Annual Inspections

Lynn Lijewski, Director

Look forward to 2022 to some new ideas with Home Inspections. Let's get this park back in shape. A committee of owners will be taking responsibility on how to revamp the annual inspection process of our properties. The volunteers will be working together as the inspection team. Details are still unfolding.

Thanks to everyone for their consideration and cooperation for a job well done in 2021.

TRAVEL – BCI & II TRAVEL CLUB

Peggy Raynor

As a reminder, due to the increase in Covid and Omicron viruses, we have decided it's best to cancel the Bok Tower trip in February and the Sarasota cruise in March. Hopefully, we will reschedule these again in the near future when our residents feel more comfortable taking bus trips. We are also delaying the trip to Tampa Bay Downs and plan to reschedule for a later date.

If the virus situation improves in the coming weeks, we will focus on planning local trips that people can travel to on our own. Some possibilities include: bringing your lunch to the beach at Fred Howard Park; Gigglewaters for dinner and a movie; St. Pete Pier docent-led walk with outdoor dining and walking/shopping in Tarpon Springs with outdoor dining.

Continued on page 14

Please watch for announcements of these trips on the bulletin boards in the clubhouses, the Travel Club section on the website www.upcsportshub.com and through the Travel Club emails. If you haven't signed up to receive these emails, please send an email to briarcreektravel@gmail.com to be added to the distribution list.

One hundred, four (104) residents from BC 1 and 2 had an uproariously good time at Ed Fletcher's Early Bird theatre on Thursday, January 13. The play was Boeing, Boeing. The cast was out of this world hilarious. Dinner buffet was delicious. Definitely a successful event arranged by the Travel Club!

It's February...Did you know?

It's hard to recall life before Google. My childhood home was unusual in so many ways... but one thing I truly appreciated was the collection of encyclopedias. So, I fibbed, before the two stroke, easy access, world at my fingertips searches, I was an encyclopedia nerd... always curious about something.

As February approaches, I started to wonder, besides Groundhog Day (2), Super Bowl Sunday (13), Valentine's Day (14) and Presidents Day (21), if there were other memorable days in February. There sure are! Most are perhaps a bit obscure. Allow me to introduce you to...

National Get Up Day (1). World Ukulele Day (2). Give Kids a Smile Day (4). National Hemp Day (4). National Thank a Mail Carrier Day (4). Ice Cream for Breakfast Day (5). National Ferris Wheel Day (14). Canadian Flag Day (15). Some recognitions deserve an entire week.

National Condom Week (13-19). Burn Awareness Week (6 -12). National Second-Hand Wardrobe Week (13-19).

Children of Alcoholics Awareness Week (13 – 19). Random Acts of Kindness Week (13). World Peace Corp Week (27 – Mar 5).

February 8 is worth remembering. You can either elect to spend a great day in the park or tell the person who may be annoying you to “Go fly a kite!” on National Kite Flying Day.

In SAFETY HARBOR

Did you ever consider having coffee with a local politician? Now you can! Beautiful Baranoff Park (191 2nd Street North) in downtown Safety Harbor on Saturday, **February 12, 2022 at 10 00 a.m.**, you are welcome to have “Cup of Joe with Joe.” Mayor Joe Ayoub will be holding a Townhall Meeting.

Another regular activity is **3rd Friday, February 21, 6 – 10 p.m.** on Main Street, Safety Harbor. Great way to spend the evening in charming downtown area while the weather is perfect.

Board of Directors:

Bob Raynor – President

Virus Update - The Covid 19 and Omicron virus situation continues to disrupt our lives in many different and seemingly unpredictable ways. But one thing remains constant and that is that we must all assume personal responsibility for protecting ourselves. We don't know how long this situation will continue but we do know we can't always count on others to help protect us. Whether it's shopping, participating in our many BCII activities or simply socializing, when uncomfortable, let's help protect ourselves and our neighbors by wearing a mask, getting vaccinated and social distancing when appropriate. We can continue to have fun and hopefully avoid getting sick if we take simple protective steps.

Volunteering - We have many BCII committees and a constant flow of new residents moving in. There are many opportunities for long time as well as new residents to join these committees and if you are new, volunteering is a great way to become involved and meet new people. Check your Community Directory for a list of our Activities and Committee Chairpersons or feel free to contact a Board Member for suggestions.

