THANKS TO ELAINE BLANK FOR THIS:

THANK YOU

I am so humbled by the outpouring of love, cards, and flowers as well as the providing of transportation to doctors and hospital. So many wonderful angels have arrived with food and goodies, even changing

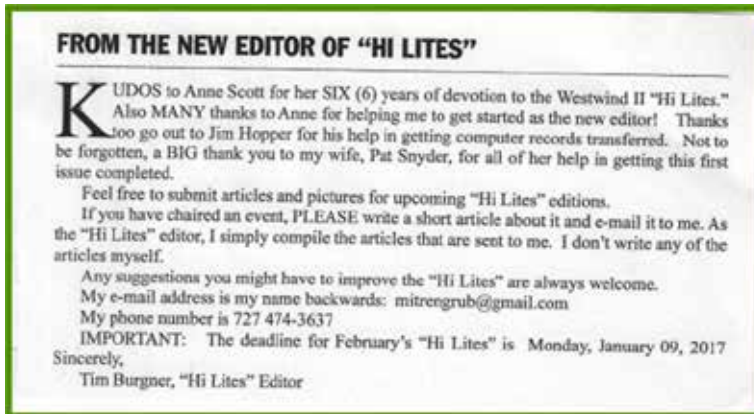

the sheets on my bed, helping with my brace, watering my flowers and the list goes on. I don’t know how I will ever be able to repay the kindness and help that this community has given me. I am so grateful that I only broke my knee and my hand, they will heal and I’ll be back to walking and taking care of myself in another month.

Tom and I knew we had found our happy place in the sun within the first 24 hours of moving into #165 20 years ago. We were so warmly welcomed. I have loved working within the community all these many years and Westwind will always have a special place in my heart. Thank you one and all for taking such loving care of me this month and I promise you I will pay more attention to where I’m walking from here on!

MAGAZINE LIST TODAY! mitrengrub@gmail.com**

HAPPY 5th YEAR ANNIVERSARY!

Here is the very first article that appeared in the January, 2017 "Hi-Lites." A LOT has changed since then.

INTERVIEW WITH TIM BURGNER, "Hi-Lites" Editor

WHEN DID YOU BECOME EDITOR OF THE "Hi-Lites?"

My first edition was Jan., 2017 - a short 5 years ago. I inherited this job from Anne Scott who had been the editor for six (6) years. Anne announced that she was looking for someone to take the job. No one had stepped-up. One Sunday, Anne was walking with a friend on 4th street. I stopped her and explained that I had just ordered a refurbished Mac laptop on ebay. I told her that if it worked, I would take the editor's job. It did work and as "they" say, "The rest is history!"

HOW LONG DO YOU PLAN TO CONTINUE AS EDITOR?

What time is it? (Ha Ha)... Tom Finnegan has been doing his newsletter in WW I for 20 years! I don't see myself doing it that long. Honestly, I don't know how long I'll do it. Anne warned me that it was a "thankless job." There is a lot of "discouragement." The most frustrating part is sending out emails and receiving no reply. By now, I pretty much know who will respond and who won't before I send them something. I remember when I wrote Artie Robinson's dedication writing that he ALWAYS replied to my emails which is a 'BIG DEAL' to me.

SO WHY DO YOU KEEP DOING IT?

I do have my "faithful contributors" who ALWAYS send me something for the magazine. Many times they will also send notes of encouragement and thanks which has kept me going. I have learned a LOT on how to use my new MacBook Air - 4 years old now. That has been probably the best part of this job. I can now routinely do things that I had NO idea how to do 5 years ago. I remember telling people when I first began that I wanted the "Hi-Lites" to look like a

“professional” publication. There is a HUGE difference between what is sent out today vs. what was sent out 5 years ago! When I first began, my goal was to get 200 people on the email list. It is now over 300.

WHAT IS YOUR PHILOSOPHY?

I make an effort to get a **LOT** of people Involved and acknowledge them for their contributions to the magazine. Recently, the magazine was divided into **MANY** departments. I am hopeful that more people will adopt one or more “orphan” departments and be in charge of them monthly. The goal is to get *many* different people involved in the magazine.

I try to treat this as a “real job.” When someone sends me something, I make sure they know I received the item and they are appreciated for having sent it. Every article, picture, cartoon is credited to the person who sent it. In short, this is not my magazine, it is **YOURS**. I have always made it a point to send replies to people ASAP. (I always laugh when someone sends me something and makes it a point to ask me to please let them know I received it. I tell them, “IF you don’t hear back from me, that means I never received it.” I **ALWAYS** reply to my emails and texts very quickly.

