## LA PLAZA'S MANAGERS POST

---

February 2022! The month of Love and love is in the air. I love the concept of love. Love is what fuels everything else and our ultimate purpose in life is to love others. I also love quotes. Quotes give me inspiration at certain times and I love when I find a quote that is perfect for a specific situation that I'm in. Mother Teresa said, "Spread love wherever you go. Let no one ever come to you without leaving happier." She was on to something, Imagine if you spread love and all people who come in contact with you walk away happier, what a world it would be. Especially in these times of uncertainty we live in, you can spread a little compassion, kindness and love, it costs you nothing and it could mean the world to someone else. Something to ponder.

Our Pastries & Coffee started out in January and we had a wonderful turnout on Tuesday, but as we were talking it was decided to move it to every other Wednesday morning 9:30-11:00 am starting with February 2nd and every other Wednesday thereafter. (Less activities on Wednesdays) We hope to see you stop by and visit.

I am starting to see a majority of the mail and I have updated the mailman Scotty with everyone's last name, IF your mailbox does not have the correct last name please leave a note in your mailbox. IF you are seasonal and going back home, please leave a note in your mailbox. He would appreciate it. Please continue to drop your payment off to me, or in the drop box, mailbox or bank bill pay to:

La Plaza MHP  
6700 150th Ave N **Park Office**  
Clearwater, FL 33764

**Please remember your Lot # on your check!**

Please continue your efforts to NOT FEED FLORIDA WILDLIFE, continue to chase and haze the ducks off your property, and do not feed stray cats. When you put food out for them you are also feeding the ducks, stray dogs, opossums, raccoons and rats. I really appreciate everyone's efforts.

I encourage everyone to get involved with the HOA and to attend any functions that you can, Mike and I have enjoyed the ones that we have been able to attend and I love to see the clubhouse being used as it was envisioned for.

May all your troubles last as long as your New Year's Resolutions!

Mike & Janet Baker, Park Managers

# Presidents Report

Rick Johnson, President La Plaza HOA

Hello La Plaza Residents!

I hope you enjoyed your Holidays and that all is well with you and your loved ones. By the time you read this you will be seeing our NEW DIGITAL SIGNS at the corner of 3rd and 4th streets, which have replaced the old wooden ones. This will give us a more modern look and be easier and faster to change a message.

This upgrade was donated by two very generous residents to whom La Plaza residents are grateful for.

Thank you!

Our busy season is upon us, so get ready La Plaza to party!!

We had a WELCOME BACK dance for all our snow bird friends as we celebrated their return on Jan 22nd, music by STILL ROCKIN.

On February 12th we will sponsor a SWEETHEART DANCE; February 14th DEATH BY CHOCOLATE; February 18 and 19 (Friday & Saturday) CARPORT SALE from 8:30 am to 1:00 pm; and of course March 12th ST PATRICK'S DAY DANCE.

Please join us for all these Events!

*The dangers of a concentration of all power in the general government of a confederacy so vast as ours are too obvious to be disregarded.~~~~~Franklin Pierce*

## THE CONSTITUTION OF THESE UNITED STATES OF AMERICA

**W**e the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

### Article. III. – Section. 1

The judicial Power of the United States, shall be vested in one supreme Court, and in such inferior Courts as the Congress may from time to time ordain and establish. The Judges, both of the supreme and inferior Courts, shall hold their Offices during good Behaviour, and shall, at stated Times, receive for their Services, a Compensation, which shall not be diminished during their Continuance in Office.

### **Fact: Dead skin cells are a main ingredient in household dust**

Here’s an interesting science fact for you: According to researchers at Imperial College London, humans shed around 200 million skin cells each hour—and they have to go somewhere when we’re indoors. If the idea of skin dust isn’t sitting well with you, you should know that a report from the American Chemical Society found that a skin oil called squalene naturally helps reduce indoor ozone levels by up to 15 percent.

## RECYCLING SUGGESTION

Bobbi Paye

**T**he la plaza homeowners association has voted to discontinue collecting aluminum soda and beer cans by the dumpster. The containers for collection have been removed. If you wish to continue recycling them, you can include them with all your other recycling items.

**The following information is about where you can take all recyclables if you choose not to dispose of them as garbage:**

**Zero sort recycling** is available behind tri-city mall on the other side of east bay.

**Directions:** just go out the back exit of la plaza onto 69th street and go across east bay drive onto the road going into tri-city mall and take a right at the end of the road.. Continue along that road all the way to ross, turn left and go north a short ways, then turn west. You should see the recycling bins behind petco. It is zero sort recycling, so flattened cardboard, newspapers, magazine, plastic bottles, aluminum cans, glass, etc. Can be placed in the containers. Happy recycling. Our environment will love you for it. No plastic bags!

### DID YOU KNOW?

**Fact: The bumblebee bat is the world's smallest mammal**

Weighing in at 0.05 to 0.07 ounces, with a head-to-body length of 1.14 to 1.29 inches and a wingspan of 5.1 to 5.7 inches, the bumblebee bat—also known as Kitti's hog-nosed bat—is the smallest mammal in the world, according to the Guinness Book of World Records. To see this tiny bat for yourself, you'd have to visit one of a select few limestone caves on the Khwae Noi River in Kanchanaburi Province of southwest Thailand.

## Fact: The circulatory system is more than 60,000 miles long

If a child’s entire circulatory system—we’re talking veins, arteries, and capillaries—were laid out flat, it would stretch for more than 60,000 miles, according to the Franklin Institute. By the time we reach adulthood, our bodies have become home to approximately 100,000 miles of blood vessels. That’s just one of the mind-blowing facts that sound made up (but aren’t).

## REMEMBER:

Community members only serve as the extra "eyes and ears" of law enforcement. They should report their observations of suspicious activities to law enforcement; however, citizens should never try to take action on those observations. Trained law enforcement should be the only ones ever to take action based on observations of suspicious activities.

The Chairperson will be Rick Johnson at lot #211. If you have interest in learning more about this you can contact Rick.
