## Life without a partner is a growing trend

---

**L**iving without a spouse or partner is becoming more common these days, according to the Pew Research Center. Its analysis of census data found that in 2019, 38% of adults 25–54 were neither married nor living with a partner. That’s a jump from 29% in 1990.

The trend is driven mostly by the decline in marriage among adults of prime working age. More of them are cohabiting, but that doesn’t offset the drop in marriage. The unpartnered population does include adults who were previously married and are now separated, divorced, or widowed, but the growth of the unpartnered population since 1990 comes from an increase in the number of adults who have never been married at all.

Not having a spouse or partner can have negative effects for people: Unpartnered adults earn less money on average, and are more likely to be unemployed or economically dependent on others. They’re more likely to live with their parents and have a lower level of education, and some research suggests that they experience more health problems than their coupled counterparts.

## DECEMBER CALENDAR

---

**National Drunk and Drugged Driving Prevention Month.** December is a month of fun, parties, and drinks with family and friends. Just remember to drink responsibly. The holiday season has a higher accident rate than others on average, so it's important to be in a proper state behind the wheel.

**National Pear Month.** A medium pear has six grams of fiber, which equals about 24% of the recommended daily value. Pears are also hypoallergenic, and they contain pectin, an essential water-soluble fiber that binds to cholesterol and removes it from the body, making pears an excellent choice for anyone with high cholesterol.

**Safe Toys and Gifts Month.** Accidents will always happen, but Safe Toys and Gifts Month is the perfect opportunity to review some basic safety advice and brush up on your knowledge about buying safe, appropriate toys and knowing what to do should you discover a potential hazard.

**Worldwide Food Service Safety Month.** December marks Worldwide Food Service Safety Month, established to remind everyone, from the professional food service industry to cooks at home around the world, that food safety is of supreme importance.

## WEEKLY

---

**National Handwashing Awareness Week, Dec 5–11.** Proper handwashing is more important than ever these days. Remember to wash your hands when they are dirty and before eating, don't cough or sneeze into your hands, and above all, don't put your fingers into your eyes, nose, or mouth.

**Older Driver Safety Awareness Week, Dec. 6–10.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensure that older adults can remain active in the community—shopping, working, or volunteering—and not stranded at home.

**Computer Science Education Week, Dec. 6–12.** Computer Science Education Week is an annual call to action to inspire K–12 students to learn computer science, advocate for equity in computer science education, and celebrate the contributions of students, teachers, and partners to the field.

**Kwanzaa, Dec. 26–Jan. 1.** Created by Dr. Maulana Karenga, professor and chairman of Black Studies at California State University, Long Beach in 1966, Kwanzaa is an annual weeklong celebration designed to give Black people an opportunity to celebrate themselves and their history.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

# Trust your hips and knees to the leader in joint replacements.

When you have your hip or knee replacement procedure at a BayCare hospital like Morton Plant Hospital, you're trusting a leader in Tampa Bay. No health system or hospital does more hip and knee replacements than BayCare. That level of experience means clinical excellence, which is why 98 percent of our hip and knee replacement patients are up and walking on the same day.

## Words of wisdom

---

Here are some random observations about life:

- To me, “drinking responsibly” means not spilling it.
- The older I get, the earlier it gets late.
- It’s the start of a brand-new day, and I’m off—like a herd of turtles.
- When I say, “the other day,” I could be referring to any time between yesterday and 15 years ago.
- I had my patience tested. I’m negative.
- I finally got eight hours of sleep. It took me three days.
- When you lose a sock in the dryer, it comes back as a Tupperware lid that doesn’t fit any of your containers.
- I hate when a couple argues in public, and I didn’t hear the beginning so I don’t know whose side I’m on.
- When someone asks what I did over the weekend, I like to say, “Why, what did you hear?”
- When you ask what I’m doing today and I say, “Nothing,” it doesn’t mean I’m free. It means I’m doing nothing.

## What Tom said, humorously

---

Remember “Tom Swifties”? Here are a few to amuse your friends:

- “I’d like to stop by the mausoleum,” Tom said cryptically.
- “We just struck oil!” Tom gushed.
- “Get to the rear of the ship!” Tom said sternly.
- “I have no flowers,” Tom said lackadaisically.
- “I forgot what I needed at the store,” Tom said listlessly.
- “I want my money back, and then some,” Tom said with interest.
- “I decided to come back to the group,” Tom rejoined.
- “I love hot dogs,” Tom said with relish.

## The myths of mistletoe

Kissing under the mistletoe is a custom that has spawned any number of popular songs, love affairs, and slaps across the faces of unwanted suitors.

The origins of the tradition are unknown. Here's one story:

In Viking mythology, the god Baldr was killed through the trickery of Loki, who caused Baldr's blind brother to shoot him with a poisoned dart made of mistletoe. Baldr's mother Frigga, the goddess of love, was stricken with grief. When her tears fell on a mistletoe plant, the berries turned from red to white (mistletoe has both red and white berries), and this brought her son back from the dead. Because Frigga was so grateful to have her son restored, she kissed everyone who walked beneath the mistletoe.

The berries are important to the tradition: According to etiquette, a man who kisses a woman under the mistletoe is supposed to remove one berry for each kiss. When the berries are gone, no more kisses are allowed.

## Santa by any other name

Santa Claus has been a fixture of Christmas for centuries. But he goes under many different names: Kris Kringle, St. Nicholas, Father Christmas. Here's what the "jolly old elf" is called around the world:

- Brazil: Papai Noel
- China: Shengdan Laoren
- Hungary: Mikulas
- Italy: Babbo Natale
- Netherlands: Sinterklaas
- Portugal: Pai Natal
- Russia: Ded Moroz
- Sweden: Jultomten
- Turkey: Noel Baba