WHY DO YOU CALL IT A MAGAZINE?

The published park edition is now a newsletter. It has all of the written articles. It is full of ads instead of pictures and cartoons. The email edition is **FULL** of pictures, cartoons, articles and **NO** ads. It is always over 100 pages. It truly is a magazine with 23 separate departments.

WHY THE MEMORY BOOK?

Our park has done very little with remembering the people who started this park. There are two plaques in the clubhouse with names. I wanted people to be remembered in the park. The **Memory Book** puts into pictures and words the important events and the park residents so they **WILL** be remembered. There are still people who have spent **MANY** hours doing things for the park over many years. Unless they do a “**Meet Your Neighbor/Neighbour**,” they will have no tangible legacy which I feel is a shame.

WHAT DOES THE FUTURE HOLD?

It appears that the park is going back to the days where the **same people** are doing **EVERYTHING** in the park. Before the virus, that had changed. More people were getting involved. Now we are backsliding. I have sat in ROC meetings listening to people in the back of the room “making fun” of things that were being said by the ROC board members.. I’m thinking, “What do **YOU** do for this park?” These people get no pay, yet they spend **MANY** hours working for the board. The day will come when no one will be willing to be on the board. I **HOPE** I’m wrong. People had to be appointed to the board this year because not enough “stepped up” to have an election! The people who take on these park jobs deserve **MUCH** credit....definitely **NOT** ridicule.

DID YOU KNOW?

There are now FOUR (4) ways to get current information on what's happening in Westwind. ALWAYS a GOOD idea to check-out the bulletin board in the clubhouse now and then to see if any thing new comes up you might want to do.

New Westwind Website Goes Live

Westwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. ***We especially look forward to making this a community wide website with the addition of the Westwind II events and information.***

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

MEET YOUR NEIGHBOR

JOAN RAND #473

My husband, Bob, and I are from upstate New York where I worked at a community college as a secretary and Bob was self employed as a burner tech. We have 4 children, 7 grandchildren and 14 great grandchildren. We purchased our home in Westwind at #473 in February, 2010 after visiting my brother and sister-in-law, Rich and Tammy, on third street.

We enjoyed vacations visiting several states, especially Oregon which we loved. We also went on several cruises to Alaska, Hawaii, the Caribbean, Mexico and Canada. In 2016, I lost my husband of 40 years after a short illness.

I spend my summers in upstate New York at my camp on the Great Sacandaga Lake. I live near the quaint little village of Northville where they still have the oldest 5 & 10 cent store in the United States. I always have company on weekends and lots of fun. I especially enjoy spending time on the lake on my pontoon boat with family. Then in October I look forward to returning to Westwind for the winter months.

WRITING A “MEET YOUR NEIGHBOR/NEIGHBOUR” ARTICLE IS A GREAT WAY TO INTRODUCE YOURSELF TO OTHERS IN THE PARK. HAVING THEM INCLUDED IN THE MEMORY BOOK IS ALSO THE ONLY MEANS WE HAVE OF BEING REMEMBERED BY OTHERS IN THE PARK WHEN WE ARE GONE. THE GOAL IS FOR EVERYONE IN THE PARK TO BE INCLUDED IN THE BOOK KEPT IN THE LIBRARY.

IF YOU HAVE NOT YET WRITTEN A “NEIGHBOR” ARTICLE, I am reserving months for 2022. Just let me know which month you would like. (I don’t assign months.)

THANKS TO PATTI BOSNAK, HERE ARE SOME IDEAS OF WHAT YOU MAY WISH TO INCLUDE IN YOUR “NEIGHBOR” ARTICLE:

- NAME(S)
- COACH #
- HOME CITY/STATE
- OCCUPATION
- HOW YOU FOUND WESTWIND II...
- How long you’ve lived here.
- HOBBIES
- EDUCATIONAL BACKGROUND
- MILITARY BACKGROUND
- AWARDS/SPECIAL RECOGNITIONS
- SPOUSE - HOW YOU MET
- ACTIVITIES IN THE PARK
- CHILDREN/GRANDCHILDREN/
GREATGRANDCHILDREN
- PARENTS /RELATIVES WHO HAVE LIVED IN THE
PARK
- WHAT DREW YOU TO THE TAMPA BAY AREA
- VOLUNTEER ACTIVITIES
- SPECIAL TALENTS

You will need at least one picture, BUT you can send as many pictures as you wish.

