FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Well so far this winter (mid-January as I write) we have been enjoying a wonderfully warm winter. Of course as you read this, I guess that might no longer be true. Sometimes we forget that the coldest winter weather in Florida comes near the end of the season, but even then, the average temperatures for the Clearwater area says the low is only about 54, while the high still goes up to around 72 degrees. If that's how our winter goes – I'll take it any day. And since this is February, remember as the month of love, if it gets cold just find someone to snuggle with and stay warm while enjoying the afternoon Florida sunshine. The days are already getting longer, so there is more time to enjoy Florida

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394.....haroldwur@aol.com)

Happy Valentine's Day!
The residents' Club is again approaching the end of its fiscal year. Election time for officers (Feb 1 is the elections) and a new budget for the 2022 – 2023. I hope there are lots of new ideas coming up this new year to keep the club interesting to everyone who lives here, either part time or full time. A reminder for everyone. If you are the chairperson for an event, or would like to introduce an event, the reservations for use of the clubhouse for any event must be approved by the residents' club board, by filling out the reservation form and turning it in to the vice president of the club. Without that approval, you could possibly have your event cancelled and may be asked to leave. This is done for the protection of everyone and the smooth operation of events in a manner that allows the club to continue providing events that include all of our interested residents while complying with the wishes of the park owner. It's a simple

continued on page 6

thing, not a big deal, but we need a person who will take responsibility for the event and the cleaning of the clubhouse when the event is scheduled. This is what allows us as residents to continue to enjoy our clubhouse

With an entire new season coming up soon, we do need chairpersons and ideas for events. We hope to be able to put all the covid experiences behind us, and come up with some events for both the coming summer and next year. We will soon be winding up this season's programs and will start up a whole new year of regular activities. The entertainment committee already has some of next year's dance entertainment booked. Let's keep Lincolnshire active!

BAZAAR 2022:

By now most everyone is aware that the 2022 bazaar has been cancelled. We want to thank all of the volunteers who were ready to help us with this event. We know many residents have saved items for donation, and many were ready to get out to make it happen.

Many concerns about the project resulted in the decision to cancel, among them are the lack of available places to remove the leftover items as we have had in the past, and the current increase in covid cases and how contagious the new strain is. Currently there is no one who is willing to pick up after the event, and we believe there is no way to properly police the wearing of masks, or the vaccination levels of people from outside the community who would be in and out of the clubhouse during the event and feel we do not wish to jeopardize the health of any of our residents.

We hope the bazaar will be back again next year. Perhaps by then we will have a new format to make the event easier for all to participate. We would hate to see it completely disappear. The first mention of the bazaar as a huge success was recorded in the “voice of Lincolnshire” Volume II number 1 November. (The year is not specified, but it is number 1 – the first year of publication somewhere in the early 1970's) The total profit that year was \$1,013.02. we've come a long way baby!

Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

We continue to need your help!! It's February again, and the deadline for changes is rapidly facing us as we put together the new listings for our "yellow book." The cutoff date for submitting new phone numbers or adding your number if you are a new resident here in Lincolnshire is **February 15**. We are aware that there are several new residents who have not submitted their information to us to publish in next year's Dial Directory. The office does NOT provide us that information. If we do not have the information with permission to publish, the home will be listed in the back of the book with the name of the last resident we are aware of who was the owner of that home, or with the last name of a new owner that we can verify. The name however will not be in the listing of names with numbers in the body of the book. Please help us out if you have a new neighbor. Remind them to submit the form no later than February 15. After that date, no new numbers or names will be added, and they will not be listed as residents in next year's book

If you have not received the current book, please contact your block captain. If you are returning from your summer vacation up north, contact your block captain upon your return to receive your book. Remember to update your book using Voice monthly information, since there have been changes since the publication went to print.

Thanks to everyone who gave us phone numbers and information for this edition of the "yellow Book. The pages in the back of the book are available to add new names, or names & numbers of friends outside Lincolnshire to keep them near your local numbers. Please make the following corrections and or additions:

For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above)

Please remember the only way we can publish your name & number as being a resident here in Lincolnshire is if you fill out the form and return it to lot #938. The office cannot share your information to us, and the book is published only once each year.

Thank you for your cooperation.

COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

February is a perfect month for this cake recipe. Not only is it Valentine's Day, but It is also prime time for the second most important ingredient – Florida Strawberries. I say second most important because the most important thing is not listed in the ingredients – it is the love you put into the recipe on your own. Make – bake – and enjoy!

Ingredients

For the compote: 1 LB Florida Strawberries, hulled, & halved, 2 TBS granulated sugar & juice of ½ lemon.

