**THIS APRIL EDITION IS
DEDICATED TO ANITA FOR
ALL SHE HAS DONE FOR THIS
PARK!**

I don't pretend to know EVERYTHING that Anita has done for WW II over these many years. I know she organized the Windfall Sale for many years. She took care of ALL the flower beds at the entrance and surrounding the clubhouse. I'm sure she was involved in hosting COUNTLESS dinners and events. She has always helped her friends and neighbors and has always been a TRUE FRIEND to MANY people in the park.

Tim

As you all probably know by now, Anita can no longer attend to the flower beds in the park like she used to, and Chuck, with all his other daily duties, just doesn't have enough time to spend tending to them or giving them the attention they so deserve and require. And, while Anita could never be replaced, as she truly had a way with plants, especially flowers, we really need a few people to step up and help with the flower beds. The more people we can get to help with this, the less time it will take and, it's up to everyone to keep the community looking as beautiful as always. If this is something you could give a little time to, please let me know.

Jacqueline Flood

THANKS TO MIMI HUFFMAN FOR THE FOLLOWING:

New Westwind Website Goes Live

Westwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a "work in progress" and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the "Contact Us" page and sent to the Webmaster/Website. **We especially look forward to making this a community wide website with the addition of the Westwind II events and information.**

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This

continued on page 8

will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

MEET YOUR NEIGHBOUR

JANET TOMS - #472

In 1990 Peggy and Ross Ash from Toronto purchased #472. Ross had retired from making window coverings all his working life and Peggy was a bookkeeper for a veterinarian for 25 years. Ross spent a few winters here while Peggy commuted back and forth. The mobile became our “Southern Home.” Peggy's parents settled in Clearwater so Westwind was a perfect fit. We knew the area well. Friends and family have enjoyed visits to Westwind for many years.

Dad loved to walk the park, talking to everyone he met. Always having a story to share and a smile. Mom joined most of the activities even taking a few trips with friends in the park. She was part of the committee that organized the purchase of the park back in 2001. After 23 seasons of enjoying their winter, it became time to stay in Canada. Ross passed away in 2015 and Peggy in 2020.

That's where I come in. Being an only child I became owner and caretaker of our Southern Home. Both my boys, Bill and Andrew, loved coming down with mom and dad. When my boys were small I was an RPN at North York General Hospital in Toronto. Later I owned a campground in Bobcaygeon Ontario.

April 2nd would have been their 73rd Wedding Mom & Dad's 50th Anniversary. The most loving parents and Anniversary in Westwind ll grandparents that anyone could ever have.

I retired in 2018 as an associate at a high end orthopedic shoe store after 13 years. My golden retriever, Bailey, is 11 years old and my emotional support dog. He travels everywhere with me, is well mannered and loves everyone. He has been a godsend to me since I got him at 6 months old. He has helped me overcome many events in my life.

Hopefully, next winter we will be enjoying our place in Westwind again. Covid restrictions have prevented us being down for a while. Luckily, we have the best friends and neighbours watching over our place for us.

Janet Toms

All of these residents are now a part of Westwind II park history. Their "Meet Your Neighbor" articles and pictures are now in the MEMORY BOOK kept in the Westwind II Library.

WRITING A "MEET YOUR NEIGHBOR/NEIGHBOUR" ARTICLE is a great way to introduce yourself to others in the park. having them included in the memory book is also the only means we have of being remembered by others in the park when we are gone. the goal is for everyone in the park to be included in the book kept in the library.

IF YOU HAVE NOT YET WRITTEN A "NEIGHBOR" ARTICLE, I am reserving months for 2022. Just let me know which month you would like. (I don't assign months.)

HISTORY LESSONS

SEE WHAT YOU'RE MISSING...GET ON THE "Hi Lites"

MAGAZINE LIST TODAY! mitrengub@gmail.com

The above was scanned from page 25 of the "History of Westwind II 1977 - 1981" booklet owned by the mother of **Carol Diaz**. It traces the building of WW II from ground breaking until ALL the buildings and units were completed. The first edition of the "Hi-Lites" was February, 1978 - 44 years ago. Ray Hughes was the first editor and he had a committee of 5 people helping him. He was a BUSY guy because he was also the president of their association in 1979.

In the picture, you can see Westwind I is finished and WW II only has a handful of units. You can see Alternate 19 and what is now Grand Bay. The glare at the top of the picture I assume is the reflection off the gulf.

Ray Hughes, the FIRST editor of the "Hi-Lites" back in 1978 wrote this poignant letter at the end of his 108 page published booklet. It is as true today as it was 44 years ago. In the coming months, I hope to share more interesting information from this booklet.

Do YOU have any historical information and/or pictures you would like to share?

