Fairway Social Committee (FSC)

Sherry Moore

Seems like we just began a season of Social Activities and now prepare for a slower summer season. While the Clubhouse is somewhat quiet, we encourage our residents to enjoy our yearlong events.

In an effort to inform residents of the day-to-day social activities, FSC will continue to send our weekly Social E-Blast on Mondays.

We are asking that a volunteer come forward to organize three Summer Parties, one each in June, July, and August. Memorial Day Pot Luck still requires an Event Lead.

Anyone wishing to promote an event can email sherrymoore94@gmail.com with a write up of what you want published. This E-Blast will be submitted for distribution at 6:00 am on Mondays. Anything received after that will not be published until next week. Remember to review the calendar in this Flier centerfold and on the FVRA website.

Happy Easter

April FSC General Meeting

Ronnee Patterson

Join us for the last FSC General Meeting of the season on April 5 at 7:00 pm. We are switching things up; we will be having the meeting first and then the entertainment. Dave DeLuca will entertain us with a 90-minute set of your favorite tunes from the 1950’s through the 1990’s. Let’s get together and have a little fun before heading back home. This night of entertainment is free of charge. The round tables and chairs will be available, so bring your snacks and drinks.

Garden Volunteers

Ed Watzel

We need volunteers!

The Fairway Village Garden volunteers maintain the gardens at the pools, as well as, tending to all of the gardens and flower pots around the village. The gardens around the Clubhouse are now being maintained by an outside landscape company. Our current year-round volunteers are Gail and John Carr, Ed Watzel, Lynette and Paul Schiffhauer, and Trish Tallant. We would like to thank our seasonal volunteers Bill Davignon, Fritz Weinrich, Chuck Simpson, and Lily Hopcroft. They spent many hours keeping Fairway Village looking beautiful. We are always in need of summer time help. If you are interested in volunteering; please call Gail Carr – 532-9790 or Ed Watzel – 524-2988.

Koffee Klatch

Sharon Graham

April is the month of Easter and gratefulness. Take some time to visit with friends. Join us for donuts, coffee or tea on Saturday, April 16 from 8 to 9 am. If you would like, bring your own mug. Please sign-up on the bulletin board in the Clubhouse and be sure to include your last name and lot number. The sign-up sheet will be removed on Wednesday, April 13. Donations are appreciated!

Shuffleboard Club News

Martha Russell

It's almost the end of the season and we would like to congratulate all of the competitors. The results of the competitions; as well as the March Tournament will follow in next month's flier.

Thanks so very much to Lucia Moran and Kris Wechter for being the Directors at the 2022 Social Shuffleboard Tournament. Also, to the Blue Shirts who officiate the March 17th Tournament. Jobs well done by everyone! We have a full card of 32 (yeah). When Glenn Russell originated this tournament in 2010, we had over 64 participants. Looking forward to a returned interest in this game of fun, competition and fellowship. We are seeing new-bees joining in; that warms our hearts as the new generations are moving into our community.

Now we begin our time of mourning... As this story begins, in 2003 a young Canadian chap named Ted Moran and his lovely wife Betty moved into our wonderful Fairway Village; what an asset that became. We have grown to appreciate, love and show gratitude for all that Ted does which benefits all of the leagues; Social Shuffle, Ulmerton, Sunshine, and Blue Sky. Ted was a breath of fresh air to our community; being an avid golfer who quickly became a devotee to Shuffleboard (now we call that God's plan). Once Ted got a grip on the shuffleboard league, it did nothing but grow.

Ted, the Task Master, along with volunteers assured that our Courts are kept in pristine condition throughout the season. As we travel to other communities to compete, it is plain to see that Fairway Village Shuffle Courts are second to none. Now with our new Clubhouse, along with the improvements to the Shuffleboard Courts, it can be said we ARE the Diamond among the Zirconia's.

Into each life decisions have to be made – some easy – some not so easy. Our cherished Ted and Betty will soon be returning full-time to their beloved Canada; there is no doubt they won't forget us. Our loss is Canada's gain for sure.

You know there is a saying that people come into your life for a SEASON, others come in for a REASON. Ted and Betty have been in our lives for nearly 20 seasons; and even though

Options For Disposal of Household Items and Furniture

Darrell Swain

Please consider one of the following organizations for donating items to people less fortunate, rather than just throwing things away. For items that are no longer usable, they may be disposed of in the dumpster on Eagle Drive South adjacent to the golf course. Do not dispose of any contractor supplies or building materials, your contractor should haul them away. The majority of the organizations (exception of Goodwill, Am Vets, and Pinellas County) will enter your unit to remove items.

The Salvation Army – 1446 South Missouri, Largo, 727-447-1913 – Pickups need to be scheduled. They will take donations of used household items and haul away good used furniture. Closes at 6:00 PM most nights and are closed on Sundays.

AJ's Beds and Furniture – 727-588-0406 – Possibly buy good used furniture.

