ON THE COVER:

Last year even with the pandemic upon us, Lincolnshire had the Christmas Spirit! If you don't think we did, just look at this golf cart in the community Christmas Golf Cart Parade. We can't wait to see the carts in the parade this year.

FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Merry Christmas, Happy Chanukah, Happy New Year, and all the other happies I can think of. It's hard to believe that the year 2021 is coming to an end. I admit it was NOT the best of our 16 years here at Lincolnshire, but we pulled through, and as we close out this year we look forward to a new year that will bring new challenges, new friends and neighbors, and new programs.

Next month's voice edition is due at the publishers early in the month again, so please send in your articles by the 11th of the month. Don't forget to share you stories and travels with your neighbors. We need pictures too. Share your photos if you would like to see them in print.

We have a new manger in the office, and rumor has it that there will be changes coming from the corporate office that will bring some of their procedures into the 21st century. I'm not sure what that is, but we'll see. Meanwhile it's good to see more activity in the community again. We have missed so many of our snowbird friends this past year, and we just want to say WELCOME BACK EVERYONE. It's party time in Lincolnshire – Lets hit it.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394.....haroldwur@aol.com)

Thanks to all who have been helping us get through this past year. We are on the way to starting up our major activities once again. Linda Casey has done a great job securing entertainment for our monthly dances and from the looks of the schedule they are all going to be great. Potluck dinners are once again on the calendar, card night is under way, knit wits are back in the hall, and volunteers are beginning to step up. Good to see so much activity and more residents returning to Lincolnshire for the season. We are looking forward to the Christmas Social and cart parade + our New Year's Eve party and then the Bazaar and then, and then..... New ideas? Don't forget to come out to the residents' Club meeting on Dec. 7. We need your input to really keep up our park's reputation going. Thanks to everyone who has helped us get things going again. Something new – our DVD library has been catalogued by name and category. For those who didn't know we had one – see the article in this issue.

THOUGHT FOR THE DAY

“If you are pining for youth, I think it produces a stereotypical old man because you only live in memory, you live in a place that doesn't exist. Aging is an extraordinary process where you become the person you always should have been.” David Bowie

FOOD DRIVE:

Rita Sullivan.....(lot 1550.....584-2633)

Our food drive is going a little slower than usual when this article is being printed. I hope by the time it is in your hands, that we have turned it around a little bit. By this time, we will have already made our donation to the pantry. Our guest speaker last month shed a little more light on where our donations go, and how much they are needed. Even though we feel that we at Lincolnshire donate a large amount of food to the pantry, it appears that as large a number as it is to us, it is only a drop in the bucket when it comes to the needs in our neighboring communities. Stay tuned for the end results of the weight of our donation and remember that spring is actually just around the corner, and we will be starting the next drive.

Thank you all for your help and support. Keep it up Lincolnshire.

Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

We need your help!! There are many new residents in the community that we do not know. We only get information directly from those residents. If you have a new neighbor, when you meet them & talk, just ask if they have filled out the form to be in the Dial Directory. That way we can acknowledge their birthdays, anniversaries, and list them in the directory. Without their permission we cannot do it, even if you know them. The next edition of the book is already in progress. It seems like it is early to say that, but with as many changes as we are seeing, an early start is very helpful, and your help is needed to get it correct. Please also remember to send us any changes in your own phone numbers as well

If you have not received your new book, please contact your block captain. If you are returning from your summer vacation up north, contact your block captain upon your return to receive your book. Remember to update your book using Voice monthly information, since there have been changes since the publication went to print.

Thanks to everyone who gave us phone numbers and information for this edition of the “yellow Book. The pages in the back of the book are available to add new names, or names & numbers of friends outside Lincolnshire to keep them near your local numbers. Please make the following corrections and or additions:

Cobie Swets	Lot #1121	(new number)	218-2608
Amy Robarge	Lot #617		315-868-0256
George & Debbie Petty	Lot #836	(G)	807-626-3145
		(D)	807-683-6411
Shirley Brown	Lot #921		407-808-2455

For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above)

Please remember the only way we can publish your name & number as being a resident here in Lincolnshire is if you fill out the form and return it to lot #938. The office cannot share your information to us, and the book is published only once each year.

