Trying something new. How to do crafts

Valentine's topiary

Materials

- 2 large foam hearts
- pink acrylic craft paint –
- paint brush
- parchment paper
- 12 bunches of faux roses in pink,
- hot glue gun and hot glue sticks
- 2 galvanized buckets –
- 2 small blocks craft foam –
- craft shears
- 2 12-inch wood dowels –
- shredded kraft paper filler –
- 2 packets of moss stones –

Instructions

1. Paint the large foam hearts using both shades of pink paint. Set on parchment paper to let dry.
2. Pluck the flowers off the stems. Apply a large dot of hot glue to the foam surface. Press the flower into the foam – the little plastic stem piece will stick into the foam, and the hot glue will hold it in place long-term.
3. Fill in any gaps with leaves, secured with hot glue.
4. Trim down the foam block to fit into the galvanized bucket. Secure the bottom with hot glue.
5. Stick one end of the wood dowel into the foam block. Stick the other end into the bottom of the foam heart. Secure both ends with hot glue.
6. Fill the bucket with shredded kraft paper and moss stones.
7. Repeat the steps above to make a second heart topiary.

A KIND GESTURE

One bright sunny day in December Roberta O'Brien called me and said she wanted to come down for a cup of coffee and a visit as she hadn't seen me for a while. I was elated. She said she would be here at 4 PM.

Four o'clock I made the coffee. Soon a knock on the door and Roberta comes in and insist we sit outside as it was such a beautiful day. So, I picked up the coffee pot and started out the door. Lo and behold I was shook up to see my good neighbors bringing their own chairs and drinks to sit with us on the carport.. They normally meet everyday for happy hour and decided to share their time with me. I am blessed.

Blessed to have such caring neighbors like Roberta and John O'Brien, Carol and Larry Byrd, Linda and Ben Jackman, Trisha Lasisomphone and Lou Desrochers. How happy I was to realize such good friends would take the time to come and visit a 92 yr old lonely lady. As the saying goes: "I needed that!" It made the holidays something to look forward to. Thank you Thank You. Thank You.

KNOW YOUR NEIGHBOR

Ben and Linda Jackman , lot 28, moved to ShangriLa Mobile Home Park in 2016. Linda states: “Before I retired we sat down to decide what we wanted in the future. Since Ben works six months at the resort, we decided to choose Florida to live in for the remaining months” Linda’s sister lives in St. Petersburg. While visiting they researched the area. They rejected the bigger parks, but when they came to see ShangriLa, they “immediately” bought Lot 28. “We were looking for a small park and found what we wanted here”.

Linda was born July 19,1950 in Toronto, Ontario Canada. The second of five children, she has three sisters and one brother. She attended elementary school and graduated from Monarch Park, Ontario high school. She has worked as a graphic designer most of her life. She retired from Blewitt Printing in Lindsay, Ontario in 2015.

Ben was born Oct. 3, 1960 on Bell Island, Newfoundland. The second of four children, he has a sister and two brothers. The family moved to Cambridge, Ontario where Ben attended elementary and high school. Ben has worked in maintenance most of his life. For the past ten years he has been working as Maintenance Manager of the Blue Pigeon Resort in Trent Lakes, Ontario where he maintains that position today.

Ben and Linda met through Ben’s brother in 1999. They married in 2002. Ben has a daughter from a previous marriage, Chantel Sawdon. Linda has a son Neal Petrino, from a previous marriage. Together they have seven grandchildren and three great grandchildren.

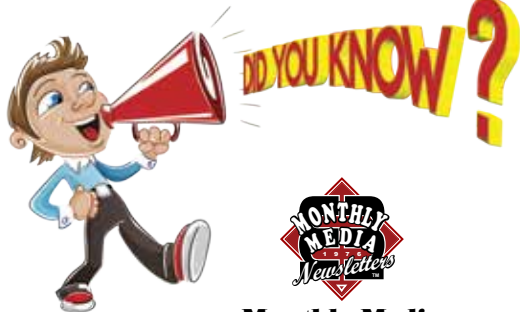

Linda has no main hobbies, but loves cooking, baking and cleaning. “Certainly not hobbies but the necessities of life”. They miss their two fifteen year cats we died last year. Ben enjoys helping anyone in the park who needs his expertise. They belonged to the Shuffle Board Team, pre Covid, and still practice with other residents on the track in the park. Also, “We have a group of neighbors who play Corn Hole together” for fun. In the past, Linda has participated in the many parties allowed in the park.

