HOA

W elcome back to all of our snowbirds. Hopefully we will be seeing you all in the near future. I am writing this in mid-October, so we wish you all a happy fall, and a great Thanksgiving. It was with sadness that we learned of the death of Ambrose O'Leary. He was an officer in our Home Owners club for many years' and a val;uable board member. He also helped us rewrite the by-laws, and was a wonderful source of information. He will be missed by all

Our annual meeting for the Home Owners Association will be held, as always, in late January. We will be holding an election of officers at that time. We will be electing a new president, vice president and secretary. (our recent secretary has moved from the park.) at that time. We are very fortunate to have FULL TIME OWNERS, who have agreed to hold these positions.. It will make a much more efficient way to work with our park owners. If anyone is interested in working with us on our new board, please drop a written notice at number #79, and I will contact you.

Looking foreword to seeing you all in the near future. Please remember to pay your dues to Elaine Manner at #340. We need your support and membership in order to be effective. (\$5.00 per. unit) (only members in good standing can vote at the meeting.)

Happy Holidays.

November Recipe

Puff Pastry

Ingredients

- 1 lb new potatoes
- Ready-rolled puff pastry
- ½ cup crème fraîche
- Thinly sliced ham
- 2/3 cup brie or camembert cheese, halved and sliced

Method

- STEP 1
Boil the potatoes in salted water for 8-10 mins, until tender but still firm. Leave to cool, then slice.
- STEP 2
Heat the oven to 400 degrees. Unroll the pastry with its baking parchment on a baking tray. Reserve 1 tbsp of the crème fraîche, then spread the rest over the pastry, leaving a 2cm border around the edge. Season. Layer the potatoes, ham and cheese over half of the pastry, seasoning the potatoes as you go.
- STEP 3
Fold over the other half of the pastry and use a fork to seal the edges. Trim with a knife for a neat finish – the pie should look like a big sausage roll. Mix a little water into the reserved crème fraîche, then brush all over the pastry. Make a few cuts along the length, then bake for 35-40 mins until golden. Leave to cool for 10 mins.

Don't waste your time

A donkey and a tiger got into a foolish argument: "The grass is blue," the donkey insisted, while the tiger said, "No, the grass is green."

The discussion became heated, so the two decided to ask their king, the lion, for his judgment. As they approached the lion, the donkey shouted, "Your Highness, isn't it true that the grass is blue?"

The lion replied, "If you believe it is true, the grass is blue."

Then the donkey said, "This tiger disagrees with me. Please punish him."

The lion declared, "Very well. The tiger will be punished with three days of silence."

The donkey jumped with joy and went on his way, chanting, "The grass is blue, the grass is blue!"

The tiger asked the lion, "Your Majesty, why have you punished me? After all, the grass is green."

The lion replied, "The punishment is because it is degrading for a brave, intelligent creature like you to waste time arguing with a donkey, then coming to bother me to validate something you already knew was true."

The moral: Never waste time on arguments that make no sense.

A steady flight

An Airbus 380 was on its way across the Atlantic. It was flying at 30,000 feet, when suddenly a fighter jet appeared.

The pilot of the fighter jet slowed down, flew alongside the Airbus, and greeted the pilot of the passenger plane by radio: "Hello, Airbus! Boring flight, isn't it? Have a look here!"

He rolled his jet on its back, accelerated, broke through the sound barrier, rose rapidly to a dizzying height, then swooped down almost to sea level in a breathtaking dive. He looped back next to the Airbus and asked, "Well, what do you think of that?"

The Airbus pilot answered, "Very impressive! Now you look!"

The jet pilot watched the Airbus, but nothing happened. It continued to fly in a stubbornly straight line at the same speed.

After 15 minutes, the Airbus pilot radioed, "Well, how was that?"

Confused, the fighter pilot asked, "What did you do?"

The Airbus pilot laughed and said, "I got up, stretched my legs, walked to the back of the aircraft to use the washroom, then got a cup of coffee and a chocolate fudge pastry."

The moral of the story: Speed and adrenaline may seem to be great, but sometimes stability and peace are more important.

Drink up

A guy walks into a bar and orders 12 beers. The bartender lines them up, and the guy starts gulping them down as fast as he can.

The bartender asks, “Hey, why are you drinking those beers so fast?”

The guy says, “You’d be drinking fast too, if you had what I have.”

“What do you have?”

“About 75 cents.”

Dead man working

On his way home late one night, Jack took a shortcut through the local cemetery. Hearing a tapping sound nearby, he grew scared and quickened his pace.

The tapping got louder.

Jack ran until he spotted a man chiseling a tombstone.

“Thank goodness!” Jack stopped and wiped sweat from his forehead. “You gave me the scare of my life! But why are you working out here in the middle of the night?”

The man turned. “They spelled my name wrong.”

Wrong answers

A police officer pulled a driver over. The nervous motorist asked. “What did I do wrong, officer?”

“Nothing at all.” The police officer smiled. “You’ve just won \$1,000 in a safe driving competition. Hey, what do you think you’ll do with the money?”

The man said, “Oh, I guess I’ll go to driving school and get my license.”

His wife, sitting next to him, said, “Don’t listen to him, officer. He lies when he’s drunk.”

Then a man in the back seat woke up, saw the cop, and said, “Darn it, I told you we wouldn’t get far in a stolen car!”

Just then the officer heard a knock at the trunk. He walked to the back of the car.

A voice called, “Are we over the border yet?”

At the height of laughter, the universe is flung into a kaleidoscope of new possibilities.