Thank you for your cooperation.

COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

NEWTO LINCOLNSHIRE? We have a tradition of finding the best cooks in town. We have published 3 cookbooks over the years featuring recipes from our expert cooks with various backgrounds. Foods from all nations, and cuisines. The latest cookbook is still available for sale. Don't miss out. Give me a call & we will reserve you one. Meantime, enjoy some samples of the recipes that you can get in the book. We will publish a new one each month. This being the Christmas season, we have a special colorful brunch item featured. And don't be afraid to share one of your own favorites for the next issue, just send it to me & we will get it published here next month.

This month's Holiday inspired Special recipe follows:

One-pan Raspberry French Toast

- 1 cup Raspberry jam
- 1 pkg. Cream Cheese cubed
- 2 cups $\frac{1}{2}$ & $\frac{1}{2}$
- $\frac{1}{2}$ cup packed lt. brown sugar
- Cooking spray
- 1 loaf French Bread cubed
- 4 large eggs
- 1 tsp ground Cinnamon
- maple syrup & whipped cream
- 1 pint fresh raspberries for top

1. Using microwave melt the jam in a small bowl until smooth (about 1 minute) stirring halfway through
2. Place $\frac{1}{2}$ of the bread cubes in spray coated baking dish. Sprinkle with cheese cubes and drizzle with melted jam. Sprinkle on remaining bread cubes.
3. Whisk the eggs and $\frac{1}{2}$ & $\frac{1}{2}$ together adding in cinnamon & vanilla. Pour over bread mixture. Sprinkle with brown sugar. Cover with foil and refrigerate for 8 hours or overnight
4. Preheat oven to 325°F. Bake covered for 25 minutes. Uncover and add whole fresh berries to top. Continue to bake until bread is golden brown, and the mixture is set. (About 20 minutes.) Serve warm with maple syrup and whipped cream.

Residents' club meeting

The next residents' Club meeting will be December 7 at 7 PM. Please plan to attend - following CDC guidelines which may be in place at that time. Lots of programs have been planned for the season. Volunteers are still needed, and there are many dates still available to fill in as we recover from our pandemic down time. Thanksgiving dinner should be an example of how popular our events are, and the holiday season should continue to be busy. But that's just the beginning. Lots more events are being planned, and new ideas for new events are always welcome. Don't forget our all-important bazaar coming up in February save your items to donate and save the date to attend. Please feel free to reach out to board members before that time to share your ideas. Let's fill up the calendar

KNIT WITS NEWS:

BY: Anna Petrivelli:.....(lot #255.....365-6560)

Our group to has started meeting again in the clubhouse. While the group is still small, the ladies have been busy knitting and crocheting and donating the finished products where needed. More thank you notes have been received from the places that received our donations and were read at coffee hour. It gives us reason to continue to work on creating new projects. It will be great to see more ladies back at the tables in the clubhouse on Monday afternoons to share conversation and ideas as we knit & crochet more items for donation to local facilities in need. Come join us at 1PM every Monday.

LINCOLNSHIRE LIBRARY

BY: Cynthia Varga... (lot163.....584-6402)

I know someone means well by shelving the books they are returning to the library.

Please just leave returned books in the book return cabinet.

There is a system to monitor the incoming and outgoing books. When they are put back by a reader, it makes extra work. Also, they are not being replaced in alphabetical order which I adhere to.

If you are cleaning out your shelves and have a lot of books, please bring them to my coach so I can sort them. Many are duplicates and have to be removed.

If you would like to help with the library, I can meet with you and show you what I do so it will be consistent. Or if you have a better way, you can teach me!