When asked why moving to Florida? The answer: The weather!! “Have you ever been to Canada in the winter?” I haven’t but I’ll take your word for it. We are lucky to have such loyal Canadian friends who make a big difference in our little world. Thank you for living in our community. We are happy you chose us.

Ben and Linda Jackman

HOA

There will not be a HOA meeting in February. The meeting in January was canceled because of the current Covid-19's uptick. In order to have a meeting you need a quorum. Since there are people who refuse to wear a mask, and people who don't want to be in a crowd without masks, we will be unable to get a quorum. There are also no activities until things get better. For the time being we will continue to have happy hour every Friday, since it is held outdoor.

Note from Editor

If you would like to be featured in a Know your neighbor please contact Polly Pifer lot number 50. She can interview you over the phone. She does a great job so let's keep her busy.

FEBRUARY DAILY

Groundhog Day, Feb 2. Will the groundhog see its shadow?

Feed the Birds Day, Feb. 3. Early February is when your backyard birds need your help the most. The seeds in your feeder provide energy and strength to help birds make it through the rest of winter.

Autism Sunday, Feb. 13. Also known as the International Day of Prayer for autism spectrum disorders, this event is observed annually on the second Sunday of February.

Valentine’s Day, Feb. 14. Spend the day with someone you love.

President’s Day, Feb. 21. The day honors George Washington (born Feb. 22), and Abraham Lincoln (born Feb. 12) and all U.S. presidents.

Lack of knowledge fuels health care worries

We’re all worried about the cost of medical care, whether we’ve got insurance or not. Business Wire reports that 75% of people with health insurance are nervous about suffering financial problems because of medical bills, only slightly less than the uninsured 77% who are just as worried.

The MITRE-Harris Poll Survey on Health Insurance Literacy and Perception found that 47% of people have experienced not having their insurance pay for as much as they expected, 42% have discovered that a procedure wasn’t covered, and 33% didn’t realize that a doctor or facility they used was out of network.

The problem may be our lack of understanding of health coverage. The survey found that 53% of people say they understand their plan only “somewhat,” with just 33% feeling they know the details of their coverage “completely.” Twenty-six percent said they never check what’s covered ahead of time. Trying to figure out what is covered is the most frustrating aspect of health care to 28%, along with finding someone to answer their questions (20%), and determining whether a physician or hospital is or isn’t in their network (20%).

A healthy outside starts from the inside.

FEBRUARY CALENDAR

Black History Month. During Black History Month, Americans reflect on more than 400 years of Black history and heritage in communities and national parks across the country. Use this month to find special places, historic moments, and personal journeys that contribute to conversations about Black representation, identity, and diversity in our nation's history and today.

Find the sweet spot

Some people know exactly what they want to do with their lives at an early age. Not Rebecca Stephens. The first British woman to summit Mount Everest came to mountaineering in her late 20s, after graduate school and years of working as a journalist.

A magazine assigned her to cover an expedition to the Himalayas. There she realized that her true goal in life was to climb to the peak of the highest mountain in the world. So she quit her job and spent years working to fund a climbing expedition. The fear of dedicating herself to such a goal without a job, during a recession, and with a mortgage to pay was daunting, but she didn't let it stop her from pursuing her dream.

Since reaching the peak in 1993, Stephens has gone on to summit the "Seven Sisters," the highest peaks on every continent. Her advice to people still looking for their calling? "Don't panic. It's OK to explore. It's OK to try different things," she tells the Insider website. "It's a question of finding the sweet spot. But quite often if you follow what it is that really fulfills and interests you, the rest falls into place."

Still a champion

Charlie Boswell was an all-American athlete who was offered professional contracts in both football and baseball. But when WWII erupted, Charlie enlisted in the military and was assigned to a tank division.

During a battle in Europe, a shell hit Charlie's tank. As the tank burned, he made sure everyone else got out safely, but then a second shell hit, throwing him 50 feet, breaking his bones and burning his body.

After a weeklong coma, Charlie woke up in a hospital and learned that he'd be blind for the rest of his life. Refusing to be discouraged, he worked hard at his rehabilitation, learning to live in a world of darkness.

One day a friend came to visit him. "Would you like to play some golf?" he asked.

"How in the world can I hit a golf ball when I can't even see it?" Charlie asked, but the friend was persistent. He took Charlie to a golf course, showed him how to hold and swing a club, and let him hit the ball.

Charlie's first drive traveled 200 yards straight down the fairway.

Charlie began training, and slowly his abilities improved. Ultimately Charlie won a world championship, shooting a 38 on nine holes.

The moral, as the Conscious Panda website puts it: There is always an alternate route if you just have the will to find it.

Storytelling is our obligation to the next generation.
