WHITE ELEPHANT SALE IS COMING!!!

by Jerry Santerre and Roger Santerre

Saturday, March 5, is Lake Highlander's White Elephant Sale from 8:00 am to 1:00 pm.

Check your closets and sheds for all those items you can live without: Tools, small appliances, furniture (no sleeper sofa's), craft items, baskets, dishes, silverware, jewelry, shoes, pocketbooks, scarves, art, frames and other miscellaneous items.

We will accept no clothing, computer monitors or ancient TV sets. The sale will sell anything else that is clean and in good working order.

In February there will be a sign up in the clubhouse for pick up needed. We will pick up once a week in February. Please hold all items until then. All day Wednesday (March 2) and Thursday (March 3) donations can be brought to the clubhouse using the back doors by the pool and the library. Volunteers will be there to assist you and will take your treasures for sorting, pricing, and display.

Residents only may shop inside Friday (March 4) from 2 pm – 4 pm.

A Snack Bar will be set up along with a huge Bake Sale table. And starting in January, 50/50 tickets will be sold.

If you have any questions, please call Jerry or Roger Santerre at 727-218/-8348. Most importantly, come on Saturday, March 5th and shop, shop, shop!!

Bible Study Meetings

In our initial Bible Study meeting we decided to keep our meeting day and time on Tuesdays from 9:00 AM to 10:00 AM. As I have stated previously, my goal for the class is that we grow in our faith by praying for the needs of others and becoming familiar with the Bible! We have no deep theological discussions! It is an overview of the Bible.

So that there is interaction in the class and not just a lecture, we have basic questions on New Testament Books. Anyone who chooses, can take the questions home to complete and discuss at the next meeting! (If I did all of the talking, it would probably put everyone to sleep!) Only people who want to answer questions are asked to speak! No one is ever called on or made to feel uncomfortable!!

If this sounds interesting to you, we would love for you to join us in our Library on Tuesday at 9:00 AM!

If you have any question, please call me...Darlene Johnson at 727-734-3315 (all classed subject to Covid restrictions).

TIPS FOR LIFE

1. Give people more than they expect, and do so cheerfully.
2. Don't believe all you hear, spend all you have or sleep all you'd like.
3. Don't say "I love you" unless you mean it
4. When you say "I'm sorry", look the person in the eye.
5. Be engaged at least 6 months before you get married.
6. Love deeply and passionately. You might get hurt, but it's the only way to live life completely.
7. In disagreements, fight fair. No name calling.
8. Don't judge people by their relatives.
9. When someone asks you a question you don't want to answer, smile and ask, "Why do you want to know"?
10. Call your mom.
11. Say "Bless You" when you hear someone sneeze.
12. Don't let a little squabble damage a good relationship.
13. When you realize you've made a mistake, take immediate steps to correct it.
14. Smile when picking up the phone. The caller will hear it in your voice.
15. Marry someone you love to talk to. As you get older, good conversation will be one of the principal elements of an enduring relationship.
16. Remember that silence is sometimes the best answer.
17. Read more books and watch less TV.
18. In disagreements with loved ones, deal with the current situation. Don't bring up the past.
19. Never interrupt when you are being flattered.
20. Mind your own business.
21. Trust in God but lock your car.

LHRO Board Meeting – December 9, 2021

(not official minutes, just notes from Piper Editor)

Open Forum – Mike Burgan (webmaster) said our website has been very busy the last 30 days – 3,554 visitors, half are return visitors, half are new, the Homes for Sale is busiest page with 506 hits in 30 days.

Sharon Shedd said many people are asking about planting trees or installing benches for Memorials of those lost. We are running out of space for these items and so she is researching doing bricks with names and dates engraved on them. More info to come. JoLynn Kendzora questioned the confusion regarding our share situation. This will be addressed either at the Jan 13 Members meeting or have a separate meeting. Judy Walling asked if there are grants or infrastructure money available to the park for fixing things like the drains or water lines. She also questioned what to do about the wild cat situation. Brenda Boudreau said there are about 3 adult and 9 kittens in the park. A group called Meow Now will come and trap them, take them and Test, Neuter, Vaccinate and Release (TNVR) and clip ears so we know they've been attended to, then release them back into the park. For them to do this, we need to give them food and water. Brenda would run the program, they would like a \$35 donation per cat. (Ed note: the issue is our rules do not allow feeding of animals of any kind at any time.) A meeting will be held in January to discuss this more in depth. Jeff Littleton said that the drainage problem is done, looks good, and at the time of this article is published grass is coming in nicely.

