email. Please send requests to SunsetPalms3401@gmail.com with the following information:

1. Name of Event
2. Time of Event
3. Location of Event
4. Description of event
5. Person to contact with email and/or telephone information

I am willing to find line art to add interest to the email.

Please note that all emails will be reviewed for content before they are sent to the residents.

We do not mind sending out an email with a subsequent reminder, but we try not to overwhelm you with emails.

Resident email addresses:

The website and the email program are two entirely separate, different programs. Changing your email address on the website does NOT change the address on the email program. If you have a change of address, please email me at SunsetPalms3401@gmail.com with the new address. If you are not getting the emails, first please check your spam. Again, email me at SunsetPalms3401@gmail.com with your address and any issues. When we converted to the new system last year, some of the internet providers bounced the contact information. Occasionally we also have some providers that do not deliver the mail.

Person of Interest

Submitted by Don Barnes and Lynda Schoonover

Claire Benway the lady and the person Lynda and I were welcomed into Claire's home to do the interview for this story. She has a beautiful home and made us feel so welcomed. Claire is a first-class lady and a nice person to visit with, great personality, and enjoyable to talk to. Her hobbies are crocheting, and rock painting. She also loves to dance especially line dancing and one called Mexican train and plays the piano. Claire is someone that everybody would enjoy meeting.

CLAIRE'S CHILDHOOD YEARS

Claire was born and raised in Marlboro, Massachusetts and had three brothers and one sister. She also lived in or near Westboro, Massachusetts. There was a lot of love and happiness in their family, and she finished school and learned to play the piano.

CLAIRE'S OCCUPATION

After school Claire got a job with the Bell corporation as a secretary and then moved up to accounting. In her job she had to do a lot of typing and writing, which put a lot of strain on her fingers and wrist, but it was rewarding, and it was also the place that she met her husband to be Mr. Bryan Benway.

MARRIAGE AND MORE HAPPINESS

Claire was so impressed with Bryan's looks; he was so handsome, and he had a great personality, as well as he was very sociable. It may have been love at first sight or if not, it did not take long.

It was like a marriage made in Heaven, they have been married for 35 years and shared a lot of things together. They have six daughters and one son, Thirty-three Grandchildren, and Thirteen Great Grandchildren. Quite a large group.

The only two states that she has lived in are Massachusetts and Florida. Bryan and Claire traveled a lot and has seen a lot of the US. The main thing between them was their happiness together. The most memorable moment in her life is getting married to Bryan and all the beautiful places that they have seen. The most wonderful thing in her life is the great relationship between her and Bryan, having her children, and seeing her 33 grandchildren, and her 13 Great Grandchildren. The only thing that is still on her bucket list is staying healthy and enjoying life for a long time, maybe 100 years, who knows. Right now, life is good.

TRAVELING AND SEEING BEAUTIFUL PLACES

Claire and Bryan decided to see the United States and all the beautiful places that they wanted to see, so they bought an RV and later a 5th wheel and hit the road for 15 years. They have seen just about all the states.

They loved all the western states especially Arizona with all the parks and sights to see, like the Grand Canyon and the painted desert where she got interested in painting rocks. Notice the two rocks that Claire painted, and they look great.

I will not list all the places that they have seen, or states. They did travel through New Orleans, and it was a short time before it was just about destroyed by a Hurricane.

Bryan was asked to travel overseas with the company in his job and he asked them if he could take Claire with him and they said yes, but she would not get paid. So fortunately, she got to go with him to London, England, Finland, and Sweden. So, every day that Bryan would have to work, Claire would get to go sight-seeing and got to see a lot of beautiful places and sights

SUNSET PALMS

Claire and Bryan have been in Sunset Palms for 5 years but only in the winter months. The summer they go back to Massachusetts. Claire participates in the line dancing and walks a lot.

This year she is impressed with how all the yards are so green. She likes the cleanliness of the park. They bought a place in Largo before moving here and after looking around decided that Sunset Palms was the place to live in.

When asked on what improvements she would like to see, she mentioned security. She would like to see gates on all the entrances, and thinks that cameras would be a good thing to have in the park.

In closing Lynda and I would like to thank Claire for letting us do the interview in her home and thank you for the hospitality.

After the service, he moved to California and went to work for Peregrin which was bought out by H.P. He has worked for I.T. Technologies since April 2017 and has 4 more years before retirement.

Our Mystery Person is Mike Price. He has a son, Michael, and daughter Kacie Maree and one grandson, Landon. He is currently single.

He doesn't have much time for park activities since he is still employed. Mike does help out with the pancake breakfast.

He hasn't seen much change in the park but would like to see the roads repaired.

Memorable times in his life is the birth of his daughter, Kacie Marie and being close to his family since moving to Sunset Palms. His mother is Billie Barnes and his Aunt is Paula Kilgore.

His bucket list would be to spend more time on the water, maybe start a charter service. Having traveled to much of the world while in the marines, he hasn't been to Russia and would like to go there.
