Regency Heights Pool Exercise

Carol Gabriele

Every Wednesday at 1 pm, I will be conducting a low-impact pool exercise class in our Regency Heights pool. The pool exercises will help build strength and balance with the use of water as resistance. The class is only 30 minutes long so come on out for some fun in the pool, as you TONE THAT BODY!. See you there!!!

Cornhole

Mike Boesch

Come and join us for cornhole on Mondays at 6:30 behind the clubhouse. If you've never played, it's very easy to learn. Hope to see you there.

Euchre

Karen Lovell

I hope everyone had a safe and happy Holiday Season. Euchre has resumed on Sunday evenings at 6:30 P.M. at our Clubhouse. It is \$1.00 to play and all funds are paid out. If you have any questions, please give me a call or text at 724-809-9178. Hope to see you there!

Social Activities Club

Christy Klein

Thank you to everyone that helped and/or participated in the Carport Sale. Terry and Larry thank you for helping us on Saturday. Thank you Regency Heights and Anna for sponsoring the sale.

Thank you to all the residents that attended the Pool Party on Sunday. The weather was great. The Pool was full of swimmers. The food was very tasty and had a great variety. Thank you to Kerry and Larry for cooking. Thank you, Janet, Linda, and many others that helped set up, clean up. It was so nice to see people just come forward and help keep things going. Hopefully, we are on the backside of Covid.

A Message from your NEW HOA President

Naomi Rubin

Hello Regency Heights! I'm Naomi Rubin. I live in 457 with my sister Susan, and our dog, Sammy. I now understand how Truman, Johnson, and Ford felt when they woke up one day and was President!! I've become President of the HOA because some fine people before me could no longer serve.

Levity aside, we have a great Park. I am hoping to run efficient meetings where everyone will be respected and heard. I hope this alone will encourage you to support the HOA.

Naomi

Friday Night at the Movies (NEW)

Carol Gabriele

ONE Friday a month starting at 7 pm, we will be showing a movie, in the clubhouse. The movie will be chosen from donated DVDs, you can donate your DVDs into a labeled box on the stage, and selections from Amazon Prime, etc. The movie selected will be announced beforehand on RH's Facebook group pages and on the bulletin board in the clubhouse. You may bring your own snacks and we will also have snacks/beverages for sale. If you want to bring a more comfortable chair than what our clubhouse provides, please do. Come out for a fun and relaxing night!

See you there!!!!

April Calendar

Financial Literacy Month. Financial Literacy Month is a chance to reflect on the state of your personal finances and an opportunity to improve those finances one step at a time. The first and most important step in developing and following a financial plan is to examine your attitudes about money. Are you ready to accept responsibility for changing your financial situation?

Mathematics and Statistical Awareness Month. Both mathematics and statistics play a significant role in addressing many real-world problems—internet security, stainability, disease, climate change, and much more. Research in these areas reveals new results and applications every day in fields such as medicine, manufacturing, energy, and business.

National Arab American Heritage Month. Arab Americans celebrate their heritage in hopes that all Americans will appreciate their contributions to the U.S. The month of April is a special opportunity to enhance understanding of the nuanced and diverse aspects of Arab American heritage.

National Garden Month. Take some time this month to engage your family, friends, and neighbors in gardening. Get outside and garden with your family. Make a window box salad garden, find new ways to be green, garden in the city or the country, and much more.

Weekly

National Library Week, April 3–9. A time to celebrate our nation’s libraries and library workers, and promote library use and support. National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country. All types of libraries—school, public, academic, and special—participate.

National Dog Bite Prevention Week, April 10–16. With an estimated population of nearly 85 million dogs living in U.S. households, millions of people—most of them children—are bitten by dogs every year. The majority of these bites, if not all, are preventable.

National Park Week, April 16–24. Parks across the country host a variety of special programs, events, and digital experiences. Entrance fees are waived on April 16 to kick off National Park Week and encourage everyone to enjoy their national parks.

National Youth Violence Prevention Week, April 25–29. Founded in 2001, National Youth Violence Prevention Week is a time for youth to lead communities on effective strategies to prevent youth violence.

