So far we have had some very good scores and some not so good scores. We have ten teams with three members on each team.

Some individual good scores include:

Next month we will have the standings and hopefully more 200+ game scores.

VETERANS DAY EVENT

By Lyle Neumann

Your Homeowner's Association recently sponsored a Veterans Day dinner in the Club House to honor and celebrate those residents who served so faithfully for our country. This free dinner was attended by seventy-three residents. Those who attended enjoyed huge burgers, foot-long Angus beef hot dogs, Ellie's special recipe baked beans and two beautifully decorated "HERO" cakes. Also on display was Bill Adam's tribute to all those who served.

A big thank you goes out to those who stepped forward and volunteered to make this event happen:

Chairpersons Ellie Malloy, Karen Ragsdale, and Lyle Neumann

Committee volunteers John Mietus, Nancy Lyman, Ann Mackin, Maggie Griscavage, Ginny Hughes, Cheryl Hudecek and Jack Manning.

Your HOA sincerely thanks all who volunteer their time and talents to promote events like this for the benefit of all residents. Please check the bulletin board across from the post office boxes often for information of more upcoming events, especially the craft/bake sale on December 4th.

Sunset Social

A return of Southwind's SUNSET SOCIAL was held on October 15th and will continue every 3rd Friday of the month, starting at 6pm and with Covid safety precautions as applicable.

Twenty people came to the Club House to enjoy the fun. Because the kitchen remains closed at this time, everyone brought their own snacks and beverages and thoroughly enjoyed the dice game LCR. We hope to bring back the food after the Holidays, to be cautious. New residents are encouraged to come and meet your neighbors and enjoy a night out of the house.

The December Sunset Social is scheduled for December 17th, save the date on your calendar and plan to attend! See you there...

Poor Santa is wearing himself out,
With all his gymnasium workout.
His bones are creaking,
Of sweat he is reeking,
And the results he's beginning to doubt.

How can you tell that Santa is real?
What's Santa's favorite type of music?
What do you call a kid who doesn't believe in Santa?
What kind of motorcycle does Santa Own
Why did Santa go to the liquor store?
What's another name for Santa's little helpers?
What does Santa eat for breakfast?
Where does Santa cash his checks?

As the spectators watched the exhibition, the animal trainer threw a large piece of heavy canvas at a small, round, furry animal with long fangs. He said to the crowd, "This animal is a wooley-booger." The animal did not move.

Then the trainer said, "Wooley-booger my canvas", and the wooley-booger tore the canvas to shreds. Then, a large piece of leather was thrown into the cage.

At the command, "Wooley-booger my leather." The wooley-booger tore the leather to shreds.

A lady in the crowd asked the owner how much the animal was worth and offered to double the cost if she could take it with her. "Why do you want this animal?" asked the trainer.

She explained, "My husband is a lazy slob who just sits in his easy chair and ridicules everything I do or say. I'll take this wooley-booger home and set him down on the floor. My husband will say, "What is THAT thing? When I say, 'That's a wooley-booger,' "I'll get my revenge when he says, "Wooley-booger my FOOT!"

Neighbor to Neighbor Referral

By Terri C

For many of us, it's getting harder to do all the things we used to do. Car washing and interior cleaning/detailing is one of those things, yet it must be done. Thankfully, my neighbors – Ken and Nancy Lynam, referred me to their car detailing service:

Tsmith detailing

(727) 623-2360

tsmithdetailing@gmail.com

Locally owned by Taka, you can expect to set an appointment to come to your home and perform magic, to clean and shine the inside and outside of your car right in your own carport. It doesn't get more convenient or better than this! For a reasonable charge, she cleans your entire car and shines the rims, vacuums the trunk and floors, buffs out surface scratches, cleans the floor mats and upholstery and yes, even does windows!

Be warned that when the job is finished, you will need your sunglasses because the shine is so bright! Thank you, Nancy for the referral and to Taka for the amazing job on my car.

Southwind neighbors, give yourself the gift of riding around in a clean and beautiful car during the holiday season, and all New Year long..

Volunteers are Valuable

by Bill A.

Volunteers are so valuable in the running of this park. Southwind community relies on volunteers to get things done in our community. What would we do without them? Last Thanksgiving we had over 20 plus volunteers from cooking, to packing the containers, to delivery, and we had 15-20 volunteers for "Help Your Neighbor Day".

