MANAGER'S CORNER

By: Victoria Greenwood
February 1, 2022

MANAGER

HOME MAINTENANCE

We would like to thank all those residents that responded and complied with the notices that were sent about carports. For the month of February, we will be focusing on flower beds. Of course, we are also looking at your entire lot. A special thank you goes out to those that we didn't have to send a notice in the last few months. We appreciate you keeping Sugar Creek looking fabulous.

MAILBOXES

Do not park your vehicle in front of your mailbox or your neighbor's mailbox. The mail carrier will not climb over trash or maneuver around parked vehicles to get to your mailbox. Please always keep mailboxes accessible.

DRIVING ON SIDEWALKS

Golf carts, vehicles, bikes and motorcycles are driving on the sidewalks to avoid the speed bumps or to pull up to get the mail. This is dangerous! **DO NOT** drive on the sidewalks.

DOGS

We have a lot of furry friends in the park. We ask that you respect your neighbors and walk your dog on your own lawn to do its business before you take him/her for a walk. Do not walk your pet on the common areas of the park. This includes: the pond area, the west and east side of the clubhouse, Laundry area, and Mailbox area. We have a dog park located on Robin drive, please use it. Remember to bring waste bags wherever you walk.

CATS

If you own a cat, it **MUST** be kept indoors. If you are feeding cats that are outside, according to Pinellas County, they are your cats. You are responsible for them so you will need to bring them indoors or **STOP FEEDING THEM**.

HOME SALES

Thinking of selling your home? Contact Daniel or Vicki to walk you through the process or answer any questions you have. We are here to help: 727-586-2002.

SUGAR CREEK HOA

Once again, I must change the date of our next meeting. It will be Tuesday the 22nd of February at 7:00 pm in the clubhouse. The reason for the change is that Karen Rowan has agreed to attend the beginning of the meeting for about 30 minutes to take some questions. I know 30 minutes isn't very long, but it is a move on her part to open communications. There will be a box in the clubhouse with cards for anyone to write down the questions that you would like to ask. Please put your name, lot number, and a phone number on the top of the card with your question, then put it in the box. We will be limited on how many we can ask her due to time, but we will ask her the questions that pertain to the most residents. After the question period we will hold our regular meeting and take volunteers/nominations for next year's board of directors.

I would like to thank everyone that showed up at our last meeting, we finally had a quorum and were able to conduct some business. I hope we have as good a turnout for this meeting.

Bob Cici

Find the sweet spot

Some people know exactly what they want to do with their lives at an early age. Not Rebecca Stephens. The first British woman to summit Mount Everest came to mountaineering in her late 20s, after graduate school and years of working as a journalist.

A magazine assigned her to cover an expedition to the Himalayas. There she realized that her true goal in life was to climb to the peak of the highest mountain in the world. So she quit her job and spent years working to fund a climbing expedition. The fear of dedicating herself to such a goal without a job, during a recession, and with a mortgage to pay was daunting, but she didn't let it stop her from pursuing her dream.

Since reaching the peak in 1993, Stephens has gone on to summit the "Seven Sisters," the highest peaks on every continent. Her advice to people still looking for their calling? "Don't panic. It's OK to explore. It's OK to try different things," she tells the Insider website. "It's a question of finding the sweet spot. But quite often if you follow what it is that really fulfills and interests you, the rest falls into place."

Still a champion

Charlie Boswell was an all-American athlete who was offered professional contracts in both football and baseball. But when WWII erupted, Charlie enlisted in the military and was assigned to a tank division.

During a battle in Europe, a shell hit Charlie's tank. As the tank burned, he made sure everyone else got out safely, but then a second shell hit, throwing him 50 feet, breaking his bones and burning his body.

After a weeklong coma, Charlie woke up in a hospital and learned that he'd be blind for the rest of his life. Refusing to be discouraged, he worked hard at his rehabilitation, learning to live in a world of darkness.

One day a friend came to visit him. "Would you like to play some golf?" he asked.

"How in the world can I hit a golf ball when I can't even see it?" Charlie asked, but the friend was persistent. He took Charlie to a golf course, showed him how to hold and swing a club, and let him hit the ball.

Charlie's first drive traveled 200 yards straight down the fairway.

Charlie began training, and slowly his abilities improved. Ultimately Charlie won a world championship, shooting a 38 on nine holes.

The moral, as the Conscious Panda website puts it: There is always an alternate route if you just have the will to find it.

Storytelling is our obligation to the next generation.
