CLEARWATER CASCADE CHRONICLE MARCH, 2022 C

FROM THE BOARD

By Tim Caddell, President

Tune in to Our Online Meetings

Whether you're out of town or out of commission, you can keep tabs on association board meetings by tuning in online.

Our online meeting tool (ZOOM) allows board members and residents to hear each other through microphones and speakers and to see each other through video cameras regardless of where everyone is located. You'll be able to follow all of the Board of Directors action virtually.

Whether you're physically present or calling in for the meeting, we'll ask all participants to:

- * Be professional, courteous and considerate
- * Ensure your TV and/or radio is turned off
- * Avoid rustling papers or creating other noise if near a microphone
- * Refrain from talking when others are speaking

And if you're calling in:

- * Announce yourself before talking or raise your hand and wait to be called on
- * Mute your phone unless you're talking and especially if there is background noise, such as a barking dog, at your location

It was so much better when in person attendance was common practice but you're still encouraged to join us by ZOOM. We want to give you the opportunity to follow the proceedings.

MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

Community of the Year – Board Members attended the February Community Association Institute's February Meeting to receive the 2021 Community of the Year award. It was a very nice presentation! Our insurance agent, David Mohns, spoke to attendees about what a nice community he feels Clearwater Cascade is and Laura Hagen of CAI read letters from residents Donna

Miller, Jane Boucher, Sandy Draper and Dennis & Natalie Tschirhart who wrote to support the nomination. Attending were Tim Caddell, Mark Vetter, Linda Rhodes, Chris Becker, Donna Thorn, Barry Porter and Kage Graham. Diane Cudnik and April Loomis also attended because they were part of the 2021 Board of Directors. Next time you visit the office, you can see our award on the wall as you walk in.

Property Taxes – The Park's mortgage has a requirement that all property taxes in the community must be paid annually; therefore, if you have not already done so, PLEASE pay your 2021 Property Taxes by the end of March or April 1st, the Park will be required to pay

them and then collect the amount from you.

Garbage & Trash – If you have large items that you want to dispose of, please call the City of Pinellas Park at 727-369-0690 and schedule a special pick up. You can also call this number if your home/street was missed on trash pick-up day.

Office/Library Windows – I don’t know the exact date yet but very soon the window replacement project will be starting.

New Mailboxes – I expect the new mailboxes will begin being used prior to this publication.

Insurance Requirement & Document Enforcement – We have begun gathering insurance information. Please forward a copy of the declaration page for your homeowner’s insurance or liability policy.

Buffer Around Homes – Section 3, Item 9 of the Rules and Regulations reads, “...A minimum 12” buffer area must be installed to prevent the vinyl from being damaged by lawn or park maintenance personnel. The Co-op is not responsible for any damage to vinyl siding.”

Underdrain Project – By the time this edition of the Chronicle reaches you, the underdrain project should be complete. This work was done to repair and replace a portion of an underground drain that prevented rainwater from flowing to the canal properly.

Lot Lines – The office gets questions from residents wanting to know where their property lines are. The park was never surveyed so the question is hard to answer. The governing documents state there shall be 5 feet on the rear and either side of each home and 8 feet in the front. Some homes were placed on the right or left of the home’s “footprint”. Those homes may have more green space on one side and very little, if any, on the other so the question is very difficult to answer but 5 feet on each side and rear and 8 feet in the front is the general rule of thumb.

Have a happy St. Patrick’s Day on the 17th!

That is all I have for this month, stay safe & healthy.

FROM THE EDITOR

By Donna Collins

May you find good healthy for you and your families and friends at the end of your rainbow. May your cares be light and happiness fills your hearts. May your blessings be many. I feel blessed with the opportunity to be able to spend the winter with my Clearwater family.

It has been wonderful to see so many people starting up and participating in the new and revitalized activities. I tried out Bunco and met people I had emailed with but didn’t know. So great to put faces to names. The Park looks wonderful, the flowers are blooming and hope for a healthier future is in the air.

Happy St. Patrick’s Day everyone.

ASK MIKE

By Mike Hoit

Borders rules have loosened up so our Canadian neighbors are finally able to return to Clearwater Cascade. And, many memberships have been sold, ushering in a new group of neighbors for us to welcome. Events and games are restarting and it looks like things are coming back to normal. This makes it a perfect time to revisit a few Park and Florida rules.

The Park speed limit is 15 mph. As I sit in my living room and look out the windows, few cars driving up our street adhere to this rule. Stop signs aren't a suggestion, they are the law. Several residents have complained about almost being struck by vehicles ignoring stop signs. Pedestrians have the right-of-way and assume they are safe; it's the vehicles operators' responsibility to honor that right. These rules apply to golf carts as well.

Bicyclists in Florida must follow the same rules as motor vehicles. Ride on the right, stop at stop signs and display front and rear lights after dark. Don't assume that cars will yield to you but, instead, follow the same right-of-way rules that cars follow.

Pedestrians are killed more often in Florida than any other state, 5 times more the rules next most dangerous state. Be safe, walk on the left facing traffic. When crossing the street, do so at crosswalks or if one isn't available cross straight across, not on the diagonal. If walking after dark, carry a light and wear light colored clothing.

After surviving the Pandemic, it would be sad to lose your life to a foolish accident. Please respect the rules so everyone can enjoy their time at Clearwater Cascade.

