BOARD BUSINESS AND UPDATES

Annual Inspections

Lynn Lijewski, Director

We are asking for volunteers to do Home Inspections. The goal is to finish all individual home inspections before all of the snowbirds leave. Those of you who are interested please contact me after coffee on Wednesdays or by phone 727-504-0345.

This is a great way to meet your neighbors. The new inspection form streamlines the process and it is a wonderful, short assignment to dip your toes in the volunteer pool.

LAWNS

Director, Gene Arend

727- 725-5844. Mow dates for **March** bi-weekly.

UPDATE: Trash and Yard Waste Pick-up

Beginning on **Monday, MARCH 7**, the City of Safety Harbor will begin the Sanitation Pilot Program. This will change yard waste collection day (and modify collection routes). Yard waste will now be collected on the same day as household trash (Monday). Recycling (Thursday) will remain unchanged.

POOL

Director Pat Rivera

The weekly cleaning days have returned to Monday, Wednesday and Friday.

Remember that between the hours of **1 – 4 is ‘adults only’** swim.

Thank you for your patience and understanding while the pool and clubhouse was without power.

A BIG shout out and thank you to Phase 2 for extending an invitation for us to swim in their pool while ours was “off limits.”

Clubhouse

Gene Arend

Just a few reminders about the clubhouse. As you enter the clubhouse in the coming months with the highly contagious variant of COVID it is recommended for your safety to wear a mask until you are seated. Hopefully this alert will soon become a thing of the past. For now, in my opinion, it is the best safety measure to protect us all as anyone of us could be asymptomatic.

The clubhouse is available for private parties. However please contact me with your date of preference; remember until I receive the Clubhouse Agreement Request form the date is not confirmed. This form is necessary to manage the use of the clubhouse. If another event is schedule on your requested date, I will contact all parties and see if an amicable solution can be arranged. The form is available in the bin by the Directors Office or on the mybriarcreek.com website. Because it is available only to registered residents of Briar Creek I you will need to access the “Access your Community” section of the website. Click on the Documents page and select Forms & Application page. The form can be returned to me directly or placed into the mail slot of the director’s office. You will receive confirmation from me as soon as possible. To gain access to the “Access your Community” section of the website click forgot password and the website manager will confirm your identify and provide you with access as soon as possible.

When you use the clubhouse and its amenities, please use them as you would in your own home and leave things as you find them. Supplies are available to all of our community residents. If you see the supplies are low, please contact me so I can arrange to have the supplies are replenished. Supplies are located in the Storage room next to the kitchen or in the Janitorial closet adjacent to the kitchen. Please be aware our clubhouse and the surrounding recreation area is under camera surveillance.

Social Club membership cards for the next two fiscal years. The donation is \$1. The membership card will entitle members to certain social club sponsored events. It is also a formality required by the by-laws of the Social Club (a not-for-profit Florida Corporation) for times when a vote by membership is required. If you cannot attend a Wednesday Coffee social to purchase the membership card you can reach me via my rock box at my residence. I will issue the card and see it is placed in your rock box. Rock Box is the nick name given to the small section in your mail box below the section where USPS mail is deposited.

TRAVEL – BCI & II TRAVEL CLUB

Gene Arend

The travel team will be meeting the end of February beginning of March to consider some options for the club for March, April and May. The plans we did have in place didn't seem to be working out.

We will be considering some local day or evening options. Your input of course is always welcomed at briarcreektravel@gmail.com. Four of your six travel team members will be on an 11 day cruise starting February 9th so we will have plenty of leisure time to think and plan when the full team meets.

We have enjoyed some great outings and hope to have many more. The feedback from the Dinner Theatre was very positive and the turnout was over 100 members. Something we may have to put back on the radar again.

As we move into the warmer months, we need be mindful of the weather for outdoor events. Save those travel dollars we promise to spend them wisely.

Please send us your ideas. Watch your e-mail in late February or early March. BC MART

Ray Jablonski Dave Holmes and Terry LaCasse

Stop and shop at the BC Mart Wednesday after coffee and Saturday 9 – 11a.m.

There is always something you didn't know you need until you see it at the Mart!

It is an adventure in a safe space! Come and browse. Ask about the original pieces of artwork!

Remember that one of the best things about 'shopping local' is that the bargain prices you pay go directly to the Social Club Activities fund.