For the cake: Cooking spray, 2 c. all-purpose flour, 3 tbsp. cornstarch, 1 1/2tsp. baking powder, 1/2 tsp. baking soda, 1 tsp. salt, 1 stick softened butter, 1 c. granulated sugar, 2 large eggs, 3/4 c. strawberry compote, 1 tsp. vanilla extract, 3/4 c. milk, Pink food coloring (optional)

For the Frosting: (8-oz.) block cream cheese - softened, 1 stick butter - softened, 1/4 c. strawberry compote, 4 1/2 c. powdered sugar, 1 tsp. vanilla extract, Pinch salt, Fresh strawberries, for garnish

1. In a food processor, puree strawberries then add to a small saucepan with sugar and lemon juice. Place over medium low heat. Cook, stirring often, until thickened and reduce by about half, about 20 minutes. Remove from heat and let cool completely.
2. Preheat oven to 350° and grease and line two 8” round cake pans. In a large bowl, whisk together flour, cornstarch, baking powder, baking soda, and salt.
3. In another large bowl, with mixer, beat together butter and sugar until light and fluffy. Add eggs, one at a time, beating well after each addition. Beat in strawberry compote and vanilla until fully incorporated, then add milk. Add dry ingredients, mixing until just combined. stir in some pink food coloring.
4. Divide batter evenly into prepared pans and bake until a toothpick inserted into the middle of each comes out clean, 25 minutes. Let cakes cool for 15 minutes then invert onto cooling racks to cool completely.
5. Make frosting: In a large bowl using a hand mixer, beat cream cheese and butter until no lumps remain, then beat in strawberry compote. Add powdered sugar and beat until fully incorporated. Add vanilla and a pinch of salt. If your frosting is too loose, refrigerate for 20 minutes before frosting the cake.
6. Spread a thick layer of frosting on top of one cake layer. Top with second layer of cake, then frost all over sides and top. Garnish with fresh strawberries, if using.

INTERFAITH WORSHIP SERVICE

BY: Rev. Terry Lapierre McGuire..... (lot #671.....510-2022)

I am happy to be returning to lead an interfaith worship service on Sunday mornings beginning this month once again in the clubhouse. The service is open to all faiths and is simply spiritually centered. Come join us as we worship together as a Lincolnshire family. I will also be available for pastoring for individual needs, more information to follow. Feel free to call me with any concerns which you may want to share.

DVD LIBRARY:

An update for those who are waiting to use the DVD library. Even though the residents' club approved funds to purchase a suitable cabinet to house the many (over 500) DVD's available for residents' use, Rickert properties has told us they do not want an additional cabinet placed in the clubhouse. It seems they believe it would not benefit the appearance of the clubhouse. We are currently investigating a different plan to house the DVDs which have already been catalogued for easy reference and use.

As soon as we have this issue resolved, the DVDs will be made available with the catalogue for easy access, and we will begin our twice monthly movie nights in the clubhouse.

Watch for more details as we create this new library of movies to enjoy in your homes, and begin our movie nights for all to enjoy.

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Here in Canada, we are looking forward to warm weather after very cold temperatures. The Committee is planning on holding another seminar on March 13th at 1 pm in the club house. Any news regarding the committee will be posted in the laundry room by Donna. In the meantime, if you have any questions, please contact Donna.

With virus still raging, wear a mask and practice social distancing not just for your health but for the health of others.

I GOT IT: (A NEW GAME)

By: Shirley Peterson.....(lot 874.....508-207-3659)

NEW bi-weekly game in the clubhouse called “I GOT IT” Second & fourth Thursdays 6:30 PM

The first night was a lot of fun, even though only a few residents attended. The total game was finished in under an hour. We expect the time to get longer as more residents come out to join us and more single games can be played. Everyone who attended the first night commented that they will return for more. So come out and join us. You never know – you might win a little \$\$\$.

The game pieces are 2 sleeves of 3 playing cards side by side and laminated

THE GAME IS \$5 AND YOU GET TWO SLEEVES. What money comes is the money paid out. No money is held. The object of the game is to cover all 3 cards on one sleeve. The game starts when a playing card is called, if you have it, cover it. When 2 of your 3 cards is covered you yell “HOLDING” letting everyone know someone could be a winner. When you have all 3 covered you yell “I GOT IT” - Single games are \$5 winners. The number of games played will depend on the number of sleeves which will also determine the size of the jackpot game

The game is fun for all – It is NOT bingo – looking to start up in January – watch the bulletin board

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

Happy Valentine's Day!

February the month of colder weather for us in Florida but not the freezing temperatures our family & friends will be experiencing in other parts of the country. It is that time of year many of us get the phone calls to set up family visits to the Sunshine State. Don't forget to send your family photos of our beautiful sunsets and selfies of you enjoying the Lincolnshire pool with friends. We have an obligation to brag about our weather this time of year.