If so, please contact me. I can scan pictures and letters on our printer and put them into the magazine. I would only need them for a day or two and would get them right back to you. You would receive recognition for the article when it is put into the magazine.

This couple owned our unit - #451....They hailed from Uniontown, Ohio which is about a 40 minute drive south of our Ohio residence. Theirs was the first unit on 4th St. and only the 7th in the entire WW II park. They were part of the "Pioneer Families." Tina McFee was a co-chair for the very first committee in the park. This committee literally was responsible for the beginning of ALL the activities in the park.

Tina's mother, Mamie, lived with them and at the time was the oldest resident in the park.... Bottom picture is WW II's very first Christmas party.

HEART GRABBER

THANKS TO H.S. FRIEND FOR THIS:

Funny how life has plans for us we don't realize that it does ...until they happen!
I went to the park today and saw many families enjoying themselves... the kids were happy and friendly with other children. For a little while...we all forgot about the pandemic and hearts were filled with unbridled JOY!

As I walked my little dog around the trail... we happened upon an elderly man and a young man who I suspected was the older man's grandson. The old man said something about my little dog that initiated a conversation that ended up engaging the 12 year old grandson whose name was River. I said "I love that name. Its' fun being here at the park with your grandfather taking a walk and having a talk I'll bet" River said "Yes maa'm, it is."

I looked at the grandfather and said, "You have a polite grandson." Grandfather said ... "Yes, we are talking about a lot of things while we enjoy our walk in nature."

I said..."I think that's great. More grandfathers and grandsons should take walks and have talks, like you are... don't you think?" He smiled and said..."I'd like to think if more grandsons and grandfathers did take walks together the world would be a better place."

I asked River..."Do you mind if I ask you something?" He shrugged his shoulders and said with a smile... "No ma'am"...and I said..."Will you promise not to allow the technology of today to steal your youth away...will you explore the River on the inside too, because 'within the heart, mind and soul' is where Love can play a bigger part in your life. Will you please think about that?" River, soon to be 13 years old, nodded his head and said... "Yes.ma'am, I will."

continued on page 20

His grandfather said, "River listen to this lady. She is saying important things to you."

The grandfather and I thanked each other for 'the conversation', River smiled and we all went on our merry way...not knowing the good that might come out of this brief but meaningful exchange of ideals and ideas...

We must never underestimate how a walk in the park and in nature...and a shared moment...can have a lasting affect on somebody's life, especially our own! meaningful exchange of ideals and ideas...

We must never underestimate how a walk in the park and in nature...and a shared moment...can have a lasting affect on somebody's life, especially our own!

Marti Garlow Leib

EDITOR'S NOTE: "It's hard to believe we went to the same high school!"

This is the comment I always send Marti when she posts a new song she recorded or a heart-felt narrative on her Face Book page.

Marti is a singer/songwriter who used to live and work in Nashville, Tn. You can hear her songs on You Tube. She knows and has worked with MANY famous country music singers.

I tell Marti that she reminded me of the female Elvis Presley with her long dark hair and deep blue eyes. She used to perform for our high school at assemblies and of course was in our school's musicals.

Mr. Roberts was our play director and speech class teacher at our Theodore Roosevelt High School in Kent, Ohio back In the 60's. I was in his speech class as was Marti in our senior year. I always looked forward to her "speeches."

She was from the south and her family moved to Kent, Ohio when she entered high school. She had a "twang" in her speech which in itself made her unique.

First Grill In Two Years

Thursday - February 17 was a perfect weather day for a Grill. The Crew fed 65 hungry people. Diners were happy to have the Grill return - after a 2 year long break - due to Covid.

The usual workers were **Bob & Shelley, Gerry & Carol** - Carol's first time manning the grill - **Norm** - chief bottle washer - **Ann Wilton** was added to help serve food. **Sandra C & Barb F** - Barb's first time to sell 50/50 tickets.

Workers were masked up to keep residents and themselves safe. Even though the money was in the red by \$37- it was a great time.

Thank you to all who attended and supported this Social Club activity.

Jim & Linda Toy.

THANKS TO ANN WILTON FOR THIS:

MEN COOKING BREAKFAST 2-19-22

Men cooking Breakfast was a success with 78 people attending. **Dan Wilton** stepped up to try to fill the shoes of **Paul Carnahan** and ran the troop of slightly misbehaved men including newcomers **Bob Lewis, Kip Shindeldecker, and Jimmy Toy.** **Joan Rand** won the 50/50 at \$57.50. Thank you to all for your support.

Stay tuned for the March breakfast.

Memorial Service - 2-20-22

On Sunday, February 20, 2022, approximately ninety- eight friends and families gathered to honor the passing of forty-one of our residents who died during 2020 and 2021.