Briar Creek Bugle Phase II- March 2022

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: Pete316@Knology.net)

Board of Directors:

Bob Raynor – President

Your Board is energized and excited about how 2022 is starting out. New virus infections and hospitalizations are on the decline. Briar Creek II is coming out of the pandemic with renewed life and enthusiasm. Many of the old, familiar Clubhouse activities are back up and running with several new ones coming. The Clubhouse now has Wi-Fi, the RV lot is being expanded and our Spa is being renovated. Our new Compliance Committee is up and running and new committees are being considered to begin work on a long-term Clubhouse renovation plan as well as Architectural Review. Bridges continue to be built with Phase I and did I mention our Bazaar? Your Board is committed to expense control and is working hard to effectively manage your dollars. We have received wonderful feedback on how we can continue to make BCII an incredible community in which to live. We are amazed at the number of talented and committed residents who are volunteering and we continue to seek out residents who want to contribute to enhancing our quality of life. So thank you for your support and please, continue to participate in activities, keep your suggestions coming, volunteer and enjoy all that life has to offer right here in BCII.

Sam Oliverio – Vice President

Hello everyone it's been a busy couple of months, and we've been able to accomplish and check off some items on the to do list. As you can see, if you have visited the Clubhouse lately, the planters have been completed thanks to Ron Steinacher and Del Erb and they look great! By the time this issue of the Bugle is delivered to your Rock Box, our Spa/Hot Tub should have a new fresh look as well. We were able to free up some space in the Exercise Room by removing some items that were targeted for removal, by the Committee, making it a little easier to access and utilize the equipment that remains. We opened our pool to our neighbors in Phase 1 while their Clubhouse and Pool were out of service due to a Power outage, in a Spirit of togetherness. In an effort to save on energy and maintenance costs, we have had to turn our Pool heaters off due to cold weather from time to time. As always, we thank all of volunteers for your assistance in keeping our Community the great place that it is.

Bonnie Briggs – Secretary

E motional Support Animals

Pets can be a great comfort to us as we get older. For that reason Briar Creek II has a pet section which allows pets with certain restrictions. However there are times where someone may need the emotional support a pet can bring. The support animal must conform to the same restrictions as the Pet Section of the community. Briar Creek II has a process where emotional support animals are allowed, only after approval by the Board.

We will need paperwork from a medical professional that states the following:

- Verifies that you have a physical or mental impairment that substantially limits one or more major life activities
- Describes your need for a reasonable accommodation to keep an assistance/support animal in your home
- Shows the relationship between your disability and the need for the assistance/support animal

After the accommodation is approved, the resident must provide a photo of the animal, proof of current immunizations and proper licensing by Pinellas County and again at each renewal/revaccination.

Please remember, the animal should be leashed, under your control and not be allowed on private property of your neighbors. If feasible the animal should be walked in the Pet Section of Briar Creek II. Remember to clean up after your pet and dispose of it properly. The animal should not create a nuisance or unreasonably disturb the peaceful enjoyment of the community.

If for some reason, you no longer have your support animal and wish to have another one, you must repeat the approval process from the Condo Board.

We are doing an audit of the emotional support animals in Briar Creek II. If you have an emotional support animal, please contact Bonnie Briggs, so we can make sure all your documents are up to date. If you have not submitted the appropriate documentation, we will ask you to submit them so we have a record of your support animal.

Bonnie Briggs

Tools in the Garage

Across the parking lot from the clubhouse is a building which houses the work out room and the garage. The garage has many tools, donated by members of our community for use by the residents of the Briar Creek community. There are screw drivers, hammers, power washers and many assorted specialty tools. There is a list of people on the outside of the garage who have access to the garage. Please call anyone on the list if you need to borrow a tool. They will be happy to come down and open the garage for you and explain

how to use certain tools to be sure you are using them correctly. You must sign out any tool that you borrow. These people are volunteers so please give them some notice as these volunteers are not “on call 24 hours a day”.

Having a garage full of tools is a wonderful perk to living in our community. These volunteers keep track of who has the tools, make sure the tool is returned promptly and check to be sure all tools are in good working order. Thank them for their service to the community. Please be sure to take care of the tools as you would your own and return the tool when you are finished as there is sometimes a waiting list for certain popular tools.

