### *TOYS FOR TOTS*

*I received the following email from the Toys for Tots Pinellas County coordinator:*

**D**ear Partner,  
Our campaign is made easier and much more effective because of you! Due to the unknown economic conditions, the Toys for Tots staff decided to increase the number of families receiving assistance by 30 percent. Despite the increased traffic and personnel, the program functioned better and more efficiently – this was a direct result of your efforts and willingness to help. In the end, with your help, the Toys for Tots campaign reached over **4000 families with 9400 children this year.** Toys for Tots is about empowering the family by providing gifts to the kids parents and letting the parent take the credit. Take solace in knowing that on Christmas morning you were responsible for bringing a smile to thousands of Pinellas County children.

On behalf of the Pinellas County Toys for Tots organization we cannot thank you enough for your time and energy in supporting our annual toy collection campaign. Our success is directly the result of you and your generosity.

In gratitude,  
Edward F. Zaleski III  
Toys for Tots Coordinator  
Pinellas County

### New Westwind Website Goes Live

**W**estwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. *We especially look forward to making this a community wide website with the addition of the Westwind II events and information.*

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

*New Website: [westwindroc.com](http://westwindroc.com)* (old website will redirect)

## MEET YOUR NEIGHBOR

---

### NANCY & RICHARD (DICK) BREBNER – # 493

**W**e were introduced to Westwind by our friends, Mitch and Shelley Wilson. For the past dozen or more years, we have been “visiting” and they finally said buy or butt out! So, we bought and built. We currently plan to spend the Spring in Westwind along with a few weeks here and there in the Summer and Fall. While not in Florida, we hale from Illinois, land of high tax and corruption. But that said, it is also where our three children and six grandchildren live. They are too much fun to leave permanently.

We both come from insurance careers. We met at the Kemper Insurance Companies where Dick was a Vice President and handled reinsurance claims and I was Director of Customer Relations. We’ve been married for 28 years and retired a couple of years ago.

We enjoy travel and have been fortunate to have visited Australia, New Zealand, and a number of countries in Europe. While not spending time with our kids and grandkids we enjoy golf, swimming, long walks, slow bike rides and good books. Dick also loves to read and discuss history and current events.

We are looking forward to getting to know our neighbors. And we are happy that we will be welcoming our sister and her husband to Westwind II this summer.

Barnes and Dick & Nancy Brebner.

All of these residents are now a part of Westwind II park history. Their “Meet Your Neighbor” articles and pictures are now in the MEMORY BOOK kept in the Westwind II Library.

WRITING A “MEET YOUR NEIGHBOR/NEIGHBOUR” ARTICLE IS A GREAT WAY TO INTRODUCE YOURSELF TO OTHERS IN THE PARK. HAVING THEM INCLUDED IN THE MEMORY BOOK IS ALSO THE ONLY MEANS WE HAVE OF BEING REMEMBERED BY OTHERS IN THE PARK WHEN WE ARE GONE. THE GOAL IS FOR EVERYONE IN THE PARK TO BE INCLUDED IN THE BOOK KEPT IN THE LIBRARY.

IF YOU HAVE NOT YET WRITTEN A “NEIGHBOR” ARTICLE, I am reserving months for 2022. Just let me know which month you would like. (I don’t assign months.)

**THANKS TO PATTI BOSNAK, HERE ARE SOME IDEAS OF WHAT YOU MAY WISH TO INCLUDE IN YOUR “NEIGHBOR” ARTICLE:**

### THANKS TO JOEL DANIELS FOR THE FOLLOWING:

**P**lease be aware of this potential fire risk within your home.

The suspected cause of a recent fire here in Westwind II was a bathroom exhaust fan. These fans can become a hazard when lint and dust buildup and then become ignited by an overheated fan motor. They are easy to clean with your vacuum cleaner hose and brush, and should be checked on a regular basis. Most exhaust fans can be unplugged and disabled if you choose to eliminate the potential hazard permanently.

## BOOK CLUB

ATTENTION ALL YOU BOOK WORMS:

**T**he Book Club meets the last Tuesday of each month in the WW II library. It is open to all residents of Westwind.

## Book Club

THANKS TO ELAINE BLANK FOR THE FOLLOWING:

**T**he book club choice for February is The Scent. Keeper by Erica Baauermeisster. It is a moving and evocative novel about childhood stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives. Emmeline lives on a remote island with her father, who teaches her about the natural world through her senses.

