## CLAIRE LEAHY AWARD

---

**E**ach year the Social and Vice Social Chairs choose one of our residents to receive the Claire Leahy Award. Claire Leahy was a past resident of Amber Glades who always did more than the average volunteer and this award is given out in her honor. This award can only be given to the recipient one time and the names of all those special people who received it are listed on a plaque hanging in the Clubhouse. We will be awarding the Claire Leahy Award at our December Social Club meeting on Wednesday, December 8th. Please come and help us to honor this very special person.

## Note from The HOA Board of Directors

---

**W**e are pleased to announce that we had another visit from Pinellas County Sheriff's Office. Deputy Skipper will be visiting our community in January to share information on a Night Watch Program as well as educating us on Crime Prevention and Community Awareness. Deputy Skipper will be visiting us throughout the new year to discuss crime prevention and other safety initiatives. We look forward to any information Deputy Skipper provides to keep us aware and educated on safety and awareness within our community.

We continue to meet monthly with Karen Barker, our Park Manager. Karen encourages the board to share with the residents, if there are concerns or issues that need to be addressed, please stop by the office to speak with her. Please be aware, Karen doesn't follow the Amber Glades page on Facebook. If residents are addressing issues on social media and not directly to her, Karen is unable to help. Although it may not be an immediate answer that she is able to provide, that does not necessarily mean she is not working to resolve your concern. Some issues may be addressed immediately while others may take more time as she investigates or follows the Prospectus or if needed, legally. Karen & Scott Barker are also residents here and want to reside in a safe and secure community. Karen shared some exciting news at one of our meetings in November. The TV in the Club House was replaced as it was not working properly. The BINGO ladies/men were excited to hear this news! Soon we will see a 3rd Fountain in the pond area as well as new grill grates for our outside grills and new umbrellas in the pool area. Our shuffleboard Courts have been resurfaced and painted.. Classes are being offered and teams are being set up for Shuffleboard in December. Please take advantage of our shuffleboard courts and updated amenities Be sure to sign up at the Club House for a fun time! A big THANK YOU to Karen and Lautrec for making this happen!

Our Social Committee is up and running! They have a number of exciting events for the remaining year. Please remember to take a look at the enclosed calendar and join us for some fun times!

If you're interested in joining the HOA Board, you won't want to miss our December 7, Board Meeting. The floor will be open for nominations. There will be six positions up for re-election. The current members plan to run again. Let us know if you would like to be considered for a position and a time will be scheduled for candidates to meet with our nomination committee. If you are recommended by the committee, your name will be added to the ballot. You can also be nominated from the floor at the December meeting. Any resident

*...continued on page 6*

whose interested in running for the board is required to be a HOA member. If you're not an HOA member, you still have time to sign up before the year end. You will also receive a discount on events that may have a fee. We have pro rated the annual dues for the remainder of the year. The cost is \$4. Your membership would run through December 31. Annual dues for 2022 will remain the same, \$15/year. Please feel free to pay your dues prior to January. Your dues must be paid prior to attending our January board meeting.

As a reminder, all residents and guest should be observing the speed limit and stop signs. Though we are on private property, under Section 316.006, Florida Statutes, the owners of private streets can enter into agreements with cities and counties for the enforcement of Florida traffic laws over their private streets. The speed limit and stop signs are in place to protect our residents, driving, walking as well as their property. Please be aware, the recommendation is to start slowing down at least 150' from a stop sign. After coming to a COMPLETE stop, stop long enough to make sure the traffic is clear to continue. Please be respectful when walking your dog. Dogs should not be permitted to release themselves on someone else's property. We are also reminding residents, if your phones rings from the gate entrance. Please DO NOT allow access unless they are coming to your home. At times, Individuals or businesses are randomly selecting residents #'s and calling for access. In order to protect our community, we do not want to grant access. Also, if you see someone who looks unfamiliar and possibly dangerous, please be sure to call the non-emergency number >>>>>> unless you feel threatened, then call 911. This information is intended to educate, remind and keep us all safe!

Your HOA Board continues to work with management on areas that require improvement in our community. The HOA Board is here to represent our residents and to make our community a great place to live! We value the residents, their ideas and suggestions. We also appreciate those who have stepped up to make things happen. If you're interested in being a part, please let us know. We need and want your involvement, input and ideas!

**The HOA Board would like to wish you and yours a Very Merry Christmas & a Happy New Year!**

## **MORE FROM THE HOA BOARD:**

---

In discussions with Spectrum and other parks, we have found that Spectrum will offer both full cable and internet for \$58 a month for a group rate. The caveat to this wonderful special rate is that we have to have 100% participation in the park. We currently have 82% of our residents that have some kind of Spectrum service. The HOA Board is exploring if this is possible due to the tremendous savings for most residents. The question of how this would be effected by Snow Birds is also a consideration.

The Amber Glades Community Police Officers are from Pinellas County Sheriff's Office. If there is an **EMERGENCY**, please call **911**. If it is a non-emergency, please call 727-582-6200.

Residents have been enjoying the use of the new fire pit on the island . Please do not try and move the fire pit due to the hook-ups. Also, when finished, please make sure to turn the propane off.

# FEDERATION OF MANUFACTURED HOME OWNERS (FMO) REPORT

FMO is a liaison organization that helps manufactured home residents with enforcement of Florida Statute 723 and proposes legislative changes to protect residents. Membership in this organization is only \$25/year or \$65/3 years. FMO currently has a membership drive ongoing for the months of November and December. If you sign up a new member or are a new member, you are entered in a contest to win one of four prizes – Grand Prize is a new golf cart (\$8,000 value); First Place is a cruise or \$1200 cash; Second Prize is \$1,000 cash; and Third Prize is \$500 cash. This would be a good time to join or sign up others. You can join online or get an application from HOA President Norm Goldberg.

Current Legislative Proposals – FMO is in the process of helping draft a bill to be introduced in the State Legislature that would increase fines of mobile home park owners for violations of Chapter 723 of the Florida Statutes. Complaints of this statute can be filed with the Florida Department of Business and Professional Regulation.

## Greetings from the Plant Lady

Here's a few good hints. Get to know how to pick the healthiest house plants. Dying house plants may not be your fault. They could have been doomed from the start at the store. Learn to bring home healthy plants with the best shot of its surviving and thriving. Shop for plants that look full, even bushy, and have plenty of leaves. Also make sure they have buds just beginning to open, instead of in full Bloom. Avoid plants with tightly closed green buds, yellowed leaves or leaves with brown tips, leaves polished to a high gloss with leaf shine, dry soil shrinking away from the walls of the container, dark spots on leaves or holes in leaves webby material at the base of the leaves. Pots that feel too light weight can signal drought stress. Discover the perfect bedroom plants. Every plant breathes, some simply do it at night, cleaning the air while you sleep. Leaves and stems contain tiny pores that allow plants to absorb Carbon dioxide and release oxygen. Most plants open their pores during the day, but certain bromeliads and orchids and many Agave's and cactuses do so at night. Grow your own air freshener. Freesia, cyclamen, garden petunia's, fairy primrose, and white Calla lilies are just a few house plants with sweet smelling blooms.

That's all for this month - Happy gardening.