Thanks for your cooperation.

Cynthia

Lot #163

DVD LIBRARY:

Did you know we have a DVD library in Lincolnshire? Lots of residents are not aware that there are hundreds of DVD's available for any resident to borrow at any time. As of this writing we are waiting to find out what shelving management might provide to easily display the DVD's that we have. There are categories for everyone's tastes, including some that will appeal to those grandchildren who visit. In the past they have been stored in the drawers along the clubhouse windows in an unorganized way. Thanks to Pete and Marge Kristall, Gary Kottman, and Pam Niemantsverdriet for taking the time to arrange them all and catalogue them by categories and alphabetical titles. The list will be made available for anyone to search to see what movies they might like to watch. Another big thank you to Chuck & Ellie Henderson for their donation of a large number of up-to-date videos. More info to come, as the completed shelving becomes available.

“WELCOME TO LINCOLNSHIRE”

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Our first New Owner's seminar since Covid was held in November. It was great to see so many of our new residents come out to get a bunch of information about Lincolnshire and the surrounding area as shared by other residents. For our future seminars, feel free to

...continued on page 20

share any information with our committee that others would benefit from. If you know of great eateries, shopping specials, best businesses, even a good fishing hole, we would like to share it with our new residents so they can enjoy the best of Lincolnshire and largo sooner than later.

THANK YOU COBIE:

from the residents of Lincolnshire:

For the past 18 years Cobie Swets of lot #1121 spent her Wednesday mornings in the clubhouse rain or shine to provide our coffee hour with the piano music for our birthday and anniversary announcements. Cobie has decided it is time for her to retire from this activity. Well – she will be turning 90 years young in only a few months, SO we think she deserves it. The residents of Lincolnshire presented Cobie with an appreciation memento so she will always remember how much she is loved here in Lincolnshire. A piano! Not an ordinary one, but a baby grand specially ordered just for her – oh – did we mention it is a music box piano? And of course, it plays one of the songs Cobie played for us every Wednesday for all those years “Let Me Call You Sweetheart”

Thank you, Cobie, for all those years – but – you still need to join us every Wednesday for coffee.

I GOT IT: (A NEW GAME)

By: Shirley Peterson.....(lot 874.....508-742-5689)

Possible new weekly game in the clubhouse called “I GOT IT”

The game pieces are 2 sleeves of 3 playing cards side by side and laminated
THE GAME IS \$5 AND YOU GET TWO SLEEVES. What money comes is the money paid out. No money is held. The object of the game is to cover all 3 cards on one sleeve. The game starts when a playing card is called, if you have it, cover it. When 2 of your 3 cards is covered you yell “HOLDING” letting everyone know someone could be a winner. When you have all 3 covered you yell “I GOT IT” - Single games are \$5 winners. The number of games played will depend on the number of sleeves which will also determine the size of the jackpot game

The game is fun for all – It is NOT bingo – looking to start up in January – watch the bulletin board

POTLUCK DINNER:

BY: Frances Byrne.....(lot 483.....776-7144)

The first potluck dinner after our pandemic hiatus was a great success. 33 residents brought a large assortment of home cooked meals to share. Lots of imagination in some of those meals, and flavors of all kinds. Join us at 5PM on the second Tuesday of each month for more meals like that one. Let's get our numbers up to what they were before with over 50 residents each week.

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

Happy Holidays to all our Lincolnshire Residents.

Lincolnshire is coming back to life! So glad to see our Snowbird residents coming back to the community after a long absence. Hope to see you at our Wednesday morning coffee hours. Many of our great activities are back up and running. Community dances, potluck dinners, upcoming holiday events, card games & bingo. Make sure you check out our Activities calendar every month in the Voice for times and dates.