The service was very much in keeping with the spirit and the life style of our great Westwind community. **Pastor Jerry Rittenhouse** from Kirk Church reminded us that we all grieve in our own way. He tempered his talk with a bit of humor, even suggesting if you live here - given all these deaths - perhaps you best be getting your affairs in order. **Barb Carhide and Joann Talmage** read the names of the deceased. **Alice Weber** rang a bell after each name was read. A beautiful solo of Amazing Grace was sung by **Mary Duggan.**

Everyone was invited to enjoy a bountiful table of cookies and punch.

Thank you to everyone who helped put this service together to make the Memorial Service a special ceremony.

3-7-22...THANKS TO RENEE HERRMANN FOR THIS:

Pat, Rose, and I had a fun crazy day at the beach today! Our adventure began when we tried to put up my sun shelter but we couldn't figure out how to extend the arms to hold up the roof! **Max** came to the rescue and told me we had it upside down and also didn't extend the legs

He got the shelter up in a couple of minutes! **Pat** borrowed **Nancy's** sun brella but forgot the bag with the stakes so **Nancy** brought them when she and **Patty** came to join us

We still needed help but fortunately **Jimmy** was there with **Jill** and family and he helped us

It was beautiful but a very windy day...in our defense! Just another wonderful day with friends at Honeymoon Island!

HOW WE SPENT OUR WINTER VACATION

THANKS TO Craig & Lee Ann DeCrane FOR THIS:

Lee Ann and I, along with my sister, *Melissa*, recently took a short trip to Key West. We had an absolute blast – Hemingway's House, Truman's Little White House, Fort Zachary Taylor, all kinds of shopping, marvelous restaurants, an impromptu bicycle parade, and on the way home, a stop at Shark Valley Visitor Center in the Everglades National Park. Yes, Key West is expensive, but I expected that. The trip is a full day's drive from Westwind. I will also say that the drive through the upper keys is slow, congested and tedious. However, the drive through the lower keys is amazingly beautiful! Key West was just a beautiful, fun, unique adventure. Loved it!

Inspiring Quotes

“Great Difficulties May Be Surmounted By Patience And Perseverance”. Abigail Adams

First Lady Abigail Adams and second U.S. President John Adams were the earliest occupants of the White House. From the start of their courtship until the end of their public service, the couple exchanged more than 1,100 letters. These historical documents verify that Abigail was her husband’s closest political adviser for decades. On November 27, 1775, while home with their children in Quincy, Massachusetts, she wrote to John in Philadelphia, where he and his fellow Second Continental Congress delegates were debating which principles should underpin the fledgling U.S. government. Given their formidable challenge, Abigail offered these words of advice, maintaining that haste rarely fosters meaningful solutions.

We have met every month year round since. I have a very long list of ladies on my Book Club e-mail list. Many have never come to a meeting but like to have the list of books for their own reading pleasure.

Our meetings are always on the last Tuesday of each month at noon in the Westwind II library. We are a very welcoming group and would love to have you join us. *Our next meeting is April 26th at noon.* We will be discussing The Book Woman of Trouble Creek by Kim Michele Richardson. WINDFALL SALE

THANKS TO PAT SNYDER FOR THE FOLLOWING:

The sheds are cleaned out and all the bins are washed. Thanks to Renee for helping with that task. Donations are already coming in and being sorted for the 2023 sale. Keep them coming!!!!!! Remember: sleeper sofas, plate glass mirrors and TV's of any kind are NOT accepted.

The last two years have definitely presented challenges to the sale, but residents stepped up and made it happen once again. The 2022 Westwind Windfall Sale was a success. Thanks to all who participated.

I have been organizing the sale since 2014.....seems like only yesterday that I was panicking over that first sale as I really did not have the slightest idea what I was doing!!!! I know I did not sleep the night before. I have really enjoyed working with everyone to have a successful sale each year. It is definitely a team effort!!!! I am very appreciative of being able to work with Jill for the past few years, and now I am going to step back and hand the reins over to her. I will be available to assist her in whatever capacity she would like. (As everyone knows, I do have my BIG black book full of "stuff.") She is now in charge. Please contact her (802-488-4601) if you have any questions/concerns.

We are looking forward to having the traditional Windfall Sale in 2023....keep your fingers crossed!!!

Thank you for giving me the pleasure of working with each and every one of you.

THANKS TO JACQUELYN FLOOD FOR THE FOLLOWING:

Hello Everyone, and a huge welcome back to all our northern friends who have been away for so long. It's time to enjoy another beautiful, sunny winter! It's wonderful to see so many people in the park again. The games are being played, the Rummage Sale is in full swing and, I think we should give a shout out to all the people who have been helping, not only with donations but moving the items to and from the Clubhouse. Thank you!