April Days

April Fool's Day, April 1. Play a (harmless) prank on someone you love today.

National Beer Day, April 7. Celebrating the day in 1933 when the sale of beer became legal. Upon signing the legislation, President Franklin D. Roosevelt remarked, "I think this would be a good time for a beer."

Easter, April 17. A Christian celebration of the resurrection of Jesus Christ.

Earth Day, April 22. The 2022 theme, "Invest in Our Planet," centers on finding solutions to climate change and encouraging governments, citizens, and businesses to do their part.

Talk Like Shakespeare Day, April 23. Try talking like the Bard for a day. One tip: When in doubt, add "eth" to the end of verbs: he runneth, he trippeth, he falleth.

Love on the rocks

Are love and marriage dying? CNN reports that Americans these days don't seem to be forming relationships, moving in together, and even having as much sex as they once did.

The 2021 General Social Survey found that 26% of Americans 18 and up didn't have sex at all in the past year. That's up from 23% in 2016 and also 2018, so it's not just fear of the pandemic preventing hookups. Only slightly more than 50% reported having sex once a month or less, the first time that figured exceeded 50%.

Americans aren't shacking up as much either. The GSS found that about 62% of Americans 25–54 were living together, married or unmarried, in 2019, far below the 70% who lived together in 1990, which serves as a baseline. Ten percent more men, and seven percent more women, were living alone than in 1990.

Even without living together, partnerships aren't as popular in recent years. The GSS found that 30% of adults 25–54 had a steady partner, down from 20% in 1986.

One bright spot: The divorce rate seems to be dropping. Divorces and annulments dropped, with 2.7 per 1,000 people in 2019, down from four per 1,000 in 2000.

Ninety percent of life is fifty percent indecisive. The rest is confusing.

The coolest Beatle

When drummer Phil Collins was 19, according to a story from The Poke website, he got a call to go out to former Beatle George Harrison's house to play the congas for a track on Harrison's album *All Things Must Pass*. Collins was excited, but when the album came out, the song had no congas in it.

Twenty years later, Collins met Harrison at an event and reminded him of the session, asking him what happened to the conga track. Harrison said he didn't remember, but he still had the master tapes and promised to take a look.

Three weeks later Collins got a package from Harrison with the master tapes from the session. When he listened, though, he realized that the congas sounded terrible. He also heard Harrison tell producer Phil Spector, "Get rid of that lad with the congas, he's absolute crap."

Mortified, Collin called Harrison to apologize. After a few minutes, though, Harrison started to laugh. "Those tapes I sent you, they're not the real sessions." He'd hired a band to re-record the song and played the congas himself as badly as he could, then said the line about Collins being useless. "I wish I could have seen your face," Harrison said. "I'll send the real sessions to you, you sounded great."

George Harrison had taken a day out of his schedule just to pull a prank on Phil Collins — proving he was the coolest Beatle.

The black dot

One day a professor entered the classroom and announced a surprise test. The students got nervous. The professor distributed a sheet of paper to each one, then told them to turn the page over and start the test.

To everyone's surprise, there were no questions in the test paper, just a black dot in the center of the page. Startled, the students looked at the professor in confusion. The professor told the students: "I want you to write a few lines about what you see on the paper."

The students were puzzled but started writing.

Once everyone was finished, the professor collected all the papers and started reading each answer aloud in front of the whole class. Without an exception, all the students had written about the black dot, describing its position, size, etc.

After reading all the answers, the professor addressed the students:

"Don't worry, none of you will be graded on this test. I just want you all to think about something. All of you wrote about the black dot, but none of you wrote about the white paper."

"This is what happens in our lives. We're surrounded by things to celebrate and learn from—our parents, friends, family, good health, and so forth—but we limit ourselves by focusing only on the dark spots: our disappointments, frustrations, fears, and anxieties. We take the rest for granted.

"Take your eyes away from the dark spots in your life. Focus on the bright parts all around you and let positivity guide your thoughts."