New to You Thrift Center – 727-465-4261 – They will haul away good used furniture; however, is must be at least four (4) items.

Goodwill – 1460 Missouri Ave N, Largo, 727-581-7069 – They will take donations of good used household items. Closes at 6:00 PM most nights.

Am Vets – 1608 Belcher Rd S, Largo (across from Circle K gas station, next to Pete's

...continued on page 10

Barber Shop) – They will take donations of used household items. Monday – Saturday 8:30 AM to 5:30 PM and Sunday 11:00 AM to 4:00 PM.

Leonard Britch – 727-667-7301 – He will haul away items and old appliances that are no longer usable for a reasonable fee.

*When purchasing new appliances have that company haul away the old appliance for a small fee.

Pinellas County Chemical and Electronics – 2855 109th Ave N, St. Petersburg (just off 28th Street North). Drop off/disposal for hazardous chemicals and old television sets. For more information, call 727-464-7500

50th Anniversary Celebration

Beth Pomeroy

The 50th anniversary celebrations for Fairway Village residents married in 1971 and 1972 was held in the Clubhouse on Sunday, March 6. Seven couples celebrated this marital milestone. The Clubhouse was beautifully decorated by the organizing committee and there were over 100 invited guests in attendance. As couples were introduced, their wedding picture was flashed on the big screen along with a current picture and their special song was played. The marriage story for each couple was narrated by emcee Dwight Noseworthy. There was theme to every story which reflected each couple's unique history.

The couples were Sally and John Fischer, Darla and Bill Gabriel, Ann and Ron Chisholm, Debbie and Bob Brunelle, Ann and Fran Kelleher, June and Bruce Killam, and Susan and Dick Bagg.

Thanks to the organizing committee – Joan Boyle, Francine Benoit, Alexander Warshaw, Carlene LaCroix, Celeste Minafo, and Dwight Noseworthy. Special thanks to Madolyn McMahon for all the printing and photography, Carol Shepard for playing the piano, Bob Moore and AV team, and Gloria Meek for compiling the “Remember When” for 1971/1972.

Thank you to the FSC for their financial support and Bob Stapleton Heating and Air Conditioning Inc. for a donation towards the cost of the flowers.

This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC revised P and P). Before you begin your project, please obtain a home replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. Ladies Golf League

Nancy Archer

Congratulation to the Champions for 2022. As I am writing this, I don't know who they are but know they all deserve to celebrate their wins! We ended the year with 124 members that includes ten new members and seven honorary ones. It's been a short season this year and I know we are all looking forward to next year getting back to normal, and having a big year end Banquet.

This year we had our first Ladies Double Quota Challenge, and we had 28 teams sign up. Congratulations go to the winning teams:

1st – Louise Williston and Linda Groen with +30

2nd – Francine Benoit and Patty MacKenzie with +27

3rd – Susan Burgoyne and Alice Walczewski with +17

4th – Karen Lombardo and Barb Leasure with +15

5th – Debbie Correia and Wen Smith, and Charlotte Sohl and Lorraine Griffith with +14 (tied)

The February muffin sale was a big success and the league raised over \$500. A big thanks to Karen Lewis and her helpers, and to all of the people who made muffins for this event. The money is all being put back into league activities that will benefit everyone.

Thank you, also to the Executive Board, the Team Leaders, and their many volunteers who made this year, as short as it was, a great season. Your willingness to assume a role in your League, however large or small, is much appreciated. The league cannot run without you and I encourage as many of you as possible to add your name to this list.

A big congratulations to Brenda Ford for getting her hole-in-one in February and joining the elite few golfers who can celebrate this feat!

For those of you who are leaving the end of March, have a wonderful summer and I will see you in the fall.

Golf Tip of the Month – Local Playing Rule – Out of Bounds

Fairway Village Golf Course has placed white stakes to identify all Out of Bounds (OB) areas. These areas also include the permanent Golf Shack and adjacent paving and concrete, all lawn areas behind homes, and an area on No. 2 on the right side of the fairway near where the maintenance equipment is kept. Out of Bounds is defined by the ground level line from White Stake to White Stake and there is a local playing rule that should be followed while playing on our FV course. Except for No. 9 (where there is a drop zone), when a ball goes OB, it must be dropped within two club lengths (using your longest club) perpendicular from the point it **CROSSED** (not where it ended up) the OB line. This might mean that you have a longer distance now for your next shot. PENALTY – 1 STROKE.

DOING THIS ONE THING NOW, WILL SAVE YOU THOUSANDS OF DOLLARS LATER. TRUST ME.

April Calendar

Financial Literacy Month. Financial Literacy Month is a chance to reflect on the state of your personal finances and an opportunity to improve those finances one step at a time. The first and most important step in developing and following a financial plan is to examine your attitudes about money. Are you ready to accept responsibility for changing your financial situation?

Mathematics and Statistical Awareness Month. Both mathematics and statistics play a significant role in addressing many real-world problems—internet security, stainability, disease, climate change, and much more. Research in these areas reveals new results and applications every day in fields such as medicine, manufacturing, energy, and business.