As you all probably know by now, **Anita** can no longer attend to the flower beds in the park like she used to, and **Chuck**, with all his other daily duties, just doesn't have enough time to spend tending to them or giving them the attention they so deserve and require. And, **while Anita could never be replaced, as she truly had a way with plants, especially flowers**, we really need a few people to step up and help with the flower beds. The more people we can get to help with this, the less time it will take and, it's up to everyone to keep the community looking as beautiful as always. If this is something you could give a little time to, please let

4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?

me know.

On another subject, but one I like to remind everyone of every month, is **INSURANCE!** If you have given me an updated copy of your homeowner's insurance lately, thank you. But, if you have not, or you aren't sure if you've lapsed or for those of you who know you are not carrying insurance on your home, this is the time to get that taken care of. I can't stress the importance of how necessary this is, and, because of that importance, we will be cracking down on anyone who doesn't have an updated policy on file with the office.

Next, and just as important, is **updated contact information for all persons living in the park.** If you have an email address, please give that info to the office and be sure if you've given it before, that it's updated. Don't assume that we have an updated email address because you gave it sometime in the past. I have several people with email addresses on file who, when I've sent out an email blast, they are being returned undeliverable. So, perhaps, at one time you did give the office your email address but since then it's changed. **I also need updated phone numbers and, very important, emergency contact info.** The reason I say updated is because recently, I had to call the emergency contact info on file of a resident however, it was very outdated and the emergency contact person on file was someone who passed away years ago. That will not help in an emergency.

Lastly, **if you plan to sell your coach, please let the office know so that we may help you and/or your realtor get it done correctly.** The Governing Docs of the community are extremely helpful when it comes to the sale or purchase at Westwind II ROC, so of course, that's always a great resource, which you should keep handy, especially if you plan to sell since those documents should go to your relator and/or the buyers when you move. But, if you let me know, I'll be aware and the whole process will go more smoothly and, I'll help with any questions you may have. Keep in mind, **anyone purchasing in the park is required to fill out an application, available in the office, and be screened prior to moving in.** If anyone has any questions, please feel free to reach out.

Thank you,
Jacquelyn

ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

If you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a "**bed tax**" on rental income. The tax is identified as "**Tourist Development Tax**". It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

R.O.C. BOARD

REMINDER TO ALL RESIDENTS:

PLEASE COME INTO THE WESTWIND II OFFICE #181 AND MAKE SURE YOUR NORTHERN ADDRESSES ARE UP-TO-DATE.

ALSO, PLEASE LET ME KNOW WHEN YOU ARE CHECKING-IN FOR THE SEASON AND CHECKING-OUT.

THIS IS VERY IMPORTANT FOR MAIL OUTS, EMERGENCIES, ETC.

THANK YOU,
JACQUELYN FLOOD,
PROPERTY MANAGER

REMINDER: HOMEOWNER'S INSURANCE

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

"WILL WORK FOR BEER"

Someone in WW II asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

SOCIAL CLUB NEWS

SOCIAL CLUB PRESIDENTS' LETTER

Hello Westwind Residents!

On behalf of Linda Toy and myself, we would like to send out a huge thank you to all of the people in our community who participated in both small and large ways to resurrect the Social Club in spite of this long and unending pandemic. Your contributions are invaluable! We believe we are back in business!

However, we are always in need of the “organizing /list makers “ who are willing to take charge of an event or dinner. Also, we need our faithful “worker bees” who get the work done...down to every detail! And then there are the “ creative thinkers” who we hope will stuff the suggestion box with many inventive ideas. You are all part of how we create a varied, fun loving, and active Social Club!

If you are new to Westwind II, please join us with your strengths and positive attitude. Sign-up lists are in the central hallway of the Clubhouse . Ask a neighbor about an activity or call anyone on the Social Club Board for information.

Don't be reticent... step out and join any of the activities as well as meet new friends from this fantastic group of people who make up Westwind. There are lots of activities and events that occur during the summer and fall!

Please support the Social Club by joining the fun and finding a way that you could use your specific talent to create the best Social Club on the West coast of Florida!

Safe travels and good health to all!

Annette Cuffe and Linda Toy

Co-presidents

JUST FOR LAUGHS & GIGGLES!

AND THAT'S WHEN THE FIGHT STARTED

My wife was hinting about what she wanted for our upcoming anniversary. She said, "I want something shiny that goes from 0 to 150 in about 3 seconds." I bought her a bathroom scale.
And then the fight started.

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift... The next year, I didn't buy her a gift. When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"
And that's how the fight started.

I rear-ended a car this morning...the start of a REALLY bad day! The driver got out of the other car, and he was a DWARF!! He looked up at me and said 'I am NOT Happy!' So I said, 'Well, which one ARE you then?'
That's how the fight started.
