## Manager's Corner

*Kristen Pruett, Resort Manager, East Bay Oaks and Eldorado Village*

---

**H**ello everyone, I just wanted to give a little beginning of the year update on a few questions that have come up recently. First, landscapers. I discovered that our landscape contract fluctuates in frequency depending on the time of year, this is a standard procedure and we went down to 1 cut per month in Dec and Jan, back up to 2 cuts per month Feb to April, 4 May to Sept then back to 2 Oct and Nov. We do not provide chemical or pest control in our landscape contract. We only cut/trim the grass and we will address issues with oak trees and have the palms hurricane cut annually. Anything else, fertilizer, pest control, shrubs, weed control, and flower beds are the responsibility of the individual homeowner unless it is a common area. They will be here again this Thurs and then you will see them every 2 weeks through April and 4 starting May.

I am working with Valet Living on some of the concerns with the pickup service as of late and have pest control scheduled to do a pretty major treatment around both of the pools for ants that should eradicate the issues we are currently having. I have a new cleaning company that will be starting probably the 1st of Feb for the clubhouse and common areas. I am also working with the laundry folks to upgrade ALL of our equipment at both laundry rooms if at all possible! I am bidding out a full acid clean, resand and seal on the pavers at both pools and also to replace the damaged and broken benches at the shuffleboard courts. In house, we are focusing right on some spring cleaning, pressure washing and painting throughout the community. Both dog walk areas just received brand new Doggy Stations (please utilize them). The dumpster area continues to be an issue, but we now have it open Tuesdays, Wednesdays and Fridays in addition to the weekly trash pick up. That is probably how that will stay for now. And finally, my big push this year will be to address violations on the property with rules and keeping up with the individual homes. The ultimate goal is and will always be how we can be the best in the area!! Thank you and Happy 2022!!

Thank you,

Kristen Pruett