As we are preparing this article Mary Jo is packed and ready to embark on a weeklong cruise with family members to the Caribbean. Covid has kept us all closer to home the last couple of years. Travel these days can be trying with canceled flights, long lines, pre-testing for trips and making sure you have a good supply of masks and hand sanitizer with you at all times. Common sense appears to be something we need to use for ourselves and others when it comes to "getting" back to whatever the new normal will be. Here is to staying healthy.

Since our last newsletter we have contacted via cards /calls the following residents who have had hospital stays or are home recovering from an illness. Please keep them in your thoughts & prayers.

Joe Kelly - # 1525 winter resident back in Ohio recuperating.

Saddens us to report on of our Lincolnshire residents passing.

No information to report.

If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would greatly appreciate you dropping them off to either one of us. The Sunshine Committee can always put them to good use.

Please give Mary Jo or Marge a call with any news regarding our Lincolnshire neighbors. It is always nice to know that others are thinking of you when you are experiencing a difficult time in your life.

Mary Jo Webert # 727-242-2505

Marge Kristall # 727-709-2345

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC. P.O Box 1822, Largo, FL 33779 L.H.O.A is a Florida Statute 723 Tenet Association

Allyn Weibert, Secretary

DID YOU KNOW?

Members have asked Directors how does the Board learn of, investigate and determine a course of action regarding safety and park maintenance issues affecting a majority of homeowners. And whether there seems to be rules/enforcement that could conflict with state law on homeowner's rights/responsibilities and each homeowners Prospectus (disclosure) that also includes the rules. Keeping always in mind that LHOA does not own or manage the Park. Much different than Resident Owned parks, condos etc. where every owner has a stake in the park plus its day to day operation.

First, the Board embraces that we have a strong desire if not a requirement by the State to protect our homeowner rights and understanding our responsibilities. Plus knowing our legal limitations under law. These standards are embedded in our Board's Code of Conduct. We are not politicians.

Secondly, there is a process (designed to avoid the knee jerk response that usually gets unintended results.) It is quietly done with little fanfare. Gather the facts which includes documentation, pictures, Board President calls to the park resident manager, how many homeowners are affected and testimony. Sort out the actual issue the Board wants to reach a resolution with the Park Manager or Owner. This all takes time and energy to accumulate enough to then decide step 3.

Thirdly, and most difficult is to compare the issue with State Statute 723 that outlines the rights and responsibilities of both the park owner and the homeowners and often not understood is whether the Prospectus (the disclosure of what both the park and homeowners are responsible for.)

When the Board is unable to make the determination we should make a decision whether to seek legal advice from LHOA's legal agent. Very costly. But then again no Director is an attorney. \$400/hour for a decision you can take to court if needed. This step should also include presentation to the Membership should additional funding be sought.

What options should the Board have: Board President verbal request a better understanding to the park owner and manager followed by a complaint letter from the Board if deemed prudent; written formal complaint to the State department of professional regulation (you can do this too) calls and letters to our state congressional representatives (you can do this too.) Also include on our agenda with the Park owner during our yearly rent/pass-on meeting. In the past 29 years LHOA has used all of these tools.

LINCOLNSHIRE KENNEL KLUB

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

Did you know that if you make your dog wear a hat when riding in your car on the freeway you still are not permitted to use the car-pool lane? Lots of residents here in Lincolnshire are not aware that I have been losing my eyesight for at least the past 5 years and am now almost completely blind. But I still know my way around when walking through the community. As long as traffic is not driving down 9th street at over 30 MPH I feel safe using my other senses. Here is a story about another canine with limited sight and a rescue by a friend. Luna, a 14-year-old pit bull came inside her home soaking wet one day. Luna was blind like me, and not in the habit of going for a swim. Her owner thought she had fallen in the pool – but how did she get out? Her owner checked security recordings and found 2 minutes of action a heroics caught on tape. Yes, she had fallen into the pool. When she surfaced, she was disoriented and in a panic. She started swimming toward the deep end. Suddenly Caipirinha, the families 3-year-old mutt appeared whining to get Luna’s attention. Then the younger pup guided her older blind sister to the shallow with her snout leading her to the pool steps. Once she was there Caipirinha pulled her to safety by tugging on her collar, not giving up until all 4 of Luna’s paws were out of the water. Never underestimate the caring of one canine friend to another or their ability to relate to each other

BOWLING

Well after 9 weeks of bowling, the Saints were finally knocked out of first place by one of the teams from the merged league with nobody from Lincolnshire on that team. But there are still many weeks left to catch back up. The good news is that the season high scores still have the Saints in the lead for high handicap game and the Steelers high handicap series. David Cassidy holds 2nd high season game with 244, while Bob Mitchell has 3rd. high with a 227. For the ladies of Lincolnshire, Brenda Mattison has 2nd high handicap game with a 254, and Alice Oswalt in 3rd with a 245.