We will be considering some local day or evening options. Your input of course is always welcomed at briarcreektravel@gmail.com. Four of your six travel team members will be on an 11 day cruise starting February 9th so we will have plenty of leisure time to think and plan when the full team meets. We have enjoyed some great outings and hope to have many more. The feedback from the Dinner Theatre was very positive and the turnout was over 100 members. Something we may have to put back on the radar again. As we move into the warmer months, we need be mindful of

BC2 Library

Billie Ann, Ruth and Bill

BC2 residents have been so generous with donations of books, dvds, and puzzles over recent months that the library ran out of room on the shelves. We decided to offer some of the less frequently used items to residents for 'cash donations' before taking the unsold items to the East Lake Library deposit program. Over a couple of weeks we had these books on tables in the clubhouse we were surprised and thrilled to receive over \$140 as donations which will be added to the Bazaar sales total. Thank you, thank you.

The extra room on the shelves will give us space for new donations and give BC2 regular readers and library users new books to check out.

We think the library would benefit from the donation of more large print books, but please remember that we don't accept cookbooks or textbooks.

There is clearly a demand for more puzzles with 300 to 750 pieces. These are the most frequently borrowed. Please remember that if you borrow a puzzle and 3 or more pieces are missing, it should not be returned to the library. Recycling is recommended. We would also request that you put all the puzzle pieces in plastic bags before returning a puzzle. This ensures that puzzle pieces don't fall out of the box as people open the box or move the box around on the library shelf.

As always we look forward to seeing you in the library, seeing the return box overflowing, as well as the much appreciated boxes and bags of donations when we come in to do our reshelving duties.

From Your clubhouse librarians,
Billie Ann Berry, Ruth Miller and Bill Steiner

Phone Directory – The Yellow Book

Sheena Lee

Update in your BC Resident and Phone Directory for March 2022

House sales continue to be strong and that means changes for the Directory. Right now, the draft text for next year’s edition is with the printer and I will still be able to make any changes that I receive before the printer sends me the final draft of the text to review. By the time you are reading this copy of the Media however, the text of the 2022-2023 edition will be set in stone.

After I received advance notice a few months ago that certain areas of Florida with high populations are now required to use area codes even for local calls, I’ve been trying hard to include the area code in all the BC2 listings in light of the fast increase in the population in the Tampa Bay area. Including the area code has proved to be difficult. Using the current format and print size this would mean an unacceptable increase in the number of pages the BC2 listing requires. The alternative of reducing the size of the print suggests that reading the Directory could be a problem for some of us. For this year therefore we are printing the Directory in the usual format. With any luck we will resolve this problem before the population growth in Tampa Bay and the surrounding area means that we will have to start dialing 10 digits for local calls.

Meanwhile here are the most recent changes you will see in the 2022-2023 edition of the Directory.

The phone numbers for Emily (Toni) and Randall Mckie who moved into 66 Cottagewood Drive are Toni: 561-602-8876 and Randall: 561-704-2094.

The phone number for Angela Henderson who moved with her husband Keith into 132 Briar Creek Boulevard is 217-377-4391.

Also new to the park is Mary Marquette who has moved into 46 Birch Creek Drive and her phone number is 727-726-4811.

Joan Davis tells me that there are several other possible houses sales “in process”. These are not finalized so it is too early to include the new names and numbers in the 2022-2023 edition of the phone book. So watch out for these updates to your phone Directory in future Media editions.

Bingo

Al and Diane Merando

Yes, Bingo is a lot of fun (mixed with a bit of luck  but did you know that playing Bingo is good for your mental and physical health?

For example, when playing bingo you must be aware of the numbers on your card and what the caller is announcing which requires a great deal of mental flexibility and alertness to stay in the game. In fact, research has shown that bingo players were faster and more accurate than non-bingo players when it comes to mental speed, memory and the ability to gain information from their environments.

Monday evenings Bingo cards are sold from 5 to 5:45 PM with games starting at 6. Refreshments are available for purchase or you can bring your own (no alcohol please!)

We look forward to seeing you; not just for the opportunity to have some fun but for the other long-term benefits of the game.