I think this will be a little different than some of the books we have read lately. I hope you will join me **Tuesday, February 22, 2022** at the **Westwind II library at noon** to discuss this book.

The Four Winds by Elena Ferrante was the book we read in January. This was a historical novel about the great depression and the dust bowl, the tragedies, poverty, starvation, unemployment and the sacrifices made. The story was set in Texas and California from the early 1920s up to WW2.

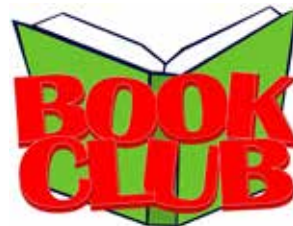

As you can see, we read a wide range of books and try to expand our minds to learn something as well as be entertained. The book club is really a special group of people who like to explore all facets of life. Won't you join us?

Elaine Blank

## BARBARA & TIM SCHUTT TACKLE THE 4 "P's"

---

A big hand to *Barbara and Tim Schutt* for taking the first week of managing the sale. Not only are they stocking and pricing, but they have done work in both sheds. We will continue to need volunteers to take a week of stocking and pricing. The procedure we will follow is "*The Four P's*." One person signs up, then *PICKS* his/her crew. The volunteer and crew then *PULL* items from the shed, *PUT* them on the tables and *PRICE* items. I will be available at 727-474-3637 if assistance is needed.

## REMINDER: HOMEOWNER'S INSURANCE

---

**W**hen you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## "WILL WORK FOR BEER"

---

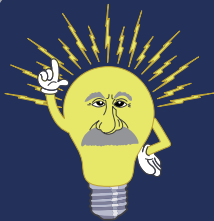

**S**omeone in WW II asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

## WINDFALL SALE

THANKS TO PAT SNYDER FOR THE FOLLOWING:

---

**T**he Resident's Windfall Sale is up and running. The sale is open when the clubhouse is unlocked and no event is scheduled. Please do not disrupt an event to shop.

Donations are being accepted in the clubhouse. Please leave your items on the marked card table in the corner, not on the tables which are being used by clubhouse activities.

Once again this year, we are using the honor system for payment. Choose your item which will have a price on it, and insert your money in the slot at the top of the locked mailbox. No change will be given. If you leave an IOU, when you do put in your payment, please mark it with your name.

Thanks to **Barbara H** for handling the sale while I was in Maryland and for putting a lot of time and effort into online sales. Also thanks to **Bob L., Renee, Carol M. and Betty** for working with **Barbara**. **Remember: We do not accept TVs of any kind, sleeper sofas or plate glass mirrors.**

Thanks again for participating in the sale and helping to support the WWII Social Club.

## GOT RATS?

RODENT CONTROL

---

**N**o nuts, seeds or food of any kind are to be put out for birds or squirrels as this attracts rats. Garbage must be kept inside until the morning of trash collection.

Rats burrow in the sand to make their nests. There is condensation on the water lines under the coaches. For moisture the rats chew the insulation and use it for their nests. Rats do not like metal. A suggestion to protect your coach would be to purchase ½' wire mesh and attach it to the outside of the split block around the perimeter of your coach. Any tiny holes could be stuffed with steel wool. This would keep them from going under

the coaches. If you choose to install the wire mesh on the outside of the split block, it must be covered with either plastic lattice, vinyl or aluminum siding to meet our Architectural and Landscaping Standards (Section I.g.).

Home Depot or Lowes sells rat traps that can be baited with beef jerky laced with rat poison. The key is to keep the traps baited and checked daily.

A key factor in eliminating rats is to eliminate their food source and ease of burrowing. They do not like bougainvillea so they will not travel in or around that plant. Putting traps in the planting areas will help, and moving them from time to time will also help to catch the rats as they travel in search of food.

**EDITOR'S NOTE:** An older sales associate at Ace Hardware recently remarked that rats have become a BIG problem in all of Pinellas County. I would encourage you to set traps - even if you have NO evidence of rats. You may be SURPRISED!