Hope everyone had a great Thanksgiving. Mary Jo will be heading out to Marco Island, FL 1/13 to spend a week in the sun with her family. A tradition they have shared for years. Family coming from other parts of the country to enjoy and catch up. Peter & I will be driving north to Buffalo, NY again to spend a week with our family as well. We thought better to drive than fly with all the craziness that holiday travel involves. Hope you and your families had a wonderful Thanksgiving.

Since our last newsletter we have contacted via cards /calls the following residents who have been hospitalized or home recovering from an illness. Please keep them in your thoughts & prayers

Marcia Dougherty # 633 – still in rehab. Family is working to get back home soon.

Roseann Doucette #1541 – at home recovering.

Judy Blaine # 1017 – at this writing still in the hospital. Will be going to rehab for about 2 months.

Former longtime Lincolnshire resident lot#528, Sharon Lowe deceased 10-19-2021. Sharon had left Lincolnshire to be closer to family in South Carolina. Greatly missed by all who knew & loved her.

If any of our residents get birthday, sympathy or get-well cards in the mail from various organizations and are not planning on using them we would greatly appreciate you dropping them off to either one of us. The Sunshine Committee can always put them to good use.

Please give Mary Jo or Marge a call with any news regarding our Lincolnshire neighbors.

D ID YOU KNOW? Rental parks without an active HOA with mandates established by FL statutes, especially incorporated as LHOA, and a member of the FMO (Federation of Manufactured Home Owners of Florida) our lobbyist in Tallahassee, seldom see this sort of information. LHOA is voluntary, does not own, manage, make the rules and membership is not included when you buy your home or in our rent! Join. 2022 Membership drive starts on October 1st to December 31st.

As a reminder to new residents, current LHOA Members and those who have not joined the deadline for the 2022 membership (\$15 a year) is December 31st 2021. A small insurance policy premium. Without these funds, the Association will have limited resources to meet its mandates. LHOA will have representatives at the weekly coffee, monthly board meetings and the November/December Member meetings.

What are the LHOA mandates? Be prepared to purchase the park within 90 days of receiving a letter stating that the park is being sold for a different use than a mobile home park. Members have the only vote! Second, the Board requests a meeting with the park owner or representative with 90 days of receiving the rental increase and property tax pass-on plus any issues effecting a majority of members (usually maintenance concerns.) And lastly and no less important be available to Members who have question or issues and desiring information. In your corner as it is the same as ours. LHOA is Florida registered corporation, files taxes and maintains that status each year. One of the few rental HOA's in the county that are incorporated.

LHOA is a member of the FMO (Federation of Manufactured Home Owners of Florida.) The FMO is our only lobbying group looking out for resident/owners of all types of rental manufactured homes. The complete register of Officers and Directors is in the front of the Voice and posted on the HOA section of the resident's bulletin board in the laundry/PO box room.

Important for Members is the January Member meeting, to be scheduled, where the protocol for 4 open Director Positions for the following 2 years will be discussed along with the proposed budget for 2022. And, February is the Members Annual Meeting.

Join and maintain your LHOA membership no matter if full time or seasonal.

So, you think dogs can't count? Just try putting 3 dog biscuits in your pocket and then giving your dog 2. Some of my neighbors think I am spoiled. It's not true! My owner is just well trained.

But let me be serious for just once. As we get towards the end of the year, it's a good time to remind our humans of a few business items. First of all, here in Lincolnshire, all pets are required to be registered in the office with their photos provided, and rabies vaccinations dates. This is to protect everyone in the community, as well as the pet. You see lost pet signs all around town regularly. I have heard my human talking with others about pets that have been found wondering in the park, and nobody knows where they belong. A photo might help.