Presidents Report: Susan Zerbe said there will be no election on January 13 as no new people volunteered to be on the board so all old officers will stay. There is one director position open. She thanked Karen Larrimore for her service on the board, as Karen is leaving the park. Sue also said that infrastructure is part of our reserves.

Managers Report: Clarified that the Lake Highlander Buildings belong to the residents, but running the buildings is up to the Board (including pictures on the walls). The swan picture is not going back up. She also asked, Please DO NOT unplug anything at the clubhouse. Someone did and it messed up the cameras for days before it was figured out. Also, please take care of your homes and mailboxes. If you have an old plastic mail box that has seen better days, please go to the office and get a new one with new nameplate for \$25. The mold issue in the office has been fixed. Needed a ridge vent, rest of buildings were tested and are ok. Political flags – you have a right to fly it, but no signs on lawns. Storm drain is complete, grass is being taken care of and the new drains are 2" bigger.

Kathy Hartwell, Treasurer's Report – no written report but we're in good shape, budgets on track, no problems. Board needs to vote on budget for 2022, Steve 2nd, no further discussion, passed unanimously. We are about \$45,000 to the good for the 2021 budget as of October 31. Audit coming in January 2022.

No standing committees report, no new business, meeting adjourned.

God grant me the
Serenity to accept the things I cannot change
Courage to change the things I can and
Wisdom to know the difference.
Amen

MONTHLY MEDIA Newsletters

Social Board Committee Meeting, December 13, 2021

(not official minutes, just notes from Piper Editor)

Memberships are now being sold for \$5 for 2022. Treasurer report shows \$11,137.42 as of 12/13. Our toy drive for Toys for Tots was very successful.

Talked about: NYE party, still need socks donated, need volunteers for Newcomers – Cathy Sargeant and Sue Stevens volunteered! Thank you both!! Dennis LaPointe discussed the golf cart parade. The raffle for Quilt and Wreath has raised over \$200 so far.

Jerry and Roger Santerre at #88 are going to organize the White Elephant Sale on March 5 – the residents at the meeting said they wanted it. Need 10-12 department heads along with 40-50 other volunteers. Need to get ads in place in Jan for Feb Piper. No more sleeper sofa’s – too heavy. Food? Bake sale? Yes, we’re going to do both. Need to get a volunteers list to make sure we have enough people to pull this off. Also, it was suggested to use a few nearby carparks so things aren’t so crowded in clubhouse during this Covid era. Can also use library, pool room, outside space.

Karen Judson said she would like to get travel starting again (but with current Covid/Omicron virus so strong, this will probably have to wait). Karen Durbin said she would look into Tai Chi here at the clubhouse (but later found out there aren’t enough teachers). You can go to Dunedin Community Center for Tai Chi.

Election of Officers will occur at the January 10 meeting.

EUCHRE IS GOING STRONG!!

Just a quick note to remind everyone that Euchre is played in the Library on Thursdays at 6:30 – a \$1.00 buy-in is all that’s required, and all of it is paid out to winners each night. Anyone is welcome to join us.

NEW YEAR'S EVE

The New Year's Eve party was a great success, thank you Brenda Boudreau for organizing this event. There was live music and a DJ to keep the night going strong! The Table Decoration winners were: 1st prize went to Judy Butler and Leatrice Works, second prize went to Lisa LaPointe and family, third went to Sue Wilson and her family.

4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?

DUNEDIN CARES RAFFLE

by Lynn Marro

The lucky winners of the Dunedin Cares Food Pantry benefit raffle were Millie Beaulieu (quilt) and Dean Reynolds (Pat's son) (wreath).

A check for \$256 goes to the food pantry from all the generous people in Lake Highlander. Thank you to everyone who bought tickets and to Nat Wright and Normajean Allen for their wonderful quilt and wreath donations.

A GREAT STORY

contributed by Al Syznski

An Airbus 380 is on its way across the Atlantic. It flies consistently at 800 km/h at 30,000 feet, when suddenly a Eurofighter with Tempo Mach 2 appears.