We have 9 volunteers to serve on the Board of Directors, not to mention numerous volunteers who serve on the various committees. We have people who volunteer their time to: prepare the meals for Memorial Day, 4th of July, Labor Day, Veteran's Day, write the Southwind Breezes newsletter, and lead our Friday Night Social.

Many people volunteer whenever we need them to help with various activities and coordinate the newsletter distribution, Activities – on and off site, Annual Crafts Fair and Bake Sale, Arts and Crafts, Koffee Klatch, Ladies Luncheon, Men's Breakfast, Pool exercises, Bowling, Canasta, Mahh Jong, Shuffleboard, Club House Decorating, Library, Telephone Directory, and Welcome Committee. We even have a volunteer to keep the kitchen clean.

Now our worries are coming to the forefront. We are in need of volunteers to serve on various committees such as the nominating committee. Four places on the Board of Directors are up for election. Bingo has not started up for a couple of reasons: no volunteer to run Bingo, although plenty of volunteers have said they would help. It takes at least nine volunteers every week to run Bingo. (COVID closing of the Club House is another reason we have no Bingo).

Have you noticed that the same people are volunteering to work and help our community? It is only a matter of time before they get burned out. Right now, we have very few new

residents stepping up to volunteer. When that happens: activities, meals, Help Your Neighbor Day, the holiday cookouts, will no longer happen. Without Volunteers, our community will not be the same vibrant and active place to thrive and live the life we've waited so long to enjoy.

Volunteers are valuable to our community. It only takes a few hours to have the satisfaction and personal joy of volunteering. Will you be willing to help?

Welcome New Home Owners of 2021

If you own a home in Southwind, you are a member of the Southwind Homeowners Association. Please support your Home Owners Association (HOA) by paying yearly dues and being "a member in good standing". This will enable you to vote at HOA meetings.

This community is a great place in which to live, where we all can appreciate how beautifully maintained homes are and how welcoming Southwind residents are, and we all need socialization. Support the organization by coming to meetings, functions, and volunteering in some way for the good of the group as we are allowed to open up again.

HOA Treasurer, Ellie Malloy, will be accepting 2022 dues beginning December 1st. Dues are \$25 per YEAR. Checks should be made payable to Southwind HOA and envelopes are available on the Bulletin Board in the Clubhouse. A drop box is on the wall, for payments. We welcome new residents and encourage you to get involved in your Community.

SOUTHWIND NIGHT BEFORE CHRISTMAS

By Ellie Malloy

THE NIGHT BEFORE CHRISTMAS

*T'was the night before Christmas
And Southwind was dead*

*I knew that those old folks had all gone to bed
The Clubhouse was locked and I couldn't get in
And so I decided to go for a swim.*

*I looked all around and no one was there
So I thought I could swim in my red underwear
Just as I was about to dive*

*I heard the sound of a golf cart arrive
It was the boss, Miss Ceci's her name
She was just checking out her terrain
We eyeballed each other, neither moving an inch*

*And I said to myself, I hope she's no Grinch
A look of surprise came over her face
As both of us knew I did not live in this place
So with one giant leap I went over the gate
And ran oh so fast, and she was too late*

*Where I was going I did not care
 For I was running around in my red underwear
 She turned the corner squealing her wheels
 I knew she was running right on my heels
 But I was so fast as I ran through the dark
 And hid by house #84 in the park
 I peeked through the window and to my surprise
 A lady named Ellie looked right in my eyes
 She laughed as she said to me "Hide over there!"
 And by the way I like your red underwear
 I signaled my thanks and as I looked back
 There was Miss Ceci hot on my track
 When what to my wandering eyes should appear
 But a big red sleigh and eight little reindeer
 The man in the sleigh said "I saw you down there"
 Running along in your red underwear!
 You'd better join me in my journey tonight
 Your underwear might give these old folks a fright
 But by the way that lady down there is alright
 But that lady down there was hot on my tail
 She could have me arrested and put into jail
 He reached in his bag and searched all around
 He found a red package that he tossed to the ground
 She caught it mid-air, oh that lady was good
 Santa winked at me saying "oh, I knew that she would!"
 She shouted her Thank you's and turned round the cart
 Holding her package right next to her heart
 For she had seen Santa, oh what a great night
 And he gave her a present and that was alright
 Santa knew what she wanted as he drove around there
 Watching her chase me in my red underwear
 He'd given her red underwear just like mine
 And knew it would suit her oh just so fine
 We all have a secret wish on this night
 And Miss Ceci's wish he had read oh so right
 Red underwear makes you feel so good
 I could have told her that if she asked, yes I would
 Now ladies you should ask for red underwear too
 You may find out what red underwear can do
 They could wake up your Santa and that would be great
 Before he's too old and it is too late
 We have a very long journey tonight
 Things did not go as I planned but it's alright
 And so we both shouted as we drove out of sight
 "Merry Christmas to All and to All a Good Night!"*

A Tribute to Winter

By Terri C.