Some Random Thoughts on Trees

Jody Larson

- People love Briar Creek because of the trees. Most big trees, especially oaks, have been here for over 40 years and have done just fine in many big storms.
- Florida does not license tree cutters. Just because a guy has a truck with a sign on it and some equipment does not mean he knows how to cut trees—or that he has liability or injury insurance. Use only ISA Certified Arborists. They are trained and insured.
- You can find Certified Arborists by Zip code at www.treesaregood.org. Most Certified Arborists also advertise their certification.
- Never use a tree cutter who offers or recommends “topping” or “rounding.” This practice damages and kills trees.
- Leaves are part of living with trees. You can get leaves from a tree 100 feet away, so don’t think cutting down that one next to your home will eliminate leaves in your rain gutters.
- You can trim branches of a neighbor’s tree that cross your property line, but only up to the property line, and you cannot go onto their property for this purpose. All lots here are surveyed, so the property line is not halfway in between the homes. If you damage the tree, you could be legally liable for up to three times the replacement cost.
- If you have a problem with a neighbor’s tree, talk to your neighbor. This can lead to a friendly solution rather than a fistfight.

Humane Society & the Haven

Barbara Bergling

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and things in all sizes for use in the show.

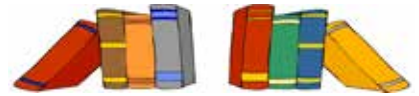

The humane society and the Haven also don't accept sheets. Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone
Barbara Bergling

BC2PhoneTree

Marsha Bowlby

We all receive the Bugle (monthly media) and can read what is happening in Briar Creek. Well, the Phonetree is another way to receive information. The Phonetree can give you updated information, has an event been changed, information from the Condo or Social Club Boards, or other committees. We also inform you of someone passing (The original purpose of the phonetree) I am the only one who has your email address and I do not share it. I have around 185 households on the phone tree currently.

If you have not signed up yet and want to be on the phone tree, again send an e-mail to BC2phonetree@gmail.com. Include your name, address, and phone number

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

So, you signed up for the phonetree, but you are not getting any emails?

If this is the case, check your spam/trash file to be sure the emails are not going there, for some reason you've been getting them all along and now you're not, it happens. If they are not there, please e-mail me at BC2phonetree@gmail.com and we will see what's happening.

Another suggestion would be to open a G mail account. I have had a few people do that

and they are not having any trouble getting the emails now. Gmail is free and all you would have to do is keep your beginning and end it with Gmail. Then you don't have to remember a whole different sign on.

For instance... you were ABC123@yahoo.com change it to ABC123@gmail.com.
If you do that be sure to give me your new address so I can change it on my list.

SLEEPING BETTER FEELING BETTER

Dr. Marty Finkelstein

Sadly so many people have difficulty sleeping and in the process becoming dependent on medication. Sometimes we need a drug to get to sleep and then a drug to pep us up in the morning to begin the day. The pattern of this cycle continues to wear down our very own immune system and nervous system. And the more we simply treat the symptoms, the weaker and more fatigued our body becomes. When we are tired we feel uninspired, and push through the day and then collapse in front of the television at night. It is easy to think that perhaps we are tired because of the long hours of work and the various stresses in our lives. And in this cycle it is difficult to observe ourselves when we feel like the victim of our own circumstances.

As our body becomes further weakened, we become more susceptible to dis-ease and illness. Clearly if we do not sleep well, our body does not have the opportunity to recharge and reestablish its own innate homeostasis and balance. Our mind and body is still working hard internally even while we are resting in bed trying to fall asleep. When the morning finally does come we greet it with coffee, muffins, and drink and eat unhealthy food throughout the day. Since sugar and caffeine act like stimulants to our body our blood sugar levels increase, giving us the illusion of more energy, until like a roller coaster the blood sugar level comes crashing down leaving us even more tired and weak. Most fast foods that people eat and most drinks are loaded with sugar, caffeine, or artificial sweeteners that depletes the body of nutrients like a silent thief robbing us a little at a time. Part of this sleep deprivation, fatigue, stress, unhealthy food then to lead to more chronic problems like depression, heart disease, and diabetes.

Healthy Habits To Sleep Better

1. Try getting daily sunlight exposure. Easy to do in Florida
2. Stay away from caffeine and sugars in the evening hours. Try chamomile tea
3. Reduce afternoon naps
4. Melatonin has been known to assist the body to relax before bed time
5. Try lavender essential oil as aroma therapy
6. Have the best temperature in your room that feels best to you
7. Do not eat late in the evening, however small snacks a few hours before bed time can help.
8. Learning to relax through meditation or relaxation techniques. Even listening to calming soothing music