Community Pride - Briar Creek has always been one of the premier mobile home communities in the state of Florida. While the layout of our winding tree-line streets, spacious lots, beautiful ponds and water-views made our park aesthetically attractive, it has been resident pride in their homes that ultimately made the difference. With Spring approaching comes traditional spring cleaning. It's a time when we can take pride in our homes by ensuring they are cleaned, free of mold, planters weeded, and unsightly gutter growth removed. Let's all do our part in continuing to make Briar Creek that special premier community we love and care for.

Joan Davis – Treasurer/Director

The New Year is upon us, I hope everyone enjoyed the holidays and have a Healthy 2022. I am looking forward to working with our incoming Condo Board.

Our year round collection for the Food Pantry, I have chaired for many years. Our Annual Bazaar for the Social Club is another project I have worked on with Pete Loranger for years. Looking forward to a Banner Bazaar this March.

Our Annual Condo Meeting's required quorum is another project I have overseen. I want to Thank All The Volunteers who helped in getting this last year. Their help gave us the approval for our updated Condo documents which when printed will be delivered to you all.

Sam Oliverio – Vice President

From our house to yours, a very Happy New Year to all. I am excited to represent our Community as a member of the Condo Board, and look forward to the coming year. My duties involve the operation of the Pool, Spa, Shuffleboard and Bocce Courts. I am fortunate to have the experienced guidance from Tom Feeley, who has agreed to continue his service in this endeavor. Community involvement is vital in maintaining the esthetics of Briar Creek, and we welcome those interested in lending a hand. We have some projects coming up that will enhance the looks and operation of our Pool area, and look forward to repairing the Bocce Court and possibly add new areas of enjoyment for our residents. We're all in this together, and no one can do anything without the help of those around us. Looking forward to 2022, and wishing all a safe and Happy New Year.

outside alterations she received all request forms from residents and presented them to the board of directors for approval. She worked hard to make sure people got their approval (or occasionally denial) in a timely manor. Some projects required research on her part before approval could be given. Still, she managed to process the applications without delay. The fact that she accomplished this while also wearing the hats of Secretary and Vice President proves that she is a remarkable individual. We can't thank you enough Jean.

This year I am taking over as Alterations Director. With coaching from Jean and support from our Board of Directors I look forward to processing your renovation and alteration requests....which can be found in the clubhouse just outside the office door. It is important that you submit a request for any changes to the exterior of your home. Completed forms can be left in the office mail slot or in my rock box at 193 Clubview Drive. If you have any questions or concerns, call or text me at (518) 378-8882

A NOTE FROM BARBARA

Social Club President

I would like to thank everyone who volunteered to help the social club. To those people who do not come to the coffee hour on Saturday mornings, I am sending you a personal invitation. We spend an hour eating donuts, drinking coffee or tea, and visiting with neighbors. At 9:00 we have a meeting that lets you know what is happening in the park. It also is a way to get to know new people. Please try it, you may find you like it. Briar Creek is a wonderful place to live and I am thankful every day that we moved here back in 2004.

Thanks to all

On February 12th there we will be a Valentine Dance from 7-11 pm. Music will be provided by our one and only DJ Phil Chabot. Desserts will be provided. Feel free to bring a snack for your table and BYOB. The cost is \$5 per person. Everyone is invited to enjoy the music and dancing.

Save the date for the Phillippe Park picnic on March 24th.

Many fun events are in the works for the upcoming months. Details to be announced in the near future.

Please remember to complete the Entertainment Committee suggestion survey or call one of the committee members. Survey box is in the clubhouse. We need your input for 2022.

Travel Club

Peggy Raynor

As a reminder, due to the increase in Covid and Omicron viruses, we have decided it's best to cancel the Bok Tower trip in February and the Sarasota cruise in March. Hopefully, we will reschedule these again in the near future when our residents feel more comfortable taking bus trips. We are also delaying the trip to Tampa Bay Downs and plan to reschedule for a later date.

If the virus situation improves in the coming weeks, we will focus on planning local trips that people can travel to on our own. Some possibilities include: bringing your lunch to the beach at Fred Howard Park, Giggiewaters for dinner and a movie, St. Pete Pier docent-led walk with outdoor dining and walking/shopping in Tarpon Springs with outdoor dining.