A local movie star of worldwide fame, Winter, the dolphin died at Clearwater Marine Aquarium (CMA), in Clearwater, Florida, on Thursday November 11, 2021 (Veterans Day) in the arms of her caregivers.

Winter left her mark in history and will forever be remembered by millions of fans, as a Hero – one of distinguished courage or ability.

The movie star of *Dolphin Tale* and *Dolphin Tale 2*, lived her 16 years of life at CMA and welcomed visitors with an amazing story that encourages, motivates and inspires all.

This Atlantic bottle-nose dolphin was rescued off the east coast of Florida in 2005. When Winter first arrived as a two-month-old dolphin to CMA, she was unable to swim after she lost her tail after being caught in a crab trap. Separated from her mother, Winter was almost euthanized, due to her life threatening condition and low chance for survival, but she was resilient and strong, and she defied all the odds.

Instead, CMA equipped Winter with a prosthetic tail, the first of its kind for a dolphin. The inspirational story of her recovery led to the movie *Dolphin Tale*, starring Winter alongside Morgan Freeman, Ashley Judd, and Harry Connick Jr, in 2011.

People traveled to Clearwater from all over the world. Her story was especially inspirational for handicapped / or disabled children and Veterans, who saw that this young dolphin refusing to give up and decided “If this dolphin can do this, so can I”.

In 2005, after Winter lost her tail, she could not swim. Her trainers taught her to swim by moving her body in a side to side motion. Her stunning story made news headlines.

A team at Hanger Prosthetics heard about the story, was compelled to help and designed a prosthetic tail. She can swim fine with or without it, but the tail is used for physical therapy and to keep her spine aligned. Several prosthetic designs were created and were revised many times.

The Hanger Clinic also developed a prosthetic liner with a gentle adhesion that cushions and protects the skin, creating a more comfortable fit. Named after their Dolphin patient, WintersGel Prosthetic Liners create a soft, smooth cushion between the socket and prosthetic limb, improving comfort and enabling extended wear. The liners also come in two thicknesses and a wide range of sizes, and are suitable for children and adults (and dolphins).

In Winter’s Obituary, it reads:

She has touched the hearts of everyone. Every day, Winter showed us anything is possible if we believe. To see more, go to: <https://everloved.com/life-of/winter-dolphin/obituary/>

My Personal Story of Winter the Dolphin

By Terri Campbell

Like many local residents, I have been to the Clearwater Marine Aquarium (CMA) many times to see Winter and all of the other attractions. I have taken friends and family, who were visiting, to CMA over the years. In April 2014, I was there with friends visiting from out of town. It was in the afternoon, after a show, when I saw Winter resting in an auxiliary tank off to herself.

Back then, there weren't all the walls up between the pool areas, like there are now. I was not only able to get some great pictures, but I also got some alone time with Winter. (see attached photos) I saw her under water in an upward position and she noticed me standing there. I waved and started "chirping" to her, when she responded by coming up to the surface towards me.

She chirped as if to say "Hi", and I started talking to her. I thanked her for being so brave and courageous, and praised her for how hard she fought for her life. Watching her swim, play and do tricks for audiences with her prosthetic tale was absolutely amazing. She even won "races" with her trainers swimming with her custom made tail. I congratulated her for winning and told her I have seen her swimming up to the platform to let handicapped children and disabled Veterans pet her head, shake her "fin" and playfully splash them. I told her she was truly inspiring and served as an example to human friends that if she could survive and thrive, then they can too. I thanked her for coming over to me. She nodded.

She seemed to understand what I was saying, much to my surprise and dipped her bottle nose under water to playfully splash in my direction. Then she nodded her head again towards me, as I waved goodbye. She flipped over with her belly up and went back to rest. It was an experience I will remember for the rest of my life.

Winter gave encouragement and hope to so many people, from all over the world, and it made her an exceptional hero. I'm grateful the chance to have seen her up close. She will be terribly missed but always remembered.