If you don’t have computer access, you can simply write out your article on paper. Pictures can be scanned with a printer and still put in your article.

Articles vary greatly in length...anywhere from a few paragraphs to a few pages. If It’s short, I make the print larger.

THANKS TO ROSE SULLIVAN FOR THE FOLLOWING:

HARLEY WORTHIT 1-13-22

On Thursday, January 13, we had a very funny Comedian by the name of “Harley Worthit.” He entertained 60 neighbors for 2 hours in our clubhouse. By the sounds of the laughter and ooohs, I think most people enjoyed his humor or at least his outfits. It was a nice evening out without having to leave the neighborhood. We were able to spread out the tables by limiting tickets.

Thank you all who helped with the set-up (**Don, George H and Tammy**) and clean-up (**Herschel, Debbie and Don**). Thanks to **Tammy** and **Joan** for selling the tickets for me. I especially appreciate all the support from the community at each event during these trying times.

THANKS TO TAMMY GAUGHAN FOR THE FOLLOWING:

Iwould like to thank everyone for helping me to make this a special 80th birthday for my husband, Rich! We had a great turnout of 46 people!

Sumptuous food was consumed and an awesome cake made by **Helen Nelson**. I would like to thank all the guys who helped move and setup all the tables and chairs. Thanks to the people who provided additional foods. It was much appreciated!! Thanks to all for the gifts and the hilarious cards.

See you all at his 90th!

SOAP MAKING 101

The soapmaking class on January 12th was another sudsy success. There were about 12 people in attendance and the class was hosted by Bob & Mary Ann Essery.

Bob gave a brief history lesson on the origins and science of soapmaking before mixing up a batch of soap while the class watched the process. Mary Ann helped with prep work & cleanup.

The soap was poured into a mold where it was allowed to sit overnight. The next day the soap was unmolded and cut into bars. They also brought along some previously made soaps for purchase if desired.

They would like to thank everyone who attended the class and hope to have another class in the future. Also just a reminder that with all the covid bugs still out there, wash those hands often and stay safe!

HORSE RACES - 2-13-22

Westwind Downs was open and ready to trot at 1pm sharp!

The 20 people in attendance today sounded like a full stable just waiting to expend some serious energy.

The Owners race Horse # 5 (Happy) paid out a whopping \$51.00 to *Idle M*. The losers race was the most fun and totally out of control...shouting, jumping up and down, and just good ole fun.

Thank you to *Joel D* and *Paul G* for running the betting window. A shout out to our commentator and dice guy, *Don S*.

Each of the 6 races started out with .25 cent bets and then went out of control with the owners races \$\$\$\$\$\$. Once again, lots of laughs and fun within this wonderful community.

Thank you all for supporting this activity.

Thank you, Don & Rose Sullivan

GOT RATS?

RODENT CONTROL

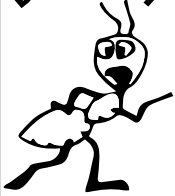

No nuts, seeds or food of any kind are to be put out for birds or squirrels as this attracts rats. Garbage must be kept inside until the morning of trash collection.

Rats burrow in the sand to make their nests. There is condensation on the water lines under the coaches. For moisture the rats chew the insulation and use it for their nests. Rats do not like metal. A suggestion to protect your coach would be to purchase ½' wire mesh and attach it to the outside of the split block around the perimeter of your coach. Any tiny holes could be stuffed with steel wool. This would keep them from going under the coaches. If you

choose to install the wire mesh on the outside of the split block, it must be covered with either plastic lattice, vinyl or aluminum siding to meet our Architectural and Landscaping Standards (Section I.g.).

Home Depot or Lowes sells rat traps that can be baited with beef jerky laced with rat poison. The key is to keep the traps baited and checked daily.

A key factor in eliminating rats is to eliminate their food source and ease of burrowing. They do not like bougainvillea so they will not travel in or around that plant. Putting traps in the planting areas will help, and moving them from time to time will also help to catch the rats as they travel in search of food.

EDITOR’S NOTE: An older sales associate at Ace Hardware recently remarked that rats have become a BIG problem in all of Pinellas County. I would encourage you to set traps - even if you have NO evidence of rats. You may be SURPRISED!

