Mary Gilmore

As of November 8th, the U.S. - Canada border and the U.S. - Mexico border are open again to non-essential travellers crossing at a land port of entry or a ferry terminal who have been fully vaccinated against COVID-19. It was good to hear that our neighbors from Canada had no problems crossing the border. Don told me that within 24 to 48 hours after arriving at Boca Ciega, he and Lucy were also able to get their third booster shot by going either to Walgreens, CVS or the Publix Pharmacy.

The berms in the three side yards have finally been moved into the ditch by Scott of J.S.S. Construction. Ron told me that we still need more dirt and rocks and those three side yards will be used again until the ditch work is completed. Last season, our men had worked hard to put in the pipes and level them properly. If Scott had done his job before our rainy season began, the pipes might not have shifted. As this season starts, our men will have to dig around and under the pipes to work at getting them level again. This project is a work in progress. With time and hard work, the backyards on Michigan will hopefully extend to our fence and that area can then be mowed by our landscaping service.

It was reported that Florida has reached the lowest case rate for COVID-19 in our nation. When I looked at the county by county stats for Florida, the 7 day average for cases was 0 and thankfully, the 7 day average for deaths was 0. Because of that good news, outdoor events at Boca Ciega are slowly starting to begin. On Sunday, November 14th, we had a barbeque

around the pool and shuffleboard area. Ingrid and Dennis Eby, Susan and Rex Pranger, and Rita and Doug Sutton were the folks who made this first event happen. The menu included a hamburger or hot dog, coleslaw, chips, and a cookie. After not being together for 20 months, this event was like a meet and greet for new residents and long time residents.

Our breakfast out on Friday morning has increased in participation because more residents have returned. Where I once thought 14 was a large group, we recently had a breakfast that 25 folks attended at Sp-Eggtacluar on Indian Rocks Road. To put this in perspective, there were only 24 all year rounders here all summer. Tiffany was our waitress. She did a great job of taking our orders, getting our meals out one long table at a time and collecting our money. The residents who attended were Don Fitzsimmons, his daughter, Karen and son in law, John Waking, Karen Parr, Shirley Mann, Doris Charlesworth, Joy Khoshabjian, Virginia Fuchtman, Ron and Liz Martin, Rose Baldwin, Marlene Winczewski, Terry Maegdlin, Ingrid and Dennis Eby, Rita and Doug Sutton, David Grubbs, Ralph and Pat Cornelius, Cheryl Winzenried, Kathleen Kohler, Bob Robortella, Susan Pranger and myself.

The other breakfast outing to Benedict's Family Restaurant at 201 West Bay Drive, Largo was held in late October. As I said, a group of 14 residents was at that time one of our larger groups. Pictures were taken on this occasion with the help of Barb and our waitress that morning. I have learned how to enhance a picture and crop a picture and then enlarge a picture.

Can you believe that? The residents who attended were Virginia Fuchtman, Bob Robortella, Joy Khoshabjian, Shirley Mann, Pat Belbin, Kathleen Kohler, Marlene Winczewski, Susan Pranger, Doris Charlesworth, David Grubbs, Cindy Huettig, Barb and Dave Thomas and myself. We enjoyed our meal and the company. An interesting and little known fact was revealed at our breakfast. Who in our park lives on an odd numbered side of a street, but, has an even house number? Do some investigating as you walk or bicycle around the park.

I wish all in our Boca Ciega family a blessed Christmas remembering that it is our Savior's birthday.

Merry Christmas to all.

4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

Richard Wayne Charlesworth Sr.

Richard went to worship at the feet of his Savior on September 25, 2021. He is survived by his best friend and wife of 64 years, Doris A. Charlesworth, Richard Jr. (spouse-Darlene) Elsie Simpkins, Dawn Freeman (spouse-Rick). he had 7 grandchildren and 11 great grandchildren. Member of Bridgeton Church of the Nazarene where he served as head usher. Worked at Kerr Glass for 42 years, and fulfilled his lifelong dream in his last years to live by the Gulf in Florida. His testimony is "I have been saved for 60 years, God never failed me, I have failed him But He never has failed me." Because of the legacy this wonderful man left, his family will see him again.

In memory of Richard Charlesworth

One of the best things a wife can say about her husband is that he was a good guy. That's how Doris described Richard. Richard and Doris are from Millville, New Jersey and have two girls and one boy. Another member of their family for 18 years was their dog Ethan. You might know their son RW and his wife Darlene who have come to our breakfasts and holiday dinners. Richard and Doris's home sat on about 1 1/2 to 2 acres of land. Richard enjoyed cutting the grass on his sit down garden tractor. They had a 50' by 100' garden and grew tomatoes, which was Richard's favorite, squash, cucumbers, peppers, sweet corn, a few onions, asparagus, and blackberries. When Richard was diagnosed with kidney failure and went on dialysis, tomatoes were not allowed on his strict diet that Doris followed, but Richard occasionally found a small tomato to eat right out of the garden up north or in their two pot garden here in Boca Ciega. Richard enjoyed stripping and refinishing furniture. He even took on what turned out to be a two month project of refinishing their kitchen cabinets. Richard was active in his church and took his job as head usher seriously. He also drove the church bus to pick up children for Sunday school. Richard worked at Kerr Glass for 42 years and every two weeks, he traveled to Lancaster, PA to pick up payroll checks. On the way home, he always picked up a bouquet of flowers for Doris. Doris and Richard moved to Boca Ciega in 2019. He loved this area that was close to the Gulf. Richard and Doris participated in our outings. His great granddaughter, Autumn, said when she was told of his passing....my angel, Papa Charles.

Welcome to Bruce and Kathy Cobb, #30

This summer, Bruce and Kathy bought Bob and Nancy Bulmer's home on Michigan Ave.. Most of us in Boca Ciega are from away, but Bruce is a fifth generation Floridian. His grandparents lived in Seminole, actually very close to what is now our park. His grandfather had a citrus grove, a pecan grove and raised cattle on land where St.Peterburg College is now located. Kathy grew up in a suburb of Chicago, Illinois and moved here with her parents to Dunedin. Bruce and Kathy met as teenagers working in Kmart. Bruce calls Kathy his Blue Light Special. Good man. After they married and started a family, they moved to Greer, South Carolina wanting to live where they could enjoy the change of seasons. Bruce and Kathy have four children, three girls and a boy and now 5 grandchildren. Bruce is in sales selling facility maintenance chemicals. Kathy had a level 1 placement job helping folks find a nursing home or an assisted living home or a memory care nursing home for their parents. Kathy also worked for awhile in home health care. Bruce and Kathy moved back to Florida in 2015 and lived in a park in Safety Harbor. They have been looking for a home closer to their church in Seminole and found it in Boca Ciega. Bruce is a deacon at the First Christian Church in Seminole. He teaches young adults in scripture. Kathy has a woman's class in scripture and also teaches fourth and fifth graders scripture. Kathy and Bruce are walkers. Some of us have met them on their walks and they are going at a good clip. Bruce also likes to bake and owes that to his mom who was a home economics teacher. Maybe if I keep asking, he'll share his cake donut recipe. The Boca Ciega family welcomes Bruce and Kathy.
