Message from Park Manager

Resident Files: Please be sure you contact the Park Office when you have a change of phone number, address or email. There are times we receive returned mail, with no forwarding address. When the Office attempts to call the resident for updated info, the phone number on file is not correct.

Update Emergency Contact Info: Please be sure the Office has updated emergency contact info. Also, please keep the office posted.

Seasonal Residents: Please be sure you are checking in with the Office when you arrive in the Park and when you leave. If you check in with the Office in December and tell us you will be here until April, it would be really helpful if you reach out again in April to let us know you are leaving. Again, we need this information for security reasons as well as mail outs.

Renting: If you rent out your Unit, please be sure the renters are going through the Office for Park approval prior to moving in. If you have a renter that returns each year, they still have to check in with the Office.

Respectfully,
Christine Roberts, LCAM
Licensed Community Association Manager

Thanks for the Memories

This is my last article for the Media News as the REC president. It seems very bittersweet. The Pointe West Recreation Association has been a huge piece of my life down here for a long time. It's been so long that I can hardly remember a time when I wasn't involved in the REC! That's where the bittersweet comes in.

I have tons of memories and lists of fabulous experiences. Stress, fun, disagreements, cooperation, friendships, meetings, laughter — all focused on creating a better life for every resident. Much hard work goes into making Pointe West a wonderful place to be. Hopefully we hit more home runs than strike outs! I feel very confident in saying I believe the new board (whoever they may be) will continue to work well with, and for, all residents. There are so many amazing choices. Let's not forget to mention all the motivated and creative volunteers who show up whenever needed! It's a recipe for success.

As I transition from board member to volunteer, it will be fun to watch our park move forward as a community. We all have our roles to play as life unfolds around us. It can be whatever we want it to be. How fantastic!

So, thank you Pointe West for all your support over the years. I have met so many wonderful people, made lifelong friends, laughed and danced and always enjoyed my life in Largo. You are the reason.

Fondly,
Joanne Kiefer - REC President

Ladies Luncheon News

Great bunch of gals out for Chinese food at our January Ladies Luncheon. We had so much fun with our Pointe West Sisters. Join us next month on March 18th at noon for our next Ladies Luncheon outing at ?

Joke of the Month

An Irishman goes to the doctor, who after examining him says “You have some problems with your heart, but if you take these tablets, I think it will be okay.
“So the doctor gives the man the tablets and the patient asks “Do I have to take them every day?”

No,” replies the doctor, “take one on the Monday, skip the Tuesday, take one on the Wednesday, skip the Thursday and go on like that.

“Two weeks later the doctor is walking down the street, and he sees the patient’s wife. “Hello Mrs Murphy,” he says, “how’s your husband?”

“Oh he died of a heart attack,” says Mrs Murphy.

“I’m very sorry to hear that,” says the doctor, “I thought if he took those tablets he would be all right.”

“Oh the tablets were fine,” says Mrs Murphy, “It was all the bloody skipping that killed him!”

Recipe Roundup – Irish Soda Bread

Traditionally, bread in Ireland was made in a skillet because the wheat that grew there was what's called "soft" wheat, which contained less gluten than its counterparts in America. The domestic Irish wheat didn't interact well with yeast and did not rise very well. Hence, the introduction of baking soda as a leavening agent, which reacts with the buttermilk to form small carbon dioxide bubbles, approximating the chemical reaction of yeast.

Ingredients

- ☘ 4 to 4 1/2 cups all-purpose flour
- ☘ 1 tablespoon sugar
- ☘ 1 teaspoon salt
- ☘ 1 teaspoon baking soda
- ☘ 4 tablespoons butter
- ☘ 1 cup currants or raisins
- ☘ 1 large egg, lightly beaten
- ☘ 1 3/4 cups buttermilk

Instructions

- ☘ Preheat the oven to 425°F.
- ☘ In a large mixing bowl, whisk together the 4 cups of flour, sugar, salt, and baking soda.
- ☘ Using your (clean) fingers, work the butter into the flour mixture until it resembles coarse meal. Then add in the currants or raisins.
- ☘ Make a well in the center of the flour mixture. Add the beaten egg and buttermilk to the well and mix in with a wooden spoon until the dough is too stiff to stir.
- ☘ Dust your hands with a little flour. Then, gently knead the dough in the bowl just long enough to form a rough ball. If the dough is too sticky to work with, add in a little more flour. Do not over-knead!
- ☘ Transfer the dough to a lightly floured surface and shape into a round loaf. Note that the dough will be a little sticky, and quite shaggy (a little like a shortcake biscuit dough).
- ☘ You want to work it just enough so the flour is just moistened and the dough just barely comes together. Shaggy is good. If you over-knead, the bread will end up tough.
- ☘ Transfer the dough to a large, lightly greased cast-iron skillet or a baking sheet (It will flatten out a bit in the pan or on the baking sheet.).
- ☘ Using a serrated knife, score the top of dough about an inch and a half deep in an "X" shape. The purpose of the scoring is to help heat get into the center of the dough while it cooks.
- ☘ Transfer to the oven and bake at 425°F until the bread is golden and the bottom sounds hollow when tapped, about 35 to 45 minutes. (If you use a cast iron pan, it may take a little longer as it takes longer for the pan to heat up than a baking sheet.)
- ☘ Check for doneness also by inserting a long, thin skewer into the center. If it comes out clean, it's done.
- ☘ Remove the pan or sheet from the oven, and let the bread sit in the pan or on the sheet for 5 to 10 minutes. Then, remove to a rack to cool briefly.
- ☘ Serve the bread warm, at room temperature, or sliced and toasted. Best when eaten warm and just baked.