Please watch for announcements of these trips on the bulletin boards in the clubhouses, the Travel Club section on the website www.upcsportshub.com and through the Travel Club emails. If you haven't signed up to receive these emails, please send an email to briarcreektravel@gmail.com to be added to the distribution list.

Now since the holidays are over, we can get busy with our schedule to supply more shawls to give the deserving patients some warmth during the winter months. If you have any questions, call Sandy at 727-424-6045 or Darlene at 703-403-9957.

BC2 Library

Billie Ann, Ruth and Bill

Welcome to another year for book lovers. The BC2 library offers you a selection of books donated by you, the residents. That means that the collection reflects their tastes and interests. Check the shelves.

Maybe you'll find that book that one of your friends was telling you about, or maybe you'll find another book by the same author.

You might also open the door into the cabinet with the dvds that people have dropped off. Thank you someone for the box with about 60 dvds that was donated just before Christmas, Thank you also to Russ Lipari who helped us out by labelling the cover boxes for several dvds which didn't have any cases. The Social Club funded the purchase of the empty boxes, so thank you to them too.

If you wander even further into the library, you'll find the puzzle section...a section that has expanded significantly over the last year. Just remember that if you find a puzzle missing 2 or 3 pieces, please add it to your recycling for that week and leave a sticky on any puzzle with just one piece missing. It's a painful experience to work for several hours on a puzzle only to find there are several missing pieces.

We, the librarians, enjoy working in the library, and we hope you enjoy browsing there and finding something good to read.

As always, all contributions and donations to the library are greatly appreciated.

Update on your BC Phone Directory (aka the Yellow Book) for January 2022

It seems like 2021 was a year with lots of house sales. We miss the people who have moved elsewhere and warmly welcome those who have moved into our community. I hope you noted the updates to the Directory with the names of new residents each month in the Media. If you didn't, never fear, all these changes will be part of the next issue of the Directory.

Dial Directories has already been in touch with me regarding the next issue. The BC2 part of the Directory could be sent on January 1, but nothing will go to print before BC1 holds the elections for their Social Club Executives. Also last year one of the advertisers wanted to change their ad and this delayed the schedule for the print run. But we will be ready whenever Dial Directories has all the pieces of the puzzle ready to go.

I would request that you check your listing in the current edition (2021-2022, the 42nd edition), and if you notice an error, this is your opportunity to make any corrections. You just need to contact me with the correct information..

THE HEALTHIEST FOODS FOR 2022

Dr. Marty Finkelstein

Well welcome to 2022. I certainly hope this will be the best year yet for all of us. Following is an understanding of foods that ideally should be part of our everyday life to empower our vitality, healing and well being. The first thing though to understand is most of us have been programmed by the food giants to consume processed foods that are loaded with unhealthy sugars, salt, and fat. These processed foods manufactured in labs are designed to create a “bliss point”, that has the consumer become addicted no different then what the tobacco industry manifested. There is an award winning book called, SALT SUGAR FAT, by Michael Moss, who is an investigative journalist, who shares how the head of these fast food companies have only one desire, to increase profits and keep on making foods that people crave regardless of the increase of obesity, heart disease, diabetes, cancers, that are showing up in younger and younger age groups.

So let's understand food is our number one best medicine.

1. Nuts and grains- most of these foods are loaded with vitamin E, iron, calcium, magnesium, and sources of vitamin B.

2. Lentils- provide good amounts of fiber, magnesium, and potassium.
3. Oatmeal- contain complex carbohydrates, as well as water soluble fiber. This helps to slow down digestion and help stabilize levels of blood glucose. Oatmeal is also a great source of folate and potassium. It has been known to lower cholesterol levels and help reduce cardiovascular risk factors.
4. Fruits and Vegetables- Fruits and vegetables contain phytonutrients which are compounds that reduce the risk of heart disease, diabetes, and some cancers. Broccoli has a compound called sulforaphane, which has anti inflammatory qualities and anti cancer factors. Most fruits and vegetables are excellent sources of antioxidants which combat free radicals, which are very damaging to the body. So think apples, berries, kale spinach, squash. Pineapple and papaya have excellent digestive enzymes that assist in digestion. I have always shared think like an artist when it comes to fruit and veggies. Color, texture, shapes, each an experience to the taste buds loaded with vitamins and minerals.
5. Sweet Potatoes- they provide dietary fiber, vitamin A, C, B6 and potassium. Different than white potatoes, sweet potatoes are a complex carbohydrate with iron and calcium.
6. Healthy Fish, Meat, and Eggs- some people can be vegetarians so this section would not necessarily be for you. Fish that contain high levels of Omega 3 fatty acids which benefit the heart and nervous system are salmon, trout, herring, sardines, mackerel. This can also help people with arthritis and inflammatory conditions. Free range chicken is an excellent source of protein. Try to avoid deep fry and do more stir fry. Organic eggs are an important source of B vitamins, and help generate red blood cells . Important to understand eggs contain healthy cholesterol and choline which reduce the risk of heart disease.
7. Avocados- One of my all time favorite foods that I try to consume daily either in salads, or guacamole as a dip. Avocados are sometimes called a super food because it is a carbohydrate, protein, and healthy fat. Remember the body and brain needs healthy fat, and good cholesterol helps to remove bad cholesterol. They have anticancer properties and a wonderful source of fiber.