The pilot of the fighter jet slows down, flies alongside the Airbus and greets the pilot of the passenger plane by radio: "Airbus, boring flight, isn't it? Now have a look here!"

He rolls his jet on its back, accelerates, breaks through the sound barrier, rises rapidly to a dizzying height, then swoops down almost to sea level in a breathtaking dive. He loops back next to the Airbus and asks, "Well, how was that?"

The Airbus pilot answers: "Very impressive, but now you look!"

The jet pilot watches the Airbus, but nothing happens. It continues to fly stubbornly straight, with the same speed. After 15 minutes, the Airbus pilot radios, "Well, how was that?"

Confused, the jet pilot asks, "What did you do?" The Airbus pilot laughs and says, "I got up, stretched my legs, walked to the back of the aircraft to use the washroom, then got a cup of coffee and a chocolate fudge pastry."

The moral of the story is:

When you are young, speed and adrenaline seems to be great. But as you get older and wiser, you learn that comfort and peace are more important.

This is called S.O.S.: Slower, Older, but Smarter. Dedicated to all my friends who are like me, now realizing that it is time to slow down and enjoy the rest of the trip, dedicated to the seniors.

Black History Month. During Black History Month, Americans reflect on more than 400 years of Black history and heritage in communities and national parks across the country. Use this month to find special places, historic moments, and personal journeys that contribute to conversations about Black representation, identity, and diversity in our nation's history and today.

National Embroidery Month. No one is quite sure how this celebration of the art of embroidery got started, but it remains an opportunity for embroiderers everywhere to share their love of the craft. Many museums or local stores have events during this month.

National Time Management Month. During February, the National Association of Productivity and Organizing Professionals emphasizes the importance of improving time management to achieve a more balanced life.

Teen Dating Violence Awareness and Prevention Month. This campaign strives to follow the wisdom of young people as they work to prevent teen dating violence, advocate for healthy relationships, heal from trauma, and engage in social justice.

FEBRUARY WEEKLY

Women's Heart Week, Feb 1–7. Heart disease is the No. 1 killer of American women. Recognizing symptoms and risks, making lifestyle changes, and getting timely care can save a woman's life. Women's Heart Week is a national outreach campaign aimed at improving women's outcomes from this deadly disease.

Children's Mental Health Week, Feb. 7–13. This year's theme is "Growing Together," encouraging children (and adults) to consider how they have grown and how they can help others to grow.

National Entrepreneurship Week, Feb 12–19. Celebrating America's entrepreneurship ecosystem, National Entrepreneurship Week is a nonpartisan, congressionally chartered initiative founded in 2006 that takes place the third week of February annually.

FEBRUARY DAILY

Groundhog Day, Feb 2. Will the groundhog see its shadow?

Feed the Birds Day, Feb. 3. Early February is when your backyard birds need your help the most. The seeds in your feeder provide energy and strength to help birds make it through the rest of winter.

Autism Sunday, Feb. 13. Also known as the International Day of Prayer for autism spectrum disorders, this event is observed annually on the second Sunday of February.

Valentine's Day, Feb. 14. Spend the day with someone you love.

President's Day, Feb. 21. The day honors George Washington (born Feb. 22), and Abraham Lincoln (born Feb. 12) and all U.S. presidents.

Lack of knowledge fuels health care worries

We're all worried about the cost of medical care, whether we've got insurance or not. Business Wire reports that 75% of people with health insurance are nervous about suffering financial problems because of medical bills, only slightly less than the uninsured 77% who are just as worried.

The MITRE-Harris Poll Survey on Health Insurance Literacy and Perception found that 47% of people have experienced not having their insurance pay for as much as they expected, 42% have discovered that a procedure wasn't covered, and 33% didn't realize that a doctor or facility they used was out of network.

The problem may be our lack of understanding of health coverage. The survey found that 53% of people say they understand their plan only "somewhat," with just 33% feeling they know the details of their coverage "completely." Twenty-six percent said they never check what's covered ahead of time. Trying to figure out what is covered is the most frustrating aspect of health care to 28%, along with finding someone to answer their questions (20%), and determining whether a physician or hospital is or isn't in their network (20%).

A healthy outside starts from the inside.