Also licensing is **REQUIRED BY LAW** and important to a pet's safety. Updated rabies vaccines are required. Per Pinellas County code, chapter 14, a license is required for each dog and cat. Failure to obtain a license or to report transfer of ownership or loss of a pet may result in issuance of a court citation

BOWLING

The bowling league season begun. We have 16 teams bowling with Lincolnshire. The first week of 20 total was played on 11/11. After only that 1 game, the Bills are in first place. The Bills are Nancy Morris, Joe Lavin, and Jim Ebert + 1 vacant spot. (Here's an opportunity to join a winning team?) The first week got off to a good start with a high score of 222 for Joe Thompson II. For the ladies Debbie Smith had the high game with a 191. Watch next month's scores as the teams progress.

of Native Americans for the dedication of the Tomb Of The Unknown Soldier in 1921. He gave a short speech in his native tongue in honor of the soldier and the occasion. He placed his war-bonnet and coup stick upon the tomb, which are preserved in a display case in Arlington.

For the 100th anniversary of the Tomb, the Chief Plenty Coups Honor Guard is traveling from Montana to Arlington National Cemetery. One of the members of the Chief Plenty Coups Honor Guard is Marine Veteran Elsworth Goes Ahead. Enlisting at 18 and serving as a combat engineer, he served in Okinawa, Korea and Camp Pendleton in California during his time in service. Goes Ahead said there will be eight honor guard members, with six carrying flags. This includes a U.S. flag; a single flag with the Army, Navy, Air Force, Marine and Coast Guard symbols; a Crow Nation travel flag; a Tomb of the Unknown Soldier flag; a Montana flag; and the Chief Plenty Coups flag. The Chief Plenty Coups flag contains the spelling “Plenty-Coos,” as the name was originally misspelled. Also, during the wreath laying, the honor guard will perform a traditional smudging ceremony. The members use cedar to smudge, cleanse and purify themselves and the things around them, Goes Ahead explained. He said: “The smoke from the smudging is a way of lifting our prayers and good thoughts up to our Creator,”

A Nurse's Self Care Toolbox #42

BY: Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

The article last month centered on falls and how life changing that can be. A long term resident of our community provided some very strong testimony on living after a significant fall at home. I am sharing her words as so very well said. I hope you will read and listen.

“Falling is easy. It’s getting up that’s the difficult part. I know. Three years ago, while sitting at my bar stool height dining room chair, I nodded off for a while. I woke up on the floor, with blood all around me. After being taken to Morton Plant’s ER they ran a number tests before sending me back home. Two weeks later, my sister and I were standing in my kitchen talking when, all of a sudden, I lost the ability to speak. It turned out that a massive brain bleed had been forming during the time after my fall. Surgeons debated whether to perform invasive brain surgery of wait and see if the blood would be reabsorbed by my body. They chose the least aggressive one and it was a wise choice, as the blood kept getting reabsorbed little by little. I spent a month at Morton Plant and their rehabilitation facility, but I’ll never be the same person I was before my fall.”

Starting in the January issue I will begin laying out over the next several months how our

Continued on page 40

bodies were designed relating to food and exercise (movement.) At the end, my goal is help in our understanding how we were designed, how that compares to our lives now and lastly how to start a change. Easy and hard at the same time. It is a long story.

Our human story probably wasn't one single day in time but between 200-350,000 years ago, we as humans (Homo sapiens) finally rolled off the assembly line of life. Touched by our God or our Creator with a gentle touch by Mother Nature. That assembly line had actually begun eons before we landed. I wasn't there.

Our body (all of it) was specifically designed to survive each and every day. Not a very simple task. Basically, we were male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each and every day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin, (D), produced with help by the sun. We were very strong, athletic, could climb trees and walk for miles. We also didn't speak much because there wasn't much of a language. We were built to survive and surely did.

Food was very abundant and mostly year-round. Food is really packaged sugar that becomes energy with oxygen for every cell in our body to do a specific job (including fat believe it or not.) Food travels into our stomach, down to the small intestine where almost all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyor belt from one end to the other.

So where was the food that we needed every day and multiple times a day? Actually, it was everywhere. We will follow that trail of food and what we did with all we found. Stay tuned my friends.

Christmas is coming...Ho ho ho