NOTE: I have a name and cell phone number of a professional who will check your coach for free. Please email me for more information.

THANKS TO ELAINE BLANK FOR THE FOLLOWING:

The book for March is a light, quick read, a departure from some of the more serious historical fiction we have read this year. The title is *The Wrong End of the Table* by Ayser Salman. The following is a summary of the book: Romantic struggles and strict immigrant parents inform a journey toward self-acceptance in this fast-paced, funny memoir by an Iraqi-born film editor and producer. Throughout a nomadic childhood spent in Iraq, the U.S., and Saudi Arabia, Salman was often the new kid. But family and faith remain constants in this series of vignettes that follow her through childhood, film school, and her career in Los Angeles. The chronological structure wears away as Salman gets older, leaving space for philosophical musings and slices of life: a heartfelt open letter to President Trump, a questioning of her Muslim practice, and a meditation on how long Iraqis take to say goodbye. But these chapters are, while colorful, too short and numerous to pack the same punch as the narrative parts. The last section of the book, focusing on dating, picks up the chronology and once again allows Salman's voice and humor to shine; she has a gift for chapter titles ("Land of the Free, Home of the McMuffin"), recounts funny anecdotes (including a conversation in which she and her mother decide she could never marry Salman Rushdie because it would be too confusing to be "Mrs. Ayser Salman Rushdie), and uses footnotes to great comic effect. Unevenly structured but always funny, this enjoyable and heartfelt book is great for a plane, the beach, or a free afternoon.

Our March meeting will be *March 29th at noon in the Westwind II Library*. Hope to see you there. Please bring along any suggestions for books for our next list. If possible please write down the title, author and a simple summary of the book. I like to mix up the genre throughout the year.

WINDFALL SALE

The Resident's Windfall Sale has just finished up for this year. A big thank you to all who stepped up and took a week to keep the sale open!! After **Tim** and **Barbara** took the first week, **Annette** and **Mike**, **Cheryl** and **Bob**, **Linda** and **Jim**, **Jill** and **Jim**, **Evelyn**, **Ann** and **Dan**, **Renee** and **Max** and **Shelley** and **Bob** all took a turn manning the sale, clearing out the sheds and taking unsold items to The Kirk Church.

Thank you to **Barbara H.** for all her hard work on the online sales. She really helped to increase our total profit!! Of course, we surely appreciate everyone who donated and shopped.

The sheds are cleaned out and our next task is to clean out the bins, match lids and toss the broken ones. That should be done shortly and we will be ready to begin accepting small items for donation. We are hoping to get the furniture shed replaced, so we will not be accepting any furniture/large items at this time.

Our income from this year's Residents' Sale was **\$3260.84**. Our expenses were low. The only purchases were masking tape and markers for \$31.76.

We are looking forward to having the traditional Windfall Sale in 2023....keep your fingers crossed!!!

Hello Everyone, and a huge welcome back to all our northern friends who have been away for so long. It's time to enjoy another beautiful, sunny winter! It's wonderful to see so many people in the park again. Thank you!

tending to them or giving them the attention they so deserve and require. And, *while Anita could never be replaced, as she truly had a way with plants, especially flowers*, we really need a few people to step up and help with the flower beds. The more people we can get to help with this, the less time it will take and, it's up to everyone to keep the community looking as beautiful as always. If this is something you could give a little time to, please let me know.

On another subject, but one I like to remind everyone of every month, is INSURANCE! If you have given me an updated copy of your homeowner's insurance lately, thank you. But, if you have not, or you aren't sure if you've lapsed or for those of you who know you are not carrying insurance on your home, this is the time to get that taken care of. I can't stress the importance of how necessary this is, and, because of that importance, we will be cracking down on anyone who doesn't have an updated policy on file with the office.

Next, and just as important, is updated contact information for all persons living in the park. If you have an email address, please give that info to the office and be sure if you've given it before, that it's updated. Don't assume that we have an updated email address because you gave it sometime in the past. I have several people with email addresses on file who, when I've sent out an email blast, they are being returned undeliverable. So, perhaps, at one time you did give the office your email address but since then it's changed. I also need updated phone numbers and, very important, emergency contact info. The reason I say updated is because recently, I had to call the emergency contact info on file of a resident however, it was very outdated and the emergency contact person on file was someone who passed away years ago. That will not help in an emergency.

