Are Wipes Flushable?

In the past Golden Gate has had one of the pumps in our sewage lift station rebuilt, at a cost of over \$6000, after it was ruined do to the pump intake being clogged with things that should not be flushed!

As consumers in the 21st century, many of us have become trained as “label readers”. We read nutrition labels, personal care product labels, clothing labels, and so on. For those of us that do read labels, you might be disappointed to know that you can’t always trust the labels. I could write a whole series of articles about the different ways companies mislead consumers with some of their claims, but today I am going to focus on one word that we probably don’t often look for on labels and that is “flushable”.

If I told you that products that claim they are “flushable” aren’t really flushable, would you believe me? Probably not, but that is what I’m going to tell you, and I’ll explain what I mean. There are a handful of products out there that claim they are “flushable” and that’s because they can physically be flushed down a standard toilet, but there’s more to the story. Let’s take personal wipes or baby wipes for example. We use them (just as we would toilet paper), we throw them in the toilet, and we flush them away. Great! It’s true! They are flushable! And it is great, unless your home plumbing has any limitations (i.e. root intrusion, grease, etc.) or you’re the wastewater system employee on the receiving end of those wipes.

In the wastewater world, products that are “flushable”, but do not break down like toilet paper are called “non-dispersibles” because they don’t disperse or dissolve quickly in water. The problem? Non-dispersibles can clog pipes and pumps. This can cause sewer overflows or equipment failure which can be quite costly to us as rate payers when utility employees have to spend a significant amount of time cleaning up sewer overflows, removing these items, and a significant amount of money to repair broken equipment that is not designed to handle these products. Remember, we collectively own the wastewater system, and we all share the cost to maintain it, so we should all do our part to keep wastewater collection systems and treatment plants running as smoothly as possible. The least we can do for the folks that handle our waste is give them less crap, right? You can save yourself from plumbing costs too because if clogs occur on your end of the pipe, correction costs would be on you to hire a plumber to unclog and repair and issues.

One reason our role as label readers has become so challenging is because regulations behind certain labels are often lacking, leaving interpretation up to us and the companies producing the labels. Similarly, there is no federal definition of “flushable” or the testing process to determine if something is “flushable”. There is also no federal mandate to use a standard “Do Not Flush” logo for products likely to be flushed that will ultimately cause problems.

Reminder: GG Rule #14

PETS: The following Rules are specific to residents /pet owners of Golden Gate Community; and have been listed to reinforce the Pinellas Park Animal Control Laws. Residents may call the town hall or look on the Internet to obtain a complete list of the Pinellas Park Animal Control Laws. The Internet address is <http://pinellas-park.com/> in the center of the page, click on Code of Ordinances, scroll on the left and click on Chapter 5 Animals and fowl. Only one pet per household.

PINELLAS PARK ORDANCE SECTION 5-203 LICENSING & VACCINATIONS

- *All pets are required to be licensed.*
- *All pets are required to have an annual rabies vaccine.*

In the past Golden Gate has accepted postdated checks for payment of monthly maintenances fees. This creates a bookkeeping challenge keeping track of all these checks. It is also questionable as it is illegal in most states. Occasionally checks are deposited out of order, usually causing returned checks and resulting in bank charges because most banks will not honor these checks.

The Board of directors has decided to honor all existing postdated checks through December 31, 2021. Any checks we currently have in the office dated after December 31, 2021 will not be deposited and will be returned to the resident.

Effective immediately, we will no longer accept postdated checks. However, if you continue writing monthly checks or use money orders, please note your checks are due on the first of each month. Payment is late after the 5th. We are no longer sending out late notices. Late charges start on the 6th and can accumulate up to \$25 per month. We encourage residents to use **Bill Pay** through their banks to ensure payments are received by the first of each month.

General information

When you are doing the annual washing of your home, please also clean the sidewalk in front.

How to pay your monthly maintenance fees

Golden Gate residents use many different methods to pay their monthly maintenance fees

1. Write a monthly check **INCLUDING LOT#**, place in the mail, or deliver to the office before the 1st of each month to avoid late charges.
2. Write one check to cover two, three, six or twelve months – mail or deliver to the office.
3. Money orders.
4. We will no longer take postdated checks.

Cash payments are discouraged as the homeowners' association incurs a bank charge. The bank charges approximately \$10 for large cash deposits. Seems outrageous but they must call for a pickup to deposit extra cash in the federal reserve bank and remove it from their premises.

BEST OPTION TO PAY YOUR MONTHLY MAINTENANCE FEE IS BILL PAY!

Use Bill Pay at your bank (most banks offer this service at no charge and saves postage)

If you have a computer, you can do it yourself or go to your bank, they will assist you.

- Sign on to your account
- Go to Bill pay
- Set up recurring payments
- Put in Golden Gate Residents.
- Address 8201 40th St No, Pinellas Park, FL 33781
- Account No. – Your address/lot number.
- Date to mail on the 25th to 28th of the month to ensure payment received by GG by the 1st of the month to avoid late charges. Checks are never deposited by GG before the 5th of the month.
- Recurring 12 payments.