Community Association of the Year for 2021

By Mark Vetter

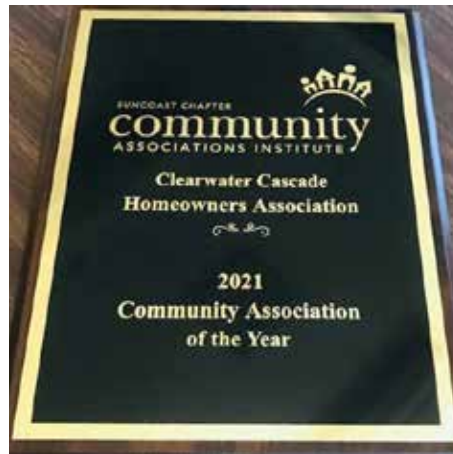

On Thursday, February 3, 2022, the Suncoast Chapter of the Community Associations Institute presented Clearwater Cascade HOA with their 2021 Community Association of the Year.

On hand to receive the award was most of the current Board Members, including our two new Members (Linda Rhodes & Kage Graham) plus the two Board Members (Diane Cudnik & April Loomis) that were part of the last year's Board, as well as our CAM, Jane Jarlenski and our Assistant Manager, Bobbi Gumm.

There were numerous letters of recommendations from both vendors and CC Residents that were influential for us receiving the award. Additionally, Jane, our CAM spearheaded our nomination.

This award says Clearwater Cascade is a wonderful community and a great place to live!"

BEAUTIFICATION

Happy March everyone! Can you believe that we are not far from welcoming Spring? It won't be long before new plantings can safely replace old, dying ones and the gardens will once again, be beautiful. Several residents have asked what they could do to help while I have been recuperating - thank you to all of you!

Donna Miller

A Huge THANK YOU!

After my recent surgery, there was such a wonderful outpouring of love and concern for me that I would like to thank everyone for their help:

Rob, who kept me going with his own first-hand experience about what I have been going through; Yanin, Marcia, Rob, Sue, Rae, and Leigh who fed Karl and me; and Caroline and Wayne for the beautiful flowers. This is not to mention all of the cards and visitations I received! I have been so touched and thankful for all of you - thank you! This has been such a wonderful reminder of what a beautiful, caring community we live in. I pray that everyone in Clearwater Cascade has such a fantastic support system!

SOCIAL CLUB

By April Loomis, President

March winds have blown in and I am wearing a new hat! After serving several years as president, Don Collins has decided to step down. He graciously accepted the treasurer position. I will serve as President, Sue Desnoyers will continue as Vice President. Newly elected member, Diane Cudnik will be our secretary. We also welcome our other new members, Linda Marcoux, Donna LaVine, and Debbie LaBrake.

Maggie Huet and Barb Meyers complete our board.

The last two years have been difficult but the future looks brighter. It is our goal to provide social functions that appeal to all residents. Please be patient as we try to juggle the event calendar. Tickets are on sale on Wednesdays from 10 AM until 12 noon at the pavilion.

As always, we appreciate your support and welcome new ideas. If you would be willing to host an event, please call me.

We look forward to seeing you at the March dance and the Park Picnic!

7. Why did St. Patrick drive all the snakes out of Ireland?
It was too far to walk
8. What's the best position for leprechauns to play on a baseball team?
Shortstop

Did you know these facts about Ireland?

St. Valentine's remains are in a church in Dublin.

This is one of the weirder facts about Ireland in this section (there's plenty more in section 2). Yes, you read correctly – the remains of St. Valentine can be found in Whitefriar Street Church in Dublin City where they've been for many years.

The first potato was planted there!

A lad named Sir Walter Raleigh is said to have been responsible for bringing the potato

...continued on page 18

crop from the Americas to Ireland many moons ago. It was at a farm near his home in Yoghgal in County Cork that he planted the very first potato in Ireland, around 1588.

Halloween originated in Ireland.

If you read our guide to Irish traditions, you'll know that the festival of Halloween originated in ancient Ireland. The story begins with the pagan celebration of Samhain. Find out more here.

The national symbol of Ireland isn't a shamrock.

Contrary to popular belief, official symbol of Ireland isn't a shamrock. No, it isn't a four-leaf clover, either. Ireland's national symbol is the mighty harp!

There were never any snakes in Ireland.

Now, you'll find out more facts about St. Patrick later in this guide, but I've whacked this one in early on as it tends to surprise people. Yes, it's true, there were never any snakes in Ireland.

It's believed that the whole snake thing is to do with symbolism. In Judeo-Christian tradition, the snake is the symbol of evil. Many believe that the story of St. Patrick banishing the snakes from Ireland represents his fight to bring the word of God to Ireland.

One of the oldest lighthouses in the world is located in Wexford.

If you read our guide to Hook Lighthouse, you'll know that it is one of the oldest operational lighthouses in the world. The current lighthouse at Hook has been there for a whopping 848 years.

Facts About St. Patrick

Think you know all there is to know about Ireland's Patron Saint? Did you know that his name wasn't 'Patrick' and that he wasn't from Ireland?

Orrrrr did you know that he was abducted by pirates and taken to Ireland against his will when he was just 16? Hopefully, you'll discover some St. Patrick's Day facts below that you never heard before!

31. He wasn't actually Irish.

Now, this one tends to rile people up a bit before the no-way-you're-joking phase kicks in. Yep, St. Patrick wasn't Irish – he was Welsh... or Scottish...

32. When he died.

It's thought that St. Patrick died in 461 at the ripe old age of 75. He was in Saul in County Down when it happened. Do you know where he was buried? Find out in our guide to St. Patrick.

33. He was abducted and brought to Ireland at 16.

St. Patrick was abducted by pirates when he was 16 and taken to Northern Ireland where he served as a slave. He was forced to tend to sheep for 6 years in the mountains.

34. His name wasn't actually Patrick – it was Maewyn Succat.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

- Veterans is a new group just being formed by Dick Boucher and Keith Mosier. Their goal is to get a team of volunteers to help put up the USA flags for Presidents’ Day, Memorial Day, Flag Day, 4th of July, Veterans Day,