Lastly, if you plan to sell your coach, please let the office know so that we may help you and/or your realtor get it done correctly. The Governing Docs of the community are extremely helpful when it comes to the sale or purchase at Westwind II ROC, so of course, that's always a great resource, which you should keep handy, especially if you plan to sell since those documents should go to your relator and/or the buyers when you move. But, if you let me know, I'll be aware and the whole process will go more smoothly and, I'll help with any questions you may have. Keep in mind, anyone purchasing in the park is required to fill out an application, available in the office, and be screened prior to moving in. If anyone has any questions, please feel free to reach out.

Thank you, Jacquelyn

ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

If you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a “**bed tax**” on rental income. The tax is identified as “**Tourist Development Tax**”. It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

REMINDER: HOMEOWNER'S INSURANCE

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

"WILL WORK FOR BEER"

Someone in WW II asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

THANKS TO RENEE HERRMANN FOR THIS:

A Valentine's Day poem you might wanna share with your sweetie

Collards is green,
my dog's name is Blue
and I'm so lucky
to have a sweet thang like you.

Yore hair is like cornsilk
a-flapping in the breeze.
Softer than Blue's
and without all them fleas.

You move like the bass,
which excite me in May.
You ain't got no scales
but I luv you anyway.

Yore as satisfy'n as okry
jist a-fry'n in the pan.
Yore as fragrant as "snuff"
right out of the can.

You have some'a yore teeth,
for which I am proud;
I hold my head high
when we're in a crowd.

Still them fellers at work,
they all want to know,
what I did to deserve
such a purdy, young doe.

Like a good roll of duct tape
yore there fer yore man,
to patch up life's troubles
and fix what you can.

Yore as cute as a junebug
a-buzzin' overhead.
You ain't mean like those far
ants
I found in my bed.

Cut from the best cloth
like a plaid flannel shirt,
you spark up my life
more than a fresh load of dirt.

When you hold me real tight
like a padded gunrack,
my life is complete
ain't nuttin' I lack.

Yore complexion,
it's perfection,
like the best vinyl sidin'
despite all the years,
yore age, it keeps hidin'.

Me 'n' you's like a Moon Pie
with a RC cold drank,
we go together
like a skunk goes with stank.

Some men, they buy
chocolate
for Valentine's Day.
They git it at Wal-Mart,
it's romantic that way.

Some men git roses
on that special day
from the cooler at #Publix,
"That's impressive," I say.

Some men buy fine
diamonds
from a flea market booth.
"Diamonds are forever,"
they explain, suave and
couth.

But for this man, honey,
these won't do.
Cause yore too special,
you sweet thang you.
I got you a gift,
without taste nor odor,
more useful than diamonds...
IT'S A NEW TROLL'N
MOTOR !!!!

**HAPPY HILLBILLY
VALENTINE'S DAY!**

SOCIAL CLUB PRESIDENTS' LETTER

The 2022 Social Club Board is up and running! The members' phone numbers and emails are in this issue.

First - we thank the Board from the previous two years. They had a very strange time in the park. Westwind II had a busy January and February 2020. The last event we had was a successful Men's Breakfast on March 13. Little did we know that all activities would then come to a screeching halt. We thank the board for their continuing commitment to the

park and residents.

Second – Some events could not be stopped by the Pandemic. **Doug and Janet** had the duty of honoring Westwind I and Westwind II residents by raising and lowering the flags with the passing of residents. **Trish** kept the chalkboard full of what activities were still on. Second and fourth Tuesday coffees resumed, after a break. The craft and gab ladies still needed laughs on Wednesday afternoons. Friday gatherings met to touch base with the other full timers in the park. Despite the fact that most activities were cancelled for 18 months –**Pat Snyder** and her crew managed to have a park only Windfall Sale! They raised enough money to pay the Social Club liability insurance. This is always a concern for the Club. Then this past fall activities were back on the calendar! **Rose and Don** had Bingo and Military Whist and Horse Racing on the schedule. They also scheduled the comedian – Hardly Worthit in January. There was a Welcome Back street party with **Tammy** and her crew. A Thanksgiving Dinner – hosted by **Becky** was held in the clubhouse and a Christmas party hosted by **Karen Hanafin**. All activities are planned and carried out by numerous residents. Too many to name here.

Lastly – most activities are back in the park!! The Social Club Meeting on February 2 was well attended by 43 people. Men’s Breakfast and Grills will be back. Please look for fliers and check the bulletin board in the clubhouse for activities. Some dates may change. Sad to say Covid is still prevalent.