Remember to change amount annually if necessary, according to approved budget.

If you need help, your bank will help you or one of the directors will guide through the process.

Articles for the Newsletter

Did you ever want to be a journalist? Now is your chance. Looking for writers for interesting articles about our community. They can be human interest or about events happening in the community, it's up to you.

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to ggmedia@tampabay.rr.com, **by the Monday before the third Tuesday of the month.** If you don't have a computer you may continue to deliver a double-spaced paper copy, again, by the Monday before the third Tuesday of the month.

Parking Request

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules! **NO PARKING ON SIDEWALKS.** Your maintenance fees pay for all repairs. Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to "zig-zag" to get by. This causes obstructions and creates a dangerous situation for pedestrian, cars, golf carts and bicycles.

FROM THE LIBRARY

YOUR LIBRARY STAFF

The Golden Gate Library is sponsored and maintained by gracious volunteers from the Golden Gate Women's Club. The library consists of a variety of books, puzzles, and magazines for the enjoyment of all Golden Gate residents.

A certain selection of books and magazines are extremely popular. Check outs and returns are based on an honor system. Some extremely popular magazines are taken as soon as they arrive in the racks, but they sadly are not returned for other residents to enjoy. Please take only what you can enjoy in a reasonable amount of time and return as soon as possible for others to enjoy.

News flash

The plumbers are well under way now, the underground pipes are in and the floor has been patched and leveled. During the time of construction there will be **NO** access to the clubhouse from the back patio. The main entrance will be open, the door by the laundry or come though the pool through the bathrooms. **Please stay out of the construction area** and don't interfere with the workers by asking questions. If you have questions come to the office, send an E-mail or drop a note in the box. Remember the old saying if you help, the cost will double. Please don't prop open the doors.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

HOW TO KEEP YOUR HOME PEST FREE

- Most pests come in from the outside. Make sure your home is well sealed.
- Keep plants of the building as they provide pest “highways” into your home.”
- Reduce food, water, and clutter that attract pests inside.
- When leaving for extended periods of time, have someone run water in the drains weekly to prevent pests coming up from the sewers.

PLEASE NOTE

There is no doubt that COVID-19 has affected us all in one way or the other. The fact that many of our snowbird residents have not been able to come to our park for almost 2 years shows in the condition of many homes in our park. With the hope that our snowbirds (US & Canadians) will be returning this coming fall, I would like to suggest that you might want to consider scheduling some maintenance to be done on your home prior to your arrival. The Board has been very aware and understanding of the effect of COVID-19 on our residents and the difficulty with not being able to hire contractors to come to our homes. Pressure Washing and overgrown weeds are the number one issues right now. Weeds and/or dirt and Mildew on some of homes need immediate attention. It may be more difficult to get someone to hire for these issues when you come down, as many others not only in our park, but also every other park in our surrounding area will be trying to hire them also. You may not be able to get anyone to come to your home for months or longer. Please consider scheduling this work as soon as possible. Many of our residents use the same contractors year after year and have their names and numbers. If there is anything the Board can help you with on this issue, please don't hesitate to contact the office. Looking forward to seeing you all back in our community this fall.

Sewing Day

I want to extend an invitation to any ladies (or men) that would like to join our sewing club that meets once a month. This is in addition to Labor of Love. Labor of Love focuses on charity items. Our Saturday is for learning techniques and projects for ourselves or charity, or even working on your own project. Many of the same people, the two groups complement each other.

Sew days for Saturdays in 2022: January 15, February 19, March 26, April 16.

We start at 10:00 and are cleaned up by 3:00. Bring a sack lunch and your machine and project. Information about each sew day will be given in the week proceeding each session on the Pinellas County Sewing Club FB page.

Theater Club

Nearly twenty months ago, The Golden Gate Theater Club, along with all of our other community events and activities, came to a screeching halt. Our Canadian friends and neighbors returned home. Ticket money for our 2020 Spring Show was refunded or donated. Life as we knew it dramatically changed. Our farewells to each other included, "Stay safe". We isolated and quarantined, and we have stayed apart for these many months. Our community has endured many challenges and losses during this time. We are grateful for all the memories we have of the special people we knew.

Now Golden Gate is coming back to life! Some small group activities are starting up. Our Canadian friends are returning. New neighbors are moving in.

During the month of October, a committee formed to offer "Open Social Dances". Sue Thompson, Rene Wehner, Chuck Latona and I used the time slots that were set aside for Theater Club. We have been providing music, dancing and socializing with some line dance instruction as well. We have four more dates for this month: December 1, 8, 12 and 29 from 7-9 pm. We hope to see you there!

On January 5, 2022, the Theater Club will hold its first meeting at 7 pm in the clubhouse. We will have a short business meeting and we hope to welcome back old members and greet new members. Mark your calendar and pass the word! We have lots to catch up on and we have some decisions to make about future plans.

Meanwhile, enjoy the holiday season. Share the love and joy it brings. Here's to a healthy, safe and happy new year!

Susan O'Byrne, President