Eating healthy each day can be simple, nutritious, and delicious. Morning can be either a veggie scramble or yogurt with fruits and nuts. Lunch can be a salad with chicken and or avocado, or a sandwich on healthy bread. Dinner can be fish, chicken or meat with steamed or stir fry veggies. It can be a pasta dish covered with various colored vegetables. Have fun, be creative, but most important begin to experience the true qualities and benefits of food that heals, regenerates, re-energizes, and reconnects us to our own physical and emotional vitality.

HAPPY NEW YEAR!

Dr. Marty Finkelstein lives in Briar creek with his wife Julie Austin. He had a holistic chiropractic office in Atlanta for 40 years before moving and Re-Inspiring to Paradise. He is the author of several books including OUR REAL HEALTH INSURANCE A-Z AND MORE. He can be reached at drmarty3@yahoo.com if you have any questions.

WE ARE FLORIDA'S #1 RETIREMENT COMMUNITIES PARTNER!

Those Ibises!

Jody Larson

You've seen them around—white birds with long curved orange bills that are often dirty at the tips. The American White Ibis is found year-round in Florida. They are often seen in flocks. If you drive south on McMullen Booth Rd in the morning, you can often see flocks on the playing fields to the west.

Although the White Ibis is a wading and shore bird that historically feeds in mudflats, marshes, and mangroves, it has learned that plenty of food can be found in lawns, such as at golf courses, subdivisions, and sports fields. Wet areas are best for foraging, so they are often out after rain. They probe the earth with that long bill, finding grubs and other crawlers. They also help to aerate the lawn while poking around.

Immature Ibises are brown, and you might think a young Ibis is a Limpkin. But Limpkins have shorter, thicker bills and those distinctive white arrowhead markings on their wings. Mature Ibises are all-white but have four ink-black wingtips on each wing that are usually visible only when they fly.

Over the past several months I've seen a lone White Ibis near Dove Lake, and I've also seen small groups taking a stroll from lawn to lawn. I often wonder about that loner Ibis. Does it have trouble flying? Or does it just need some solitude? In any case, it's best not to feed Ibises, since human food such as bread is just not good for them—even if it's gluten free!

Humane Society & the Haven

Barbara Bergling

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and thongs in all sizes for use in the show.

The humane society and the Haven also don't accept sheets. Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone
Barbara Bergling

If you are a snowbird who has just returned to Briar Creek for the upcoming winter season, you may be missing your copy of the 2021-2022 Resident and Phone Directory, the yellow book.

Pete gave me a list of all the people where he was not able to deliver a copy, and I have these copies in my house.

So please contact me and I will bring a copy to you (or your rock box if you are not home when I come by).

BC2PhoneTree

Marsha Bowlby

The Phonetree reaches around 180 homes in Briar Creek Phase 2.

What originally was a way to notify the ladies who made phone calls for the Bereavement committee has turned into a communication system for Briar Creek 2. As a resident all you need is an email address to sign up for the telephone tree.

If you have not signed up yet and want to be on the phone tree, send an e-mail to BC2phonetree@gmail.com. Please include your name, address, and phone number.

Is your spouse the one getting the e-mails and you never know what is going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

If you have any questions regarding the phonetree, or you have signed up but are not getting the e-mails, please feel free to email me (BC2phonetree@gmail.com.) and I will be glad to help.