VETERAN'S CORNER

Just a few of the Benefits that Florida offers their Veterans and disabled Veterans:

Did you know that the state of Florida operates 6 Veterans' nursing homes and 1 assisted living facility throughout the state? Basic admission requirements for all veterans' nursing homes in Florida include an honorable discharge, Florida residency for one year prior to admission, and certification of need of nursing home care by a VA physician. Resident veterans with VA disability of at least 10% can get a \$5,000 deduction on their home's assessed value. The un-remarried surviving spouse who had been married to the veteran for at least 5 years may also be entitled to this exemption. Florida resident veterans with an honorable discharge and are 100% permanently and totally disabled as well as quadriplegic veterans are exempt from paying property tax on their residence. Un-remarried surviving spouses may also be eligible. Florida resident veterans who are paraplegic, hemiplegic, or permanently and totally disabled who must use a wheelchair for mobility, or are legally blind, may be exempt from real estate taxation depending on income. Permanently and totally disabled veterans can get a Florida driver's license for free. Florida waives undergraduate-level tuition at state universities, community colleges, and career and technical training facilities for Florida recipients of the Purple Heart and higher combat decorations. Florida provides four-year college educational opportunities for dependent children and spouses of veterans who died from a service-connected disability or who are 100% percent service-connected totally and permanently disabled veterans of the U.S. Armed Forces. The state offers a 25% discounted annual pass to all state parks for all honorably discharged veterans. Veterans with service-connected disabilities and their spouses or surviving spouses get a free lifetime pass. County and municipal parks offer free or reduced entrance fees to current military members, honorably discharged or disabled veterans and their spouses. Contact your local county or municipality for details. Active-duty and retired military Florida residents can get a Military Gold Sportsman's License for \$20. The license covers hunting, freshwater and saltwater fishing and a variety of associated permits at a greatly reduced cost. 100% permanently and totally disabled service-connected veterans are entitled to a free five-year hunting and fishing license. The Veterans Florida Agriculture Program is a six-month training fellowship that provides veterans and servicemembers a comprehensive, hands-on experience in the agriculture industry. The training takes place at the University of Florida Institute of Food and Agricultural Sciences (UF/IFAS) Research and Education Center facilities across the state. Trainees earn \$15 an hour.

A Nurse's Self Care Toolbox #44

BY: Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

Last month I started a several month series on nutrition, movement (exercise) and finally on diabetes. With so many new homeowners in Lincolnshire Estates I simply wanted to run this series again. Diabetes remains a significant issues for over 55 year old's. This month is about how we get everything from what we swallow (or should swallow) for energy. Energy is the goal for every one of our cells including fat so they can do their job, whatever it is. Nerve cells to conduct information, muscle cells to flex and contract, skin cells to mature and replace what just fell off us and the list goes on. Even fat cells that just sit there and little if anything except if there is famine.

99% of everything we swallow turns to sugar! Unless you are into corn husks. The better question is how fast. Almost pure sugar like candy, cookies, pies (you get the drift here) are broken down in the stomach and small intestine. Then absorbed into our blood in less than 10 minutes or even seconds. Yikes! Fruits especially grapes, oranges are just like pure sugar. Starches like pasta, white bread, potatoes take just a bit longer like 20 minutes. Whole grains in some breads and cereals take about 40 minutes (This is not Sugar Frosted Flakes!) Vegetables (greens) take up to 45 minutes to get into our blood. Oh, corn is not a vegetable, sorry. Meat (animal, fish, and poultry) are very dense food and take from 45-60 minutes to get broken down into sugar and absorbed. When we eat combination foods like a casserole each food will take its own time to be converted to sugar. The term "balanced meal" essentially means a meal that has all the food groups and in total takes almost an hour to be completely broken down in to sugar and absorbed in the blood. Hence the term "blood sugar."

Sugars are absorbed starting in our stomach and all the way down our small intestine. We start preparing the food for conversion in to sugar in our mouths by chewing and saliva production. Did you know that we start making saliva when we even think of food? Chewing our food is a big deal! We are a human blender. Keeping our teeth or always using dentures is key to better digestion.

Our stomach further treats our food and the small intestine completes the job of breaking almost all we eat into sugar. Sugar from our food races (I mean races) through the lining of our gut into many small blood vessels. The sugar attaches to red blood cells and floats freely in the blood circulating to every cell in our body. Every single one! Even our fat cells are living. Our cells are waiting for fresh sugar. I will talk about what happens when our cells don't get "fresh sugar" every 3-4 hours next month.

So how does the sugar get from the blood into the cell to make energy? Insulin (a hormone and a truly lifesaving big deal!) Insulin propels the sugar into each living cell 24/7/365 days. More on insulin next month too. Chew well my friends.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?