National Arab American Heritage Month. Arab Americans celebrate their heritage in hopes that all Americans will appreciate their contributions to the U.S. The month of April is a special opportunity to enhance understanding of the nuanced and diverse aspects of Arab American heritage.

National Garden Month. Take some time this month to engage your family, friends, and neighbors in gardening. Get outside and garden with your family. Make a window box salad garden, find new ways to be green, garden in the city or the country, and much more.

Weekly

National Library Week, April 3–9. A time to celebrate our nation’s libraries and library workers, and promote library use and support. National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country. All types of libraries—school, public, academic, and special—participate.

National Dog Bite Prevention Week, April 10–16. With an estimated population of nearly 85 million dogs living in U.S. households, millions of people—most of them children—are bitten by dogs every year. The majority of these bites, if not all, are preventable.

National Park Week, April 16–24. Parks across the country host a variety of special programs, events, and digital experiences. Entrance fees are waived on April 16 to kick off National Park Week and encourage everyone to enjoy their national parks.

National Youth Violence Prevention Week, April 25–29. Founded in 2001, National Youth Violence Prevention Week is a time for youth to lead communities on effective strategies to prevent youth violence.

The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Easter, April 17. A Christian celebration of the resurrection of Jesus Christ.

Earth Day, April 22. The 2022 theme, "Invest in Our Planet," centers on finding solutions to climate change and encouraging governments, citizens, and businesses to do their part.

Talk Like Shakespeare Day, April 23. Try talking like the Bard for a day. One tip: When in doubt, add "eth" to the end of verbs: he runneth, he trippeth, he falleth.

Love on the rocks

Are love and marriage dying? CNN reports that Americans these days don't seem to be forming relationships, moving in together, and even having as much sex as they once did.

The 2021 General Social Survey found that 26% of Americans 18 and up didn't have sex at all in the past year. That's up from 23% in 2016 and also 2018, so it's not just fear of the pandemic preventing hookups. Only slightly more than 50% reported having sex once a month or less, the first time that figured exceeded 50%.

Americans aren't shacking up as much either. The GSS found that about 62% of Americans 25–54 were living together, married or unmarried, in 2019, far below the 70% who lived together in 1990, which serves as a baseline. Ten percent more men, and seven percent more women, were living alone than in 1990.

Even without living together, partnerships aren't as popular in recent years. The GSS found that 30% of adults 25–54 had a steady partner, down from 20% in 1986.

One bright spot: The divorce rate seems to be dropping. Divorces and annulments dropped, with 2.7 per 1,000 people in 2019, down from four per 1,000 in 2000.

Ninety percent of life is fifty percent indecisive. The rest is confusing.

The coolest Beatle

When drummer Phil Collins was 19, according to a story from The Poke website, he got a call to go out to former Beatle George Harrison's house to play the congas for a track on Harrison's album *All Things Must Pass*. Collins was excited, but when the album came out, the song had no congas in it.

Twenty years later, Collins met Harrison at an event and reminded him of the session, asking him what happened to the conga track. Harrison said he didn't remember, but he still had the master tapes and promised to take a look.

Three weeks later Collins got a package from Harrison with the master tapes from the session. When he listened, though, he realized that the congas sounded terrible. He also heard Harrison tell producer Phil Spector, "Get rid of that lad with the congas, he's absolute crap."

Mortified, Collin called Harrison to apologize. After a few minutes, though, Harrison started to laugh. "Those tapes I sent you, they're not the real sessions." He'd hired a band to re-record the song and played the congas himself as badly as he could, then said the line about Collins being useless. "I wish I could have seen your face," Harrison said. "I'll send the real sessions to you, you sounded great."

George Harrison had taken a day out of his schedule just to pull a prank on Phil Collins — proving he was the coolest Beatle.

The black dot

One day a professor entered the classroom and announced a surprise test. The students got nervous. The professor distributed a sheet of paper to each one, then told them to turn the page over and start the test.

To everyone's surprise, there were no questions in the test paper, just a black dot in the center of the page. Startled, the students looked at the professor in confusion. The professor told the students: "I want you to write a few lines about what you see on the paper."

The students were puzzled but started writing.

Once everyone was finished, the professor collected all the papers and started reading each answer aloud in front of the whole class. Without an exception, all the students had written about the black dot, describing its position, size, etc.

After reading all the answers, the professor addressed the students:

"Don't worry, none of you will be graded on this test. I just want you all to think about something. All of you wrote about the black dot, but none of you wrote about the white paper."

"This is what happens in our lives. We're surrounded by things to celebrate and learn from—our parents, friends, family, good health, and so forth—but we limit ourselves by focusing only on the dark spots: our disappointments, frustrations, fears, and anxieties. We take the rest for granted."

"Take your eyes away from the dark spots in your life. Focus on the bright parts all around you and let positivity guide your thoughts."
